Every time I put together an issue of SHOW I want it to be so HOT that I say to myself, "How am I going to top this one?" That's the position I find myself in with this edition. SHOW #11, also known as SHOW Latina, is so freaking ridiculous that we will be hard pressed to do any better with our next issue. Don't worry however, we are certainly up to the task.

Think about it for a minute, though. SHOW Celeb **Jesikah Maximus** is enough to make this issue sell out. Add in Brazilian beauty queen **Suelyn** and already it's our best SHOW ever. If that wasn't enough for you, we brought back **Destiny**, who rocked SHOW Black Lingerie #2. Then we just got certifiably ill and decided to utilize this issue to introduce a chick who may go down as the hottest SHOW Girl ever for many of you. That's saying a lot, but super cutie **Jessica Burciaga** has international stardom written all over her. The real crazy thing is that many of you will find new comers **NaNa** and **Natalie Rodriguez** to be the finest models in the entire issue. That's just how stacked this edition is.

What a way to introduce our newest spin off SHOW Latina! This issue is sponsored in part by Howard Misle and In Ya Face Entertainment, so it is officially known as the "In Ya Face" Issue. Thanks to our affiliation with the man affectionately known as "Big H", we have been able to out-do ourselves this time. Notice has been served that you are witnessing the continuance of our dominance and the beginning of a dynasty. The bar has been set.

SHOW has become known for introducing this industry's newest and hottest stars. Over the past three years we have brought to you SHOW Originals including **Khrystie Hill**, **Alexis Walker**, **Laura "Sweetie" Dore**, **Fanaye**, **Temeca**, **Dollicia**, **Jesikah Maximus** and **Diznee** to name a few. As time goes on some of our creations go their separate ways to continue their successful careers. But as my idol once said "I don't chase 'em, I just replace 'em". Beginning with this issue and into 2009 you will witness the emergence of many new SHOW Celebs. God has blessed us with the photography of Nick Saglimbeni and the talent of our glam crew, which allows us to transform the raw beauty and sexiness of our new discoveries into what you have come to know and love: SHOW Girlz. You're welcome!

Let the SHOW begin,

Dear Mr. Cummings

I'm a huge fan of what you've done with SHOW Magazine. I love it. Especially the White Issue, which is by far the best pictorial I've ever seen! But I have a request, which I'm sure your getting a lot of — is it possible that the August issue of SHOW can have **Jenna** "Perfect 10" **Shea** (I call her that) as the cover girl? I'm one of her hugest fans and I can't lie I have a mega crush on her, but seriously she has it going on right now. I mean gorgeous face, sexy body, insane sex appeal, do I really need to go on? (laughs). **Jenna** deserves the Cover because she is one gorgeous —if not the most gorgeous woman walking right now and that's saying a lot because there are other women who could get the cover but **Jenna Shea** deserves the cover hands down —no argument needed. What can I say? She's hot in the streets and she's the buzz right now because everyone I know who bought that SHOW White Issue talked mainly about her. So I'm sure you're a busy man and might not read this but please put **Jenna Shea** on the cover of this August's SHOW. You'll be making a lot of people happy if you do so. Hope to see her on the August issue...Take care.

From,  
Ray Bullock

Show and Tell,

If this is Sean Cummings himself all I have to say is that you are a genius and amazing individual. If not then please pass the message. I don't know where you find these beautiful young women but your eye for the perfect women is incredible. From an artistic point of view I love your magazine because it is sexy but classy at the same time. I am amazed at the photographic quality of the magazine and how you seem to really capture the beauty and exoticness of each model no matter what shape, color, or size.

Just a quick message to THANKYEW-THANKYEW-THANKYEW for featuring models **Jenna Shea**, **Farrah Mama**, and **Jayona Fabro** in the recent Show Magazine White Issue.

All I can say is: more, More, MORE of these lovely visions please!!! **Jenna** is completely cover-worthy, **Farrah** is radiant, and well, God must've had a GREAT party before he made **Jayona**!

Thanks again for your great magazine—Continued success!!

~Rodney

Wassup SHOW Mag,

First of congrats on making it so far, going from like every 3 months to a monthly joint, even with a lil' side thing going (Black Lingerie issue). I just joined the board, and even though it's a little slower than other online forums I frequent, I expect it to grow and will be proud to be one of the OG'z...

On to Issue 10, after my distaste for the 'WHITE issue' I thought I'd have to find other mag to support, because I was a bit offended by the way it was put together. I've already quit buying KING,

Smooth, and even BlackMen after repeatedly receiving what I felt was subpar material. They all became redundant and unoriginal to me. But ever since seeing my first SHOW magazine on the 'Barnes & Noble' rack (Issue 4 with Ahni Luv on the cover), I've found SHOW to be my type of men's magazine. I wouldn't even call it a men's magazine, because it is something you could show a girlfriend or female friend also because of the way the women are shot, down to the articles about the individuals in the mag. As long as SHOW shows concern about the opinions of its supporters, I see myself buying until Issue 100.

But back to the issue —the cover girl, **Diznee**, is lookin' her best since the last issue she was in. I'm

surprised to see she's actually like a month or two older than me. Woah! **Marin** blew me out water with her spread! Along with new comers like **Emily**, **Brandi**, **Dominique** (who's from not too far from me, I'm from Portsmouth, VA and she's in Norfolk) and Mercedes (lol I liked the one on pg 56 the best, but they both were great)...But as for another woman I've never seen before, **Syion**...DAMN, DAMN, DAAAMMNN, Black Woman! Black Woman!

pg 27 and 31 are my favorite pics in the issue

27: because of, well, I'm like LL Cool J

"I want a girl with extensions in her hair  
Bamboo earrings  
At least two pair"b

30: I really just like the whole tone of the photo. She looks like Tawny Dahl from 'Baby Boy'. But after seeing Ish' 10 I'm looking forward to the next one. Thumbs up for putting Vanessa Veasley in the next 'Black Lingerie'!!!!

-D.O.P.E. "Defending Our People Everyday"

Mr. Cummings,  
I'm really feelin the Black Lingere Magazine. My favorite girls are **Summer**, **Sweetie**, **Amber**, and **Vanessa**. Honorable mention goes to **Sarah**, **Buttercup** and **Kersti**. Overall it's an awesome magazine! Congrats on all of your magazine's success and I wish you much more in the future!

-Ruddy Lugo

Dear SHOW

Just wanted to let you guys know I really enjoy your magazine. I bought both the pink and white issue and the special edition with the girls in black. They are both very tastefully done. The special edition is super classy. The girl **Vanessa** in the black teddy dress is simply stunning. I love her golden complexion, breasts, and pretty toes(that's a first!) **Sweetie** is a dime! You know a woman is beautiful when she is almost naked and you can't stop looking at her eyes. I loved **Summer**'s spread as well eventhough there weren't many pictures of her bottom half. The backshot of **Sweetie** on page 44/45, The cover photo of Vanessa, and the picture of **Summer** squatting in the thigh-highs on your contents page, are going intp my "spank bank"! LOL You know your magazine is the best when you spend \$20 on two magazines instead of putting it in your gas tank! -Will S.

The legs are positioned diagonally across the frame against a solid blue background. The lighting is bright, highlighting the contours of the legs and the texture of the shoes and underwear.

My name is Jessica Burciaga and I'm from Orange County California. A lot of people ask me what my ethnicity is; I'm actually mixed with Mexican, French & Irish. I grew up in southern California with my family. My best friends are my Grandma, my Mom and brothers. I'm extremely close with my family. I love them so much because they have always been supportive with my decisions and they back me up 100%. I've been modeling for almost 4 years now. The first magazine I ever did was Stuff Magazine and Maxim Magazine. I was featured in there a couple times and then from there it just took off. I've had 10 covers and now Show Magazine is my 11th cover! I also have another cover coming out in December. I've modeled for everything from popular Men's magazines to Car Magazines and now next year in 2009 I'm going to be a Playmate and be featured on the 'Girls Next Door' show. ►

principal's office daily  
for violating the  
stupid dress code!*

Since I was 12 years old I knew I wanted to either be a model or an actress. I decided I'm a better model, lol! Although my one big dream has not come true yet and that is to one day host my own show. I love being myself in front of the camera and interviewing people. I went to school for a couple of years to get into Sports Broadcasting, so I hope I get a chance to host my own Sports Show one day and interview Kobe Bryant! hahaha...basketball is definitely my favorite sport.

In high school I got sent to the principal's office daily for violating the stupid dress code! haha! I think they made up a new dress code policy just for me! Everything from showing too much cleavage and (distracting the boys as they put it) to my ripped jeans below my butt cheeks, skirts too short and tops that showed too much tummy... I had my belly pierced in high school and I wanted to show it, they couldn't stop me :) now I get paid to show cleavage and tummy...lol, how ironic, I knew I was destined for this, hahaha.

I now have my own website [www.idreamofjessie.com](http://www.idreamofjessie.com) and my Myspace page gets a lot of attention being named one of the Top 10 Myspace pages in Los Angeles. My Myspace is [www.myspace.com/jessieburciaga](http://www.myspace.com/jessieburciaga). ■

My name is Alana and I was born and raised in the Bay Area, Northern Cali. I moved to L.A a few years ago, and have fallen completely in love with Southern California! I've met and continue to meet amazing people and have been blessed with incredible opportunities. I'm an exotic mix of French Hawaiian Japanese and Irish. I'm a true Pisces at heart! Very intense, emotional and passionate – I love, hate and feel with all that I have. I'm strong willed, extremely impulsive, live by my own rules and I like to get my way! I'm reserved at first and I don't open up right away. I observe people and my surroundings until I can get a feel for them. I am not easily impressed, and I have very high expectations of myself and others. I enjoy reading a good book, nights out with my girls, getting dolled up, stimulating conversation, yoga, traveling (I want to see the world!), the beach, spoiling my dog – and most importantly, I love anything that makes me smile! I have a young heart with an old soul. I have experienced so many beautiful and painful things in my life and all of it has shaped me to become the person I am today. I've learned not to sweat the small stuff or worry about things beyond my control. One day my life will flash before my eyes, and I want to make sure it's worth watching! I truly value each day and cherish happiness and love – I look forward to a future filled with both. Sean – I can't thank you enough for this amazing opportunity! You're the best! ■

## SHOW | Jesikah Maximus

My name is Jesikah Maximus, I'm 23 years old from Tustin, CA. And I'm having the time of my life! This past year has been a cross road to destiny for me! I've often told my story of working as a makeup artist at a Mac counter in a Mall in Orange County less than a year ago. I share this story because I want to inspire others to take the first step to their dreams. This year feels like the equivalent of being blasted out of a rocket launcher! I have opened up my career with a Bang! I am blessed to be this year's leading cover girl! After being featured in various magazines including KING, I graced my first cover which was Show magazine thanks to Sean Cummings. You may have also seen me on the cover of Blackmen's magazine's special ten year eye candy anniversary issue which was followed up by the distinction of being featured in an SSX magazine special tribute issue from cover to cover. I am told that no model has ever been given the SSX tribute issue this early in her career. My first major trip of my career was to Puerto Rico to shoot my 2009 calendar with celebrity photographer Nick Saglimbeni who has literally watched me grow up through the lens of his camera. Thanks to my exclusive relationship with Urbmob.com and my manager St. Gian at NeXlyfe Entertainment, I have been featured in television commercials promoting my cell phone wallpaper pics as well as traveled the country as a cover girl hosting events. ►

SHOW | Jesikah Maximus

I have co-headlined tours with NeXlyfe/ Universal Motown recording artist J. Blue. This was the first time a major record label chose to cross market their artist with a model in both print and tour campaigns. I am also featured in two J. Blue videos, "Hey "featuring Snoop Dogg and "Bubble "which was a song inspired by yours truly. Wow! I'm so amazed at the relationship I have developed with my fans that have been responsible for my success. It has been overwhelming to see how far the Jesikah Maximus brand has spread as I travel from LA to New York, tour the south and even abroad as I have hosted events in Switzerland and Paris France. I want my fans to know that this success they have granted me and the love they have shown me has not changed me. I am still the same ol' girl from Tustin, Ca that they have come to know and love. I want them to be assured that I love them back and that I don't take my success for granted. I work very hard to give them what they want and I refuse to short change them. That's why I am taking my time to build the very best website I can offer them. I want to be in constant contact with my fans all the time and give them the most intimate experience possible with Jesikah Maximus. In the future you can expect even more from Jesikah Maximus. This is my second Show magazine cover and later this year you will see me on a few more covers of your favorite magazines. You will also discover Jesikah Maximus in media outlets that you wouldn't expect. Don't be surprised though because I am thinking outside the box and it is my goal to do the unexpected and to accomplish the impossible. I'm taking my fans with me all the way to the top! They can't stop Team Maximus which is my army of beloved fans out there and we are growing every day. Stay tuned because the best is yet to come! ■

"Oriental beauty with Caribbean Curves" is the phrase that seems to be catching people's attention. My name is Natalie Rodriguez and I am of Chinese and Cuban decent. Truly I was blessed with shapely orient eyes and a voluptuous figure that many men and women find appealing to the eye. I am 24 and have been modeling for about a year now. Since the age of two I practiced and trained in dance such as ballet, hip-hop, modern jazz, lyrical, and Pointe up to the age of 16; therefore, having this figure. I was born and raised in Miami, FL. 305 STAND UP! And I will never forget my upbringing and the incredible family that stands by my side. As far as modeling goes, I seem to be becoming a video vixen. I was on Pit bull's ft. Trina and Young Boss: Go Girl, Julio Voltio ft. Calle 13: El Mellao, and Kevin Ceballo's: El Milagro de tu Amor. That's only the beginning. You all will be seeing a lot more of me as time goes by. I started modeling because everyone would come up to me and ask if I were a model. They were stunned that I wasn't and would suggest that I become one. I have been told that I cannot let my beauty go to waste, so here I am trying to pursue my latest dream. I would have never thought that I would be featured in a magazine, such as SHOW, and in music videos. But hey life is full of surprises and you never know what it has in store for you! I just want to thank all of my friends, family, and the lord himself for giving me all the support I can get. And of course I want to thank all the fans for supporting me as well. You all are the ones that keep me going and give me hope that my dream will come true. Thank you and I hope u enjoy the pics! ■

My name is Alicia, I am 23 years old born and raised in the Bay Area, California. I am half Cuban and half Mexican, the youngest and only girl of three older brothers, so I guess you can say I was a bit of a tomboy growing up. I work as a payroll administrator for a large construction company; I enjoy my job but constantly seek opportunity for advancement. That being said, I am currently pursuing a degree in Business Administration with a focus on Business Management and hope to one day own a business of my own.▶

I have been in the modeling industry for about 3 years and enjoy the many benefits from the industry, especially traveling. I have been fortunate enough to travel to most major cities in the United States, Puerto Rico and Mexico. I have managed to do print work, music videos, commercials for the Spanish network, calendars, ring card for Strikeforce and other boxing events, and major trade shows throughout the United States.

When I am not busy attending work and school or working a modeling assignment you can catch me spending time with family and friends or preserving my sexy at the gym. Thanks to everyone for all the support, especially In Ya Face Records... The sky's the limit! ■

Let's see, where to start? For those of you, who don't know me I'm a pretty much a big deal....just kidding... but seriously. I was born a Midwest girl in the Razorback state (yes, I made out with a cousin or two... All girls though). Pops served in the Corp, so being a Military brat (figuratively speaking of course) I moved around a lot. Believe me when I say a lot, I've seen a lot of what this world has to offer... I've repped mid-west... east coast...I even rocked a kimono when I lived in Japan. Wow, good times! Eventually my family packed up and moved back to the west coast of the states, and found ourselves in the City of Sin...Las Vegas Baby!!!! Then came one of the best years in my life thus far... In 1997 came one of the proudest and most defining moments in my life.... I was blessed with my baby boy... Still to this day, my family and I reside in Las Vegas and I make a living in the booming Nightlife industry by working at the hottest club in the world. ■

Born and raised in the city of Angels beautiful Los Angeles California. Virgo by the signs, Latin American by genes, my name is Jacquelyn Nunez. A free spirit, Daughter of a gentle ambitious Latin woman, and a strong wise Lebanese male, both are a gift from heaven. I admire an educated person and for that I strive to always continue my education. Having already earned a degree in business management I seek more, I believe in being extraordinary not ordinary. Don't ever settle for what you know seek more. Fluent in English and Spanish, by day you may find me in a court room, law office or hospital as an interpreter, on occasions you may find me at a promotional event for one of the many companies I represent, enjoying life! This is my life I make the rules, I approve my own schedule, and I like it that way. It doesn't imprison me to life predictability and for that I am privileged to live life in the moment. I love to spend time with my little nephews they keep my spirit high. I have a sister that goes by Sisi that I hold dear to my heart, She has so innocently taught me much about life and how to look beyond the trouble to see the brighter side a skill that she has mastered, I also really enjoy my little Sasha, she always brings a smile to my face, She's a Blue American Pit Bull Terrier.▶

I have tons of energy and always looking for new things to do. I love all types of music from Hip Hop to Rock. I love to dance like most girls do, and if you're watching it really doesn't matter it's me and the music lost in a trance, Love the classics 61 Lincoln, 66 Cadillac on suicide doors but never had the opportunity to really experience the time and dedication it takes to restore, customize and maintain these beauties, love motorcycles picture me rolling my new Yamaha R6! There does come a time when I just want to relax stay home watch a comedy, play some Guitar Hero or play my Nintendo DS, but my greatest joy would have to be..lending a helping hand to someone in need, that fills my heart with an indescribable feeling, I recognize it as a blessing,

About 4 years ago I began to do some promotional and spokes modeling work but had not really considered print till now and so I've obviously accepted a few offers and it has been a great experience for me, I have met many wonderful people among them the "SHOW TEAM", I've had the opportunity to do many Fun and exciting events representing many well known beverages, magazines, teams, fundraisers and sports events while having a great time, So for now I have decided to keep working hard at everything I do, including becoming a better person everyday and enjoy the rewards. ■

SHOW I Nana

"Well, Hello! My name is Natasha a.k.a NANA!!! I'd like to first off, give thanks to Show Magazine...Sean, you are the MAN! You too Nick! They keep it real and very professional! I would also like to acknowledge Aaron Mellion and thank him as well for introducing myself to Sean and actually trusted that my unique look was something that Sean, as well as the rest of the men out there, are interested in. I'm honored to be given compliments like this because this magazine is about the Art of Sexy and I am one of those curvy women with the look that is ,for some reason, people can't find the correct ethnicity to, so most of the time I'm making them guess what I am before I tell them because no one has ever gotten it right. I get Hispanic all the time especially Puerto Rican, Mexican or somewhere from Central America. I get Middle Eastern too or even a little mix of black. I am full Samoan! A very small island in the Pacific just below the equator also very similar to Hawaiians (just to make it easy for everyone). Crazy thing about it is that people don't believe me because they say that I'm too "tiny "to be a Samoan. Samoans to them are "huge, big boned people and very intimidating ". I laugh and take it as a compliment because it is true and we are just built that way and it's in our blood and we are proud of it, well for me I'm not big boned (I don't know why so stop asking!) but I'm proud to be an American Samoan with high morals and virtues taught at a very ►

young age, as well as to respect everyone around me and to love your enemies. I love to eat everything and anything and people ask me where do the pounds go? I then turn around and show them where it really goes! haha! even my sense of humor is enough to make a person fall over heels for me. talk about concieted huh!! No, it's just confidence really! I have a huge family, sooo many close friends, and even got my very own fans (hint: Myspace Rules!) so I'd like to give them a shout out...they are my supporters with everything I do and I love you all so very much! the rest can kiss my @\$@ if they think that I'm degrading myself by showing too much skin...BUT hey! i'll be the first to say that I'm proud of what my mama gave me cuz it is SHOW mag and I'mma SHOW it off!!! HA!!!! Sean, get ready because this issue will be sold out within 24hrs. ;) "■
