At first glance, it's easy to mistakenly think the beauty is Spanish, but she's actually Arab and Black. The former gene pool can be easily seen in her assets with her butter pecan complexion and 34-25-40 measurements.

Omni originally hails from Oakland, CA. but migrated to the dirty south and eventually found a career in modeling. She has taken the video world by storm, featured & starring in top videos with such artists as Rick Ross, Lil Wayne, T.I., B.O.B., Akon, Future, Yo-Gotti, Ludacris, and the list goes on.

This mixed Middle Eastern and curvaceous beauty stirred up controversy recently on Love and Hip-Hop as lead cast member Drew's love interest. You can keep up with this beauty on IG: @iloveOmni

ello everyone!

My name is Kara. Some may recognize me from when I was on the cover of SHOW Magazine's Black Lingerie 5 issue. It has been a long time since then. My spread in this issue is more sexy and mature... And also has way more skin :-). I felt more comfortable since I now have way more experience in front of the camera. I had such a great time shooting with Sean. I think we create magic together and work so well as a team. I hope you all enjoy this issue as much as I did shooting it.

In life we're given a canvas, our bodies. To choose what you want to do with it and make it epic. I chose to paint my life in my skin with my tattoos and piercings. It's a timeline of my life the way I portray it. Most will never know the true meaning and what I was going through to influence my art. And that is the sexiest thing about tattoos. They're my public secrets. When I see a woman with tattoos that tell a story I can't help but get sucked in by the mystery of the story behind the ink. It's important to me to dress up and play with my skin as an expression of who I am and what I want to show and bring into the world. I love my skin and my body I was given and I am happy to showcase my art.

H

ey everyone, Its your girl Kari Novelli and it's great feeling to be apart of SHOW Magazine. Since its my first appearance, it is only right to give you readers some juicy background on me and allow you to get to know me a little better.

I am from Washington, DC area, and still can't bare to leave my city well just not yet. I'm 24 years old and living life to the fullest. I come from a mixed background, as my mother is black and my father is Italian, so it's safe to say I am a lot to handle. You may have seem me grace the pages of Playboys; The Smoking Jacket, Straight Stuntin, and coming soon to BlackMen's Magazine. But don't worry it wont stop there.

I don't have a lot of time on my hands while working full-time at an accounting firm and finishing school, so I can achieve my CPA and accomplish my real dream. I know most girls dream of modeling as a career, but for me it was more of a way out. I was able to show myself in a different way and be more then just a girl behind the desk. Modeling help me find myself and let me do things I thought I could have never done before.

To keep it short and sweet, I hope you enjoyed what you have seen today in Show Magazine and don't worry your girl ain't going anywhere. My point being is 2014 isn't ready for what is about to come. Sit back and relax, this is only the beginning of Kari Novelli. See you guys soon!

H

ey everyone! I'm Mehgan James I'm 23 and I like to have sex (laughs) . Just kidding! I'll keep it G rated. I'm currently a television personality on the infamous series " Bad Girls Club" in which I've completed 3 seasons with the network. I also have a BA in Public Relations and a minor in business.

I think is sexy to be smart, so I don't hide it. My favorite color lingerie is black because I feel like it's mysterious. I have a very witty/sarcastic sense of humor and I feel that it's important to invest in your self. My future goals are to become an actress, own a few restaurants and make "Mehgan James " a household name. Shooting with SHOW was an amazing experience. SHOW will be the first magazine that I've been published in and lucky for me , I've had the opportunity to grace the cover of Issue 27.

What do you look for in a man?

I must admit I'm very materialistic. You have to have nice teeth and nice shoes lol. I like very clean cut guys, not to metro though. And Of course I look for guys who are ambitious and have goals.

What's the hardest part about being on reality TV?

You have absolutely no privacy. Everyone thinks they know you but they don't understand how production works. You have to learn to ignore the negativity. And I'm recognized everywhere I go. Lol, no late night creeping for my ass.

What's up next for you?

I spend most of my time resigning items for my clothing line " the A-List" .I'm currently working on several Television projects.

The craziest place you've had sex?

AHhH.... It would have to be in a mall dressing room! I'm Very spontaneous and fun! It's good to keep things interesting.

L

am a Texas made girl currently living in Dallas. My sign is Leo. Most people that know me know I'm very chill, laid back, and goofy as hell! I am somewhat shy if I'm just meeting someone for the first time, but I love to laugh and have a good time. I tend to see myself more as a tomboy then a sex symbol, but it's always fun to play the sexy, seductive roles in videos or in front of the camera taking pictures.

I love to travel and I'm a big dog lover. I am currently a full time student and getting my degree as a Cardiac Sonographer Tech. I also work full time and in addition, I'm pursuing a modeling career. Being lazy is not a factor in my life. I do plan on finishing school while I focus on being a model.

Something that guys wouldn't expect in a relationship with me is that I'm a big pleaser.... I love keeping it exciting in the bedroom letting the person I'm with have their way with me and do some role-playing. I feel you should always keep it fun and kinky. So I'm far from a pillow princess.

I was honored to have the opportunity to shoot with SHOW Magazine. I'm usually nervous when working with new people but everyone from the makeup artist to the photographer and models made me feel comfortable. The entire experience was great. Sean was great to work with and very professional. I look forward to working with Sean Cummings and SHOW Magazine again in the future. Booking information young.aniya@yahoo.com Instagram @AniyaYoung

Angelica Mills

H

ey there my name is Angelica Mills my friends call me Geli or Gelz. I am from Denver Colorado but I now live in Atlanta Ga. I am a Libra, which describes me to the T! I'm fun, unpredictable, indecisive and sometimes I display an unexpected unique sexual side. Besides urban modeling I also work as a spokes-model for a couple virgin hair companies. In my spare time I am all over the place. I love to be somewhere no one knows where I am. I like it even better when I have a sexy, sensual and intellectual companion to accompany me. I am an adrenaline junky, if it's anything crazy or spontaneous count me in! With that being said, thank you Sean Cummings for giving me a platform to introduce myself. Lets get to the questions!

What's something that you like to do in private?

When I'm at home I like to wear men's clothing, lol, such as boxers, t-shirts or basketball shorts

What is one thing you cant live without?

That's simple, FOOD! Food is my weakness and my sense of motivation at the same damn time.

What makes you stand out physically, in your opinion?

I would say my skin tone. You can't go wrong with a caramel complexion. My boobies as well. I tend to wear provocative clothing to show them off.

Favorite thing about a man?

The fact that I can act like a baby and get treated like a princess without feeling childish or anything less than the independent woman that I am. Sometimes it's nice to just sit back and let someone take the wheel for a change.

What's your favorite thing physically on a man?

As much as I love a sexy body a fresh fade or taper Mmm... I would have to say his hands. A nice full body rub down will get me right at anytime.

What would you say that makes you different from other women?

I am a silent killer. Most women tend to run their mouths and speak just for the hell of it. The loudest one in the room is usually the most foolish; a wise man holds his tongue and lets others do the talking.

Where can we check in on you for updates?

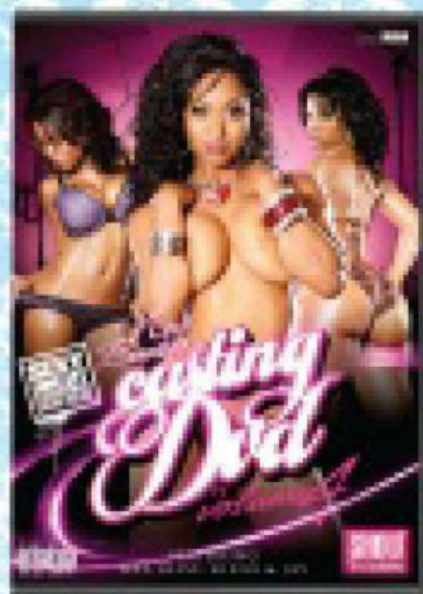

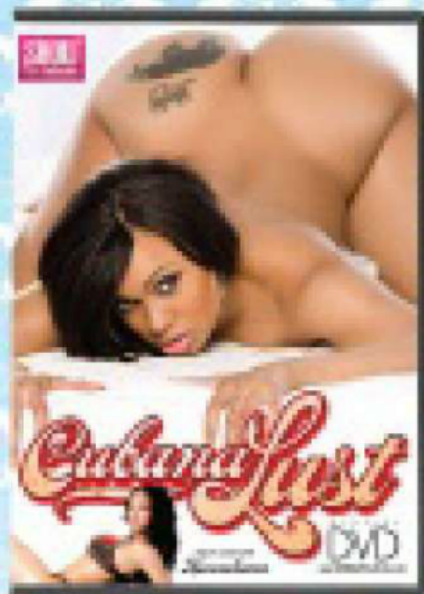

@msangelicamillz and Google "Angelica Mills Model" for any articles or pictures that I don't put on social networks.

"You can't go wrong with
a caramel complexion."

H

ello, my name is Nichelle and I'm an Actress and Model from Los Angeles, California, but I grew up in Long Beach, CA. I graduated from Cal State University, Northridge and run my own small business. I've had several small roles on television/Film, which include Dance Flick, Lincoln Heights, MTV's worst prom Ever and more. I have also appeared in major music videos such as Wale ft J. Cole - Bad Girls Club, Travis Porter - Bring It Back, Wiz Kalifah ft Too Short - On My Level, Day 26 - So Good, Russell Brand - Get Him To The Greek, NeYo - Champagne Life, Lloyd ft Cent - Let's Get It In, Wiz Khalifa - Black and Yellow Remix, E40 - You Can't Stop The Boss and more! I have also been featured in Straight Stuntin Magazine, Wheels Magazine, Girls of Lowrider, SHOW Magazine, King Magazine Web Girl of the Week, XXL Web Candy of the Week and more. I am really passionate about what I do because it is something that I enjoy.

This is only the beginning of my career and I feel that you all would be seeing more of me. I am very caring and very dedicated. I love to travel and see the world, but most important of all I love to laugh and spread positivity. Having a great time and creating memories is something I am always looking forward to doing.

Let's start with the Basics, what are your measurements?

I'm 5'5 and my measurements are 36-26-43 all me. Very athletic, curvy and petite.

What's your favorite body part and why?

I would honestly have to say my eyes. My eyes will tell you if I want you, if I'm upset, if I'm happy and more. People are usually drawn to them and they have even been called Bedroom Eyes.

What's your favorite body part on a man?

Anyone who knows me, will tell you I love a nice pair of muscular arms. I'm not sure if I see arms first and then everything else or face first and then arms, but I love them. A man can do so much with them; especially get down and dirty with them.

What is your biggest turn on?

I love a man who is confident with any and everything even if he isn't that sure on how to do it. I'm attracted to a man who knows he's boss even if he really isn't the boss. The smell of confidence on a man is the sexiest cologne a man could wear.

What is your biggest turn off?

Men, who talk too much and who do not pay me attention openly. By that I mean the guys who like to lurk or stalk all of my socials, but forget to actually SHOW me that he is giving me all of his attention. Talking is a woman's thing and some men just do not know when to give it a rest.

Lights on or off?

Lights on, I'm confident and comfortable in my own skin! I prefer to put on a SHOW for mine and enjoy it. So, I would want him to see everything and I'd love to see that big smile I would put on his face.

How open are you when it comes to pleasing your man?

I am very open to pleasing my man! I like to have fun and I also love to see the reaction of my man when I try something crazy. If he makes me happy, I'll make him even happier.

What can a man do to get your attention?

Let me know that you are interested! I don't read minds, I don't take hints and I really don't approach men that often because I'm usually focused on other things. Also, if you approach me about business, keep it that way!

Any last words?

Yes! This will be my first official appearance in SHOW Magazine and this will also be my very first magazine cover. I feel very honored to be apart of a movement and I'm extremely excited for what's to come. I would like to send a special shout out to Sean Cummings, the CEO/Publisher of SHOW Magazine and to all of my fans!

TV: New Girl, Dexter and Burn Notice

Turn on: A clean cut man, always a gentleman that can dress well. Not always in a suit but a nice button up with some slacks with Nice dress shoes. A man that can cook

Turn offs: burping out loud in public. A man that is always in t-shirts and jeans.

Who or what inspired you to become a model?

I always said I was going to be a model back in grade school but once I got my foot in the door into acting, I knew I had a passion for acting.

What do you think is the biggest stereotype about models?

Everyone thinks they're models after one photo shoot. Modeling is more then taking pictures and being in a music video. Modeling is a art.

Do you consider yourself a homebody or the life of the party?

I'm def a homebody. You will never see me in the club scene unless it's for a red carpet event or networking purposes.

What do you think is better, being good or bad?

Good is better. Men love bad girls but bring good girls home.

Why?

When do you feel the sexiest?

When I wear the highest heels in my closet

You & your significant other are getting steamy what song is playing on your iPod?

I never play music but if I did it would be The Weeknd

What is the sexiest thing you've ever done for a partner?

Well I'm more of the man in the relationship. I light a bunch of candles with rose peddles everywhere. I cooked dinner (a lot of women don't know how to cook either) with a full body massage. I'm very romantic. Not a lot of guys are romantic in this generation.

After a long day, what do you do to relax?

Lay in my bed with the TV on scrolling the Internet

Aside from modeling what else do you do?

I would consider my self an Actress. I actually just filmed the television show new girl on fox What's next for you? I am going on many auditions so I will land that breakout role soon, so look out Hollywood

Describe yourself
I'm humorous, creative, compassionate and the life of the party.

How long have you been modeling?
I have been modeling for 10 months now.

What are your best two features?
I think my best features are my light brown eyes and my natural but.

What is your favorite place to be kissed?
I love to be kissed on my neck and on my breast, it makes me feel hot.

How can a guy get my attention?
It's not easy to get my attention; guys come with the corniest lines. He must be respectful and humorous with his approach. I love to laugh; if he can make me laugh he will have my attention all the way.

What type of experience should a man expect being with Larae James?
He can expect an experience of a lifetime. I love to treat my man like a king serving him a hot meal, giving him a back rub and love making where ever.

When it comes to sex does size really matter?
When it comes to sex size doesn't matter when you love someone, but if he's a cuddy buddy then he needs to have a big piece.

What do you hope to accomplish?

My ultimate goal is to be successful.

I want to have my own little girl's jean line. I also want to direct my own reality SHOW. In ten years I want my businesses to be able to speak for themselves. With my success I want to help the unfortunate.

"I love to be kissed
on my neck."

W

ell, well, well....we meet again my SHOW Magazine lovers & friends! It's been a year since I was first welcomed into the SHOW family in Black Lingerie 17, and this year I'm so excited to be an official SHOW cover girl!

So many awesome things have happened since I was last in SHOW. I can't thank editor Sean Cummings enough for his support of my career since we've first started working together.

Over the past year, I've travelled internationally & have appeared multiple times on Istanbul television show A9TV, performed with a burlesque dance troupe in Hong Kong, & got to work in the Philippines with their top celebrity photographer, Xander Angeles, which led to a full feature in FHM Philippines January 2014!

Nationwide, you may have seen me in Rick Ross ft. Meek Mill "Believe It" music video acting out next to Machine Gun Kelly, or dancing in B.o.B. ft. TI & Juicy J "We Still in This B*tch" music video. This was my second time working with Juicy J since we did "I'm Ballin'", and he's definitely one of my favorite artists on set. I was also proud to represent world famous radio station KROQ as the Kevin & Bean shows Miss Double D-cember 2013.

As if my life wasn't crazy-busy enough, I've launched a couple projects that revolve around my love of food. One being a sexy novelty cookbook, called Mother's Milk. As you can guess, the primary reason I authored this with my partners was for nursing moms who utilize their extra breastmilk in cooking. But I had to put my own spin on it. Inside the glossy pages I've featured the industry's hottest models posing with the recipes & their beautiful *ahem* milk jugs. The names of the recipes are all hilarious too. Motorboating Muffins & Lactating Lasagna to name a few. It's the perfect gift for baby showers or just a gag gift for friends who love boobies. We were featured on KROQ, the news, & multiple online blogs which all praised the idea. Dr. Drew Pinsky even personally told me he loved the whole concept & shared authoring advice.

My other foodie-project is a food blog called FastFoodPorn.com. As you can probably guess, in addition to a write up on the fast food items, there are a dozen hot chicks devouring the food from start to finish (the full galleries are high quality, and available to download ;)). We've started with national chains, now we're looking for local eats to feature.

My website www.ilovelux.com has undergone some great changes. The intro page video is being redone, we've got sexier scenes, more motorcycle stunts done by yours truly, and completely different yet amazing locations. I'm always trying to step up, improve my brand, and set the bar higher for other models/entertainers.

You can find me on Facebook, Twitter, Instagram, & YouTube. Full travel schedule to see if I'm visiting your city soon will be on ilovelux.com!
