This is our second issue of SHOW East. The first, SHOW 13, which featured cover models **Daphne Joy**, **Kim Lee** and **Jenny Chu** went on sale February 2009 and can still be purchased on our site www.show-mag.com. SHOW East is a true representation of the diverse ethnicities and nationalities that comprise the people of Asia, the Middle East and the Pacific Islands. The roots of the beautiful SHOW Girlz found in this issue can be traced to several "East" countries including Korea, Japan, Tahiti, India, Pakistan, Armenia and Israel.

Cover models **Natasha Yi**, **Sayeeda Blue** and **Tahiti Cora** are as different as any three models could possibly be. Geographically they are descendents from the Orient, Southern Asia and the Pacific, respectively. They have vastly different facial features, complexions and body types. Rarely would you find three such beauties in the same magazine. That is the beauty of SHOW and SHOW East in particular. We celebrate our differences and believe that it is our unique attributes that make us beautiful.

Currently, we bring you the East special edition once a year. With your continued support and love for these women, one day, Cummings Media, Inc. will be able to introduce SHOW East as a quarterly magazine. Until then, we hope you truly enjoy what you are now holding in your hands. We are sure you will.

Enjoy the SHOW!

"You guys
have basically
built me up to
where I am, at
the moment."

SHOW

Ayana

Hey guys! My name is Ayanna Jordan and I'm from Orange County, California. My measurements are 32-24-36 and I've been modeling for about 2 years now. Starting out more as an import model, you may have seen me in the car circuit a little more than anywhere else, for now. I was Performance Auto & Sound Magazine's booth model for 2 years in a row in LA at Hot Import Nights '08 and '09. You might have seen me at the Dub Show '08 in LA and I was a spokes model for ENEOS Oil at SEMA '09 in Las Vegas. I appeared in Super Street Magazine's March '09 issue and SHOW Magazine will be my first publication appearing as a featured model! This is also my first appearance in SHOW and hopefully not my last!

I'd have to say shooting with SHOW was my best shoot ever! Everything from wardrobe and makeup to food was taken care of. I honestly felt like I was a princess being catered to and to me that was the best part of the day. =) To me, "sexy" (in terms of describing a woman), is a woman who is confident and comfortable in her own skin. A woman, who is independent, holds her own and knows what she wants. The thing that I find most sexy in a man is when he treats a woman with utmost respect and goes above and beyond to impress her or make her happy. That always puts a smile on my face! I also think a man is also sexy when he knows how to dress and has that gorgeous smile to top it all off. ;)

I do have other aspirations outside of modeling. At the moment, I'm studying toward my bachelor's in psychology and soon after, I'll be busy studying to get into law school. I hope to study law at UCLA's school of law and become a corporate lawyer. However, my dream has always been to land a record deal and become a singer/professional recording artist. The reason why I got into modeling is because I wanted to meet people in the entertainment/music industry that

could help me go forward with it. Singing and music has always been a part of my life since I was 3 years old! I was already belting out Whitney Houston's "I Will Always Love You" at the age of 8.

There are so many people I'd love to get the chance to work with in the entertainment industry, as well. It would be my dream to work with Beyonce, Alicia Keys, Stevie Wonder, and there are so many more. I think it'd be really cool to get to do a song with Usher, too. =) As far as modeling/acting, my dream would be to work with Michael Bay. I think my style of acting would fit into his type of movies. I'd love to also work with director Hype Williams; I've heard some really great things about him. Some of the things I also love to do are to read, write, stay active (whether it be going to the gym or even just shooting hoops) and hang out with my friends and family.

Lastly, I'd like to thank ALL of my fans for supporting me from the first day I entered the scene =) You guys have basically built me up to where I am, at the moment. Any time I've felt down, you guys have been there to pick me right back up! And I couldn't be more thankful! I promise you I'll keep going' and I won't let you down ;) You can find me on:

myspace.com/ayannajordan
facebook.com/missayannajordan

If you would like to book me, you can send me a message to any of the sites listed above.

Thank YOU SHOW for giving me this AMAZING opportunity! Honestly, I am humbled. It was a BLAST working with you Sean, Vanessa and the Slickforce crew and I hope to get to work with the magazine again and grow with you guys =)

Hi! For those of you who do not know me my name is Tehmeena. I currently live in New York and my ethnicity is Pakistani. This is my second appearance in SHOW. I was previously featured in Black Lingerie 10. Since I was last featured in SHOW a lot has happened. I was featured in Fat Joes "Ha Ha" video and also in Phar-City "PartTime Lover" video. I was also awarded as the "2010 Impact Model of the Year" for the Southern Entertainment Awards and featured on Thisis50.com a few times.

I haven't changed much since my last appearance. I still love sports! The NY Mets are still my favorite team. I've taken a liking to cooking more. I rather stay home and cook a nice meal instead of going out to eat. I still sell cars for the biggest Nissan dealership in the country and love my job.

I am honored to be a part of this issue of SHOW. It is wonderful that there is a magazine dedicated to women from my side of the globe. Hopefully more girls from Pakistan and similar countries will have the confidence to step outside of the culture and showcase their beauty to the world. I've gotten a lot of backlash from my culture but also a lot of support because of the diversity I've brought to the modeling world. Thank you again to Sean of SHOW for giving me the outlet and opportunity to show the world what the beautiful women of Pakistan keep all covered up under their robes and veils.

To stay updated on my upcoming projects be sure to visit my website **WWW.TEHMEENA.COM** and follow me on twitter at **TWITTER.COM/MISSMEENA** and for booking please email **JTMEDIAINC@GMAIL.COM**

MOHS

Sahar

Salam from your half blood Persian Kitty. My name is Sahar and I am both Middle Eastern and Native American from the deserts of the mystic Southwest. My look is a mix of both nationalities but I've been told the way I smile with my eyes is universal.

Originally residing on the Indian reservation, I grew up in a ranching family. Caring for cows and horses, I spent many weekends as the Arena girl at Rodeos. I never retired the Rhinestone tiara as I carried over my love for an audience when I attended Arizona State University as a Theatre Major before moving to Los Angeles. My exotic look has taken me around the world by request of Magazine editors like FHM Magazine Philippines to Options Magazine Japan. Music Videos, Commercials, and public appearances may keep me busy, but I'm never too busy to bake cupcakes for my friends and family, as I love my career, but I also love those who have supported me.

My goal is to make both the Native American and Middle Eastern modeling community stronger as I make waves in the mainstream market. In the meantime, I am also studying to make documentaries before I return back to the reservation and build upon my life experiences.

I'd like to personally thank Sean Cummings for his invitation to share my look and story with the world through SHOW Magazine. You can find more of me at **www.IamSahar.com** or **myspace.com/azpersiankitty**.

"'Sexy'

Alexis J.

Hi. My name is Alexis J. I am from the south originally. I was born in Virginia outside of D.C., and then I moved to Colorado for 4 years and then back to the south- Atlanta, Georgia where I grew up until 18 when I moved out to Cali. I got my Bachelors in Clinical Nutrition and I am now working on my Masters in Public Health Nutrition and my Registered Dietitian credential.

My measurements are hips: 33, waist: 24, and bust: 34D. I have been modeling off and on for 4 years. I consider myself new to modeling because I have not really immersed myself into it thus far and I have not done much. Just promotional modeling and independent freelance type stuff.

This is my first appearance in SHOW Magazine and I am excited! The photo shoot was really fun. I like to get my makeup and hair done. Everyone was really professional, fun, and cool. The shoot was a good way to express myself and show off how sexy I am. "Sexy" is more than just a hot, soft, curvy body. Sexy is confidence, originality, and realness. Confidence is the most important characteristic for a guy to have to be sexy. I do not like guys who try to control my life and who are insecure about themselves. I need my freedom in the relationship but I also need a man who can express his feelings about what he would like from me in our relationship and the future of our relationship. ►

Alexis J.

Outside of modeling, I would like to finish my Masters in Public Health and become a Registered Dietitian and someday a Certified Sports Dietitian. I am interested in nutrition because I hope to have a family of my own someday and I believe that health is a gift.

I enjoy running, swimming, and scrapbooking I enjoy working out but I am also artsy and like to do crafts and such.

As for the entertainment industry, I am interested in working on anything worthwhile. I do not have a lot of time because I am in school so I have to be selective with what I do. I am interested in all aspects of the entertainment industry - print, film, and music.

If you would like to book me please email me at:

and let me know what the email is about in the subject line. Thank you! ■

I was born Sivan Krispin on May 15th, 1985 in Jerusalem, Israel :) In my childhood years in Israel, I probably experienced more than any average kid ever did. Obviously I had a loving family, but the thoughts of having to wear gas masks and stay in basements throughout the war years still shock me. Luckily, in 2005 my parents moved us to California :)

Getting thrown into school with no English at such a young age where kids still make fun of each other was really tough but I learned fast and by high school I was already settled down. High school was not nice to me ha-ha. I was teased for being too skinny and flat chested and never hung out with the 'popular crowd.' When I started to 'develop' lol (yes, my boobs are real) I started getting more attention and wanted to give modeling a try.

I was a hairstylist right after high school but not for too long since I started getting very good offers in the modeling world. I've been lucky enough to be featured on Playboy.com; Maxim.com; ShowGirlzExclusive.com and many more come up when you Google lol: p I kind of don't like thinking about the future. I take everyday as it comes and just enjoying life :) Right now I live in Long Beach, CA - walking distance from the beach and I love it.

I love the simple things in life such as wine, sushi...dining out or talking to a good friend. I'm working on a secret project right now (so check back) and I have a solo scene in the movie Piranha 3D coming out on the big screen this August so is out on the lookout! Thanks for reading, - I love talking back to my fans and uploading new pics on **twitter.com/sivankrispin** so please follow me: p

A woman with long, dark, wavy hair is posing against a solid pink background. She is wearing a yellow and white striped bikini. Her hair is blowing in the wind, and she is looking over her shoulder towards the camera. She is wearing large gold hoop earrings and a gold chain necklace. Her skin is glistening, suggesting she is wet or has applied oil.

BOOKING INFO www.KRISTINAKASIYAN.com

Visit www.showgirlzexclusive.com for
exclusive images and video from this issue.

My name is Kristina Kasiyan and I am Armenian and Russian. In 1991, during the fall of the Soviet Union, my family and I came to America to start a better life. I grew up in Lansing, Michigan, which I call HOME. At an early age, I fell in love with being in front of the camera. I made my mom take endless pictures of me in different poses in every outfit I owned. Throughout elementary and high school, I took acting classes because I loved being on stage and expressing myself through a monologue or play.

After graduating high school, I was accepted to Michigan State University. School always came natural to me, I loved going to class, I didn't mind homework, and the teachers never bothered me. However, I knew deep inside, I wanted more than what Lansing, Michigan had to offer. After completing my bachelors degree in Telecommunications from MSU, (Go Spartans!!) I decided to pack my bags and move out West!

Being an only child, my parents were not too thrilled about my drastic plan, but after hours of reassuring that everything was for the best, they understood. I knew leaving Lansing would be a huge move, but my passion to pursue my acting career was far greater than my fear of change.

Moving to Los Angeles, CA was the best decision I've made. Living in LA has allowed me the opportunity to be apart of big budget movies, popular TV shows, many photo shoots, intense acting classes and countless other projects.

I would describe myself as a very outgoing, witty, silly, and caring individual. I do not drink, or smoke, but I love junk food! I have an infatuation with luxury cars, hip-hop music, gangster movies, video games, and FOOD. A perfect day for me would be eating pizza, listening to Eminem, and playing Xbox all while sitting in the back of a Maybach. I believe laughter is the key to a long life, so I never take myself too seriously. I love making silly YouTube videos, telling jokes, and voicing my opinion on social networking sites.

Currently, I am working on joining the Screen Actors Guild, in hopes of getting a good agent to help me land that BREAKTHROUGH role. For more information about different projects and me I have been in, please visit

My name is Tahiticora, I am 25 years old and I am a mix of French, Hawaiian and Tahitian. Many of you must have seen me on the internet or TV through my Xbox video which was viewed more than a million times in just 30 days. Shooting for Show was a very important step in my career and I definitely hope to renew it in the future.

Outside my modeling, I am very passionate about everything that relates to art. I especially love Japanese and Egyptian antiques. I enjoy sports of course, mostly surfing, and I love to travel. On my free time I like to go shopping with my girl friends and buy all the sexy stuff I can get. I am lucky enough to be able to wear anything and look sexy, and I must say that I love to get all the attention I can get. I have a tendency to wear sexy skirts and high heels all the time. I think it must be the French side in me as I think a good looking girl is something very artistic and pleasing to look at, and therefore an attractive girl must dress accordingly...

I must also say that it really feels great to be sexy and have all these men looking at me. To me it is a great turn on. As to how things started, I was first pursuing a major in business management. Once I completed my studies, I decided to try modeling. As I always loved marketing, I thought I first needed to reach the masses in order to make a name for myself. I decided to post sexy videos on YouTube and it was an instant success. It made me very happy as I never had an agent and did everything on my own. And now I am lucky enough to end up in this fantastic magazine that SHOW is.

I was born in North Dakota... so random huh? Hahaha! Well of course I am a military brat since I am half Korean half Caucasian. My dad was stationed there at that time I was born, and I haven't been back since! I was raised in Sacramento, CA (Yeah! go KINGS!!) and now reside in Orange County, CA. I was a very outgoing person back in high school. I cheered for the varsity cheerleading squad the last two years of high school and I was the A.S.B. Rally Commissioner. I loved to do hip hop dances in school, so my friends and I would choreograph routines for our rallies! I've always loved anything that had to do with entertainment. When I was young...and you know you get that "what do you want to be when you grow up?" question. I would always say, "I want to be a model or a background dancer for Janet Jackson." ►

I'm currently running a modeling management company called Inspired Models by Lisakimfleming. It is growing as we speak with more models and more gigs. I just wanted to be able to give the chance to other aspiring models that have always wanted to model but don't know where to go or where to start. It was always my dream to model and if I can help make others dreams come true then I will do whatever I can.

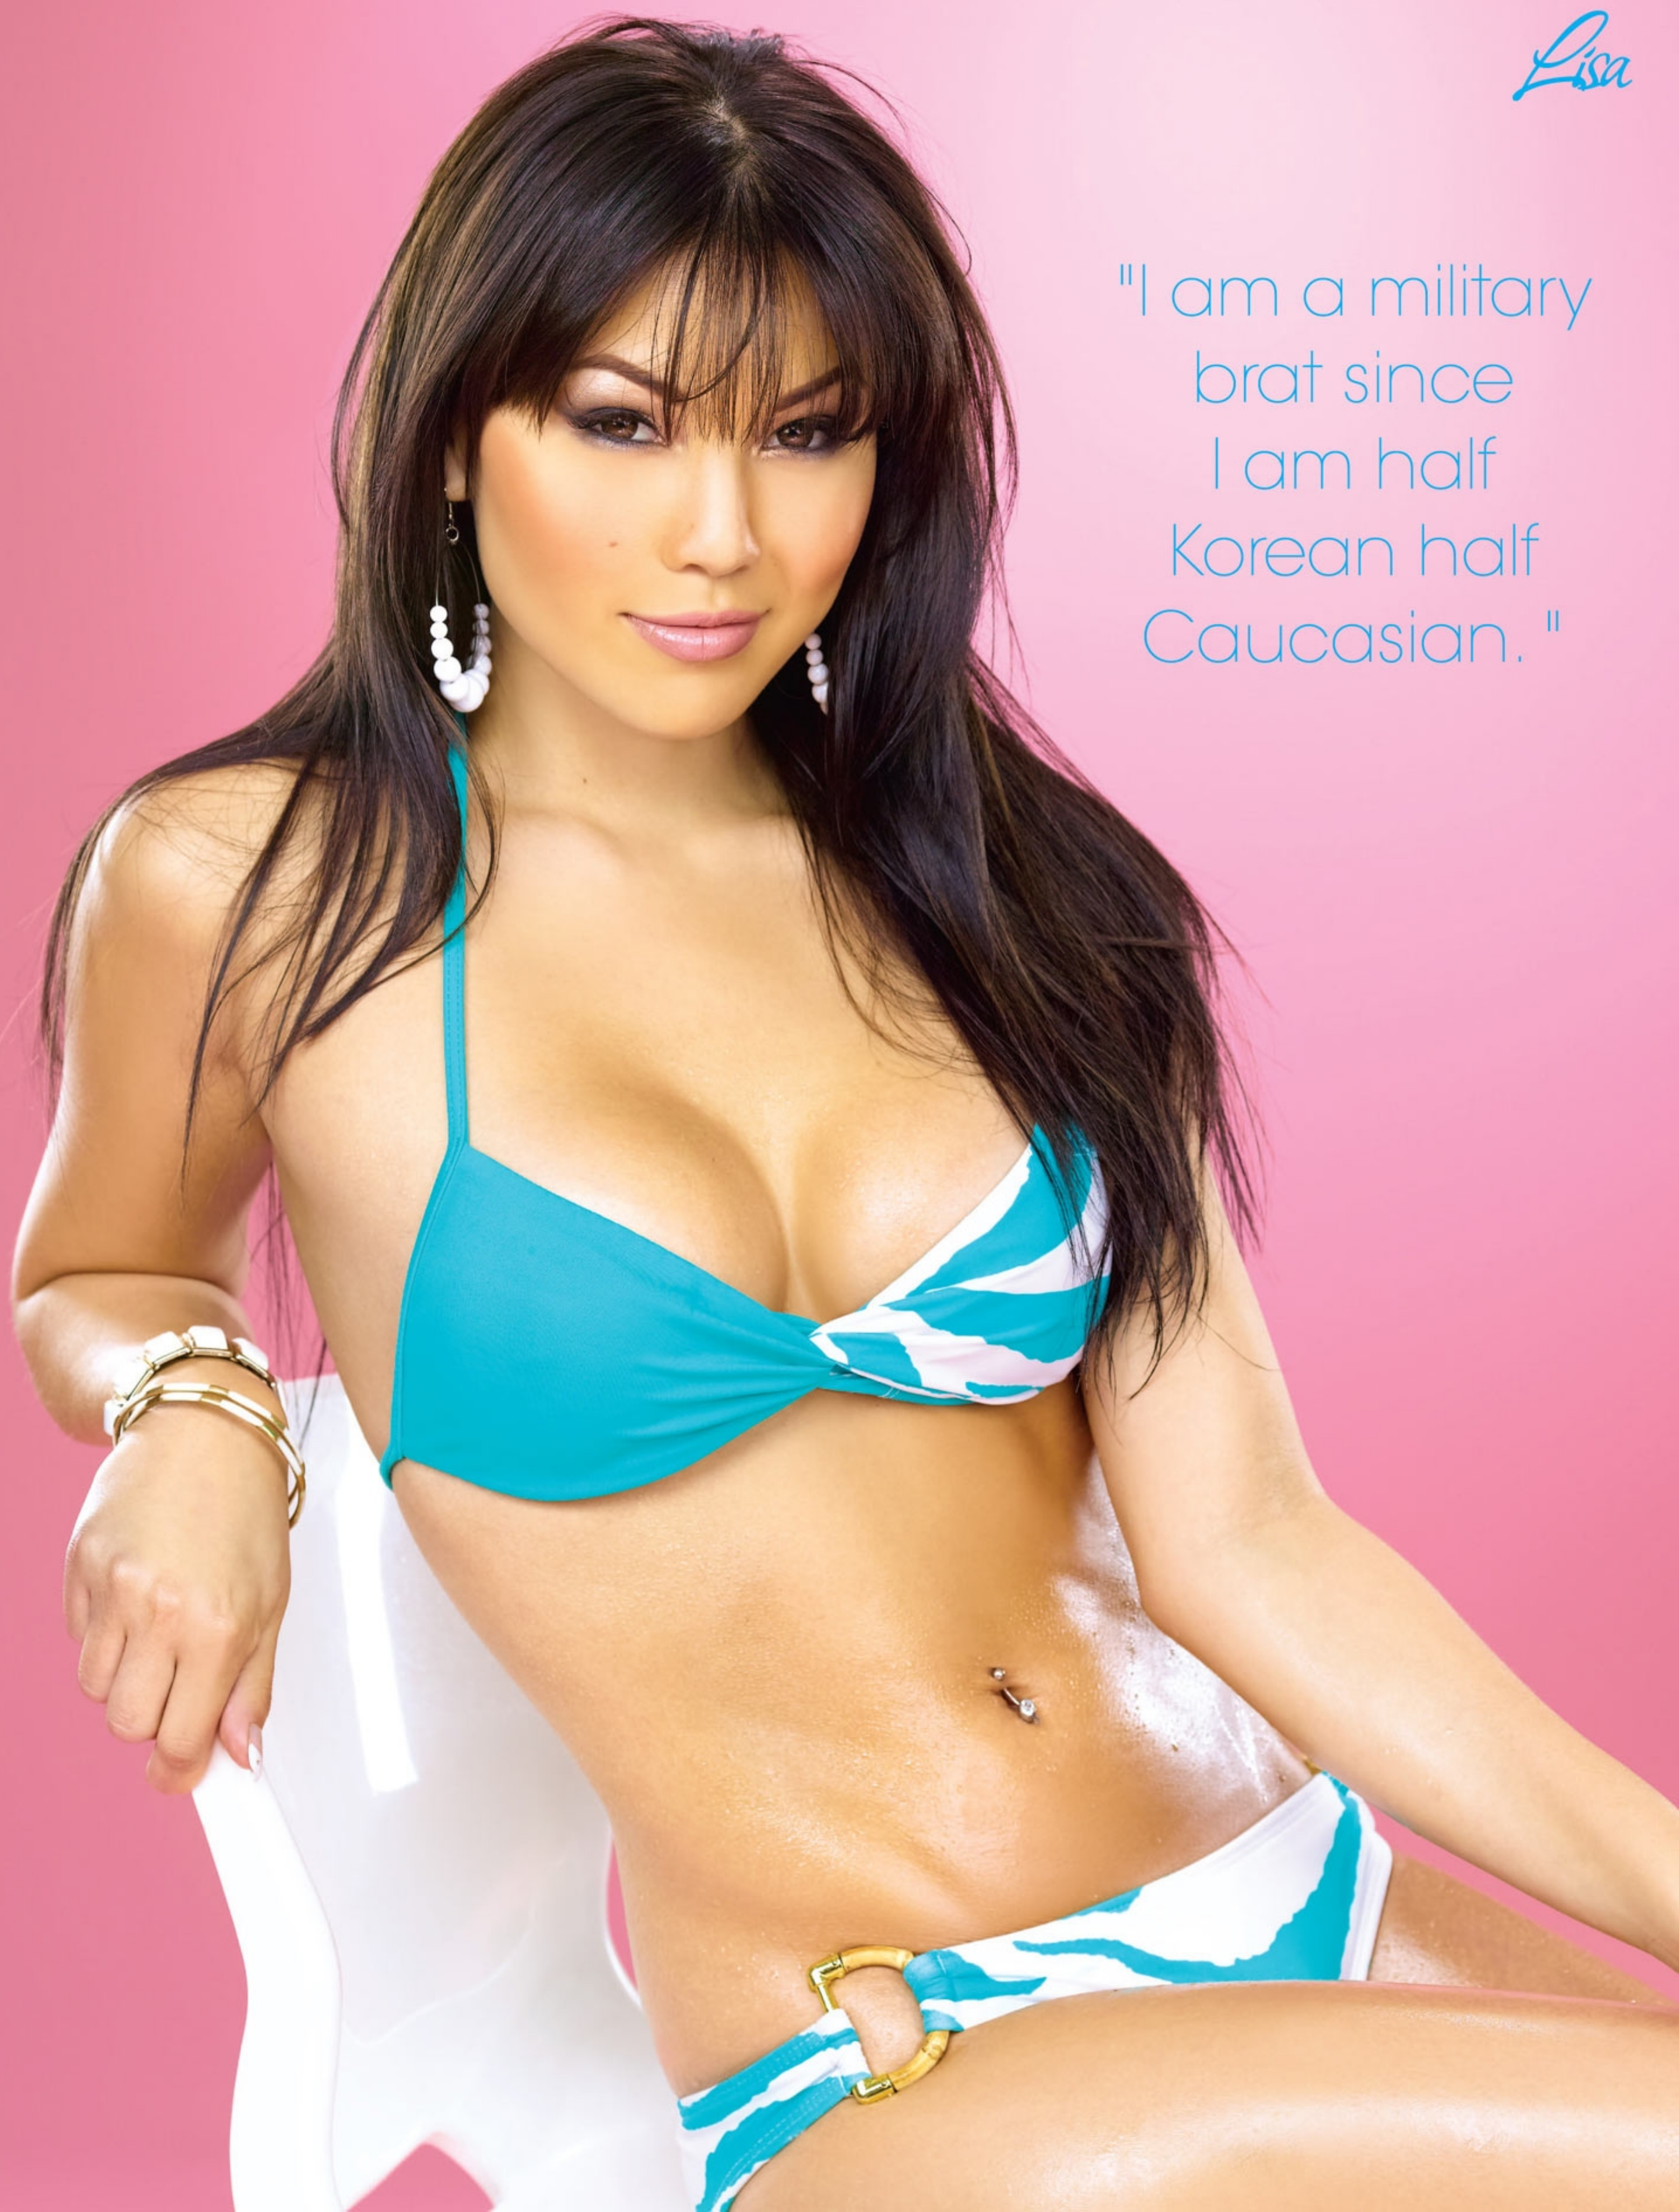

On my spare time.... I love to watch Korean dramas!! Well my favorite Korean drama of all time right now is Stairway to Heaven. :) I love to eat Korean food. That's the main kind of food I can make. I make numerous Korean dishes. I also lovvvve Vietnamese food. I think Viet food has the most different flavors and dishes...mm I'm hungry now Hahaha. I can't really speak Korean all that well but I can read and write it. I took a class in college and learned to read and write it actually quite easy. I'm actually pretty cultural... especially traveling to a lot of countries...especially in Asia...I've learned to speak Vietnamese, tagalong, Indonesian, mandarin, Japanese...ha-ha it's pretty fun. I love to learn about new cultures. I learned to make sinigang after traveling to the Philippines ha-ha because I love that dish! My favorite type of music is hip-hop or Korean pop.

...And at the end of the day I just want to say...do whatever makes you happy. Have a great day!! ■

SHOW

Born and raised in Japan, Chelsea always dreamed of a life in America. And with her recent move to California, her dreams of modeling are starting to take shape. Already shooting with the likes of Playboy and Low Rider, this all-natural beauty has got many more things to come.

Tell us your name and where you're from. My name is Chelsea Co, and I'm from Tokyo Japan.

How did you get your start in modeling? My friends got me into Lowrider Girls magazine. That was my first magazine I appeared in.

What was your biggest accomplishment in modeling? My biggest one was appearing in Playboy. I'm also in P. Diddy, Chingy, Omarion's music videos =). I've done a couple magazines here and Japan.

Were you nervous? I was so nervous since it was my first time naked, but later it became fun when I got used to it.

What kind of girl were you in highschool? I attended a private school, which was really strict..I was super good girl.....hahaha.

What do you do in your spare time? I like hanging out with my girls in L.A. I love having girl time!, movies & shopping as well.

Where do you see yourself in the next few years? I see myself modeling more in L.A. and in Japan.

If you were a guy for a day, what would you do?

I'd be a PIMP! LOL just kidding! But love to go out wit beautiful girls!!...I like to have many experiences! Haha!

Do you have any pets?

Yes, I have a dog but he's in Japan right now. His name is Kotaro!! I miss him!

What kind of music do you like?

I like R&B when I'm at home chilling and when I'm in the clubs I loooove hip hop whoo hooo!!.

Where would you like to go visit?

I like to go to warm places like Hawaii or Miami and i'd love to go to Europe sometime soon!

What's your favorite food?

My favorite is Japanese of course. I'm sushi girl!!! LOL I also like Chinese & Thai. Basically all asian food...I dont eat any meat now.

Can you cook?

Yes, I can cook and I like cooking for people....Japanese, Thai and Korean food.

What is your favorite part of your body and least favorite?

My favorite part is my belly button. It has a nice shape and it's really clean. My least favorite is my butt I wish I could have a JLO booty!!.

What type of guys do you go for?

I don't like guys that don't have manners and are selfish. I like guys that are humble and who know how to treat others well, romantic and being sweet is very important also.

Are you currently single?

Yes, I've been single. I've been dating but I haven't found the right guy....do you know any good guys in LA??? LOL

What turns you on in a guy?

I like a guy with muscles and who is very sweet, romantic and I can respect. But it really doesn't matter about looks, it's all about what he has inside.

What puts you in a sexy mood?

Just going to a place that's nice and quiet, I don't like a loud places.

What is the craziest thing you've ever done?
