SHOW Man

Our Latina issues are always highly anticipated. After the stunning SHOW 15, which was hailed as our best SHOW ever, our third Latina edition, SHOW 16, has big shoes to fill, and we think it more than holds its own as SHOW magazines go. True to the SHOW doctrine it is stacked with future stars that you are seeing for the first time. Cover girl **Alana Rodriguez**, who is from Rochester, New York, joins a very select group of models that have made their print debuts on the cover of SHOW. The list includes superstars **Dollicia Bryant**, **Jesikah Maximus** and Internet favorite **Cubana Lust**. We also introduce the lovely **Yessina**, **Brenda**, **Nastica**, **Jennifer**, **Cheltzie**, **Dominique**, and **Kristal**. There is no question that someone is this outstanding group will become your new favorite Latina SHOW girl, or one of your favorites in general. Rounding out the issue are super hot veterans **Tammy Torres**, **Elle Navarro** and **Jessica Skyy**, who are all new to SHOW.

2009 has been a tremendous year of growth for SHOW and Cummings Media, Inc. In the midst of one of our country's worst recessions, we were able to introduce two new titles, SHOWCase and The Art of Sexy, which is our first nude book. In addition, Black Lingerie became a new title completely separate from SHOW. We launched websites for three of our top stars Suelyn (www.iluvsuelyn.com), Jesikah Maximus (www.JesikahMaximus.com), and Laura Doré (www.LauraDore.com). Our flagship site www.SHOWGirlzExclusive.com exceeded the 500 girl, 100,000 images mark and remains the top urban glamour pay site since launching in 2008. On the mobile front, we continue to be the top provider of sexy urban images across all platforms. This fact was highlighted by the May 2009 launch of our very successful iPhone app "The Sexy ladies of SHOW", which was a top 25 app for the first few months of its launch, which is huge. Most importantly, SHOW was once again the #1 black men's title in Barnes & Noble, Borders and 7/11. We have our loyal readers to thank as well as the many SHOW Girlz who continue to bless us with their class and beauty.

I extend a personal thank you to all of you holding this issue in your hands. You are why we do this. When we decided to enter the "entertaining and making people happy" business, we wanted to reach as many of you as possible through our multitude of print, video and digital offerings. As you continue to spread the good word, we continue to grow and for that we are grateful. Look for more wonderful things in 2010, as SHOW and Cummings Media, Inc. will always find hotter and sexier ways to make you happy.

Enjoy the SHOW!

SHOW

Hey SHOW Fans! My name is Alana Marie and I am from Rochester, NY. I am a small town girl with big dreams. My measurements are 34B-26-36 but don't let my small frame fool you. I am definitely an example of "BIG" things that come in small packages!!!

I have that girl next-door look but behind closed doors I am a naughty vixen. I am a guy's girl and I love watching and catching MLB, NFL and NBA games. My teams are the Red Sox and the NY Giants. I love playing softball, shopping, catching movies (I'm a huge movie buff) and reading.

I have been modeling for about 2 years now and I love it. This is my first appearance in SHOW Magazine and definitely not my last :-)

My experience with SHOW was amazing. I had such a great time with everyone. Shout out to the Slickforce Studio crew. Thanks to all the cute girls working behind the scenes, hair team - Al and Tony, make up - my twin Gabby and Bre, wardrobe-cutie Diana and the best photographer ever NICK!

I love feeling and being sexy and that is what SHOW is all about. Sexy is feeling confident with your body, working your curves and being half naked. LOL

Next on my journeys I would love to work in music videos, movie/TV roles, and more appearances in magazines. I want to say thank you to Sean for introducing me to the SHOW world and believing in me. I love you and I can't thank you enough! Vanessa thanks for everything too!

Hit me up on myspace.com/alanar2. For booking info please email me at alana.marie02@gmail.com

I love and thank all my fans, friends and family for your support! To my new SHOW fans- I will keep you satisfied ;)

SHOW

Hello All! My name is Yesenia Bustillo and I was born and raised in the Bay Area, specifically San Francisco CA. I am of Hispanic descent from San Salvador, El Salvador. My friends would describe me as smart, vibrant, charismatic, confident, self-motivated, friendly and down to earth. I love to travel, meet new people, dance, exercise, shop, lie out on a gorgeous beach, take pictures (of course) but most importantly spend time with my family.

Although I just recently began to pursue a career in modeling, my love for it started at a very young age. Family members would compare me to different models as I always loved to take flicks and be the life of the camera at every social/family event. I feel as though I'm free and fierce and often lose track of time when indulged in front of a camera. It's definitely a different type of a get-away. My experience includes modeling swimsuits and clothing for Lianides, LLC and more recently modeling lingerie for showgirlsexclusive.com.

Yesenia

Aside from establishing an immense modeling career I plan to work hard at expanding my event planning business to reach the ultimate goal of becoming one of the most successful and in demand event planners in the business. I am a very invigorate individual with a go-getter mentality and best of all, NOTHING IS IMPOSSIBLE! Lastly, I'd like to thank the whole SHOW team for making my shoot/experience an unforgettable one. With their expertise, kindness and benevolence I was able to bring out my very best when shooting. Their team of stylists, makeup artists, hair stylists and assistants all worked together to create fun, striking and sexy looks. I had an amazing time! You can also check me out at www.myspace.com/diamondprincess650 or on Facebook by simply searching my name.

SHOW

Hi my name is Jennifer Faith and I was born in Santa Paula, Ca. I am 21 years old and loving it. My ethnicity is German, French, Spaniard, Indian and Mexican. I am a Taurus so watch out; I can be a bully sometimes! Lol!! I am the baby of the family. I have an older brother and sister that I love very much. I am currently going to college right now and working in fashion and I enjoy it very much. I also enjoy playing video games, watching sports, going to the beach, hiking, and horseback riding and doing outdoors stuff. I am a sucker for tattoos and piercing, and I actually have a few.

"Good is better, better is blessed" Someone told me this and I definitely feel blessed. God has been a big part of my life and I wouldn't be where I am at right now without him. I have been modeling for a couple years now and it is something I would like to pursue more and I have. This is my first spread in a magazine. I have done a couple of music videos and T.V. shows like "Battle Of the Bods" on Fox Reality and "Descontrol" on Telemundo.

Make sure to check me out on the new music video Day 26 "Perfectly Blind" and the movie "Lean Like A Cholo" sexy carwash scene coming soon. I will also be featured in Roadstarr 2010 calendar. You can also look me up under www.myspace.com/jenniferfaith1

I also want to thank Sean for giving me the opportunity to be a part of SHOW. It was a pleasure working with you and everyone else. Can't wait to do it again. XOXO

Tammy

I'm a 22yr old confident Cuban/ American woman who measures 34c-25-40. I'm proud to say I have come long ways to get where I'm at today. Growing up in a small town of Belle Glade Fl. I was no stranger to the stage. I have been in tap, ballet and dance class since I can remember performing in front of major audiences. My Parents have always supported me and kept me involved since I was a child.

I'm a Phi Theta Kappa business grad who works as a Real Estate Associate in Miami Beach where I reside. I have an undeniable determination to succeed and ambition to make history.

From interning on radio to hosting major shows for Vote Tours as their leading lady in Las Vegas I have learned a lot threw out my journey. I've worked on many projects such as work out machine commercials, fashion shows, music videos and Fox 29 network as their glamour girl. My latest is Lil Wayne's 'Mrs. Officer' Ft. Bobby Valentino video as the lead.

You can keep yourself updated with my next projects and upcoming events by logging onto www.TammyTorresOnline.com where I have my calendar with behind the scenes DVD available at your fingertips, and learn more about my non-profit organization.

Also because I picked up a new hobby of video editing I have created www.YouTube.com/TammyTorresTv where u can check out all kinds of interesting videos. I encourage everyone to stay positive and realize dreams do come true if you persevere. I want to Thank Sean for the opportunity and Nick for making photography seem so easy. God Bless!

SHOW

My name is Cheltzie Lee Lyons. Cheltzie is pronounced as Chelsea. I was born in Los Angeles to a Salvadorian mother and African American father 21 years ago. I've been fortunate enough to live my whole entire life in Los Angeles. Growing up, I dreamt about being a model. I started modeling 7 months ago. Since I began modeling, I've modeled for celebrity tie designer Chris Carnaghi (ChrisCarnaghi.com). I've been in several music videos "Trying to be a Gangsta" by Mike Epps, "Cause A Scene" by Tiara Marie ft. Flo Rida, and "She's Gone" by Brutha; just to name a few. Thanks to my ethnic background I have been blessed with a curvy body, desirable to most men. I stand at 5'7 and my measurements are 34-25-40. SHOW magazine is my very first magazine.

I am soo excited! I know that this is a start to something BIG! I met Sean at a SHOW magazine signing, and 2 days later I was shooting for the magazine. It was fate! Hehe. My goal in this industry is to become a successful model and actress. I'm so determined to make this dream come true! I'm studying to be a registered nurse (of course I have a backup plan). It might sound a bit cliché but I have beauty and brains! My hobbies are jogging, baking, daydreaming, and of course shopping.

I would describe my personality as "feisty." It's in my blood! Salvadorian women are notorious for their feistiness. Hehe... I think it's a good thing! It has got me this far! I thank God for giving me this opportunity to showcase myself! Watch out for me guys! Last but not least, I want to thank Sean, Nick, and everyone at SHOW magazine for giving me this opportunity!

“To me the word sexy means so much but to stereotype it, I’d say, long hair, voluptuous body with a slim waist, and a charming personality.”

Dominique

Dominique

My name is Dominique, I'm 21 years old, born and raised in San Jose, California. I'm Puerto Rican and Mexican and I stand 5'3" 123 lbs with measurements 34C-24-38. I've only been modeling for a short time, I kind of fell into it. I first started taking pictures just for fun to feel sexy but then I was surprised when people actually took interest in me, ha-ha. I don't have too many modeling accomplishments under my belt, yet, but I am happy to say I've been in a few calendars and I have also been featured in the Hip Hop Weekly Magazine as a web watch honey.

Shooting for SHOW Magazine was my first big shoot, it was great!!! I had so much fun, I met so many beautiful girls and everyone around was so kind and helpful. My favorite part of the shoot beside the staff was the food!!! MMM they catered Jamaican food and it was soooo good! To me the word sexy means so much but to stereotype it, I'd say, long hair, voluptuous body with a slim waist, and a charming personality. Although in the opposite sex, I can't define sexy as any certain look. It's a man's ambition and swag that really turns his sexy ON! But there is one exception, and that is he must be healthy because no one likes a big slop, eww.

Outside of modeling I live a purpose driven life, meaning everything I do has a productive reason. I'm a very ambitious woman and one day I see myself working in the music industry as an executive or something big and important. I just envision myself going to work every day in a sexy business suit and being successful. But when I'm just relaxing I enjoy being around my family, my friends, and my dog Monte.

Thank you for taking the time to learn a little bit about me. I enjoyed doing the shoot with SHOW; I hope you enjoy viewing it just as much.

“I live a purpose
driven life.”

SHOW

Hello beautiful world! My name is Elle Navarro. First and foremost you're probably wondering what my ethnicity is. My father is French American and my mother is Filipino. Both my parents are very warm, loving and supportive in all my ventures thus far. I was born in Olongapo City Philippines on Oct 21, 1985. I was born the youngest of 3 girls. I grew up in southern California most of my life in a smaller city called Oxnard. I was such a tomboy always involved in sports. Mainly soccer and softball where MVP and all-star teams were no stranger to me. I've always been very competitive and love to win. But I'm humble enough to understand that sometimes losing is just a way of life and gives you room to grow and better one self.

High school was a big turning point in my life. It's when I was a tomboy blooming into a young lady, embracing my curves. I used to cry and wished my butt wasn't so big. I didn't like all the boys talking about it and didn't enjoy all the girls calling me a wanna be J Lo. But I am who am I and built this way. No one can control that. I became very popular and got along with most of my fellow students. A huge misconception of me is that I'm conceited and stuck up. But as people start to really get to know me they are quick to state that I'm actually very much so down to earth and even a huge goof. I'm definitely not just ass and tits. I've always excelled in my grades and attendance. I'd say that I'm a combination of beauty and brains.

During my college years I fell in love with the go-go and modeling scene. Although I put my college education on hold I've kept busy in this industry and been well off. I've been featured in several magazines and videos as well as kept busy on many gigs. I've always been so independent from my parents and any man. I've had 2 serious relationships in my life so far. I can't say I regret either because I've learned so much from both and came out stronger. What has hurt me the most is letting a few false friends in my life. Yet still I don't regret them either. I believe God sent them in my life at a certain to build me into the strong you woman I am today.

I've recently embraced my spiritual side and life has been so much stress free. I allow the man up above to fight the battles of those that hate. I try so hard to keep it moving and to the top is the only place. I'm going. I'm all about women empowerment and give nothing but love to those that are on their hustle.

I see myself in high places in the near future. I'd love to get a hosting gig and even some acting. The sky's the limit for this girl!

“What separates
being beautiful
from being
extraordinary, is
what’s inside.”

My name is Brenda Zulema I am 24 years old was born in San Bernardino, CA and raised in El Paso, TX. Growing up I have always strived to be the best at what I Do from doing dance as a young girl, to being a cheerleader, to running track, to now modeling. My drive has nothing to do with outdoing anyone else but something that comes from within me. Being a good person is important to me because I think what's more important than pure beauty is having a good heart. There are so many beautiful people in this world, but what separates being beautiful from being extraordinary, is what's inside. I am a very caring and loving person and am always looking for a way to be a better person.

In my personal life I am a very outgoing, spontaneous, and adventurous person. Being born in Californian always has attracted me to beautiful landscapes and the ocean. I love just going to the beach to relax or rollerblade down the beach with friends. Traveling is also one of my favorite things to do also because seeing different parts of the world opens your mind and gives you a sense of how other people and there cultures are. I have traveled to such places as The Dominican Republic, Europe, as well as the amazing Dubai and the 7th world wonder. I also enjoy reading, doing yoga, and fashion.

As an aspiring model I take my career very seriously. Modeling is not a hobby to me but a lifestyle due to the preparation and schedule it consist of. I am always looking forward to being in front of the camera and love working with people. But besides from being a model I am also a student studying business, and hope to own a few businesses after I complete my studies. Modeling has given me a chance to expose my beauty. I will continue to work hard as I want to conquer every avenue I challenge myself with. One of my favorite quotes written by "With persistence comes consistency with consistency comes perseverance".

Allow me to reintroduce myself to you all. My name is Jessica Skyy. For those who do know me, thanks for all the love and support you have all showed me. Before I tell you all a little bit about myself, first and foremost, I would like to give a special thanks to everyone who has invested their time and efforts into getting my modeling career going. I must say starting out, as a model is very difficult. It takes a lot of courage, money, and preparation to get started the right way. However, once I got the gist of things modeling became a little less overwhelming. So now that I got that off my chest lets proceed to the fun stuff of you all getting to know about me a lil' better.

First things first, I am a 22 year old, Bronx native and Pisces who currently resides in Jersey. My nationality is Puerto Rican, and Canary Islands, Spain, however I was born in the BX. Some of you may remember me from Lowrider Girls cover in May 2008. While I was in LA doing that shoot, I was introduced to Sean @ SHOW Mag though a management company I was working with at the time. Sean immediately had me shoot for SHOW, and featured me as a WEB GEM on SHOWGirlzExclusive.com (In which I may add, you are all members of and if not hopefully you all will do so.) LOL.

Anyway, I must say shooting for SHOW was lots of fun! I got to work with great photographers, stylists, make-up artists, etc. I even got to meet some of my favorite SHOWgirls like Jessie Burciaga, who I must say was very friendly and sweet and looked just as beautiful in person as she does in the magazines. So I feel privileged to be featured in a publication where some of the hottest chicks in the game, like Suelyn, have appeared.

For as long as I can remember I always wanted to be famous. I always wanted people to look at me and know who I am. I give props to all the models in the game even though a handful of them make it big, most of us don't, and we should all give ourselves credit, as we are all winners because we all try. Hopefully you enjoyed my spread in SHOW
