"The last five years have been wild!"

The Dirty Girl, The L.A. Face with an Oakland Booty, Slutwoman...You may have heard of me. Or, maybe not. My name is Kristina Rose and I am the dirtiest girl in porn. I'm 5'1, 115lbs of laughs and ass. I've been called an anal queen. I guess you can say that's my specialty, in addition to my dirty talk. Both of which you can sample in my latest release, "Kristina Rose: UNFILTERED" out through Evil Angel Video.

I've been working as an actress in the adult film industry for the last five years and it's been wild! I've won 9 awards for my "talents" on camera. I've gotten to travel to so many places and meet so many fun, interesting and weird people. I really enjoy my life.

Besides just getting my rocks off on camera, I also do non-porno projects here and there as well. I've done music videos and I do a lot of work with men's apparel companies, as funny as that may sound, it's TRUE! Most recently I did two t-shirt collaborations with men's street-wear apparel companies, HUF and Deadline. I really enjoy getting to do all these fun side projects. I like breaking up my shooting schedule and dance tours with more mainstream projects.

When I'm not shooting or touring I'm pretty low key. I like to paint and sew. I love watching bad TV. "Bait Car" is one of my all time favorites! I'd rather hang out at a grimy no name bar than go to the hottest club and pop bottles. I shop at Saks & the Slauson Swap-meet. I'm just a grown up version of that half Mexican around the way girl you grew up with.

Keep up with me and all that I'm doing via my site: www.thdirtygirl.com or my tweets: twitter.com/kristinarosexxx

"I'm easily pleased"

I was born and raised in Los Angeles, Ca. I'm currently a student and an aspiring model.

I had a fun experience shooting for SHOW magazine's The Art of Sexy. It was a great opportunity for me. I would love to work with them again in the near future. I plan on taking my modelling career as far as it can go. I would love to, someday soon, do some acting as well.

If I'm not playing in Hollywood, I'm likely out enjoying the beach with my top down, soaking up the California sun. I can have fun at home watching a movie or, out on the town living the night life. I'm easily pleased just being me!

"I have a lingerie fetish"

Hey guys! My name is Sophia Jade. I am 19 years old, born on May 26, 1992, which makes me a Gemini. Twice the fun of any girl you know! My measurements are 34C- 22-33 and I weigh 110 lbs. Although I've done a little bit of drifting, I have been a California girl for most of my life. I was born and raised in Northern California and moved to LA a year ago because I needed change. I am currently in college studying fashion, but I am a bit of a nerd so I also plan on studying other areas as well such as business and fine arts. I do have a goal of getting to design a line one day and possibly running my own fashion business.

I started modeling because it's something I have wanted to do since my early teens. I love being creative and I love being the inspiration to the creativity of others as well. As a model, I get to be a big part of creating a photograph that could be worth a million words. Modeling has also snapped me right out of shyness. I've always been a shy girl but when there's a camera, everything about that changes. I also get the opportunity to meet and work with so many amazing and talented people.

My areas of interest outside of modeling include film - I'm quite the cine-file, literature, rock n roll music, guitars, fashion, and fine dining. I have a lingerie fetish. I always collect lingerie and it makes me feel good to be wearing something sexy under my clothes whether or not anyone is going to see it. In a man, I seek out someone who is charming and eccentric. They have to be able to make me laugh yet know when to be serious. I am drawn to those who are productive and creative.

I am very honored to have been shot for Art of Sexy by SHOW. I love the magazine because it is so sexy yet stylish and tasteful and being featured here is a great opportunity for me.

"I'm Fresh to
this crazy
world of porn"

"I have a very vivid imagination"

**Hello world!!! My name is Anita Peida,
kind of pronounced (I. need a Peter)
lol**

Fresh to this crazy world of porn, I've been flirting with the Industry for over a year. I'm trying to fill her out, get to know her, and maybe... Just maybe she'll fulfill my needs. I'm learning everything I can about the business so that I can use my creativity to bring something special to the game. We've all seen this stuff a million times so we have to keep it fresh and exciting!

First confession, I am a natural born nymph and that's clinically confirmed. I have a super high sex drive and a love for being an exhibitionist. So, naturally the porn industry would make sense for me to explore. My sexual fantasies are so extreme that I needed to find an outlet to unleash this perversion that plagues my mind.

I grew up stealing my uncle's bondage and fetish magazines and getting lost inside the pages of women tied up in vulnerable positions. I have a very vivid imagination, thoughts that even the sickest sex fiends would raise an eyebrow to.

Anita Peida

Hopefully, one day I will be able to share what Dwells within; I know I'm psychotic. STAY TUNED! In the meanwhile you can see me in some other persons freaky fantasy in some new films that I've starred in.

Alison Tyler

"Too HOT to miss"

Alison Tyler captured the attention of adult film fans worldwide three years ago. Since arriving on the adult film scene, she has been featured in over 100 adult films, numerous magazines and had the opportunity to work with an esteemed and diverse group of co-stars, earning herself the reputation as a professional actress who is committed to her craft. Alison is very ambitious and driven with future goals to include mainstream modeling and acting. For those of you who have never met her, I would describe her personality as heaven and hell adorned in high heels with a sense of humor that can match wits with the best of them.

When she is not traveling, Alison enjoys cooking, painting, kickboxing, horseback riding and spending time with friends and family. Alison Tyler may live a glamorous life but is a tomboy at heart. She has competed for 14 years on horseback and was crowned Rodeo Queen at the age of 18.

The Alison Tyler website will be launched in 2013 where fans can join to see exclusive movies of Alison and all her sexy co-stars. This will be too HOT to miss but.....in case you do, you may be able to see her perform in person at your own special event. Alison is Co Founder of Kinky Kitty Entertainment, the only stripping agency that offers your favorite porn stars for that unforgettable day.

Fans can follow Alison Tyler on Twitter at [Twitter.com/@misstylerxxx](https://twitter.com/misstylerxxx). To book Alison, please email all inquiries to bookingalison Tyler@yahoo.com.

Victoria Belle

"I'm sexy & smart"

Victoria Belle is Beauty and Intelligence personified. She hails from the great state of North Carolina and is proud to be a True "Southern Belle." So although gracious and diplomatic, she is no shrinking violet, and will tell you exactly what she wants. Her heritage is rich, including but not limited to, Native American, giving her a beautiful, rich and warm caramel complexion. Through her West Indian grandmother, she IS Caribbean heat. Positively smoldering, she makes anything she wears look sexy.

Her sweet and generous personality and sexy natural frame have brought a new light and energy to the industry. "My body was crafted by God...NOT a doctor." And although her beauty abounds, her favorite attributes are her long legs (better to wrap around your head) and her luscious lips always ready for a sweet kiss from that special someone. She has the uncanny ability to make the person she is with feel that pleasuring them is her only desire.

As a bisexual woman, Victoria is an advocate for the LGBT community. "The ladies love me & I love them too!" A sense of humor is always sexy! "If I am going to be in a relationship with someone we have to be able to be silly and goofy together." She loves to travel and has traveled extensively, incorporating her love for knowledge into each trip by going to museums, art galleries and aquariums.

She also has a serious side when it comes to her education. She is a history major at North Carolina Central University and plans to attend Law school so that she can advocate for minority rights. She is sexy, smart, seductive, and sensual what more could you ask for?

"I'm a Gemini"

My name is Mylene Thompson And I'm a mix of Filipino and Mexican. I was born, raised and currently living in orange county, California. I'm a Gemini so you know you get the best of both worlds with me!

I am a licensed cosmetologist and makeup artist and I love being able to do what I love everyday. SHOW magazine has been a favorite of mine since I was 19 and to now to be called a SHOWgirl is such a great feeling!

I feel very blessed to be in this issue of SHOW and I wouldn't be here without the help of Sean Cummings he is the best. The whole crew on set was amazing and made me feel so comfortable. I couldn't have asked to work with better people. Hopefully you guys get to see more of me because there's a lot more than what meets the eye xo

"I love to feel sexy"

My name is Natasha and I originally hail from the beautiful land down under Australia, Perth. I am of Portuguese/Polynesian & African American descent and my measurements are 34, 26, 36.

At the age of 16 I made the decision to move to San Diego, CA to follow and pursue my dreams of becoming a model. Since a young age I have found myself fascinated with the Beauty & Fashion Industry. I would sit for hours at a time flipping through the latest issue of high fashion magazines and picture myself one day gracing them. Since my move to the states I have been actively working on my portfolio and going after gigs and small rolls in television. Some of my appearances include:

TV pilot - "Mocha" co- starring Joe Torrey in (The Jump Off) on Cinamax in the fall 2012

Music video - Flo Rida ft Akon -Who Dat Girl

Natasha

Outside of pursuing a career in the industry I am also currently a college student studying Cosmetology at Paul Mitchell the School and Business. I have also been formally trained and received my certificate for makeup artistry. I love to feel sexy and I enjoy making other people feel sexy.

Some of my hobbies include cooking, singing, and traveling. My favorite music artists are 2Pac, The Game, Chris Brown, R. Kelly, Aaliyah, Toni Braxton and Beyoncé. A major turn on for me is a confident man that is well put together and smells good. Also a man that can give me that look he already knows. My major turn off is an over confident man that comes across as arrogant and cocky.

The thing that makes me feel sexy is when I get straight out of the shower, hop into my boy shorts, white wife beater and my caramel Aussie UGG boots with my hair slicked back into a ponytail just lounging around at home eating my favorite chocolates. My favorite body part is my lips and one of my fantasies is to fulfill all of my career goals and have the luxury of relaxing in my dream home, sipping expensive wine and laughing at all the people who doubted me and put me down.

The future goal I'm working toward is to one day own a small business in the Beauty & Fashion field and I want to own my own home by the time I am 30 years old. I recently gave birth to a beautiful little girl and she is my main motivation. I want to be a good example to as an independent woman and mother.

"I'm a small town Texas girl"

I'm a small town Texas girl who just loves to have fun! I def would say that I have a huge appetite to fulfill my sexual desires and fantasies while I'm still young. That is why I decided to enter the adult entertainment business. With this business it has def given me room to grow as a sexual being and has allowed me to explore my sexuality. I always envisioned myself leaving Texas I just knew that there was more for me than what was in front of me and I wanted to explore the world.

Through the adult entertainment business I have done just that! I have gotten to see various parts of the world through my work and I wouldn't give it up for anything in the world. Its crazy to think I've got an international booty ;) when I was in college studying I never thought a few years later I would be traveling all over the world for photo shoots, conventions, and appearances. It's been a fun journey to say the least!

When I'm not working I like to pamper myself. I enjoy spa days and fun times with my girlfriends. One of my favorite things to do when I'm home is cooking. Although not home very often I always make time to have dinner parties with my friends and I have been known to be a pretty damn good chef!

Alexis Texas

I love football and baseball in small doses but I huge basketball fan! I enjoy watching sports and love sweaty men! My favorite position is doggy! I like when a man takes control and demonstrate confidence. Passion is key to my heart! The saying is def true you can take the girl out of Texas but you can never take the Texas out of the girl!! Everything's bigger in Texas baby!

My measurements are 34-28-42
My nationality is of Puerto Rican, German and Norwegian decent
