SHOW

Hello, it's your girl Yasmin, aka Envy! This is my first time being featured in a magazine and I'm excited about gracing the cover! It's an honor and I'm very grateful to have SHOW break my modeling cherry. It's definitely a perfect start to my career.

I was born and raised in New Jersey and I'm a Jersey girl to the fullest, and yes, I talk with my hands! Hahaha. I'm 22 years young with no kids. I'm Puerto Rican and Dominican and I'm enjoying life and taking chances. My favorite food is pizza, I swear I can eat it daily!

I'm a new face in the game, but not for long. I was recently featured in 'Fabulous' video "Lights Out" and after my release of SHOW, I'm positive you'll see more of me.

Thanks to the entire team for a beautiful shoot! I had so much fun; it was definitely a great experience. Special thanks to Sean for believing in me! You're a great person!

Remember that aged old saying our parents and grandparents would always tell us? That one about "Not to judge a book by it's cover?" Well here is proof why! Meet Maria Millions, born in Medellin, Colombia on the 16th Day of March 1987. A Latin Model, that is soon to be heating up magazine pages and websites globally!

While still a newcomer in most modeling circles and conversations, this scintillating, bodacious, Latin beauty is continuous in her efforts of creating the perfect shot. Maria epitomizes stylish confidence mixed with provocative sensuality. An inspiration to Latina models worldwide, Maria has already begun to receive honors a large majority of models would never obtain during their careers.

Earlier this year, she received the honor of 305HipHop.com "Ms. Hard Body" for the month of January. Add to that a growing number of magazine features, several of which feature her as the cover model! Maria Millions aka Ms. Fuego is well on her way.

Maria Millions

Currently grinding hard to capture her lifetime dream, Maria is confident her 5'0, 34C - 27 - 37 frame, while not favored in the runway market, will be highly adored in the world of urban modeling, fashion and print. It is Maria's hope to soon be plastered on every magazine, poster, ad, and calendar you can think of. "With every photo shoot I raise the bar", says the spicy Colombian. Not overly confident, this South Beach resident admits to being her worst critic.

Utilizing her past success as a catalyst, Maria intends to keep her fans salivating in 2011 with appearances in music videos, urban men's magazines, television commercials, television shows, and much, much more. Intending to saturate the U.S. Market, Maria is ready to make known in the states what is already a widespread and accepted notion in Colombia 'Maria Millions is hotter than Tabasco Sauce!'

Maria Millions aka Ms. Fuego is an exotic and natural beauty, a 'living piece of art', the true definition of what it means to be a model!

"Action is the
foundation
key to all
success."

My name is Yvette Martinez and I was born and raised in Los Angeles with a Mexican background. I've been modeling for a year now and enjoying every moment. I'm a down to earth gal that enjoys watching football and bike riding down in Venice Beach. I can sometimes be a little bit of a tomboy but I can turn into a girly girl for the camera. Just give me a pair of high heel stilettos and some lip-gloss and let's create sexiness.

Shooting with Show magazine was an amazing experience from the hair and makeup to the photo shoot itself. Everyone was very professional. My all time goal is acting and eventually starting my own swimsuit line.

No longer ignoring my possible star quality drive and strive to succeed, I have worked hard and in less one year I have been on various magazines and music videos. This is just the beginning and there is no stopping me. Action is the foundation key to all success.

J. Diaz

Since I've developed into this beautiful, curvaceous Cuban woman, I gave up break dancing, wearing baggy clothes, and cutting my hair short. My family and friends convinced me to learn the piano, continue dance, and to pursue modeling and acting. Now I know where I belong in life.

I have been modeling for almost 2 years and have been featured in music videos, fashion shows, pageants, spokes modeling, promotions, interviews, commercials, and car shows. Recently, one of my dreams to be in a sexy spread in a hot magazine, has come to reality! My first magazine shoot was a memorable experience. SHOW Magazine shoots the HOTTEST VIXENS in the industry! Smart, hard working, exotic, independent, and creative models.

I'm blessed to be apart of SHOW, and representing for my Latinos! Special thanks to my agent Arthur for helping me with everything and a very, very special shout out to Publisher, Sean Cummings for giving me an opportunity to shoot my first editorial. Look forward to seeing your girl J. Diaz in sizzling projects to come.

Hello everyone my name is Keonia Jsawta (better known as NIA) I was born in the sunny state of California and raised in the City of Compton. People always ask me what is my ethnicity. I am Mexican, German and African American I am proud to be mixed with 3 amazing cultures.

One thing about myself that I love most is I'm not only beautiful on the outside but I'm beautiful within. I adore my smile and wonderful personality. I've been told "To know me, is to love me". I have the biggest heart, I give the greatest advice and I am the sweetest, most caring and supportive, smart encouraging person you will ever meet. I try my best to be the best role model that I can be, not only for my family but for others as well. I try to give people hope and show them they can overcome all obstacles and live out their dreams. No matter where you come from or what your surroundings are, you can achieve all things that you set out to do in your life, as long as you believe in yourself and your talents.

Modeling is something that I have not been doing for long but I love the journey it has taken me on so far. However, acting is my true passion. I enjoy every minute in front of the camera. I have goals that I am accomplishing and dreams that I am achieving. There is more to me than just a pretty face and a good-looking body. I spend most of my time volunteering at local children hospitals, speaking to the youth within my community, or doing charity events while also running my foundation: N.L.A.F which stands for Nia's Lovely Angles Foundation. I always felt I never had to be famous to make a difference in someone else's life. When I do get free time I enjoy writing, cooking

and traveling and spending lots and lots of time with my family and friends.

When it comes to love I love hard I can't help it. I'm a Libra. When it comes to men let's just say I want my next man to be God fearing, honest and supportive of me, and everything that I am doing with modeling and acting. I need him to understand and know that no matter how many magazines or shoots that I am doing, his eyes are the only ones that matter to me and he has nothing to ever worry about, because he is MY MAN.

When I am in a relationship, I'm in it 100%. It's just him and me against the world. I support him with everything that he does and I ask that he support me with everything that I do. I enjoy the simple things in a relationship like his touch, his kiss or the way he makes me laugh or just the way he looks at me. I enjoy being goofy and silly and watching Sports Center and playing video games with him from time to time. When it comes to romance let's just say I love to be surprised xoxo... I love treating my man like a king. I'm a fun, outgoing person and I just want my man to be the same. If I can't have fun with you then you aren't my type of guy.

It was such an honor to be in SHOW Latina. This is my first time ever being in a nationwide magazine but not my last! I want to say thank you Sean Cummings and Nick Saglimbeni and everyone one at Slickforce Studio for making this experience for me a life long memory.

My name is Kathy Lantigua. I was born and raised in Washington Heights...also known as uptown 'in the city that never sleeps' New York. My parents migrated from the Dominican Republic in the 1970s and raised four children (including me). I'm a proud Dominican-American, who graduated from Lehman College with a Bachelor's Degree in Health Service Administration. As a librarian during the day and a model at night and on the weekends, I am able to say I am beautiful, independent, and have the right mind to achieve all I can. Leo is my sign, which adds meaning to being center of attention. Outgoing is my middle name; spontaneous is my life style and always up for a challenge. Living life as a young Latina, I believe we have one life to live. We should not regret what we do but say "I have done everything that I wanted, and I have accomplished what others said I couldn't do. Look who I am now".

God has been a great guide in my life and I find myself blessed that I am don't embody the stereotypes that haunt minorities. The way I handle my life is making things happen for myself and not waiting for things to be given to me. I work for what I want. As a young girl, I always wanted to be a model. Agents approached me, but I never pursued it because of my insecurities. Society has created a perfect image of the ideal woman, which is super skinny. My curves add my special touch on what I feel is beautiful. Beauty can come in all

shapes and sizes, and being curvy can be beautiful! MySpace and Twitter have helped jumpstart my modeling career. Self confidence and initiative gave me the stamina that I needed to launch myself.

I have appeared in King Magazine and in music videos such as Julez Santana/Chris Brown's "Back to the Crib" and The Dream/Ludacris "Love King" [Remix].

Los Angeles was a great experience. Being part of such a great magazine, where I am able to represent a true Latina was something to be proud of. From the makeup artist to the hair stylist and photographer, everyone was treated with respect and care and it's an experience I will always remember. Thank you Sean, for choosing me to be a part of your magazine! Thanks to my agent Arthur of Arabelle Modeling, LLC for believing in me. Much love besos :)

Hello, SHOW MAGAZINE! My name is Jennifer Beltre. I'm Dominican and Peruvian, residing in New York. I have a daughter who means the world to me, and of course I didn't stop modeling after having her. If anything I look better now, lol. I've been modeling for a few years and it's been going well. I hope to get more modeling opportunities. I've done a lot to date such as shooting for Latina magazine, music videos, and hair modeling. I've also appeared in TV shows such as Ugly Betty, The Good Wife and Gossip Girl.

I love getting glammed up and being in front of the camera. I feel like everyone should embrace his or her beauty. I'm a shy and quiet girl, but you won't be able to tell from the pictures. I like to spend time with loved ones, watch scary movies, laugh, shop, read books, go out, eat chocolate, and belly dance.

Shooting for SHOW was definitely an experience I enjoyed. The Slickforce team was amazing and I feel blessed to have the opportunity to work with Nick. I thank Sean for letting me be a part of SHOW magazine. Even though I'm probably the tiniest to ever shoot, Sean gave me a chance, lol. I hope all of you enjoy my pictures :-)

I'm Carolina Catalino from the Bronx NY and the beautiful land of Dominican Republic. I'm blessed to have the opportunity to embrace the pages of SHOW Magazine in such short time of working on my modeling career.

I am a full time Sales Manager for New Leaf Ice Tea and a part time Model/Actress. I have appeared in numerous magazines such as King, Hustlenomics and Source (coming soon) just to name a few. I've also had the opportunity to appear in a few music videos as well such as Fat Joe's About Money and Beamer Benz and Bentley with Juelz Santana and Lloyd Banks where I played one the lead models. Modeling has always been a passion of mine but now I am able to say my career is taking off the way I want it to.

I've been blessed to have the right people by my side to help keep pushing forward in a business that has so much negativity and competition. There are many gorgeous faces that can achieve as much as I am but looking closely at me and getting to know me on a personal level you'll see the difference between myself and others.

This is only the beginning ;) if you care to know more about what I'm doing and upcoming projects check www.carolinac.com and follow me on twitter @carolinacatalin. God bless! Xoxox

SHOW

I was born in Southern California, and grew up running around the streets of Las Vegas and Orange County. Being Caribbean and Native American, I was a natural born wild child and always had a desire to push boundaries. If you know anything about me, I'm not shy about speaking my mind and saying my piece. I say some out of control things sometimes, but that's why people like me. I'm not afraid of what anyone might think or say, if people are talking I'm doing my job.

I'm known as a model but I have a "be careful what you wish for" attitude and unique sense of humor that make me different from most. At an early age I jumped into a modeling career that continued to grow and push me in different directions. At the age of sixteen I found myself in the midst of the MMA world, making my first appearance as an MMA ring girl. By the time I was eighteen I had already landed several magazine covers, but it still wasn't enough. In 2009 I found my way into the music scene and began my career in my all girl group, "The Electric Barbarellas". Now in 2011, I've starred in our own reality TV series "Electric Barbarellas" on MTV. I'm young, I'm making moves, and I'm having the best time of my life. I feel fortunate to be able to grace the pages of SHOW, and especially want to thank Sean for the opportunity.
