BOOKING: @1estherose1

Visit: www.SHOWGirlzExclusive.com for bio, exclusive images and video from this issue.

You can call me Esther Rose. I was born, raised and continue to reside in the great Land of Enchantment, New Mexico. I'm a full time model, a part time video vixen and a religious gymoholic. I've been modeling for 3 successful years all over the southwest with various magazines such as, Poise-On Magazine, Jodajen's Collection, Barrio Girls, and of course ABQ-Live Magazine; Albuquerque's Premiere Source for Entertainment. I worked with NM Films doing extra work on "Fontera" (2014), "Force of Execution" (2013), and "Spare Parts" or also known as "La Vida Robert" (2015). The movies were all a ton of fun to work on and I was grateful to learn the etiquette of working on set. Three years is just the beginning of this full time dream.

Thanks for reading loves!

What stimulates you intellectually?

I love speaking about hot topics going on around the world just to see the other people's point of view. Political, environmental, or social trends are all topics that should be viewed from all types of angles. It opens our minds, and allows us to be less selfish. It's great to be open-minded; it gives you the chance to learn from others thoughts.

**Have you ever had a threesome?
What did you think?**

Yes, I had to indulge in this activity (wink). We had been friends for a while so flirting initiated the party! We had tons of fun flipping each other over, and rotating positions. Not to mention the girl was totally bangin' hot. We had toys and lube, and flexibility, talked about Kama Sutra. We didn't even need a book!

Esther Padilla

Have you ever been nude on camera?

I am a nude model, but I'd consider myself a nudist at heart. As soon as the camera starts rolling and the music begins, I can't help but slowly strip every item of clothes off, one at a time. It's kind of naughty, the feeling I get, knowing people will be watching later.

If you could pick any super power, what would it be and why?

I would totally want to be able to become invisible whenever I want. I could be nude all the time, and nobody would ever know. ;) Not to mention all the ruckus I can cause! Lol

What are your next moves Ms. Esther Rose?

I'm looking forward to shooting again with Black Lingerie, and I'd really like to get my website up this year. Essentially I think traveling, traveling is best for me right now, and I can meet so many great people! That's my favorite thing about this job!

A i my name is Tanya Love I am 24 yrs old and I was born and raised in San Diego CA but have been living in Los Angeles for the past 4 yrs and I love it even though I miss SD sometimes, I am Mexican and Costa Rican, I am a very outgoing and friendly person I love making my friends and family laugh and feel loved I am a very hopeless romantic person I love watching old school love movies and when I love someone I love them for real and give my all I guess that can be a good and bad thing, I love doing out door stuff my favorite place is the beach I love feeling the natural breeze and feeling relaxed anything that has to do with nature I enjoy and appreciate.

I have been modeling for about 5 years now the first time I did a photo shoot I didn't know what I was doing lol but after 6 months into modeling I got a magazine cover offer and have been blessed to work with a lot of magazines since then from covers to spreads but I am very happy and excited to finally be working with show magazine its a honor and so happy that they are giving me a chance, when I shoot I feel like my sexy alter ego comes out because I'm usually a very conservative person when I do a photo shoot the most craziest, sexiest part of me comes out in my pictures and I love it.

What I look for in a guy is mostly someone that carry himself as a gentleman, good dresser, good hygiene, good taste in music and of course a good sense of humor because I love joking around I can't be serious for to long and I need someone that can brings out the silly in me.

I feel the most sexiest in 6 inch pumps with lingerie I think every women should surprise there man once with some sexy lingerie and heels on, some slow jams playing with some wine and your man will appreciate every inch of your body and the fact that you got sexy for him ;).

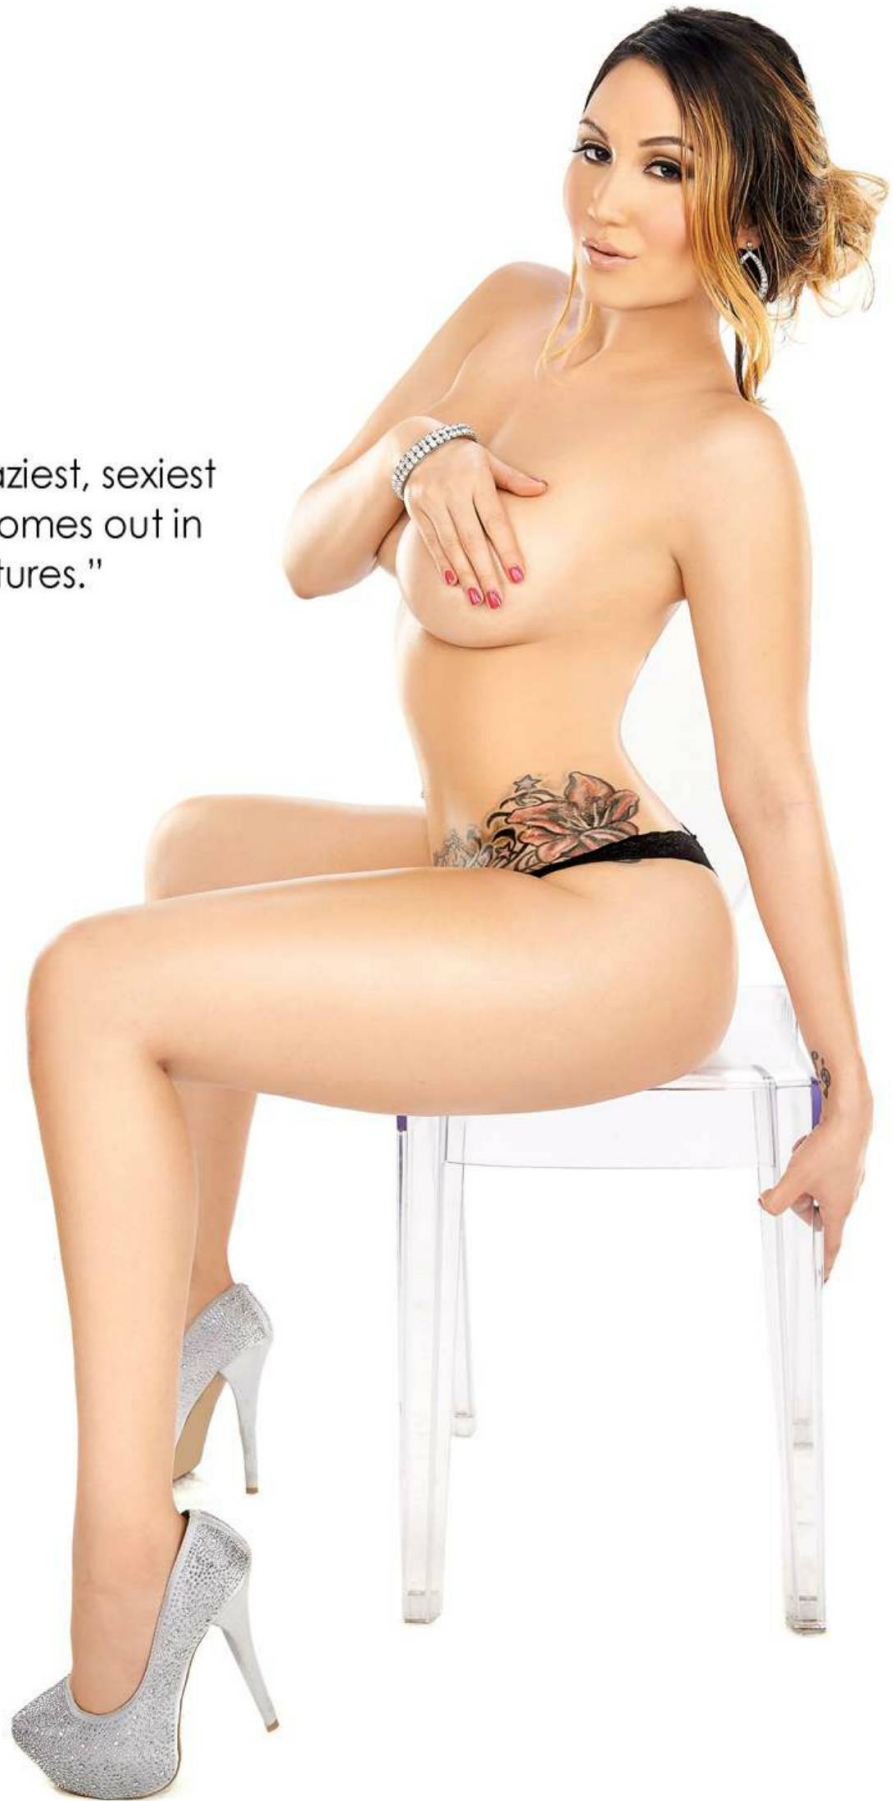

Tanya Love

Thank you Sean for giving me a chance and I want to thank my best friend Cisco for always being there for me and all my friends and family that have been there supporting me from the beginning and all my supportive fans that come to all my shows and buy all the magazines i am thankful hopefully you will see more of me you can also find me on TWITTER @tanyalove1 and INSTAGRAM @tanyalovexo until next time hugs and kisses Xo Tanya Love *blows kisses*

Born of Puerto Rican descent, in Brooklyn NY, on July 17, 1987, she is the third child, with two younger sisters by her father. Her two elder brothers share the same parents. As a tot, She would dress in African garbs designed by her mother and wave with a brilliant smile so frequent that relatives dubbed her "Baby Winnie Mandela". The attention received is most likely the root of her desire to pursue modeling later on in life.

At the age of nineteen, she landed her first gig, a BET wrap-it-up commercial. Not long after enrolling into college, she was placed in Hype Hair Magazine. The seed of success was beginning to brew inside of her. A pattern of executing goals was materializing before her eyes.

Determined to keep the flame lit, she booked several other magazine placements, including XXL, RIDES, IKON, Cornerstore, Aeon, Spicy, and Beauty Times. With one foot cemented in the modeling world, she planted the other in the music industry and began singing. Crooning in the studio opened a new networking pool that enabled her to get featured in several music videos as a model. She also models for Dr. Lin Skin Care, several Hair product companies and clothing companies including, Clear Boutique, Coogi, Fubu, RichYung, Rocawear, Royal Blunts, ForeverFly, Vilchez, and DEVO shoes. She also coordinated the publication of the dazzling novels "Highsidity" by author Shamel Thomas and "Gorilla Khan" by William DeJesus. This is only the beginning for the young starlet, her singing career is soon to be launched. She has been working with a variety of big name producers and understands the importance of connecting through music, so expect to hear good quality. She is humbly thankful for all the support from family, friends, and fans. Stay tuned!!!

Hey, my name is Stefanie Loren, I'm 21 years old and was born and raised in Queens, NY. I have a huge Dominican family and they mean the world to me. I've been living in Orange County, California for a few years now and though I don't forget my NY home I consider myself a CALI girl now, what's not to love about it? I'm petite but my hips don't lie. I love everything about my body and wouldn't change a thing.

What is your ethnicity?

I'm Dominican and full of curves

Why did you decide to become a model?

I decide to model because I like feeling sexy and it is a lot of fun.

Why do you like working with SHOW?

I love working with SHOW because not only do they make me feel special and confident but they also guide me and have taught me all I know about modeling.

What do you like to do for fun?

I have so many answers to this question modeling is definitely at the top of my list but other than modeling I love to cook, watch movies and enjoy playing sports.

Are you in a relationship?

No, I'm single but definitely looking for someone that knows how to appreciate a sexy woman and can not only treat me right but can also be loyal.

What's your favorite song and why?

Twista - Do you because it can seriously get me in the mood.

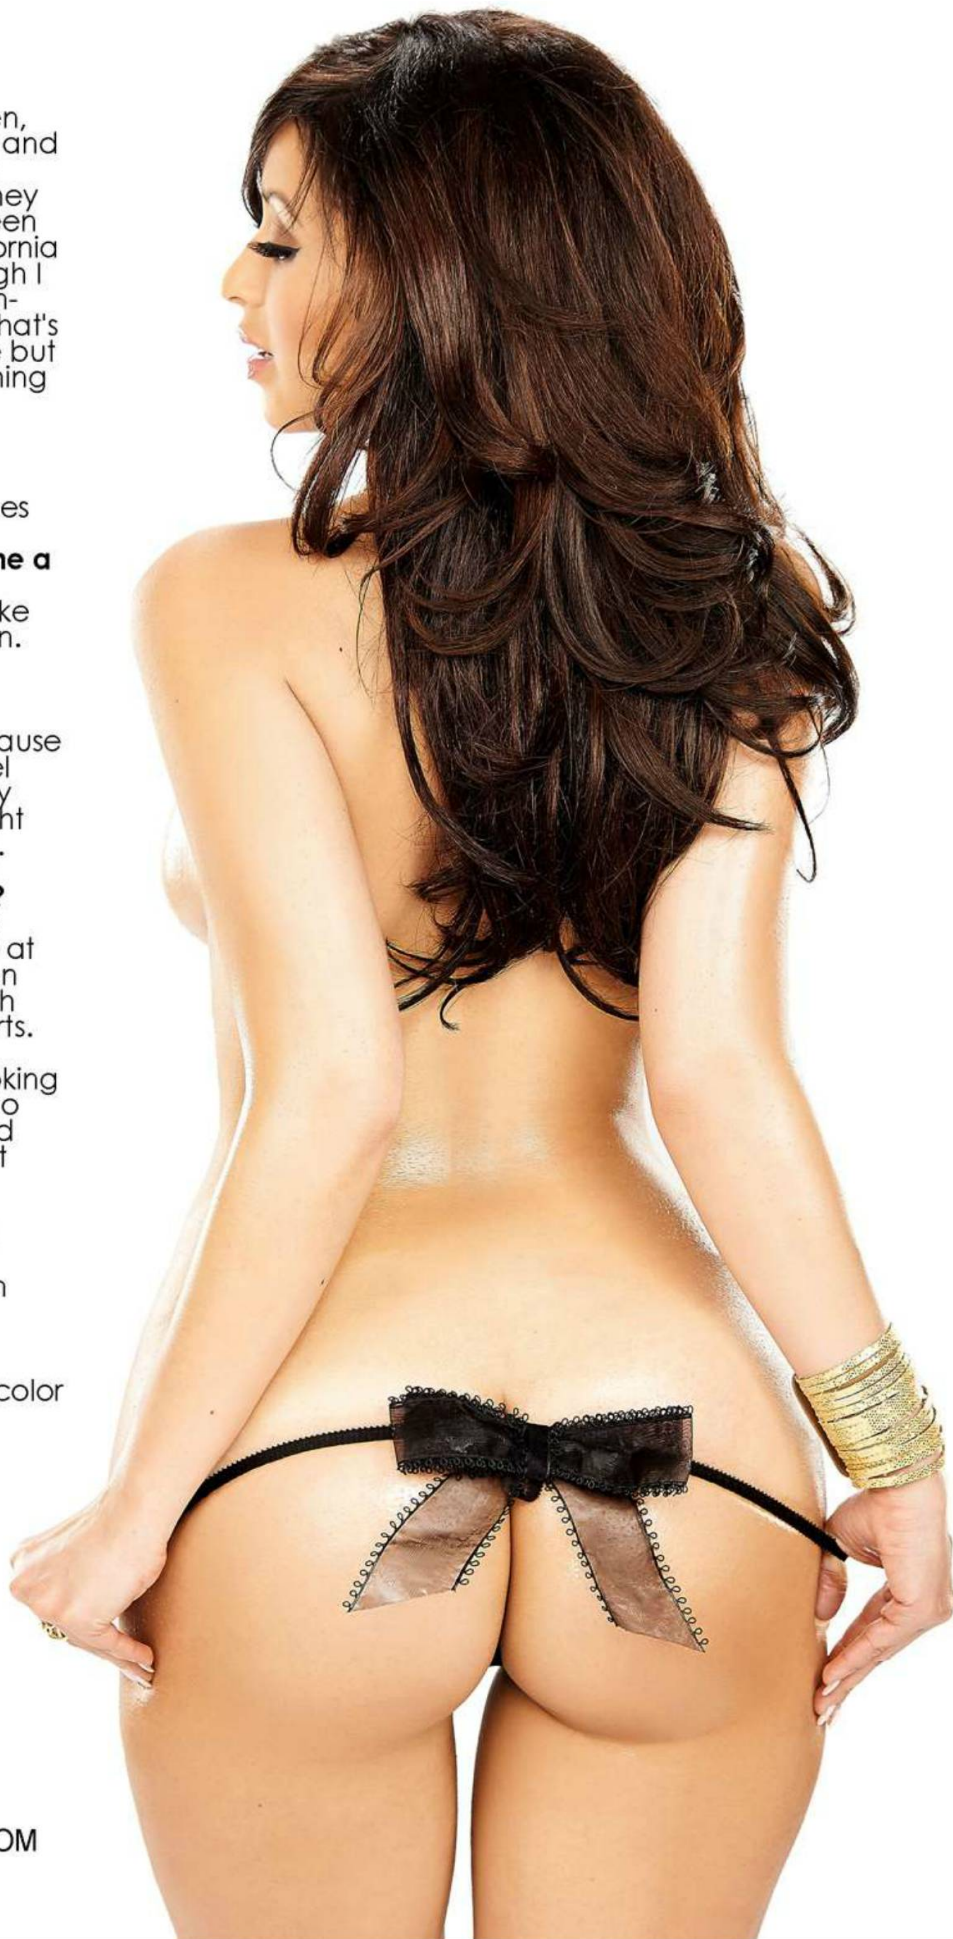

What's your favorite color?

All RED everything, it is sexiest color there is.

Hello everyone my name is Warleska Rosario also known as chinadall. I was born in the Dominican Republic and raised in New Jersey. I am 5'4 with measurements of 32D-24-42. Ever since I was young my family and friends always suggested I take modeling into consideration. However, because of the shape my body, I was not too sure that I could go that route. It wasn't until I started looking into urban modeling that I noticed I was a good fit being that I loved my curvaceous body and was not at all interested on losing weight or changing the shape off body to pursue a career as a model.

I graduated from North Bergen High School and I am currently a college student majoring in education. I believe that a smart woman should always follow her dreams but be smart and have a backup plan because you just never know what can happen. Therefore I am making sure that I am well educated and prepared for anything.

I've been in a few magazines such as: KING, STACKmodels, iDimes and now SHOW magazine. I've also been in a few music videos such as Fabolous ft 2chainz "when I feel like it", Mac Wilds "Hennessy", GYPTIAN "stuck" and the latest one is French Montana ft FAB "R&B bit**s".

For me, it was a pleasure to shoot for SHOW magazine because I've always been a super fan of the beautiful woman in this magazine and because of their huge fan base. Shooting for them was definitely one of my goals as an urban model therefore I was really exited when I had the chance to do so. Lastly, I absolutely love the fact that I have so many wonderful supporters who love what I do and show up to every party or event I host. It is always a thrill when I show up to the party and take pictures with everyone. The love is absolutely felt and highly appreciated.
