"Well I'm back!"

This is my 3rd official time shooting with SHOW magazine. I'm honored to be able to work with them again because they were the first magazine to believe in my modeling career, when others pushed me to the back burner in order to focus on other models.

Anyway, my career took off after that, landing me numerous musics videos, other magazines, commercials, and a starring role on a hit reality show. Since doing Basketball Wives, my life has changed dramatically, for the better. Now I'm a business woman and I'm working on building my brand. My swimsuit line has the majority of my attention right now so be on the look out for MintSwim. Besides all that, life is great. And yes I'm working on season 2 of the show and I'm still not technically a basketball wife, nor do I ever plan to be. I'm happy just being me!
Take care

Shenéka Adams

"I thought her attitude was so fly"

SHOW

Sheneka Adams is the definition of your fantasy girl. With hypnotizing brown eyes, the face of a porcelain doll and the curves of a Nubian goddess, its hard to believe the authentic Georgia peach is as sweet inside as she is outside.

As a teen Sheneka's role model was her father. The successful businessman was the first to play baseball in the county and later transitioned that success into a million dollar business. While Sheneka's father doted on her and cultivated his daughter as a social southern belle, he also taught her the value and rewards of hard work. Working for her father enabled her to help her mother and her siblings, but most importantly it showed her that she could accomplish anything if she put her mind to it.

It wasn't long before she became aware of another avenue to claim the spotlight. A huge Beyonce fan, Sheneka was intrigued with magazines, music videos and movies featuring her favorite heroine. "I thought her attitude was so fly," she says. Her penchant for entertainment became an obsession. Sheneka immediately knew she'd found her niche. She wanted to be a star. She wanted all eyes on her, and she wanted them to stay there.

Not long after relocating to Atlanta, Sheneka did a photoshoot with a photographer she met on online. The camera loved her and film lens adored her; soon Sheneka found herself starring in a video with Soulja Boy and Bow Wow for their hit single "Marco Polo." Almost overnight, Sheneka was one of the most in-demand models in the south. Casting directors were vying to cast her, promoters began booking her to host their parties, and she was a hot ticket for publicists at social events.

Sheneka Adams

Little things may make her happy, but Sheneka's goals were never simple. Today she is focused on growing her brand and heading a million dollar empire.

A beauty correspondent, she currently has a deal with a cosmetics company and several others on the table. "I want to get into so many things and I'm grateful I've been given the opportunity to have a voice," Sheneka says. In addition to being a spokesperson, Sheneka authors a popular urban blog and is currently working on a book.

What began with a pretty little girl watching her father's example, has blossomed into a business-savvy young woman who plans to utilize her voice to lead an empire. In addition to entertainment, Sheneka enjoys doing non-profit work and making a difference in the lives of young women. She enjoys interacting with her females on twitter and facebook and giving advice to young girls who have stars in their eyes like she did years ago in Athens. "You have to know what path you want to take in life and then you need a strong team, she advises. Years ago Sheneka Adams visualized where she is today, and today she sees her future is even brighter.

"White Girl with a Booty"

SHOW

Sarah

"She is graceful, charming, witty, & sassy..."

Sarah Oliver, a true Southern Belle, was born and raised in Georgia. She is graceful, charming, witty, and sassy like Scarlett O' Hara, only better, blonde, and with more curves.

Her mix of Asian softness, Eastern European sculptured beauty, and a dash of Native American blood makes her the exotic exquisiteness you can't stop staring at. And along with this beauty, she has intellect.

Sarah's radiant personality and her gorgeous brick house curves of 34D-25-39, quickly advanced her career as a model and actress.

Starting off with companies like Tag Body Spray, T.I.'s Grandhustle, Bulldog Gin, Nopi Nationals, Fitness Beauties, Jezebel Magazine, and many other publications and events. E-Dub's Whooty "White Girl with a Booty" video was Sarah's first step to becoming a video vixen. Soon after she worked with additional artists like Rick Ross, Jermain Dupri, Keri Hilson, and many others.

Sarah has been engaged as a hostess for several events, parties for Jeezy, Big Boi, Soulja Boy, The Dream, Jason Terry, P Diddy.

She has also co-hosted an event with Mike "The Situation" from Jersey Shore, and much much more. Now with a calendar of herself, designed by her self… Sarah is quickly becoming a name brand, "SO"

SHOW

Hello SHOW magazine! I'm Kansas Patrick and I'm so happy to have finally graced the pages of this magazine to "show" you a little bit of what I have to offer!

I am one of six children and I LOVE my family. They are my support, my strength, and my motivation. They definitely keep me grounded and I can also attribute that to my Midwest upbringing. Although Atlanta is my place of residence and I've also lived in Rochester, NY; Detroit is where I was born and raised. That's right, I'm a Motown girl and I love my city! There's truly no place like home ;)

I can never resist a good time! Bartenders and DJ's are my most favorite people ever!! I also enjoy the going out process as a whole; calling up my girls, trying on different outfits in the mirror, putting on makeup, oiling up my legs, and heading out the door! I also have an affinity for traveling. I've set out on a trek for world domination and so far I've been to 28 cities, 15 states, 2 islands and Europe! I love to play in Miami and tan in the bright orange sun in the Bahamas, but New York City has to be my favorite destination. I love to dress in layers and take full advantage of the nightlife there; it's ALWAYS an experience. My other hobbies include writing and watching sports since I have to manage my fantasy teams. Also, don't let me forget to mention that I'm a huge foodie who loves to both eat and cook.

Kansas Patrick

"I love to play in Miami"

The irony in being a foodie is that I love to model. Modeling has been a passion of mine for a quite some time now.

I started off doing local runway shows and then I got in the arena of promotional and spokes modeling. This is actually my second appearance in a major publication. The first was as a Digital Dimepiece in the August 2009 issue of Source Magazine. I've also been featured in countless online magazines, newspapers, and blogs but this is my first spread!! When the opportunity knocks, I intend on doing some acting. Until then I've been getting my feet wet doing Extras work, shooting a pilot as a correspondent for a restaurant show, and I have an upcoming TV hosting gig for a video countdown show on the OVNTV network. With that said, I'm feeling closer to my dreams.

I love SHOW magazine and its readers for celebrating and appreciating the more natural side of sexy. I'm so appreciative for the opportunity to be in this magazine and I've already fallen in love with the idea of shooting for the next one, hint hint!! I try to keep busy, so continue to look out for me *kisses*

"I am 23 years old and I live in Los Angeles, Ca"

Diznee

Most of you are probably familiar with me, but for those of you who are not, I am the one and only Diznee, aka Chelsea. I am 23 years old and I live in Los Angeles, Ca.

I made my first debut in SHOW magazine when I was just an 18-year-old college student. Five issues, three covers, and five years later this is my final farewell.

I have graduated college and plan on going back to get my masters next year. I want to thank every one who has supported me through all these years for being loyal fans. I have had an amazing journey and have met amazing people along the way.

You can keep in touch with me by following me on:

Although I won't be gracing the pages of magazines anytime in the near future, I'll always be that girl next door with bright eyes and a comic book body as Mr. Cummings would say…

XOXO

SHOW

Ever since I was a little girl I've had a passion for fashion and being in the spotlight.

As a child I used to participate in beauty pagents, loved altering my clothes/ designing my own outfits and was a cheerleader in junior highschool and highschool. I was also voted best dressed my junior and senior year of high school. Ever since I was 16 I've loved men's magazines and the models featured in them. I felt that I could probably do that but was too shy to at first. It wasn't until my friends, boyfriend and co-workers at M.A.C gave me that little nudge of motivation and encouragement that I finally started shooting with up and coming photographers that really got the ball rolling for me. Next thing I knew I was being contacted by Show and different publications for features as well as local rap artists to be in their videos.

I've been a fan of Show for sooo long and now I'm a Show girl its unbelievable. The whole experience from the audition to the shoot to the makeup the and the professionalism of the studio was amazing, I'm so greatful. Its going to be a trip seeing myself in a magazine I grew up reading.

My measurements are 32D 22 waist 40 hips. I'm from what used to be a small suburb south of Sacramento called Laguna Creek. I grew up in what was a small development in the late 80s and early 90s. It was very leave-it-to-beaverish when I was kid. I still think its a great place to raise kids and buy a home but not ideal for people in their party years.

Most guys I think would say my ass is my sexiest feature, while I do kinda agree with them I'd have to disagree with them and go with my waist. As long as I can remember my waist has always been tiny and flat. I think my coke bottle shape stands apart from my big butt alone.

SHOW

Hey SHOW! It's the one & only IHB (International Hustle Bunny)... Unless you've been under a rock for the last 6 years you know of me but if not let me introduce myself, I'm Kimmi Kennedy the original Kim K before the Kardashians blew up.

Standing only 5'2 but with curves to die for on my 34DD-24-37 frame of French Creole, Indian, Irish & African American decent which attribute to my exotic looks which I'm not shy about though the image says sex, the mind says business. I know I'm like a life sized little doll so I play to that & despite my petite stature.... I've graced the pages of urban magazines such as Smooth, King, Straight Stuntin, and now SHOW magazine, music videos, done countless mainstream & commercial work and more.

From Hurricane Katrina, I'm a New Orleans native. I've fought tooth & nail to stay at the top of my game when the odds where stacked against me but I refused to take NO for answer or let anyone determine what I can & can't do. At almost a 1 million followers on twitter, my fan base has grown. Known for my imagery & using controversy to my advantage like a savvy politician I've remained relevant over time when others fell by the wayside. Now I've embarked on a journey to re-invent myself again via my music but never leaving modeling.

I am launching 2 brand new sites one for my modeling, another for music. Stay tuned for my next single "Designer Girl" dropping on ITunes in June 2012. I've dropped my debut single & video "Beautiful" with great acceptance from my fans & the industry. You can expect more hot music & videos, oh and hot pics as always from me on both my sites. **www.KimmiKennedy.com**

I'm approaching the music game with the same tenacity that I applied to the model game and I'm not waiting to be signed by any labels or for people to rally behind me, I'm just putting myself out there and have faith that God will take care of the rest.
I stepped into the hip hop arena in the summer of 2012 with a full assault on the music game. And when those twitter followers become consumers of my new music, K. Cera (my rapper persona meaning my destiny is ordained) will be the new force to be reckoned with.

With hot singles, mix-tapes & video virals accruing in my ammunition vaults, I've put together a team to help make my debut a heartfelt one and taken seriously, from the start. So you think you know Kimmi Kennedy? NO... You know about me!!! STAY TUNED!

2012 and beyond will witness a new Kimmi Kennedy because this one has something to say and I will make it funky enough for you to want to listen!! I'm just getting started & my star is shining brighter than ever... the sky is the limit. I'm living proof of that! Who knows
what I'll do next but there is so much more to come!

In closing thanks SHOW magazine for the opportunity! Hopefully this will be just beginning of my relationship with the SHOW mag family and you see me many more times!!

I'm so happy to be featured for a third time with my second cover for SHOW.

My debut was Black Lingerie 9, and I graced my first cover for the second SHOWGirlz Latina issue. This by far is my favorite feature to date and I am lucky enough to have two covers for this issue, one of which is only available to subscribers and available for purchase at SHOWGirlzExclusive.com. I have come a long way since my first Web Gem feature on SGE and have graduated all the way to become a SHOW Celeb.

Last year was excellent for me. My career grew tremendously, and continues to move in the right direction. I've traveled around the country to host dozens of parties and events, and starred in a few music videos. In addition, and most importantly, I have also added the title of actress to my resume, having already done a small feature on a Nickelodeon show and a national Doritos TV commercial.

Although I have been very busy the past two years, I understand that many of you will be seeing me for the first time, so please allow me to tell you a little bit about my personal history and background. I am a native to Southern California. My family heritage is very diverse to say the least as my ethnicity is comprised of 50% Mexican, 25% Spanish and 25% Japanese, believe it or not. Although, I like to say that I am full Mexican as my grandparents where all raised there. Another interesting fact is that I come from a very large family, where I'm the oldest.

Other personal details are as follows: My measurements are 34D-24-42, my zodiac sign is Libra, I'm allergic to any type of seafood and I have a Malti-Pooh named Mocha, who I love dearly.
