You haven't seen your favorite model until you have seen her in SHOW!

Music videos move to fast. Even a good look as the sole vixen in an R&B jam needs to be paused with your remote to appreciate the beauty that has been cast. Many magazines drown their models in cumbersome fashion pieces, or dwarf them with huge busy sets. Some only showcase models alongside other models or rappers. All of which can make for a beautiful final product, however what is often lost, can only be found in SHOW.

Thanks to the vision of our Publisher Sean Cummings, and the superior execution of our photographer Nick Saglimbeni of Slickforce Studio, SHOW can literally introduce models that may have been in the Glamour, Urban, Music Video, or Import Modeling circuits, for some time. They are fresh faces to us, because we are the first to truly show you their face!

Our lighting brings out every highlight on her unique skin tone and texture. The set is free of distractions so her eyes connect with the camera. She pops against a background that does not compete with her, because this spread, is about her, not how many props or models we can cram into the shot. Our images are so crisp, clear, and large that you can almost imagine those curves sitting there right in front of you. As you take in the high definition layout and her accompanying bio, you now feel like you have finally met this lovely lady, despite the numerous places you may have seen her before.

This is a special issue because it is packed with fresh faces and new beauties. Some are complete rookies to the modeling world such as covergirl **Jade**. Others are just new to the SHOW family. Take a seat and get ready to see **Brittany Dailey, Brianna Amor, Erica Jackson, and Draya** as you've never seen them before! Their beauty and bodies combined with exceptional modeling abilities have earned them the new title of SHOWgirl. Then welcome back **Alexis**, our cover girl from Issue #2, who's recent super sexy sets on **ShowGirlzExclusive.com** have had all our members requesting that she make her return. I'm sure you'll agree she did not disappoint!

On with the SHOW!

SHOW And Tell

SHOW is the best thing since God created women!!!
- Majesty

I love SHOW! I always study it to practice my poses and faces for modeling. To one-day shoot with Nick for SHOW Latina would be a dream come true! -Trudy The Black Lingerie Latina issue is my absolute favorite thus far. Where do you find these women? They damn sure don't live anywhere near me. smh. - RJ Ent.

YO Thanks so much for the Pearls Issue. **Jayonna** looked fabulous, But next time more back shots... We know u got them! - DymeExtreme

I love SHOW. I would love more of these models in the magazine: **Sarah Nichole, Temeca, Joanna Shari, Jayonna Fabro, and Jenna Shea.** Thanks, - Erik

I always take your magazines with me to the studio...
INSPIRATION lol - @RicheyRhymes

I'm very impressed that you guys have managed to keep your doors open and not skimped on quality during the economic downturn. Whatever you're doing, keep it up! - Sean Polite Jr. (New Orleans, LA)

The Pearls concept was cool, and everyone loves a Latina woman, but what happened to the pretty faced, big booty sistas that made you guys famous? Don't loose me by turning into Maxim please. - Frankii

Suelyn is a goddess and I will buy anything you put her in. Period. - Nafis (Camden, NJ)

Always! Always! Bet on Black (Lingerie)! - @totalimage Show is far from dead. I wouldn't be surprised when the dust settles if they are the last one standing. Plus the SHOWCase issues go on location and mix it up. -BlakKJaKK (via Blackjackskanz.com)

Jessica Burciaga's spread in BL#8 is Beautiful! I bought this issue. I have her Playboy spread (signed) and her first SHOW cover as well. She is smokin. SHOW has all the models that are sweet and look just as good (if not better) in person: **Jessica Burciaga, Diznee, Daphne Joy, Vanessa Veasley, Dollicia Bryant** and **Suelyn Medieros!!!** I've met them all and was blown away. Still hope to meet: **Amazin Amie, Bria Myles** and **Jesikah Maximus...**
-POW! (Via blackjackskanz.com)

I came across an issue of Show with **Sweetie Cyanide** on the cover that one of my squad members left out, and I decided I would flip through it (and in all honesty this in itself is due to the fact swimsuit

magazines normally are not my idea of a good read). I took the time to read the Q and A with her. I normally say that I am not a biased person and she proved me wrong and I wanted to say I am sorry that I completely misjudged her due to only the fact she is, well stunningly beautiful and therefore I assumed that was all she was, again I am sorry for that. After reading this article I find that she is very similar to the few people I consider my closest friends, hence the reason I am writing this in the first place. Mainly I wish to sincerely apologize for judging her simply by what I saw, and secondly I would like to thank her for giving me a little of my hope for humanity back to me (this part is hard to explain but trust me on this that hope has been faltering for a while now). - Daniel R.

Jessica
Burciaga

To the Editor of Show Magazine:

I am a long time fan of your magazine, and I am always impressed by the quality and diversity of the women you feature in each issue. But, there is one woman, who, I must say, is my all-time favorite, and that's **LAURA DORÉ** aka **SWEETIE CYANIDE**. This woman defies description. She has everything you want in a fine woman...looks, body, and booty, and a singular uniqueness that separates her from just about any other woman on the planet!

I'm amazed that as I frequent various model-related message boards, there is one photo that continues to be the stuff of legend, and it's the classic photo of **Laura Doré** in a blue two-piece bikini, standing in a body of water, with those most amazing abs a man has ever seen. She is looking down at herself, as if she is almost in disbelief also, with the most beautiful curly hair, and a body that you'd almost think was unreal.

I think I speak for most men who have seen that image of **Laura**, because I would love to see as much **Laura Doré** as your magazine can hold...and would be even more please to see you recreate that classic image of her, that will always remain in my mind.

Sincerely,
Breathtakingly Fine Possibilities

@SHOWMagazine asks: Who's your favorite SHOWGirl? Why?

SHOW

My name is JadeWifeY; I was born and raised in California. I've been an exhibitionist my whole life! If I didn't have to wear clothes, I probably wouldn't. Most people can't tell from my appearance, but I'm really silly. I love laughing and making others laugh. I'm always nice to everyone that I meet. I think being a good person is one of the most important things in life, and I never forget where I came from.

The entertainment business has always been something that I've wanted to be apart of, but I honestly don't have my future plans figured out yet. My SHOW shoot was one of the best experiences I've had. I want to grow in the entertainment business and be very successful.

I've never been one to have a boyfriend. I always joke and say I'm going to be alone forever, but I think I just haven't met the right guy yet! I have had a lot of negative people in my life, and I've come out on top by remaining positive. I love looking at pictures of beautiful women with beautiful bodies, and I am flattered to now be considered one of them. I must say I wouldn't have been given this opportunity if I didn't meet Nilanti Narain and Vanessa Veasley. I am so grateful to them for introducing me to Sean Cummings. This is my first magazine layout, and I can't wait to drive to the store when it's released and buy it and see myself in SHOW!

SHOW

Hi my name is Suleika and I'm from the beautiful island country of the Dominican Republic. I currently reside in the Silver Spring, MD area. My measurements are 36D-26-39, and yes, I'm all natural. I'm fairly new in the modeling industry and I plan to conquer as much as possible.

I think a lot people think I'm stuck up, but that's not the case. I'm very down to earth, and a goofball. I'm a Libra. I enjoy shopping, traveling, reading, dining out with my girlfriends, and meeting/networking with different types of people. I listen to all kinds of music; I really like R&B and Hip-hop. I also listen to pop and punk music. I can't really pinpoint any one artist who is my favorite right now but I love Toni Braxton.

What I look for physically in a guy is height! I like tall men; granted I'm not very tall myself [Laughing], but I prefer someone that is at least 6ft and above. I like a man who takes care of himself and his appearance (well groomed). Body build doesn't matter to me; he just has to be able to lift me up because I might jump on his back unexpectedly. [Laughing] At the end of the day, it's all about personality and if I can have a conversation with a guy. I like a man that can make me laugh. I love men that are humble; being cocky or arrogant is a major turn off. I like someone who is honest, romantic, and thoughtful. There is nothing better than a man who is thoughtful

The "Art of Sexy" to me is being yourself. I feel sexiest when I'm happy. What I liked the most about shooting for SHOW was getting all dolled up with glamorous hair, make-up and outfits. This was my first major magazine shoot. It was exhilarating! Everyone was so pleasant and professional which is very important to me.

I wouldn't mind adding a few major music video credits to my resume. One of the artists I would like to work with in the future is Ludacris. I really like his videos; I think they are very funny. I'm really feeling T-Pain too. My ultimate goal is to get into acting, so look out for me. I would love to work with Halle Berry, George Clooney and Tyler Perry one day.

You can say hi to me on MySpace at: Myspace.com/suleika_the_dominicanbeau. I'd like to know what you think about my first magazine feature! Besos!

I was born October 26, 1984 as Iesha Davis, in Southern California, and I'm one of the newer faces in modeling. My measurements are 34D, 26, 40, and I'm definitely ready to be noticed.

Growing up, I was always considered the "tomboy" type (yes, climbing trees and being one of the boys lol), until high school where I decided to become a cheerleader. After graduating high school, I attended college and received my BS in Information Technology. I've never considered myself the "model type" until I met Sean Cummings who offered me a shoot to grace the pages of SHOW magazine and gave me the name Beauti. I was certainly flattered.

The shoot was awesome! I had tons of fun! I had a chance to meet the wonderful crew behind the magazine- Sean, Nick, Gabby, Tony, and Diana, and can't forget the beautiful Vanessa, she's so adorable! I also had the chance to work with a few amazing models. In the future, I am definitely hoping to get the chance to work with directors such as Hype Williams and Erik White. This is only the beginning! Look forward to seeing me in many more magazine spreads and music videos! Sean, you're great, thank you for everything!

Hey everyone, its Draya Michele. Born and raised in Reading, Pa. For those of you who don't know where that is, its about 45 minutes away from my second home away from home, Philadelphia. I'm just getting my feet wet in the whole modeling business. So far you might have seen me in a few music videos such as: Pleasure P "Under", The Dream ft. Kanye West "Walking on the Moon", and Fabolous ft Jay-Z "When the Money Goes". I've also done a couple of other small modeling projects. It was Irv Gotti who first really saw something in me. He introduced me to director Hype Williams and Sean Cummings, and things took off from there. This is my first time I have been featured in SHOW and hopefully not the last.

I'm just building my fan base now and I realize it's a lot harder than I thought. Right now my biggest fans are my family, my girls, and men of course. It's mostly women that don't understand what I do. They never see the business side of my jobs and often have a problem giving credit when it's due. Luckily, I have a great personality and once I get warmed up to a person, I eventually win them over. I wish every girl out there working hard to do this, the best of luck, because it isn't easy. I also want to say thank you to everyone who supported me since day one (and also the ones who jumped on the band-wagon). Last but never least, much respect to "the biggest-little city" that supports me, Reading, PA USA!

My name is Alex. I'm a typical 18 year old and straight from the suburbs of Temecula, CA. Southern California is my home and I wouldn't have it any other way. I love the beach, and the fact I get to wear a tank top and shorts in the middle of January. I'm outgoing and I love to laugh. I'm excited for life and all the things it has in store for me. I graduated high school in June, class of 2009! Now I plan to go to collage in San Diego. I want to be an event coordinator, and also a special needs teacher.

I hang out with friends, go to school, and work part time. Modeling is something I have always wanted to do. When I found out about SHOW I took one look at the magazine and told myself I had to be in it. The very next day I sent in my pictures and waited to see what would happen. A whole new world has opened up for me as a model; and I couldn't be happier that Sean chose me to be in the magazine. I'm 5' 7" with 34 DDS. In the Zodiac world I have the privilege to call myself a Scorpio. With this sign I know my passion for modeling will bloom into something amazing.

Growing up I lived with my mom and younger brother. I am the oldest with two half brothers and a half sister. Out of the four of us I was the only one lucky enough to have all these freckles. I am Black, Mexican and White. Having such a mixture makes me want to travel and explore different cultures. I have so many plans for my future and I hope modeling will help send me full speed ahead. SHOW was my first real modeling experience and it was great. Everyone on set was so friendly and professional. I would love to model while I am going to school. And I hope I get the opportunity to shoot for SHOW again very soon. Until then, come show me some love on my MySpace page: myspace.com/s3cr3t1103

"My measurements are 34DD, 26

Hey everyone first and foremost I'd like to introduce myself, my name is Brianna Francisco, a.k.a Brianna Amor. The last name comes from me being part Honduran/Jamaican. My measurements are 34DD, 26 waist and 42 hips. I've been modeling for about 3 yrs since I graduated from High school in '06. I knew that I wanted to do something in the entertainment field, but I wasn't sure what. I was invited to do a few fashion shows and photo shoots and actually fell in love with the first flash from the camera. I was hooked!

I began to grow into myself once I posted images on various websites, that's when a well-known video director contacted me. I was flown down to ATL to shoot a video for T.I. "Big things poppin" where I was a feature model. When it aired on BET, I was called to shoot for a XXL Eye Candy layout. You might have also seen me in HIP-HOP Weekly, The Source, Rap Fanatic, and various other publications. If I could work with anyone in the future, I'd like to work with Hype Williams (one of my all time favorite video directors), and also Little X. As far as artists go I'd like to work with Lil Wayne, Drake, Ludacris, and Ne-Yo.

Brianna

This is my first appearance in SHOW and I'm delighted to shoot with a magazine of such high caliber. The shoot was great! I got to get creative and show my sexuality. Being sexy is very important especially in the field that I am in. To be sexy you have to have the right hair, shape, and size; but I think mostly it's about how your presence exudes confidence and sensuality.

What I find sexy in a man is clean nails, clothes, and haircut. I like a man who is neat and knows how to carry himself. Also, I like a man who knows how to speak well and treat a woman (I'm very old school).

My aspirations outside of modeling are to continue my education in Forensic Science (I can watch crime stories for days at a time), and to try acting (I've always been fascinated with that as well). I'd like to say thank you to my fans for sticking with me. If you have any dreams or goals stick to them because dreams really do come true. To aspiring models I'd say ask questions no matter how stupid you might feel they are, and never let anyone take advantage of you. Always stick to your guns! Brittany D.

Hi everyone! My name is Brittany Dailey, and I'm 22 years old. I live in Los Angeles, but was born in Sacramento, and grew up in Denver, Colorado. I moved to California when I was 18, after I finished home schooling. I was home schooled for two years because I couldn't stop ditching class! [Laughing] After I moved to California, I worked full time at Hooters, then kind of fell into modeling when I did my first photo shoot for Lowrider Magazine, and everything took off full force ever since!

I've been featured in multiple videos for artists such as Lloyd Banks, Snoop Dogg, Lil Boosie, and Lil Wayne just to name a few. My favorite project I've ever worked on was with Kanye West and Hype Williams for Kanye's Glow in the Dark world tour. I was in all gold body paint and damn near naked, but I was a futuristic sexy hologram girl during his "Gold Digger" performance. I never got to see it but I heard it was HOT and just the fact that people around the world saw it feels good!

When I'm not modeling, I'm a homebody at heart. I love movies! X-MEN (all of them), Sin City and Blow are a couple of my favorites. My favorite books are Pillars of the Earth and Jonathan Livingston Seagull. I love cats; I have one named Mya (she's my baby). I also have an Australian Sheppard named Kira. Did you know Australian Shepherds have the intelligence of a five year old? Smart dogs! I love Football; my favorite team of all time is the Broncos! I like the Steelers too. I want a terrible towel. (I think that's what it's called, what kind of fan am I? Sheesh!) I'm not much of a Basketball fan, but I like the Nuggets!

I enjoy modeling, but I'm going to go back to school for Nursing. My mom is a nurse and I think it's such a noble profession! There's so much more to me, but I gotta keep you wanting more! [Wink] I hope you enjoy my spread! Tell me what you think at: MySpace.com/brittbritt28 or on Twitter: www.twitter.com/brittanydailey

Jessica

Hi there! My name is Jessica. I'm originally from Miami, but I live in Las Vegas. My measurements are 36-26-38. I've been modeling on and off for a few years.

To me, being sexy or "The Art of Sexy" has to do with first being comfortable in your own skin... being yourself. Outside of modeling, I would love to travel and meet new people. My hobbies include working out, and spending time with family and friends. For entertainment, I am definitely open to trying anything once and going from there. As long as I am content, it doesn't really matter what I'm doing!

This was my first time shooting with SHOW. The experience was awesome! There was great energy on set. I have to say everyone from the SHOW and Slickforce staff made me feel really comfortable. I liked being pampered! I loved the great hair, makeup, stylist, Oh, and the oil girl wasn't bad either! [Laughing] Enjoy...

"I'm an

Marissa

Hey my name is Marisa Elise. I am of African American, Irish and Iroquoian descent. I was born outside of Philadelphia, but I grew up in and around Washington, DC. Growing up in DC allowed me to experience a lot of historical architecture and art, which is why I am currently pursuing a degree in Architectural Design. Now that I'm completing my degree I'm going at my dreams full force! Ultimately I would love to host a talk show or an entertainment news show and possibly act. Aside from modeling I plan to own my own architectural firm that specializes in hotel and nightclub design.

I consider someone or something 'sexy' that exudes confidence without speaking. The Art of Sexy lies in your demeanor and the way you carry yourself, it's not all about physical appearance. I love confident men who are driven and goal oriented. I'm 5'8" and my measurements are 36D-25-40, so I like my men to be tall, in shape and able to keep up with my energy. I'm an undercover tomboy. I love doing activities outdoors and anything different from the ordinary dinner and a movie. Giving back to my community is an important issue to me. I also volunteer at a local food bank that provides needy families with groceries and other necessities.

Appearing in SHOW for the first time is awesome and I would like to thank Sean Cummings for giving me this opportunity. Getting a chance to visit LA and work with everyone from SHOW and Slickforce Studio was great; they were welcoming and made me feel right at home. I hope this is the first of many times that you'll see me in SHOW.

As far as keeping in touch with me, I am on MySpace at myspace.com/marisa_elise and you can follow me on Twitter @MsMarisaElise. You can also contact me through my website marisaelise.com where you can subscribe and receive a newsletter about all of my upcoming events and appearances.

Hey my name is Erica Jackson, and I'm from Spokane, WA. I've been modeling for the past 3 years. You might have seen me in Playboy's January '09 issue or working with COPA Swimwear. Some of my hobbies include snowboarding in Big Sky, fly-fishing in Bozeman, MT, and pretty much anything else outdoors. This is my first appearance in SHOW, and I'm so excited to be gracing the pages! This shoot was so much fun, it helped me grow as a model. What I liked most about it was how kind and professional everyone was!

One of my aspirations outside of modeling is to start a foundation for drug and alcohol abused families. This foundation will not only be helping the children, but the parents as well. Something I would like to pursue in the entertainment industry is acting. I've always had a deep passion for the camera and becoming other characters. I would also like to create a very sexy yet classy lingerie line.

To me, "The Art of Sexy" means to be confident, smart, and classy. There's nothing sexier than a man or woman who carries themselves well! I find a man sexy if he has a great sense of humor, sexy smile, and goals that he is taking steps everyday toward accomplishing. A classic car never hurts either. [Laughing]

Some people I hope to work with in the industry would be Directors, Tim Burton, David Green, and Gil Green in addition to actors Megan Fox, Edward Norton, and if these ladies were still alive today, Audrey Hepburn, and Marilyn Monroe.

To all my fans: I can't thank you enough. I'm so happy you love the pictures I've shot for you. I'm glad you could be a part of my legacy. I could not have accomplished this with out you, so thank you. You can find me at MySpace.com/ericajacksonsd

My name is Alexis Walker and I'm back! You guys may remember me from the second issue of SHOW. I was also in a few videos with artists from Mobb Deep, to Pit Bull to Tego Caldarón. I took a few years off to focus on school and my career but after much anticipation I think it's time for a come back. I love modeling and I've always been a fan of SHOW, so when Sean asked me to do a second cover I was more than happy to oblige.

Shooting with SHOW is always a surprise and a joy because you never know what you're going to be in for. The sets are always different, and with the Slickforce Glam Squad you're sure to never be disappointed. This time was no different. I hope you guys enjoy this issue, which can be described only as insanely sexy. Look out to see a lot more of me! I'd like to give a special thanks to Sean Cummings for always being there and giving me this opportunity, my all time favorite photographer Nick Saglimbeni, to Gaby for my makeup, Tony for my hair and Diana for the styling. You guys are amazing and you've done it once again! A special thanks goes to my #1 fan, and also a big thanks to all my friends, family and fans for all their support. Without you this wouldn't be possible!
