Hi SHOW Magazine!!

This is my first time in SHOW. Thanks for supporting me & watching my career prosper through the years! Here I am yet again killing the game for my "Still Pretty!!" Chicks!! It'll never end! This is JUST the beginning!!

Tell us about the character you play on TV?

The character I play on TV is no other than myself, in the flesh, an honest and loyal person who is totally misunderstood & envied by most.

How did you get on Love & Hip Hop?

Last season, Mona Scott and the team at VH1 scouted me. They interviewed me & knew I had to be apart of the show.

How's your mom, will she be on the show this season?

My mom is great! No she will not.

Will Erica Mena still be your arch nemeses this season and can we expect more fights?

No comment on Erica Mena ! I don't know about any fights this season. The show should be more focused on positive situations the.

Will there be another Love & Hip Hop wedding, perhaps with you and Juelz?

No wedding that I know of. Myself & Juelz are very happy where we are in our relationship right now, we have a beautiful family, and we adore each other. As for a future wedding we'll have to just see about that.

What's the most satisfying aspect of being a star on Reality TV?

I'm able to give my fans the real me!! No BS straight 100! And of course the perks always come in hand! Lol

“No comment
on Erica Mena!
I don’t know
about any fights
this season.”

“Myself & Juelz are very happy where we are in our relationship right now.”

What's the biggest downside of being on Reality TV?

The biggest draw back of being a Reality TV Star is the lack of privacy!! Lol. That's out the window

How do you see your career evolving, what's next?

I expect things to get bigger and better every year. I have a few plans in the making. Stay tuned.

Do you have any celebrity fans and if so, who?

Yes, I have some, but I'm not a name-dropper though.

What are some interesting things about you that we should know, but don't?

Well I love to cook, sing, and I'm totally a homemaker but if you follow me I'm sure you know what type of person I am. If not follow me on Twitter/Instagram @kimbellasworld "Still Pretty!"

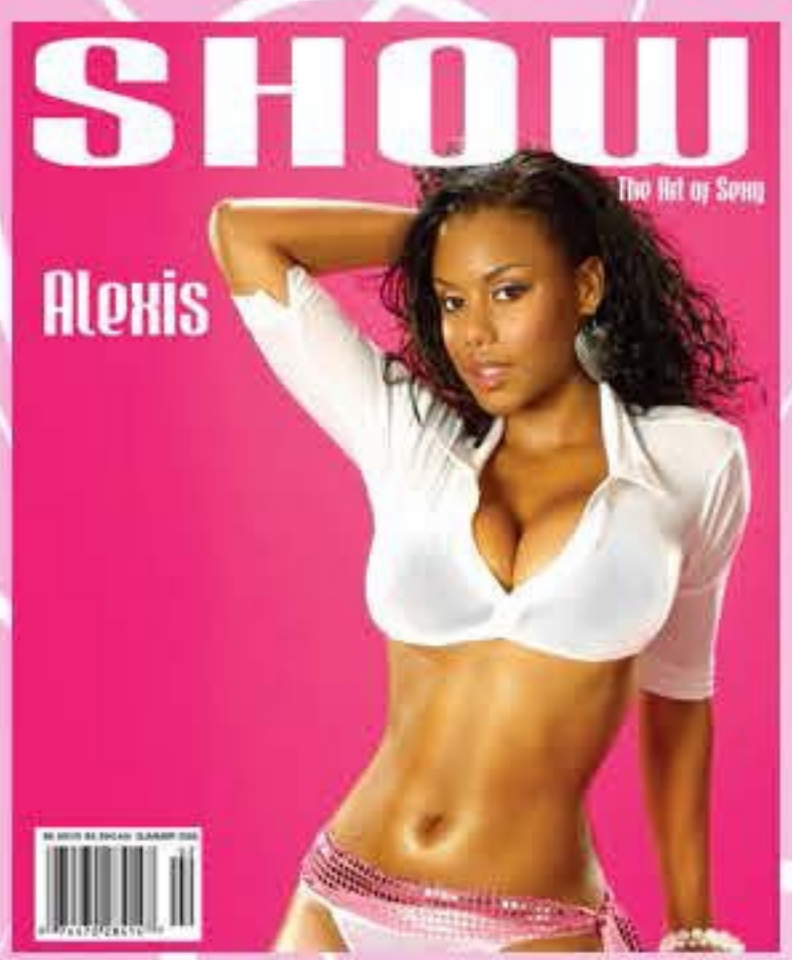

Kimbella

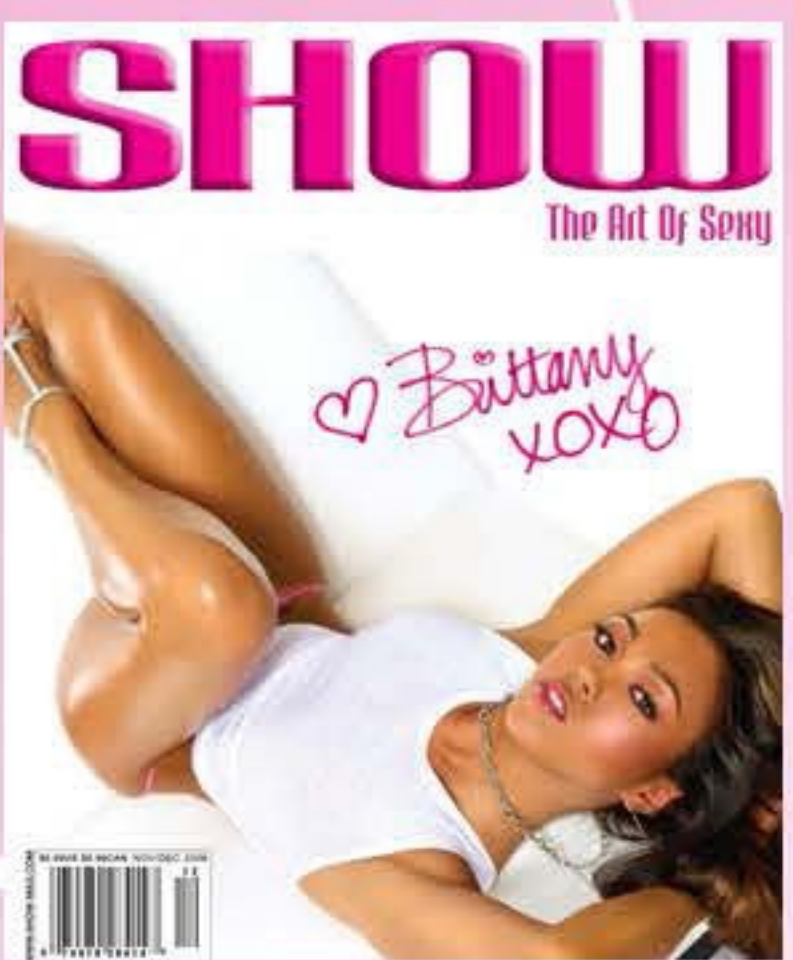

“The biggest drawback of being a Reality TV Star is the lack of privacy!!”

Barbie Brittania

“Barbie likes it rough”

You’ve seen her work in a number of videos from artists including Rick Ross, Wale, Wiz Khalifa, Fat Joe, Birdman, Roscoe Dash, Yung Berg, Billy Blue, Rico Love, Sean Kingston, Brisco, Fabolous, and many more!

You have seen her published in the pages of XXL, Hip-Hop Weekly, the Washington Post, Ocean Drive Magazine, 944, and Blackmen's Magazine. From coast to coast, the 25 year old has hosted parties at every hot spot; this year alone, Brittania has hosted over 50 events, including Exxxotica and Hot Import Nights.

But the 4'11" Black, Asian, and Native American mixed beauty is much more than meets the eye. On the camera, Brittany shines and owns every look. But off the camera, she is a fiery, sex pistol with a personality that commands attention and brings to life the saying: Lady in the Streets but a Freak in the sheets!

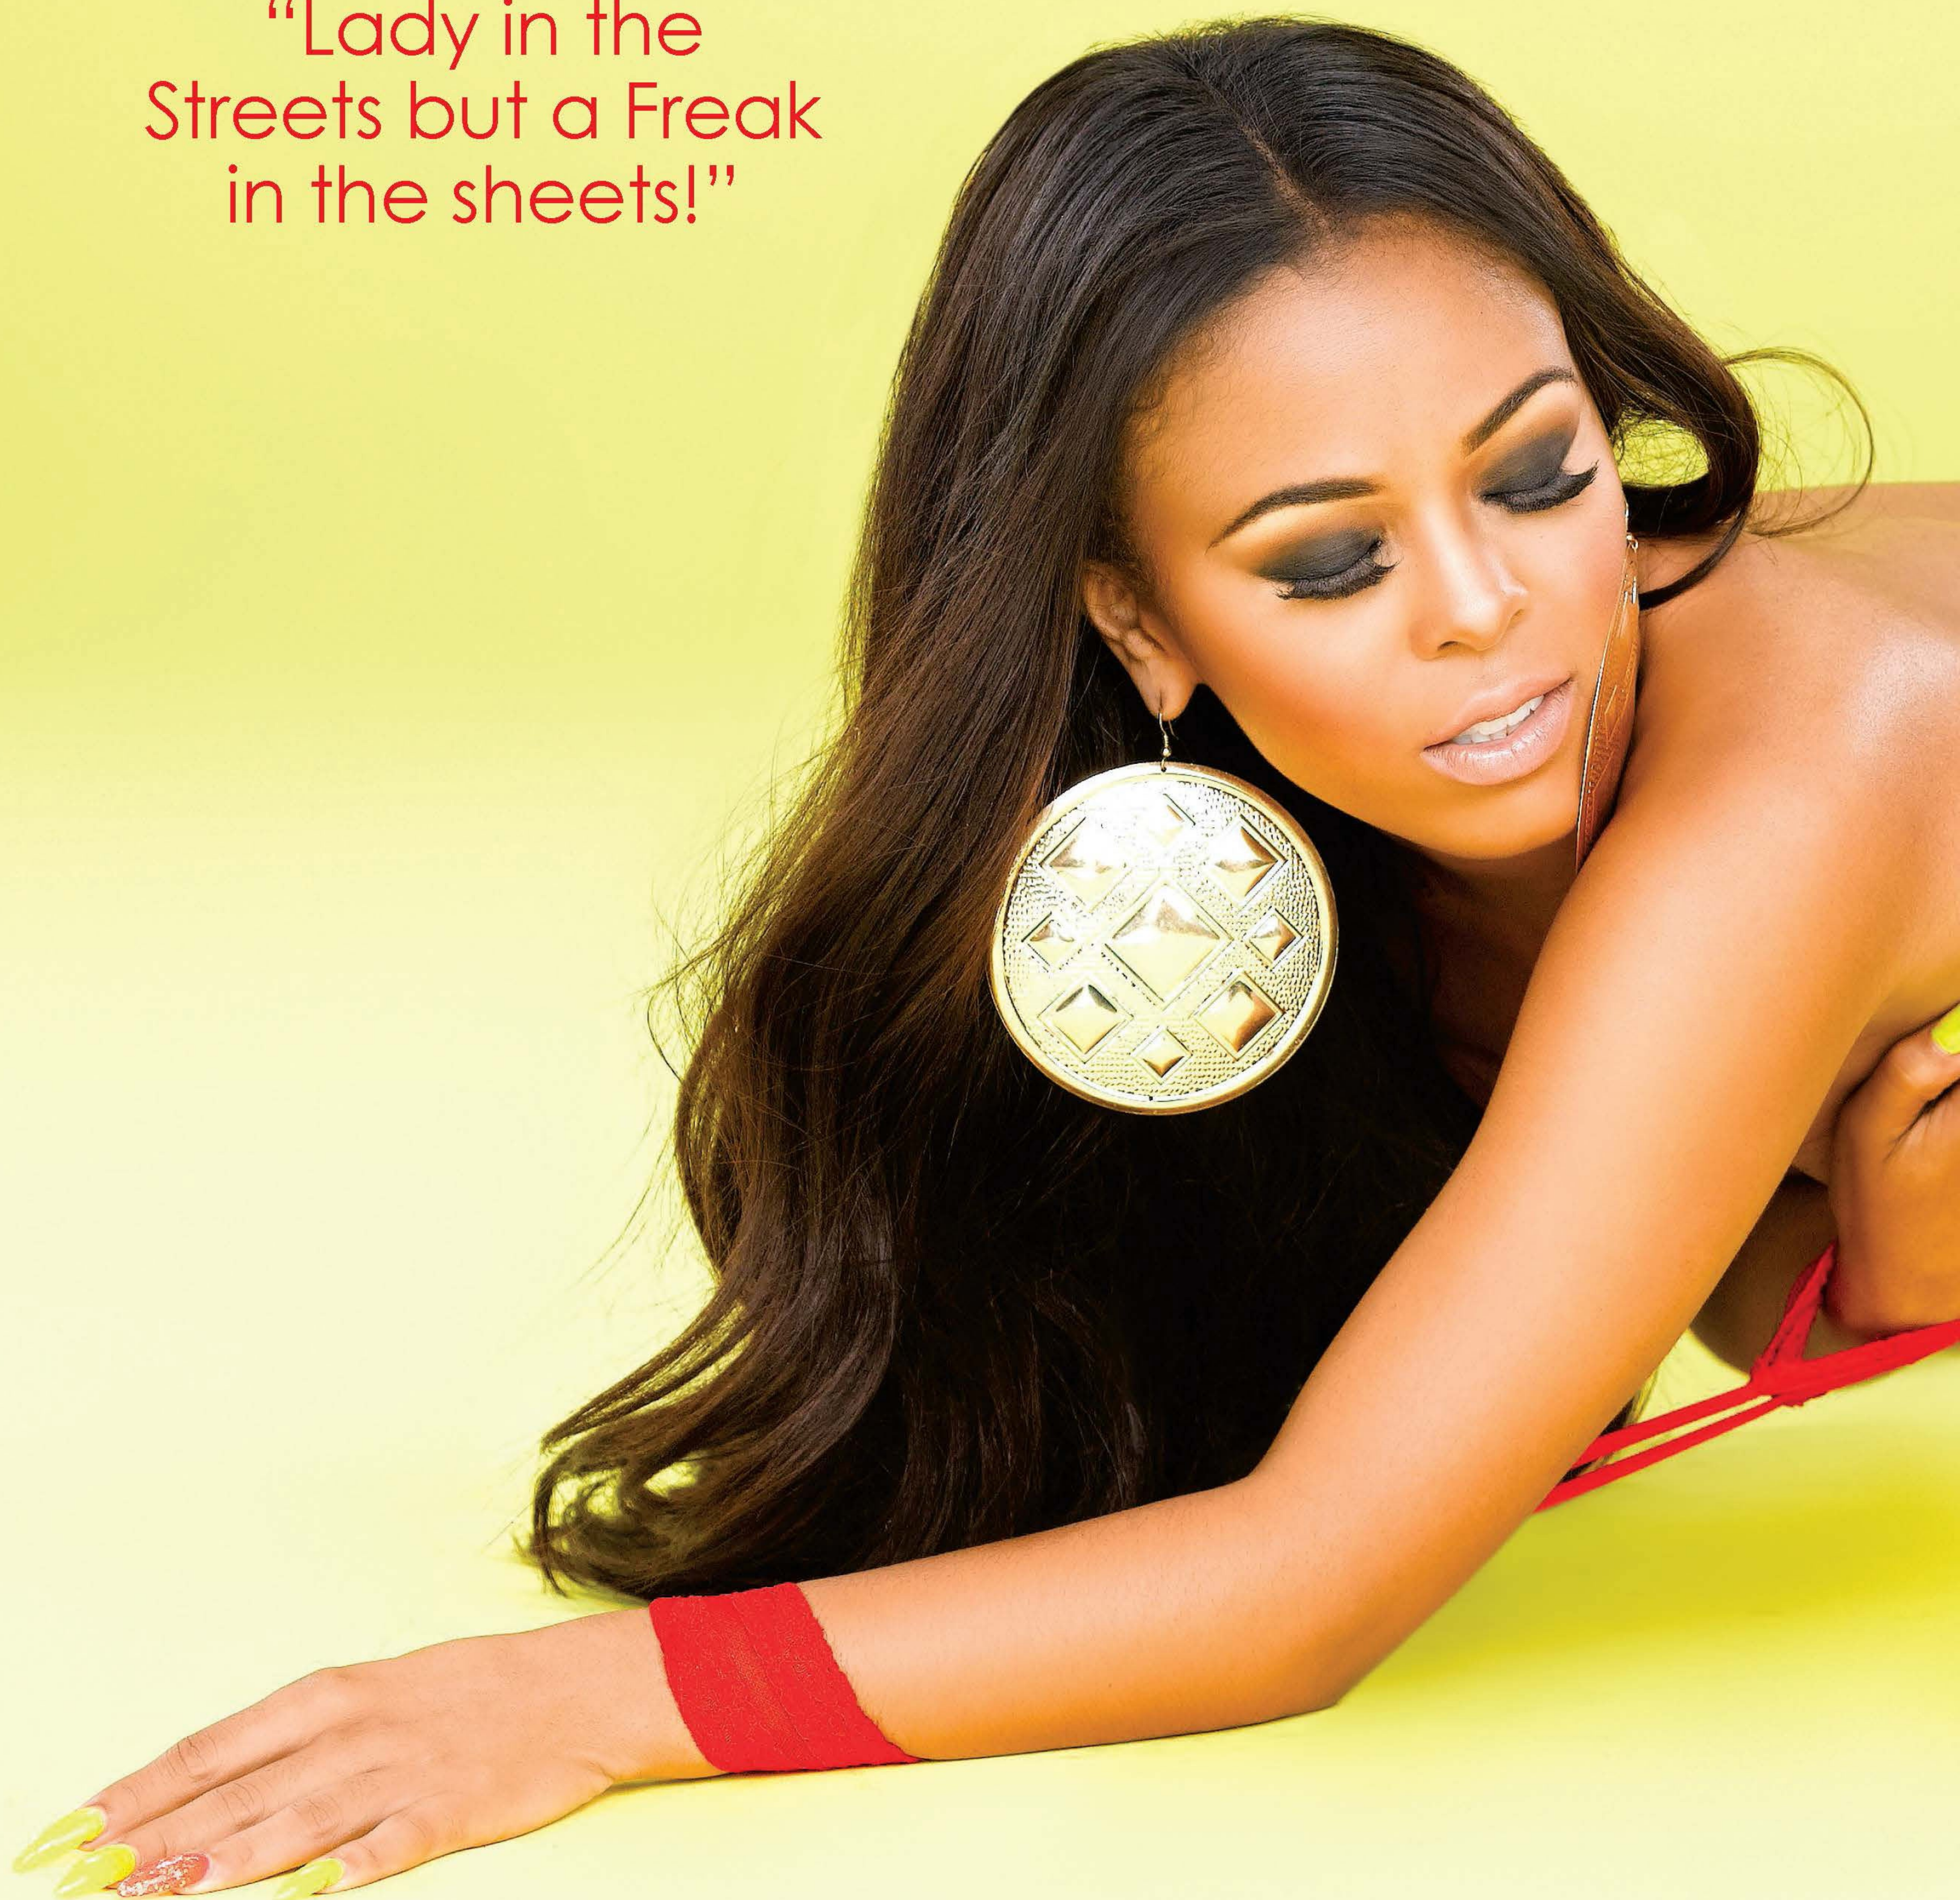

From an early age Brittania has been in the spotlight. As a young girl, Brittania toured the world as a figure skater, and was even a Double Gold Medalist in Figure Skating for the women's US Team. She grew up to be a wild, crazy, bisexual 'Barbie', who likes it rough with plenty of biting, hair pulling, and dirty talk! Her body is bangin' (34b-22-38), and her mind is free. She knows what she wants which is someone who exudes confidence, ambition, has nice teeth and good hygiene! What she doesn't want, is a liar, a nonbeliever, someone with bad hygiene, or someone who gives up.

From South Beach to LA (if you're lucky) you'll find Brittania standing on a couch, Rose' Bottle in hand, turnt all the way up! She's certainly worked hard and made a name for herself in the industry. Not bad for a small-town girl from Springfield, VA!

Erica Lynne

“I’m a fun spirit.”

Hello all, this is Erica! For those that don’t know me, I’m a model, actress, reality personality, and performer from Orange County, Ca.

I was on the 5th season of The Bad Girls Club, which filmed in Miami Beach, FL, and was one of the few girls to last the entire season. I also filmed the season opening episode for Playboy TV’s “Foursome.” Reality TV has been an exciting endeavor for me, and I think TV should be sexy and entertaining just like me! I especially enjoyed working on Bad Girls Club during season five when we filmed in South Beach because of how different the culture and weather was compared to Southern California.

Since my BGC days I’ve been all over the map and worked on a variety of shows. I’ve worked with and been featured by some awesome companies like, Playboy TV & Radio as well as World Star Hip Hop. I love traveling abroad and have shot in some amazing international locales. I have been lucky enough to grace the cover of many magazines, but I am the most excited about my shoot with SHOW Magazine.

I’m a fun spirit and I enjoy my life right now. I love sexy, confident women with great figures! I work with several clothing designers on their products and I try to keep myself abreast of the latest fashion trends. I love dancing and experiencing new things. I am excited for this New Year as I bid goodbye to the old. I have been working at a variety of events and nightclubs doing promotional marketing, clientele interaction, celebrity GoGo and Bad Girls Boxing, as of late.

I have strived to be successful on multiple fronts and entertainment markets with my brand. I would love to get to know my fans and also, I enjoy meeting new people. So, feel free to hit me up! The best way for fans to get a hold of me would be via my Twitter @BadGirlErica. (For the 106k people that are already following me THANKS!) For booking inquiries feel free to hit my booking email – Booking: EricaLynne@Gmail.com.

“My relationship
with the rapper
Drake didn’t end
badly.”

Cat Washington

"Pussy can't be your only hustle."

Can you briefly tell us a little bit about yourself?

I'm a black and Creole and was born and raised in Philadelphia. I'm a Philly girl!!! I have a bachelors degree in business, although most would know me from the Drake "Best I Ever Had" video, or the star of Bad girls club season 5, Miami.

Talk a little bit about your experience in The Bad Girls Club?

Bad Girls Club was an amazing opportunity. It gave me a platform to do so many other things, but it just wasn't for me. I was sharing a house with women who I would normally never cross paths with, but all in all it was a great experience. The BGC house was wild and crazy but definitely a treasured experience. Besides how could you not love being on national TV.

What did reality TV help you accomplish?

Reality TV is sometimes the gift and curse. However, it's National television so from a businesswoman's perspective it was awesome. Since then I've started a clothing line Bodybymscat, which can be found on my online boutique www.bodybymscat.com. I've also starred in 4 movies since then and a number of hit stage plays. In addition, I've graced a number of popular magazine covers such as Show magazine and had the opportunity of hosting amazing events and fashion shows.

Do you see yourself doing more reality TV?

Absolutely! In fact, Oxygen and I have something brewing up our sleeve as we speak so stay tuned for that. Bad girls club wasn't the last of Cat Washington

Do you & ex rapper boyfriend Drake still keep in touch & what is your relationship like now?

Drake and I are still really good friends, and when I say friends I mean just friends we still keep in touch, even though I wasn't exactly when I heard that song "Good Girl Gone Bad", but since then we've talked about it, and ALL IS WELL!

What did Drake mean when he said you were acting silly?

THAT'S A GOOD QUESTION! Maybe we'll have to ask him, but I just figured it was a way to get my attention, because our relationship didn't end badly. There was never GANGWAR or battle of the ex's. We were always cool after the fact. So I'm thinking that maybe he just missed me and didn't know how to say it. So I was caught off guard by the song just like everyone else.

Did you ever feel hurt about Drake's involvement with Maliah Michel, and did you confront her?

Around that time Drake was linked to a lot of women in the tabloids, I'd be a damn fool to confront any of them. Besides at the time we were in Toronto so there was need to address anyone other than him.

Did you benefit at all from that relationship and would you ever date another rapper?

Benefit meaning financial, spiritual or what. He's an amazing person and was an amazing boyfriend financially spiritually and the work is great. So I'm sure it was beneficial on both parts.

“My clothing line is tailored for curvy women.”

How do you feel about models who are quick to get knocked up by rappers?

If you fall in love with a rapper and a baby is born into a loving family cool. For the rest I would just say I guess everyone has to have a hustle, and if that is your hustle more power to you. But Kanye said it best “Pussy Cant be ya Only Hustle” and I agree. I’d much rather make mines and not have to deal with a child just for the check. I love the fact that I’m financially stable and can do” as I damn well please” besides a child is suppose to be born out of love, not so mommy can afford the latest Louboutins.

What other celebs do you have crushing on you?

There have been a few but I may still be trying get that old thang back wink wink”””””

Tell us about your future plans beyond Reality TV. What other projects are you currently working on?

I’m working on a new reality TV project, I’ve also added author to the resume. I just finished my first book, which will be released in the next few months, so look out for that. My clothing line which is tailored to fit the curvy woman is doing amazingly well and will available in stores shortly, right now available at bodybyscat.com. I’m also working on my music. I’m starring as Charles Dutton’s daughter in the upcoming movie MUST BE THE MUSIC starring stars such as Trina, Jadakiss, Tasha Ford, Snoop from the wire etc...

“My mother is Egyptian and my father is Latin.”

Hello readers. This is my second SHOW appearance, so I feel it's only right to give you some background on me and allow you to get to know me a little bit better.

My name is Egypt Selinda. I was born in Reading PA. I moved to New York days after I was born. Since the fourth grade, I've moved up and down the east coast from Florida to Delaware, Pennsylvania, New York, you name it. Currently, I reside in Philadelphia, Pa, though I work in New York City.

I come from a mixed background, as my mother is Egyptian and my father is Latin. So, I grew up a pretty strict, if you can only imagine, lol. Having over nine brothers and sisters quickly, I turned to music, dance, the movies and a ton of sports to help me escape the daily chaos that comes with a large family. While growing up, there was no doubt in my mind as to what I wanted to do, including performing in the theater, singing, dancing, acting and, especially in a Broadway setting. This is going to sound weird but here I am in the middle of the hood and I'm performing scenes from one of my idol's Bette Midler movies. I would rehearse for hours for no other reason other than that I loved it! All I ever thought of is performing. I joined everything in school that pertained to it, and I did every talent show, and man you couldn't tell me I wasn't living my dream, lol.

I know most girls dream of modeling as a career, but for me, performing on Broadway and writing erotic screenplays has always been my dream. I made the mistake of going to college for a year, studying something I had no real interest in. But, it made my family happy. Recently, I've made the decision to follow my heart, and will be starting school this January for theater and writing.

“Performing on
Broadway & writing
erotic screenplays
has always been
my dream.”

*Egypt
Serrinda*

Each year I set a new goal to try something I always wanted to do. This year I want to learn how to snowboard and DJ. I am a die-hard house, trance, Afro tech, nulu, dubstep, and indie music fan. It's all about feel good music on this end. I rather dance to songs that talk about unity, love and that are soulful with a positive outlook on how life is really supposed to be lived. I choose not to be influenced by trends whether it's fashion, music or TV. I am always in my own world.

My likes in a better half hmmm, well first I am very opened minded. I don't believe in looking for a gender, race, age, or a type when looking for love. I tend to be drawn to the free spirited, creative soul who views life as an opportunity for achieving all that life has to offer. I appreciate someone that will never settle for less because they know they could have so much more. But, it has to be a balance as I can't stand a cocky flashy dude, that's all about looks, clothes and money. I'm a really down to Mars type chick, so, that's all I ask for in return.

I love to stay in contact with people that support my movement so please follow me on Twitter and Instagram @EgyptSeLinda

Born and raised in Los Angeles, CA, I was brought up in a diverse household, as my ethnicity consists of Chinese, Jamaican and Creole.

Education was always a priority in our household so it's no shocker that right now I'm currently enrolled as a full time college student with a double major in Business Management and Sociology. Although my love life has been a topic of discussion in the past, I stray away from letting a man define me or take credit for anything I do. I pride myself on knowing that I am the definition of "self-made".

I am extremely passionate about my education, career, and my company. If there is anything I have learned, it is that there is nothing better than the feeling of making and having your own. I launched my company Glamhairous Extensions less than a year ago and so far it has been nothing short of a success. We are known worldwide and are probably your favorite celebrities' best kept secret! From Teyana Taylor's signature big curly look to Emily B's long wavy hair, my company is admired and sought after by many other celebrities and women who simply love top quality, luxurious Virgin Indian extensions!

"I stray away from letting a man define me."

Jordan Craig

Earning my own money and being independent of course feels great but nothing beats making my clientele from around the world feel more beautiful than they already are! I always knew I wanted to work for myself but I definitely did not think I would be this successful so early, and especially not before I've even graduated.

Aside from my career and education - I absolutely love to travel! I've already been fortunate enough to visit Japan, Paris, Bora Bora, Australia and many other exotic destinations. Lastly I'm working on a Vlog to document my next trip to India, where I will be expanding my company's business endeavors. So be on the lookout as I will be frequently updating my social networks!

“They say my booty has the shape of two chocolate Bon Bons.”

My name is Yvonne Alley, aka Bon Bon. I was Born December 25, 1990 in Dallas, Texas. Fathered by a Naval officer and mothered by a Skydiver. Navy Brat Catholic Schooled is how I was raised!!! I Moved to San Diego California and Graduated High school at 17.

When I graduated; I began to work at a barbershop called “Afrocentrics”... So FYI!!! I can do some clean cuts :). I can taper Fade, fade, low fade, High Fade, full face shave, and give you a nice line up (with the blade). I can shave a balloon if you blow it and tie it for me! I loved working at the shop! I would even wear little short shorts so that when I turned the chair around my tip\$ would pile up since the guys would be facing the mirror finally.

I got my name cutting hair at the shop by the local recording artists that would come to my station. My station consisted my number on the mirror with “Bonnie” written artistically. That being said, the word around the shop was that my booty had the shape of two chocolate Bon Bons; Thus, I became Bon Bon.

Now I'm in School for Massage Therapy, and in and out of recording studios singing my little heart out and just loving life. At 15 I began boxing and still do the workouts to stay in shape, but music is, and will always be my passion.

I'm so blessed working with SHOW magazine!!! Once I turned 18, I sent my pictures into SHOW and quickly became a Web Gem. Now I've Grown Up To Be A SHOWgirl!

"It was a really fun experience shooting for SHOW."

Hi, my name is Mesha. I'm from the Bay Area, Ca. Three words to describe me are Crazy, Sexy & Cool. I am 22 years old. My Birthday is March 8, 1990. Yes, I'm a Pisces. I moved to Georgia when I was 19 after being in a terrible accident. Back in 2009.

I was in a highway shooting and lost someone I cared about. [RIP Marcus] plus getting shot in my leg, It was a traumatizing situation But also a blessing in disguise. I knew I had to do better. That's when I started modeling..

While in ATL I did a few music videos: Waka Flocka "Let's Do it", Mike Epps "Ain't Chu You", Short Dawg "Come Down the Pole", & "Trouble you Don't Deserve Dat", and I've also done 3 of my own Wshh videos and I was featured in Blackmen's July 2012. I hope to continue to get bigger and better opportunities.

I love this, being on camera, taking pictures, making videos, getting done up with hair and makeup, etc. It was a really fun experience shooting for SHOW. And, all the other models were great. Publisher Sean Cummings is super cool. I hope to work more with SHOW in the future.

As far as goals, I have many plans. I don't want to speak on them until its time, but just know it's going to be big! I'm very ambitious, and I refuse to stop until I've succeeded, and the WORLD knows my name. I do this for my family, in memory of Marcus but most of all for myself. My faith is strong. And I know God got me. My time is NOW!

“Having a thick body is definitely a plus!”

Hello! My name is Sophia aka Sophia Body! One year ago, after graduating college, I decided that I no longer wanted to pursue my law enforcement career and landed in the game.

Having a thick body is definitely a plus! ;-) I'm a Canadian girl, 24 years old and I currently live in Toronto! I enjoy DJing as my past time and live in the gym!

I've been in a couple music videos, couple print magazines and have been blessed to be a part of a few radio shows so far. My website will be up and running shortly with my hottest, sexiest videos and merchandise, so make sure your on the look out for that!

I've been a fan of SHOW magazine for years so being featured is definitely an honor and a blessing for me. I want to give a special thanks to someone dear to me - MJflx!! I want to give a very special thank you to Sean Cummings for choosing me to be a part of SHOW magazine. Furthermore, I want to give a shout out to the rest of the crew for their amazing work- they definitely work hard! SHOW magazine has the best crew around, hands Down. I look forward to working with everyone in the near future!

"I am both
Mexican and
Costa Rican."

Tanya
Love

“When I do a photo shoot, the craziest and sexiest part of me comes out.”

Hi, my name is Tanya Love, and I am 22 yrs old. I was born and raised in San Diego Ca, but have been living in Los Angeles for the past 2 years, and I love it, even though I miss San Diego, sometimes.

I am Mexican and Costa Rican. I am a very outgoing and a friendly person. I love making my friends and family laugh and feel loved. I am a hopeless romantic. I love watching old school love movies and when I love someone, I love them for real and I give my all. I guess that can be a good and bad thing. I love doing outdoor stuff, with my favorite place being the beach. I love feeling the natural breeze and being relaxed. Anything that has to do with nature, I enjoy and appreciate.

I have been modeling for about 3 years. The first time I did a photo shoot I didn't know what I was doing, lol. But after 6 months into modeling I got a magazine cover offer. I have been blessed to work with a lot of magazines since then, from covers to spreads. I am very happy and excited to finally be working with SHOW. It's an honor and I'm so happy that they are giving me a chance. When I shoot I feel like my sexy alter ego comes out because I'm usually a very conservative person. When I do a photo shoot the craziest sexiest part of me comes out in my pictures and I love it

What I look for in a guy is mostly someone that carry himself as a gentleman, is a good dresser, has good hygiene, good taste in music and of course a good sense of humor. I love joking around. I can't be serious for too long and I need someone that can bring out the silly in me.

I feel my sexiest in six-inch pumps with lingerie. I think every women should surprise their man with sexy lingerie and heels on. Play some slow jams playing and serve him a glass of wine. Your man will appreciate every inch of your body!

Thank you Sean for giving me a chance and I want thank my best friend Cisco for always being there for me as well as all my friends and family that have supported me from the beginning. A special thank you goes to all my supportive fans that come to all my shows and buy all my magazines. Hopefully you will see more of me. You can find me on twitter @tanyalove1 and Instagram @tanyalovexo. Until next time, hugs and kisses XOXO *blows kisses*

"My plans
for 2013 are
very major."

*Miracle
Watts*

“I’m still in my first year of modeling & so far it has been a rollercoaster ride.”

Hi my name is Miracle Watts. I was born and raised in Houston, Texas. My ethnicity is Black and Brazilian.

This is my first appearance in SHOW Magazine, however I’ve Been published Blackmen Hip Hop Weekly and Straight Stuntin. In addition, I have been featured on Dynasty Series, Cutie Central, Bossip and Thisis50.com. I’ve also starred in “F&\$ The World” Gucci Mane ft. Future Music Video.

I’m still in my first year of modeling and so far it has been a rollercoaster ride, but I’m thankful for every opportunity thus far. I’m a very free-spirited, live your own life, let your sexy show, type of person. I feel like if you want something in life go get it! “Wake up and Stop Dreaming”, because it can all be turned into reality. Don’t be afraid of what people have to say.

I’ve wanted to model since I knew how to take pictures. I guess I inspired myself. When I started modeling I didn’t really know “The Right People” but networking and building a strong team has become very important to me. You really have to have a positive outlook on things and focus on the big picture rather than short-term satisfactions. My plans for 2013 are very major, I’m getting more into acting so as well as modeling.
