Name: Lira Galore

Age: 20

Measurements: 36-26-45

Zodiac: Virgo

Where are you from?

Born in raised in Philadelphia, Pa.

But now residing
in Houston, TX.

How long have you been modeling?

I've been modeling over a course of
maybe a year now. This is my 4th magazine
feature & I'm honored to have the opportunity
to grace the pages of Show Magazine! Special
thanks to Sean Cummings Media.

What is your favorite thing about modeling?

My favorite thing would have to be being sexy
in front of the camera, wearing what I feel sexy in;
you get to imagine your own sexual fantasy and
bring it "alive" for the camera.

New projects?

Yes of course, been working! Taking some
acting classes just dipping my hands in this and
that. Preparing for more things to come

Do you host events?

Yes

Favorite place to be kissed?

My neck & forehead

Lira Galore

Sexual preference?

I love both; I have a thing for both. Men are of the obvious, but I mean who doesn't love beautiful women

Favorite body parts on a man?

Just the male body period & I love a nice smile & hair

Favorite position?

(Laughs) no comment.

Describe yourself:

flirty & funny. I'm the sexy girl next door, but I can make anyone laugh.

Love life?

Unfortunately not right now

Ultimate goals?

To take my talents to the big screen, I would enjoy acting, also just to build something from this. Become an entrepreneur, become something other woman can look up to & be inspired from. What I don't want to be is just a pretty face & a body I want be an all around businesswoman who had a plan, stuck with it and succeeded.

Where can we see more of Lira Galore?

You can see more of me both on twitter and Instagram: @Lira_Galore

HAIR & MAKEUP: Angela January, @Anjela_January
BOOKING INFO: @MsBaileyE

Hello World! My name is Bailey Elizabeth, aka MsBailey!

I'm an exquisite mix of Polish, Swedish and Norwegian! My birthday is October 24th giving me the zodiac sign of a Scorpio, the sexual beings in the world! ;)

I was born and raised in Madison, WI and I currently live in Chicago, IL. Midwest's best baby! I'm a graduated Business major and I also have certifications in Personal Training and Group Fitness Instruction. I love working out and lifting weights, I am always testing my abilities. I am currently training here at a gym in Chicago and I love it! Within 5 years I aspire to open my own franchise.

Other than working out my hobbies include snowboarding, wakeboarding, dance, and of course; Modeling! I started modeling when I was 21 by attending a casting for Playboy. I landed a job as a choreography director to develop an arcade game for Playboy.com. Although never published in Playboy, I developed many good business relationships with the company which has grown to help my career overall and I am currently promoting with Playboy Girls of Golf. I have also had features on Maxim.com as a Heavenly Angel for snow sports; and I am now lucky enough to work with SHOW Magazine. I appreciate SHOW for this will be my first official publication! It is a blessing to have finally found where my short stacked little blonde self fits in! I was born with ass and I can finally show it off like its deserved! Thank you SHOW Magazine!

Let's start with the basics: how old are you, what are your stats/measurements?

I just turned 25 on October 24th! Scorpio baby! It feels great to be in my prime and I'm absolutely loving life right now! I'm 5'4", 135lbs, 34C - 27 - 41! Proud to admit that I just entered the "40" Club! Wowzaz! Squats WILL do the body good! I lift heavy on the lower body and I'm so glad it's paying off how I wanted!

What's your favorite part of your body? Why?

I love my eyes...they are hazel and seem to change color depending on what I am wearing...but who am I kidding!? I started getting compliments on my ass since I was in grade school and I loveeee it!! I feel so sexy when I take pictures from the backside, even though my boobs are great too I love showing off my booty!

Your favorite part on a man? Why?

I don't know what it is about a man's biceps but they drive me absolutely insane!! I think it's because when I'm having sex and the man is on top I love to grab them...nothing sexier than latching on to some nice biceps...whew...makes me hot just thinking about it!

Quickies or Love making?

Both, obviously! Depending on the situation...sometimes you don't have time to "make love" and you just want to get it in really quick...which can be just as satisfying as

"lovemaking". On the other hand it's so nice to take it slow with foreplay...I'm really into making out...the perfect way to start some serious lovemaking! It can be the best sex! If a guy can get me going the right way I will become very comfortable and completely let loose. It's a challenge - trust me! I really have to like you. ;)

Tell us an interesting sexual fact about yourself.

I love grinding on the guy from the bottom...something about using my muscles to push up on a man makes me go crazy! I will literally lift my whole body up on a man from the bottom...especially while latching onto those biceps!

If someone wants to see more of you where can they look?

Thanks for asking! I have a website you can visit to see more pictures www.MsBaileyElizabeth.com

What's the biggest challenge of being on Reality Television? People really get caught up and think they know you from the inside out. I don't anymore because I clearly don't give a fuck, but it's the worst thing ever to have to defend yourself whether you're wrong or right. TV or not, it's my life. And, I'm living it!

How did your relationship with Cyn begin and evolve over time? I met her in LA originally when she flew into town to shoot her SHOW magazine spread last year. I was hooked on her from the time I laid eyes on her. Then my birthday came around DRoc biggie's best friend who I'm close to through me a surprise Bday dinner and she so happened to be there too. I didn't hesitate to ask my waitress to what she was drinking. Before I knew it I was sending over patron shots non-stop and then comes out my bday cake and her holding it. That night alone our conversation and connection was EVERYTHING. And I've been in Cyn's world ever since! She's perfect

What's the biggest opportunity that you think will be coming your way over the next year?

My Music and my merchandising this year is going to be the truth! www.IamEricaMena.com

HER by Erica Mena will be something serious! I'm about to be all over and "Dancin all over the world" which is also the name of My New single out that's honestly a serious problem. The girl that used to get bashed just because she isn't a sucka, a punk or keep quite is and has always cashed out. My mom's is retired so it's clear I've made all my opportunities into something beneficial and worth it.

Do you really have enemies in this business as portrayed on the show and if so, how do you deal with these situations off camera? If you stand for something you're always going to have enemies and people who wish to be an enemy just to feel like they are apart of you. I deal with it by keeping it moving. I know without even a fight it's hard for me to lose. I know that's why it's always been so hard for me not only in the business but in LIFE! I'm real Strong and that's the best part about being me.

You started in the business at a relatively young age.

What advice would you give to a teenager aspiring to one day have a career like yours. Specifically what pitfalls should they avoid? The best advice I can give is always speak up for yourself and never SETTLE! You're not going to always make the right decisions but as long as you keep going and doing you, you will always be alright. What you must always avoid is blending in. In this game you must always stand out and only you know what makes you stand out unlike the rest. Know yourself!!!

Lastly, are you truly happy at this point in your life, and what would make you happier? I'm the happiest I've ever been. I've come along way and have done it all. I started at 14 yrs old and I'm 26 yrs old now. I've done so much in my career weather I get credit for it or not I've done more than most and successfully. Your favorite model, if it's not me, of course *Laughs* promise you has seen that Chris Brown video "Yoo excuse me miss" or Fabolous "Breathe" or The first Issue of SHOW magazine and thought to herself damn she's dope I wanna do that too. I was in Rocawear, Tommy Hillfiger campaign ad's, commercials, billboards, movies, TV , Official spoke model, etc, making my way on my own from a young age. I put out two books within a year and two great singles. I have so much to be happy and grateful for. I'm blessed healthy and I'm a mother to an amazing little boy named King. I'm still here. I'm not going anywhere. I'm happy the world is going to get used to me *Laughs

What are the ups and downs of being in reality television?

It's great being on TV, you get to show the world who you are and you get to share your story. I think it can be more than just entertainment. People can learn through you. Who knows how many other millions of people are going through what you're showing the world on national TV, you never know who you're touching. A negative of course would be the ignorant and close-minded people judging you. At the end of the day, no one wants to be victim of that although it doesn't move me I do wish sometimes people will others a chance and not automatically judge or assume. Hear their story first.

Where would you like to see your career go from here?

I've always been an entertainer. I want to be able to entertain people. My real passion is acting. I would love to take things to the next level and one-day see myself in a movie.

How is your relationship with Erica different from your last relationship?

Other than the fact that Erica is a female and my last relationship was with a man... I'm super comfortable and even more confident with myself. Erica gives love a different meaning. Maybe because she's a female and we understand each other more. We have SO much in common which brings us even closer.

What have you learned so far about the business of entertainment that you can pass on to aspiring talent?

I've learned that this business is NOT easy. I don't recommend it to the weak. You've got to have more than just "talent". You've got have tough skin and an even tougher mind. I learned that people are always going to talk. But I walk with my head high and my middle finger higher. I stay focused and do what I HAVE to do. Don't let the negative words from outsiders distract you.

What's the end game for you? Do you want to be a career model?

To have my own brand in the business market and be a roll model for women in all aspects of life.

What, in your opinion, makes you a fan favorite?

My physical attributes alongside my realness if you will.

What have you learned in this business?

It's not as easy as many believe but it has its perks.

How would you define your sexiness?

I can't even answer that lol.

What is your favorite body part and why?

My eyes because that is the window of my soul. Eyes can tell a persons story.

You pretty much had no problem showing off your body. Have you always been this comfortable with yourself?

No growing up I never did until recent years and loosing some self-consciousness I learned to embrace my beauty for what it is.

Hey my name is Alexia AKA LexBunnyy.
I was born in Costa Rica, raised in west LA. When I was younger dance was my passion. I was on a competitive team for many years traveling and winning 1st place almost every time. I became interested in modeling a few years ago and it's become something I love doing and it came so natural. Being able to incorporate my flexibility and alter ego from being a dancer makes it easy to bring the sexy passionate and onfident bunny out in pictures. I've also had the pleasure of being in a few videos, most recent being Eric Bellinger's video for his hits Nude and ASAP. I'm blessed to have the opportunities I have and am always thankful to the man above. Xoxo Bunny ;)

What is your ethnicity?

I'm Costa Rican with a hint of Nicaraguan.

What is your favorite body part on you?

My legs. I used to hate them as a kid but now I embrace them. Petite yet strong and well proportioned.

What attracts you to a man?

I love a mysterious man with a sense of humor. A man that can take my feistiness yet put me in my place when needed and a man that knows what he wants.

What turns you on?

Oh man lol a few things turn me on but that's only for my man to know ;)

What are your measurements?

34/25/36 I'm a petite woman with curves and 100% natural from head to toe ;)

Where can we find you?

You can find me on twitter and Instagram @LexBunnyy.

Her popularity, fan base and influence are growing exponentially by way of online blogs and social media forums. Her looks and skill-set are marketable to many demographics. With youth and vibrancy on her side, Nisey Kamai has a lot more in store for the near future. This is just the beginning.

Nisey Kamai (Ka-ma-i)

How old are you?

Twenty-three

How tall are you?

5'8"

What are your measurements?

34DDD-25-38

Where were you born?

Washington, DC, but these days you can find me in NYC, Jersey, PA or DC.

Do you have any secret weaknesses or guilty pleasures?

I love being kissed on the side of my neck by a handsome man. Mmmm...

What type of experience should a man expect being with Nisey Kamai?

Ha, to be surprised with sexual encounters, relaxed by massages and fed with home cooked meals. I'm all about pleasing; it turns me on.

What's your biggest turn on?

There's something about a man's up keep and eyes that gets me all wet.

What's one thing about yourself that everyone should know?

I'm actually a nice person! Don't get caught up in my facial expression or the rumors.

Nisey Kamai

What do guys compliment you most on?

My eyes are very hypnotizing. It's a plus to pair with my face, personality and body.

What is your favorite asset?

My ass. I love bouncing it! It's the perfect size for my body and very soft. Did I mention it's natural?!

Do you think a woman knows if she's going to have sex with a man the moment she sees him?

A woman knows within the first minute whether she's going to give it up. I can read my type of guy instantly.

Do you like girls?

I'm playful when it comes to women. (giggles and then proceeds with a smirk) Meaning, I like to look, touch and cross the straight line when I feel like it.

Who is your female celeb crush?

Oh barbz, how I love that million dollar Nicki Minaj (smiles) She's so banging and sassy! Her body is incredible. You gotta admit she's super sexy when she talks that talk!!!

What is your secret fantasy?

Sex on the beach with whoever "him" may be (pauses) and an exotic beauty. (grins) Preferably at sunset from the sand to the ocean. Water splashing all over our bodies as we maneuver in the water... Sounds like sexy fun!

Do you think foreplay is necessary?

Foreplay is always necessary unless you're just ready to get it on. You have to tease your mind; bring the heat from within your body for the ultimate experience.

What makes you unique from other models?

By far, my look. Yes, I'm a voluptuous woman, but I have a versatile look. In every picture I look like a completely different person without trying. People ask me all the time, are you this, are you that... I'm rarely seen as just African American even after I tell people I'm 100% African American.

Hi my name is Kia Chanel. I was born in LA and raised in Las Vegas, but now I'm back in LA to pursue my modeling and acting career. I'm 19 and new to the game, but learning very fast. SHOW is my very first magazine and I'm BEYOND excited, so with that being said I just want to thank Sean Cummings for the opportunity. I've been in Pusha T , Kid Ink and Chris Brown's videos , so keep an eye out ;) . I'm very sweet and approachable so if you ever see me around don't be afraid to say hi!

What things do you enjoy?

I LOVE the beach , paintball shooting , water sports, listening to music, shopping ,writing, reading , really anything lol I'm a go with the flow type of person.

Are you single?

Yes. I'm not really looking though . Hopefully it'll eventually just come to me because I'm definitely not the "dating" type .

What do you look for in a man?

Mmm, I like a man that's smart , funny, focused, affectionate, and family oriented . A guy that's really deep , you have to be able to stimulate my mind if you have any plans on stimulating any other places on my body lol . Oh ! And he has to be TALL I'm 5'10" and I love wearing tall heels !

Do you have any obsessions?

YES ! I'm a Victoria's Secret junky , Roscoe's, In N Out , lotion , and Drake lol .

Future goals

I'm a woman with huge dreams so my main goal is to become a Victoria's Secret Angel. I know that consists of a lot of hard work and determination but this is something I'm extremely passionate about . I've always said if I could choose between a wedding ring and some Victoria's Secret angel wings, it would hands down be the wings . I also want to explore the acting world and see how far I can go in that since it's something I've always enjoyed. I really just want to do everything, I think this is the perfect industry to find different things to fall in love with so I'm going to do everything I can behind and in front of the camera.

Best assets ?

I personally think I have a nice personality , I'm a bit of a people pleaser so I'm always out to make others happy , but I know I can't please everyone. Physically I love my eyes, boobs , lips and legs :)

Do you have any hidden talents ?

A lot of people don't know this about me but I'm in LOVE with writing . I've been writing short stories since I was in the 6th grade , so maybe one day I'll be able to share those with everyone.

I dropped my mixtape sweet 16 in March.
I'm working on a new project coming this winter self titled "Wankaego". I just launched my make up line "Wankaego Cosmetics"

What do you look for in a guy/what's your type?

I love guys that have a good sense of humor and can make me laugh. Honestly, Loyalty, and being trustworthy are some of the qualities I look for in a man.

How can a guy get your attention?

The only way a guy could get my attention is be being persistent on trying to take me out, because I blow a lot of men off because they are always chasing after me!

What turns you on?

Full body massages

What makes you stand out?

My ink, my assets, and my cute mug

Describe yourself in one word?

Dedicated

What drew you to work in alternative modeling?

I started off as a MUA behind the scenes, then a few of my photographers convinced me to get in front of the camera and it was history from there.

What's your favorite tattoo and why?

My favorite piece is a tat I have on my forearm of Marlin Monroe with a half skull face. I just love it because it was done so well.

What would you say is your best feature?

My rear end, lol

If you weren't doing what you're doing now, what would you like to do?

I do everything! I model, I do music, acting, have my product line. There is nothing else I could possibly dream for.
