Coco

Hey Guys its Coco, and for those of you who are not familiar with me I've been modeling for 17 years. I became popular when the internet had just became a way of life for people while doing my fitness, glamour and body modeling in the early 2000's in which I have been on the cover of over 50 magazines with the most popular one to date being the Smooth Magazine cover with me doing the famous "Coco" pose. I'm also known for working with Hugh Hefner back in the day at the Playboy mansion and for being married to my loving husband of 14yrs, Ice T, a lot of you know both of us from our hit reality show that aired on E! "Ice Loves Coco."

For booking please send all emails to cocosmailbox@gmail.com.

IT'S BEEN A MINUTE SINCE YOUR BLACK LINGERIE 9 COVER. HOW ARE YOU AND HOW HAVE YOU BEEN?

Yes, I did the Show Mag Black Lingerie 9 cover in 2010 and a lot has definitely taken place. But I've been doing well and just really busy. Since then I've done my reality show "Ice Loves Coco" as I mentioned previously which lasted for 3 successful seasons and then I went on to do a burlesque dance show in Vegas called "PeepShow" I stepped in when Holly Madison went on paternity leave and did the show for 10 whole months.

TELL US ABOUT VEGAS AND THE HOW YOU WERE DOING THERE.

I was in Vegas for 10 months doing Peepshow where I played little Bo peep a shy and timid character, the show took place at Planet Hollywood. I lived in planet Hollywood and it was awesome, the people were so nice, the restaurants were fabulous and they even had a mall where I shopped frequently it was like having my own little Coco's World. I got to work with great and talented dancers/singers whom I've made lifetime friends with and it literally got me into the best shape of my life. I was only supposed to do peep show for 3 months but the show was so great that we kept extending the contract and I ended up in Vegas for 10 months.

WHAT WAS THE MOST REWARDING ASPECT OF THE EXPERIENCE?

As I mentioned previously, I got into the best shape of my life, my abs were ripped like never before. I was dancing 6 nights a week so my body was in tiptop shape. I've been a dancer since I was a little girl so I got to show my talent to people who didn't really know I had those skills. I mean the reviews were amazing, we won best topless show in Vegas and I won best headliner.

WE NOTICED YOU HAVE YOUR OWN APP. TELL US MORE ABOUT THAT.

Yes, I have a Fitness App it's called "Coco's Workout World" which is available on iTunes and can be found on all apple products and my fitness App is about helping you build a body and a booty. My App incorporates body building, dance moves and stretching, the exact routine I personally do when at the gym, at home and I may show you how to "TWERK" LOL.

Coco

HOW HAS SOCIAL MEDIA IMPACTED YOUR MODELING CAREER?

Well social media is a really good thing because it lets me connect with my fans personally. Whenever I get a moment I try to answer my fans back directly. I mean I've always been the internet Queen, I'm addicted to taking pictures and I consider social media a way to show my fans what's taking place in my everyday life so it's like my own little Cocosworld reality show. My website Cocosworld back in the day when social media wasn't really that big got millions of visitors to the site daily. So I've always been on top of my game but with social networks like twitter, Facebook and instagram it helps me connect with the new coco fans and keeps my old coco fans up to date with what's going on in Coco's world. Combined all together I have about 10 millions followers on all my social networks. I'm really thankful for the support that I've received all these years from my fans and thankful for all the new coco fans that have come along. You can find out everything about me by visiting (cocosworld.com).

WHAT NEW PROJECTS ARE YOU CURRENTLY WORKING ON?

Well as mentioned previously, I have my fitness App "Coco's Workout World," I have an eyewear line out the "Coco Licious" collection. I have teamed up with California Exotics, which is the world's largest adult toy company to create my own line of pleasure products also called "Coco Licious" in which I release a new collection every season, currently we have small items that are made to conceal in your purse, like lip sticks, finger rings, makeup mirrors, which are actual pleasure products but they don't look like the average toy that people are used to seeing. I also debuted my very own Burlesque/Dance show in NYC called "Coco & The Vanity Vixens" being that Peepshow did so well out in Vegas I wanted to bring something like that to NYC being that there's not really an off Broadway show that focuses on Burlesque here. The Vanity Vixens was created by Kellen Stancil and with the help of Paula Castleton, a great friend who I worked with in Peepshow and myself we were able to bring this amazing show to life.

HOW'S ICE? HOW IS IT LIVING IN NEW YORK CITY?

Ice is great! We're currently on tour at the moment as Ice just released his new album "Manslaughter" with his metal band Body Count that can be found on iTunes and sold in record stores everywhere. Ice is still working on Law and Order SVU and they are going into their 16th season, so we are doing great and more exciting projects are continuously developing in which we can't currently speak about. NYC life is really cool, fast pace, good food and never sleeps, love it.

Coco

"A lot of people don't believe women my age can still pull it off and I'm breaking that barrier."

Coco

ARE CHILDREN IN YOUR NEAR FUTURE?

Yes, children are in my future. I always said that I wanted to complete most of my goals in life before I started to have children and I always wanted to wait until around the age of 35 so now I can actually say I'm ready. Ice is down to make it happen whenever I'm ready, so you can expect a little one very soon.

YOU ARE A MODELING ICON. WHAT ARE SOME OF THE NEW MODELS YOU SEE STEPPING INTO YOUR SHOES IN THE FUTURE?

I really don't pay attention to other models, not meaning that in a bad way but I just really focus on myself. But I wish all those that are coming up much success.

HOW MUCH LONGER DO YOU PLAN ON DOING GLAMOUR MODELING, AND WILL YOU BE TRANSITIONING INTO SOMETHING ELSE LIKE FITNESS, ETC?

I'm 35 years old and still have a fit body so hey if the money is right I'm always down to shoot with a reputable magazine or for a cool project, I mean, if you still got it why not make it work for you. A lot of people don't believe women my age can still pull it off and I'm breaking that barrier. However, I have moved on to the fashion world and I started my clothing line "Licious" which is designed for woman with curves, (liciousclothing.com) that's another reason why I got into fitness. Many may not know but I won the 1998 Miss Ujena contest in Puerto Vallarta Mexico when I was 18 so I've kind of always been in the fitness world and now I have my fitness app.

SO MANY MODELS LOOK UP TO YOU. ANY WORDS OF ADVICE ABOUT THE BUSINESS OF MODELING?

Number #1 one is don't think you're going to make a lot of money right away it takes years to develop your resume to start making the big bucks. I also recommend you take small time modeling jobs to get experience. I have to say it's really hard today to make money in glamour modeling because everybody has a website nowadays. So my advice would be to do it as a hobby until it turns into something big for you.

Phoenix

I began this journey through a lifelong desire to become self-made through my body, my art and my dance. I was raised in west coast Canada, up and left everything to start a new life in the east coast TDOT, following my dreams of visual and performing arts. I'm a lover and a fighter, a combination of being a street-smart Israeli girl with ride or die instincts.

I am an artist and WAS a professional dancer for several years, but never conformed to that thin prima-donna body or attitude. I was always 'that girl' with the big ass, no filter that made everyone laugh yet everyone feared. I believe every lesson is a blessing! I know what it is to have everything... yet I also know how it is to have nothing, so I value every opportunity to the fullest. I use my mind and artistic blood to empower others; I use my body to emulate the natural Seduction of a woman's curves. I believe in being self-made and that anyone can build an empire from nothing, many have slipped through the cracks and grown from the dirt that was once kicked upon them. I'm a cancer which is a water sign, a tough shell to break but easily adaptable once open.

How did I end up here in this shoot? I'd say taboo instincts and a rebirth of sexiness and sultriness provoked me. I love the display of raw voluptuous curves, a shape that was once praised as goddesses before the days of twiggy and fashion runways. I want to bring back the sensuality of women who are most frowned upon, most feared...but most desired ;)

My background is Israeli and Polish, but I was born and raised in the "little Detroit of Canada," west coast inner city of Edmonton, Alberta. In 2005 I migrated to East coast TORONTO, with a hunger to become self made and successful. I saw a world of opportunity in my new move that a lot of people I grew up with never had the chance to experience. Ever since then I've vowed to become self made through my dance, modeling, art and poetry which I am currently developing a website for, called #lifeofashowgirl ... Stay tuned ;)

DO YOU HAVE A LOT OF SEX?

Ironically NO lol, my lifestyle is so crazy and busy I usually leave the sex for palmela but I do watch a ridiculous amount of lesbian porn.

SINCE YOU'RE ISRAELI, DOESN'T THAT MAKE YOU JEWISH? AREN'T ALL JEWISH PEOPLE RICH?

Yes I am of Jewish bloodlines, but I don't follow the religion. Not all Jews are rich lol but we do know how to make money ;)

WHAT GOT YOU INTO THE ENTERTAINMENT BUSINESS?

For me, I started off as a young bad ass just trying to survive in the inner city of my hometown, my dance, poetry and drawing was my artistic salvation...so finding another form of artistic expression (although on the erotic side) felt natural to me. This business paid for 5 years of university, I'm not just a pretty face;)

OUT OF ALL YOUR TATTOOS, WHICH WAS THE MOST PAINFUL?

MY ASS!!! Had no clue how many nerves are contained in your butt cheeks! My ass was literally twerking on its own through the whole tattoo session -_-

WHAT ARE YOUR GOALS OUT OF THIS INDUSTRY?

My goal is to come out as my own brand, and have a yoga/holistic nutrition and pole-dancing studio, where I can showcase my art as well. I am self-made; everything has been built off of hard work through my blood, sweat and tears. A successful empire is not built without struggle ;)

Allie Verseau

My name is Allie Verseau! (Pronounced ver.so) I am from Dallas, TX!

WHAT MADE YOU WANT TO BE A PROFESSIONAL MODEL?

I love all things to do with beauty and glamour; including hair, makeup, and fashion! A photo shoot is taking all of my favorite things and putting them together!

WHAT KIND OF MEN ARE YOU ATTRACTED TO?

I do not really have a physical type. No, honestly I don't. What REALLY gets me going is a man that works hard and strives to be successful. Intelligence and the drive for success trumps looks any day of the week, for me.

DO YOU LIKE WOMEN?

I love women! Honestly, who doesn't? They are beautiful! The female body is so much more visually pleasing than a man's; it just is!

WHAT DO YOU DO TO TAKE CARE OF YOUR BODY TO BE CAMERA READY?

Well, what a lot of people don't understand is the hard work and dedication that it takes to look presentable at all times. That in itself is a full time job! It is non-stop between hair, skin, nails, tanning, working out, eating healthy, etc. I have definitely grown to appreciate the super attractive people since I have been modeling because I have a better understanding of all that goes into it!

WHAT IS YOUR GOAL IN LIFE?

I have very high standards and expectations for my life and myself. I want to be financially free. That to me doesn't mean "comfortable". What it means to me is having so much money that I can do whatever I want, whenever I want. You only live once and the only way to live completely free is to be completely financially free.

Brianna

Hello :) My name is Brianna. I live in Los Angeles. I'm new to modeling and so happy to be featured in Show magazine! Being on set with Sean Cummings and his glam squad was such a great experience. I had so much fun and loved being able to meet and work with creative people and help turn ideas into reality.

DESCRIBE YOURSELF IN 3 WORDS:

Young, Sexy, Ambitious. Even though I am in my 20's, I accomplished a lot and I have a strong desire to do more positive things with my life and go places. It does help that I look cute while doing it too.

WHAT IS YOUR SEXIEST FEATURE AND WHY?

My smile and my legs! My smile is sincere and if you see me smiling you know I'm happy. My legs are soft yet strong, tanned, and toned. You would have to feel it to know what I'm talking about lol.

WHAT'S YOUR FAVORITE PART ON A MAN?

I love a man that's generous, loyal, kind, ambitious, and hard working. I appreciate a good man that leads, who hustles hard and takes care of business! I don't get too caught up in a man's look because that can change over time. His heart and mind has got to be right first.

WHO IS YOUR FEMALE CELEBRITY CRUSH?

Rihanna. I love her style, attitude, and her body. She achieved so much at such a young age and she's always looking so damn fly everywhere she goes. It's hard not to admire that girl. She's amazing!

WHERE DO YOU SEE YOURSELF IN 5 YEARS?

I vision myself doing more modeling features in magazines and television. I would also like to do more international traveling, get involved in business ventures, and invest in real estate. I see myself becoming a millionaire in 5 years.

Cheesy

Cheesy, Also known as Alexandria Rose & is 25 years old, with measurements 32F-28-42, is becoming one of the few Urban Models in Los Angeles making a name for herself. Not only does Cheesy model, she is perusing her Degree in English. Cheesy has also been working in the music industry as an A&R for 10 years. She has worked with numerous Music labels & Artist like Pushaz Inc (YG, Dj Mustard, TY\$) and Detail (from Richgang/Young Money & wrote drunk in love) to Name a few. Growing up with a father that's a Professional Musician, she's musically inclined playing Trumpet and guitar ranging from genres anywhere from Jazz to Classical, but as you can see... Daddy's little girl is all grown up.

WHAT'S A DAY IN THE LIFE OF CHEESY LOOK LIKE?

Wow... My day starts at 6:00am. I go running for 5 miles. I love getting hot and sweaty to motivate me for the day. I go to work for 8 hours. Squeezing in online Classes and staying on call for a studio session or any music industry work usually ending 4:00am.

URBAN MODELS AND RAPPERS ARE VERY CLOSELY RELATED, FROM GROUPIES TO VIDEO VIXENS ETC. HAVE YOU DEALT WITH ANY RAPPERS ON A PERSONAL LEVEL?

(Giggling) Yes I've dated two rappers, which I choose not to name. One I dated throughout high school until my second semester in College. The other one I dated for 3 years. Both relationships ended on good terms.

ARE YOU SINGLE NOW?

Of course I'm Single! I'm still waiting for MR. RIGHT to find me. Not rushing just looking for someone that will take his time with my body and Soul.

WHAT'S YOUR FAVORITE PASTIME?

Going swimming at the Standard Hotel, eating Strawberries and Pineapples dipped in whipped cream while sunbathing.... Lovely.

WHAT'S YOUR FAVORITE SPORTS CAR?

I am in love with the 1964 mustang convertibles. I love the muscle look! And it has to be in red. Something about this car just gets me all excited.

WHAT GETS CHEESY ALL EXCITED AND WORKED UP?

Nothing's wrong with making him chase for it, building that curiosity and wrestling until we both can't take it anymore. It gets aggressive where hair is pulled and we are just going at it nonstop.

WHY DO PEOPLE CALL YOU CHEESY?

Cheesy was a nickname given to me from my family. I just love Cheese. That shit is good on EVERYTHING!

Krista Monroe

Los Angeles born and raised Entertainer / Model, The Tall & Tattooed - Krista Monroe. Growing up participating in Beauty Pageants and winning various Crowns & Titles all over California & the Nation; Later advancing from the Pageant Stage - to the GoGo Box. Krista Monroe can be found rocking various Star-Studded Nightclubs, parties & events throughout the Hollywood / Los Angeles area."

WHAT ARE YOUR HOBBIES/PAST TIMES?

I'm SUCH a Cali girl, so of course I adore beach time. I'm in love with music, gotta have it 24/7 around me. Definitely. I get high on music! I love dancing, entertaining, making people smile. I enjoy girly-girl things, like being pampered. Shopping. Things like that. I adore a Great Laugh. I'm pretty Complicated, but I can be pretty Simple at the same time...

WHAT WERE YOU LIKE GROWING UP?

I've always been ultra Girly, but I think I was a little bit of a Late Blossomer. Because my parents threw braces on me, and I went through a "Tall & Awkward" phase, I definitely had a rough year or two growing up. But I always had a blast. Always active! Cheerleading, dance classes, Summer Camp, etc.... Anything FUN, I wanted to be a part of!

DESCRIBE YOUR PERFECT DATE:

I love having a Great time. Nothing worse than a "Debbie Downer" type of personality. So I can have a Great time no matter what I'm doing, as long as I'm comfortable. Of course I enjoy a nice evening Dinner & drinks, typical things - like late night Shopping, maybe dancing at a Club or Bar....

However, I can be perfectly happy staying at home, watching Horror movies, listening to The Weeknd, eating Pizza and smoking herb!

WHAT ARE YOUR TURN ONS? TURN OFFS?

I always get asked about "what exactly am I attracted too?" But I think that's so difficult to explain/answer. I think everything can have it's own type of Beauty. I hate Standards / Limitations / Expectations. I love Positive Vibes, if it "Feels Right" - I go for it.

As far as PHYSICAL TURN OFFS are concerned, Cigarette smoking is an ABSOLUTE DEAL BREAKER. Absolutely nothing in the world more Unattractive than a tobacco smoker!

WHERE DO YOU SEE YOURSELF IN 10 YEARS?

I look up to some AMAZINGLY inspirational women, like Betsey Johnson or Anastasia Beverly Hills... I definitely want to follow in the footsteps of the amazingly talented and creative shoes of the top Women of the Beauty and Fashion Industries!

I am currently in the very beginner phases of a new High End, quality Cosmetics line. I'm hoping to start the next Amazing makeup launch. However, I'm also hoping to dabble in a Jewelry and Accessories line; I'm hoping to see myself in charge of a very gorgeous, High quality Beauty corporation!

BRIEFLY DESCRIBE YOUR TATTOO COLLECTION:

I adore artwork. All types...! Body Art, Street Art, Canvas, Music, Culinary Art, etc....

My tattoo collection is just an extension of my Personality. I allow portions of who I am privately, to be showcased on the outside of my body. In essence, I think it's a very brave thing to do. I love beautiful, high-quality tattoos, I don't think I'll ever stop collecting them. I'm looking forward to getting in the prestigious chair of Roman Abrego, in the near future! Currently, I'm going to Pablo of Deadman Studio; Or some of the artists out of Electric Soul Tattoo in Lancaster, CA (Junior Garcia, T Massari, Evan Campbell) I am in love with my Colorful, Eccentric, Memory-Laden collection of Gorgeous artwork!

AGE/ SIGN: 23/ Cancer

CURRENTLY LIVING IN: Los Angeles, CA
HEIGHT: 5'5"
MEASUREMENTS: 32C- 22- 38
RACE: Puerto Rican and Haitian
TATTOOS: None :)

WHAT IS YOUR BEST FEATURE?

I really like all of me, but I get complimented most for my soft skin and pearly smile.

WHAT HAS BEEN YOUR BEST OR MOST FUN SHOOT?

I had a really great time shooting with a friend, Brian Flynn in Chicago. We did these amazing shoots with crazy lighting and glow in the dark body paint. I looked like a neon robot but in a really sexy way.

WHAT MODELS DO YOU ADMIRE?

I admire all the models that started from the bottom and made it to the top and still keep themselves relevant. If you play your cards right in this business you can have anything you desire.

WHAT ARE YOUR HOBBIES?

My very favorite things to do are travel and keep my phone off while I am gone. I also consider myself a bit of a foodie since I love to cook and try new cuisines and restaurants.

WHERE IS YOUR FAVORITE PLACE IN THE WORLD? AND WHERE DO YOU WANT TO VISIT?

I would have to say Rome, Italy has been my favorite so far, but I am looking forward to going to Japan a lot. I love everything I know about Japan and I really want to experience it all for myself.

HOW IS AN AVERAGE DAY IN YOUR LIFE?

On any given day I am probably at work at the office, but any time I am not at work, I may have a photo or video shoot, or club appearance. Sometimes it's two or three shoots or events in a day, but the busier I am the better!

YOU HAVE A DAY JOB?

I WORK FULL TIME AT A LAW FIRM. MY FIRST JOB WAS A RECEPTIONIST AT A FIRM IN CHICAGO, AND NOW I HAVE MOVED UP WITHIN THE LEGAL FIELD, AIMING TO GET A J.D. AND BECOME AN ATTORNEY ONE DAY, THEN I'LL BECOME A JUDGE.

WHERE DO YOU SEE YOURSELF IN 5 YEARS?

IN 2019 I SEE MYSELF AS AN ESTABLISHED PRINT MODEL, HOMEOWNER, BUSINESS OWNER, AND MAYBE EVEN MARRIED.

SO WHAT ARE YOU LOOKING FOR IN YOUR FUTURE HUSBAND?

I LIKE THE KIND OF MAN THAT COMMANDS ATTENTION BUT DOESN'T ASK FOR IT. THE KIND OF GUY THAT DOESN'T HAVE TO SPEAK BUT ANYTHING HE DOES SAY IS WORTH LISTENING TO. I LIKE MEN THAT ARE TALL DARK AND HANDSOME, EDUCATED, RELIABLE, AND FUNNY.

SHOW

Madison Sosa

Hey readers, my name is Madison Sosa. I am Mexican/American with an exotic look. A lot of people think I am of a middle-eastern nationality or Persian descent! I am from the Bay Area, San Jose CA. I stand 5'3 with measurements of 34,24, and 39. I love my curves and I love flaunting them in the tightest clothes possible. I can be pretty shy at first, but once you get to know me, get ready for my fun and crazy side! I have been featured in a few music videos with artists such as E-40, Y.G, Travis Porter, and Too Short. I've always had an interest in modeling, when I was 19 I wanted to be in Show Magazine, that was my vision! I am blessed to say my dream has come true and it's been a wonderful opportunity working with Sean Cummings and his staff.

In the future I want to further my career as a model, do more music videos, have my own shop, and whatever opportunity comes my way. With drive and ambition I'm always up for a challenge. I want to give a huge shout out to Sean Cummings, I can't thank him enough for making this happen for me to be featured in Show Magazine and this is just the beginning!!

DID YOU GET A LOT OF ATTENTION IN HIGH SCHOOL?

Yes. I was very voluptuous! Guys would try to touch my booty, which made it hard for me to make girl friends but I had plenty of guy friends, lol.

WHAT IS SOMETHING THAT YOU'D NEVER WANT TO BE CAUGHT DOING?

I would have to say looking at another girl.

IF A GUY SEES YOU AT A CLUB OR THE GROCERY STORE, HOW SHOULD HE APPROACH YOU?

Just be yourself, that's a big turn on. I'm pretty down to earth from what they say.

WHAT WOULD YOU PUT ON TO FEEL SEXY FOR YOURSELF?

When I'm lounging or going to bed, I love wearing just a simple thong and tank top and just walking around my house carefree!

WHAT ARE YOUR TURN ONS AND TURN OFFS?

My turn ons would be a sense of humor; I love a guy that can make me laugh. I like guys who are outgoing and confident. My turn offs would be cockiness! I just can't! Lazy and no swag!

HOW LONG HAVE YOU BEEN MODELING?

I started modeling for music videos about 3 years ago, I been modeling for this magazine for 1 year. This will be my first feature in the magazine.

EXPLAIN "MADISON SOSA"

Well, Madison I've always thought was a pretty name and Sosa is from the Chief Keef song "love Sosa," because I am addicting and everybody is going to "love Sosa!!"

WHAT ARE 3 FEATURES THAT YOU LIKE ABOUT YOURSELF?

My big brown eyes, my curves and my booty.

WHAT DO YOU FIND SEXY IN THE OPPOSITE SEX?

I love a man that smells good! I am a sucker for cologne, clean fades and good style in clothes.

HAS ANYONE EVER ACCIDENTLY SEEN YOU NAKED?

Oh my gosh, yes! I was at a New York hotel for vacation and I was so exhausted that I dropped all my bags, took off all my clothes and laid flat on my bed! Then this guy opens my door by accident and I screamed! It was so embarrassing but he was good looking haha.

SHOW

I just turned 25,
my twerking days are over...
well not really of course,
once a twerker always a twerker right?

Rosee

My name is Rosee, I am a French model and artist. I got my Masters in International business and Finance but I found it a bit boring, I've always been a free spirit lol. I started modeling about 2 years ago, did a few magazines and videos (including a cover of Black Lingerie earlier this year). Nowadays, I spend most of my time on my art and upcoming jeans line for curvy women (because ladies let's face it, it's not easy to find some you can fit when you're not built like a runway model!).

NAME THE VIDEOS YOU'VE BEEN IN:

Busta Rhymes – TwerkIt; Fat Joe Ft. Wiz Khalifa & Teyana Taylor – Ballin'; Gucci mane – Me; Busta Rhymes ft. Q-Tip, Kanye West and Lil Wayne – Thank you; and World star hip hop

WHAT ARE YOUR FAVORITE THINGS IN THE WORLD?

Chocolate, wifi, art, and adrenaline-inducing activities!

AND WHAT DO YOU HATE THE MOST?

Losing my time. There is nothing I can do to get it back.

ARE YOU SINGLE?

Yes I am single, and I like people I vibe with in general.

WHAT DO YOU LOOK FOR IN A MAN?

Race, education, and looks matter little compared to chemistry, charisma, and ambition. I work hard, and I like people who work hard for what they want as well.

**IS THERE ANYTHING YOU'D LIKE TO
ADD FOR OUR READERS?**

First of all, I'd like to thank SHOW Magazine for working with me again, especially Sean. A real blessing. Then I'd like to thank all those of you who've been supporting me from day 1, 100, or even yesterday, a lot of amazing things happened to me thanks to the opportunities you helped create for me! Thank you again, much love from your fav French girl.
