BEAUTIFUL BONDAGE BERENICE MARLOHE

NEW ENTRY

There are manifold reasons to love Bond movies, but chief among them has to be the buzz around whoever is cast to play the new Bond girl. Few of us reading this would ever have seen this French actress in action before — but just because we know she's going to be in *Skyfall*, the twenty-third Bond film, playing someone called Sévérine, she cracks the list for the first time. Guns, plus bikini, plus Bérénice, equals us in a cinema.

BANKABLE BABE NATALIE PORTMAN

RE-ENTRY

It says a lot about the hotness of this award-winning actress that she can appear in a gushy, tear-jerker of a chick flick and still fill a cinema with appreciative males. The key memory though, is her role in *Black Swan*, which saw her romping with the babe who, coincidentally, is side-by-side with her on our list, Mila Kunis — try as we may, more to the point, it's impossible to get the image of the two of them on top of each other out of our minds.

99 »

ZANY HONEY IZANNE TYLER

NEW ENTRY

This babe's favourite quote is "Keep your friends close and your enemies closer" — so the *FHM* crew is desperately trying to figure out how to get on the wrong side of her oh-so-right side. This fun-loving Jozi babe remains a firm favourite on *FHM* Modelbook and hits this sizzling list for the first time, pre-heated for your enjoyment.

AMAZING MILA MILA KUNIS

LAST YEAR: 47

What can be said about this Hollywood stunner that hasn't already been said? Perhaps that when we put her on our October 2011 cover it caused such a stir that oaks were fighting over the last copies of *FHM* on the shelf! Here's a little-known Kunis fact: she wears contact lenses to make her eyes matching colours: one is actually brown, the other green! Unsurprisingly, Ashton Kutcher had a permanent crush on her during *That '70s Show*.

96 »

HOURLASS-SHAPED SEDUCTION CHRISTINA HENDRICKS

NEW ENTRY

If you were fortunate enough to catch her as a semi-clad, poison-lipped seductress in *Firefly*, then you have at least one thing to thank the SABC for. But if you missed that, there's enough of her fiery flirtatiousness in *Mad Men* to satiate the manliest of appetites. If you can somehow not be hopelessly distracted by her shapely figure for five minutes you'd have to agree she's an incredible actress — but good luck, no one's managed that yet.

95

CAGED CUTIE

ARIANNY CELESTE

NEW ENTRY

Here she is, the hottest UFC ring girl ever to hold up a number in the shape of an octagon. There's a theory that men in a cage hit each other harder when there are unbelievably sexy, nubile young women in their vicinity. It's a primal, alpha male type of thing. With Arianny as ring girl, we reckon she brought many a man closer to his bloody, near-death experience.

94

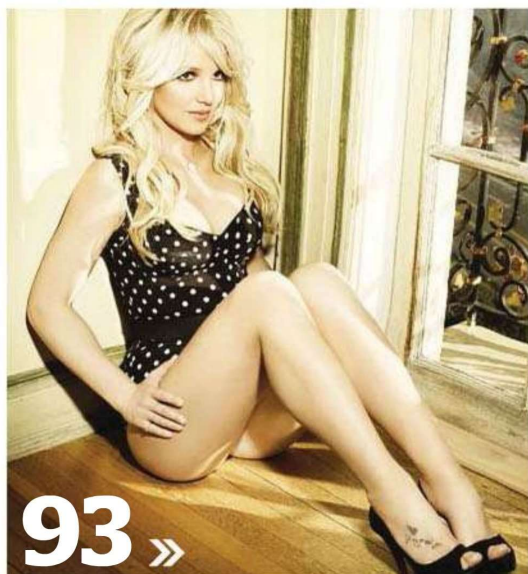

THE BODY

GINA GOLDSMITH

NEWENTRY

Those of us who were lucky enough to be on the *FHM* Calendar 2012 shoot in Zambia still talk about Gina in awed, hushed tones. "The Body", as she became known after the first time we saw her in a bikini, is a more than deserving new addition to this year's Sexiest ranks and her soccer star boyfriend Ryan Botha is the envy of every one of us here at *FHM*HQ.

93 »

HITTING US FOR A BAKER'S DOZEN RECORD BRITNEY SPEARS

LAST YEAR: 99

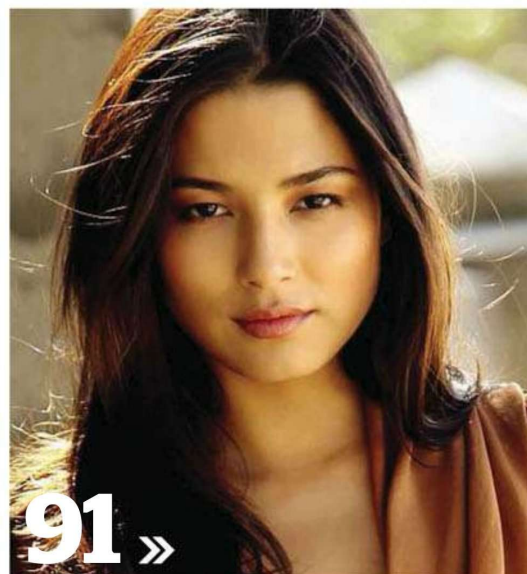

We did a double-take on this one, checked up on it and can confirm that lovely Ms. Spears is the only babe to make our 100 Sexiest list for 13 years in a row, ever since 2000, when that slightly croaky, unmistakable voice first hit us, baby. Nothing keeps this sexpot off the list: not panty mishaps, pregnancies or off-the-rails shaved head meltdowns. In 2004, she deservedly topped the SA list and now has a record it'll be hard to beat.

92 »

ROROS WITH FLAVOUR ROSETTE MOGOMOTSI

LAST YEAR: 31

This Midrand-raised maiden is the gorgeous face of many an advert and fashion campaign. She is well on her way to being the brains behind many of them too. Roro, her nickname, just about describes the sound a guy makes when he sees her in a bikini.

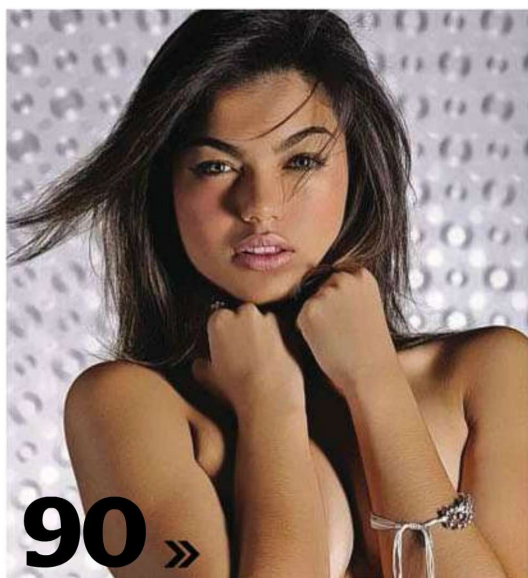

91 »

BUSTY BRILLIANCE JESSICA GOMES

NEWENTRY

The curvy Aussie model of Singaporean, Chinese and Portuguese heritage is a regular in lists of sexy women the world over. So it comes as no surprise that she has cracked SA's premier list this year too. A few months ago MTV revealed it's *her* voice introducing every track on Rick Ross' albums. You know, that bit where she says, "Maybach music..." We've had the CD player on "intro" mode in the *FHM* Maybach ever since.

90 »

REID HER LIPS! SHAWNEE REID

NEWENTRY

When Shawnee signed up for *FHM* Modelbook we knew straight away this wasn't one of those profiles headed for obscurity. And the 19-year-old Jozi hottie hasn't disappointed! She's been an *FHM* Models Top 20 finalist, appeared in more local music videos than you can shake her perfect booty at, and now takes her rightful place among the *FHM* 100 Sexiest Women in the World 2012 list! You go girl!

« 89

TRUE THESPIAN EMILY BLUNT

NEWENTRY

In *The Adjustment Bureau*, Matt Damon literally takes on the incarnated forces of fate just to be with this beautiful Brit. It's not hard to see why. Talented and hard-working, Emily has us falling in love with her three times a year — that's about how many movies she does annually!

88

TATUM MA CHANCE

TATUM KESHWAR

LAST YEAR: 50

Ex-Miss South Africas don't come with much more beauty and brains than this KZN native.

With a degree in Psychology and the longest, finest legs in the modelling business, you have a package that Charlie Sheen would be moved to describe as "bi-winning". We don't really know what he means either, but it seems somehow appropriate — as she is like a walking Powerball in the genetic lottery.

FIONA ROYDS

87

WHEN SEXY TAKES OVER
**KELLY
ROWLAND**

LAST YEAR: 70

She was one third of Destiny's Child, one of the best-selling groups of all time. Then they broke up and Beyoncé became absolutely massive. But Kelly didn't just sit back and suck it up — oh no, she totally reinvented herself, got into insane shape and started doing her own thing. Raise a glass for the resilient ones...

NATURALLY GOOD TASTE.
SO PERONI.

Not for Sale to Persons Under the Age of 18.

86 » SLUMDOG SENSATION FREIDA PINTO

LAST YEAR: 17

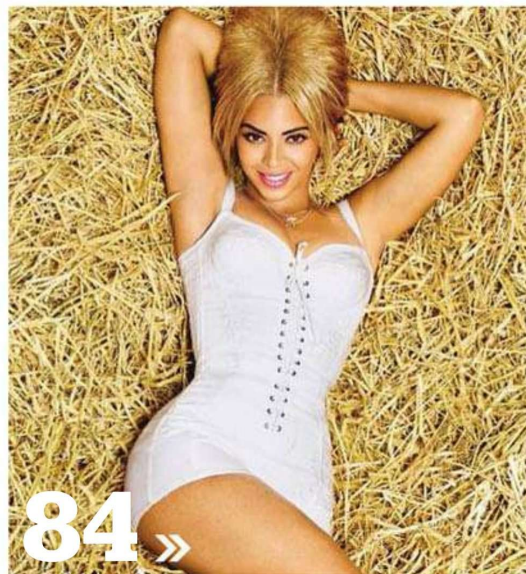

From the moment we saw her in *Slumdog Millionaire* we knew that this fresh-faced Indian model-cum-actress was going to be epically big and that nothing would keep her out of the pages of *FHM*. And indeed, that prediction has come true. Since then she's had show-stealing roles in *You Will Meet a Tall Dark Stranger*, *The Immortals* and *Rise of the Planet of the Apes*. Thank you Danny Boyle, for bringing this delicate dreamgirl to the world.

85

JA-NEE! JAENETTE JACOBS

NEWENTRY

It's rare to find a Pretoria girl shouting "Province!" at rugby matches, but this bubbly brunette likes to throw the norm out the window. As she did in her recent skater-styled *FHM* shoot that left enough little-wheel tracks on your minds to vote her onto this list.

84 » STILL IRREPLACEABLE BEYONCE KNOWLES

LAST YEAR: 51

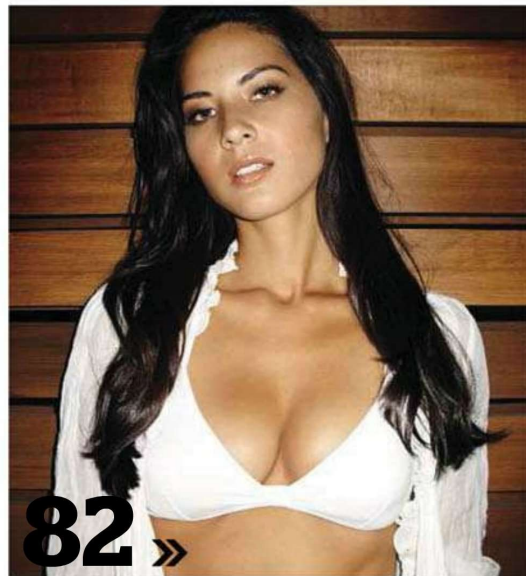

Mrs Carter has come a long way from fronting Destiny's Child. Her albums and tours have blown all manner of music records apart, but no matter what she's done, or who she's done it with, she's looked every inch the sort of woman that Rap Lord Jay-Z would want as his wife. They also just had a daughter with a Marvel Comics name (Blue Ivy) and she shed 27 kg, living on a treadmill and chowing lettuce, to get back to dreamgirl weight!

« 83 POLISH PULSERACER MARTA KRUPA

LAST YEAR: 81

The younger sister of supermodel Joanna Krupa is a belter in her own right. Her curvaceous body has graced the covers of some of the most popular *FHM*s ever (once famously draped on her older sister!). It's easy to see why she's become such a regular in this annual list of the hottest of the hot!

82 » WE LOVE MUNN-DAYS! OLIVIA MUNN

LAST YEAR: 82

It's no surprise that our February cover girl features on this year's list. The self-confessed geek is one of the reasons that geekiness has become a term that finally encompasses cool and sexy, rather than just conjuring images of pocket protectors, acne and the ability to speak Klingon. Don't like the thought? Quickly just stare at Olivia for another minute. There, see, you feel all better again.

A full-page portrait of Jennifer Lopez. She is wearing a large, light pink cowboy hat and has her hair styled in a dark, curly ponytail. She is looking over her shoulder towards the camera with a slight smile. She is topless, and her skin is a warm, golden-brown tone. The background is a plain, light grey.

81

STILL BOOTYFUL

JENNIFER LOPEZ

RE-ENTRY

The world's most successful Hispanic of all time has done it all over again. Last year she made what many regard as the greatest comeback of all time, looking sexier than we've ever seen her. Her single *On The Floor* is the most watched video by a female artist on YouTube ever, second in views only to Justin Bieber, who still hasn't cracked that female artist category despite his best efforts.

80

TENNESSEE TEMPTATION

TAYLOR SWIFT

RE-ENTRY

Country music has served up its fair share of sexy women over the years, but few can match porcelain-faced grown-up Goldilocks Taylor Swift. If she ever made you porridge you'd have to tell her, "It's just right, baby," but fortunately she's into making music. With 20 million albums sold and 42 million digital tracks downloaded, Taylor's way more than just a doll face. She's an industry.

79»

MODERN WOMAN ANESCA SWART

LAST YEAR: 79

At the tender age of 24, Joburg's *FHM* hottie Anesca is already a business analyst for Sasol so she probably doesn't need your money. She loves Muay Thai so she probably doesn't need you to protect her, and she has close on 5 000 Facebook friends, so she probably doesn't need you to ward off any loneliness. But of course, loyal *FHM* reader, you're perfect just like her, so go on, drop her a line...

76»

A-MAMMA-MANDA! AMANDA SEYFRIED

NEW ENTRY

A bit of semi-surreal movie-musical singing combined with her slightly otherworldly ethereal looks saw Amanda shoot to fame with *Mamma Mia* – a film we've determinedly still managed not to suffer through. We will probably check out her turn as a brunette in this year's release of Linda Lovelace's controversial life story and, maybe, *Les Misérables*, if we're feeling all cultural. Her hobby is, um, stuffing and preserving dead animals.

78»

ALL-WEATHER READY LEANDRI NIENABER

LAST YEAR: 67

This Sandton babe is no blonde kugel – when she's not scuba diving, dancing, camping or reading Greek and Roman mythology (for fun!), then she's at varsity, studying. With a body to die for, we're thinking it's time to either hit the great outdoors, or the library.

77»

PRONOUNCED "SHREEKY" EMMANUELLE CHRIQUI

NEW ENTRY

This was the super-sexy cutie in *You Don't Mess with the Zohan* who managed to get the Zohan to stop offering to have sex with all those old women who only wanted their hair coloured and permed. And if anyone could do it, it was the perennially youthful *Entourage* star Emmanuelle. With her Moroccan-origin, good looks and always-on smile, this is one adorable babe. The only mystery is why she hasn't cracked this list before.

75»

PSYCHO HOTTIE ANNALYNNE MCCORD

NEW ENTRY

FHM has to admit that we've never seen an episode of *90210*. But there are hot babes in the show if AnnaLynne, here, is anything to go by. She was the world's most ridiculously sexy car-jacker in *Transporter 2* and an extremely scary – but hot – sociopath Eden Lord in *Nip/Tuck*. She likes to play dangerous women but, in real life, they say, she's nice. Like, VH1 even nominated her for an award for charity work.

74

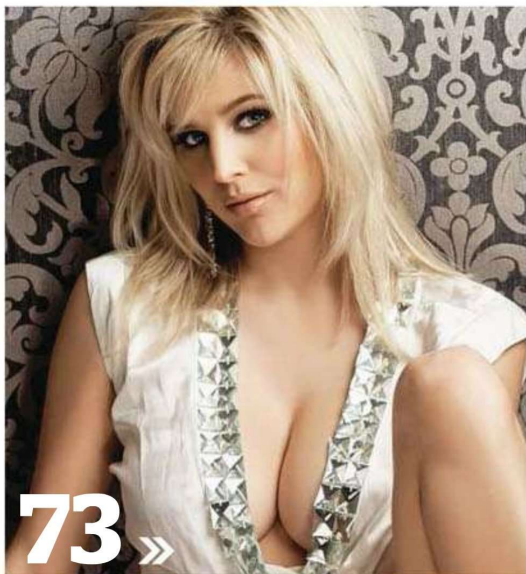

GOOD NIGHT!

ALYSSA REBELO

RE-ENTRY

Alyssa likes to party, and could make a clubbing-crazy night owl out of any guy. A body like hers is best described as indescribable, because saying anything more about it is likely to get this carefully-measured and tasteful magazine pulled off the shelves and hidden from the impressionable eyes and ears of children everywhere forever.

73»

LONDON CALLING MINKI VAN DER WESTHUIZEN

LAST YEAR: 38

Now engaged to former Lions captain, Ernst Joubert, Minki is hard at work to become as famous internationally as she's been here for the last decade. While her eighth-man fiancé is anchoring scrums for Saracens, she's jetting about Europe, bringing every gram of that SABS-approved, A-grade homegrown South African hotness to the world's appreciative eyeballs. They had *better* be appreciative...

72»

AMPLE AMBITION BOITUMELO THULO

LAST YEAR: 97

Few blazingly sexy women can also tick the disarmingly cute box. But Boity stole our hearts in that Wimpy Cheesanator ad and, before that, had us watching *Crib Notes* religiously on Yo.TV. This young star is going to be around for a long time, for all the right reasons.

71»

LOCAL POP SENSATION CHIANO SKY

NEWENTRY

Her debut single "Sick Sick" was one of the hottest tracks on radio in the last year. And then you saw the singer and no one could figure out why she was so "Sick of being lonely". All she had to do was go out, anywhere, and... problem solved. She's one hell of a talent, with songwriting skills to match her model looks. She's also extremely unconventional, a quality one can't help but admire. Here's to many, many years atop the pop charts.

« 70

UNDEFEATED CHAMP GISELE BÜNDCHEN

LAST YEAR: 61

With a body and a modelling walk that brought sexy back to the fashion industry, Gisele is still on track, according to *Forbes* magazine, to becoming the first billionaire supermodel. Her perfect made-in-heaven-via-Brazil bottom is still a thing you can lose five minutes vacantly looking at before noticing your cigarette has turned to a long, unbroken length of ash and you only took one puff.

69

WE'RE STILL JARHEADS

LYNDALL JARVIS

RE-ENTRY

Last year was a weird blip in the history of the babeverse, when *FHM* readers failed to vote the flawless female confection that is Lyndall Jarvis back onto this otherwise-definitive list. Roger Federer also failed to win a Grand Slam last year, so we guess it was just a time for weird things to happen in general. Now Lyndall is back, and order is restored.

68 ⬆

NOT DEBORA PATT

**LERATO
KGANYAGO**

LAST YEAR: 16

This star orbits Soweto. Her *LKG Show* on Soweto TV sources exclusive talks with controversial celebs in ways that leave her competition guessing how she does it. She says, "I'm not Debora Patta, I'm not going to interrogate them."

Lerato's other obvious charms might also have a lot to do with it.

67 ⬆

SEXY FACTOR

**NICOLE
SCHERZINGER**

RE-ENTRY

It says quite a bit that she was the *hot* Pussy Cat Doll — they were all amazing! We've been treated to Scherzinger every second Sunday or so during the Formula One season as she's jetted around the globe following on-off boyfriend Lewis Hamilton. Greatest thing about her? She likes to show off some sideboob. Awesome!

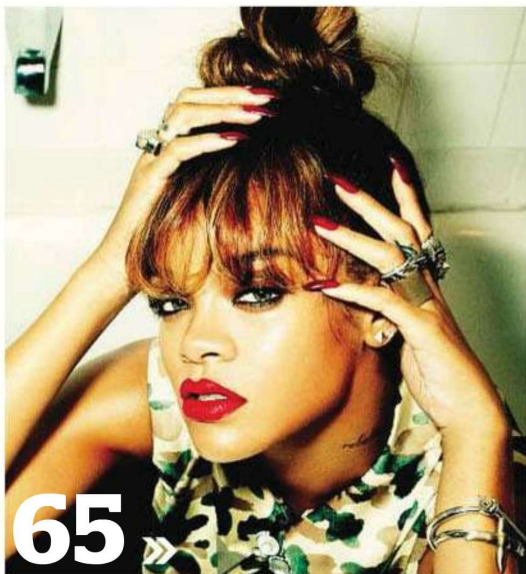

66

STILL UNTAMED

TAYLA DAVIS

LAST YEAR: 44

If you were looking for someone to model as a cast for a time-capsule so that one day some alien or robot race could recreate what it meant to be a sexy human female at the start of the 21st Century you could do a lot worse than choosing Bloemfontein babe Tayla for the honour. They'd probably make thousands of copies of her – and what a world that would be...

65 »

VICTORIA'S VIXEN RIHANNA

RE-ENTRY

The stupendously sexy Barbadian has spent the last year laying total waste to music charts. Her single, *We Found Love* saw Rihanna achieve 20 Billboard Hot 100 top ten singles faster than any other solo artist, breaking Madonna's record. It became her 11th number one single, making her only the seventh artist in history to do it along with The Beatles, Mariah Carey, Michael Jackson, Madonna, The Supremes and Whitney Houston!

64 »

THE JOY OF JEN JENNA SARAS

RE-ENTRY

If you happened to be one of the (few) people who caught *Starship Troopers 3: Marauders*, you would have seen its only saving grace, Jenna in the role of "pretty pilot". She was "stunning woman" in *Death Race 2*. But last year she appeared in local heist comedy *Skeem*, and finally got a real name, playing the lead, Shelley.

62 »

ADELINE ADRENALINE! ADELINE MOCKE

RE-ENTRY

Irresistible, bursting with no-nonsense confidence, singing siren Adeline was *FHM*'s vote for *Idols* 2010 — it was hard to resist this smart, sassy Uptington-farm blonde who oozes fun and homegrown sexiness from every one of her tiny pores. This is not a babe who's going to let you just sit around — she's probably after her next adrenaline high on a motorbike somewhere right now. Aah, to be that Ducati for a day...

63 »

ETHIOPIAN EVE EDEN TENI BONGER

NEW ENTRY

There's something about the beauty of Ethiopian women that sets them apart. Flawless, finely sculpted Eden is the ultimate example. The Wits graduate now lives in Jozi. She's the face of FUBU, made *FHM*'s VIP list this year and continues her sexy assault on our senses with her debut on this, our most prestigious of lists.

POUTING PRINCESS MIRRIAM NGOMANI

LAST YEAR: 32

Here's a sexy reminder that Pretoria can produce more than just sokkie stars. Africa's goddess of the catwalk keeps herself clean of controversy and perpetually sexy. A cheerful socialite on the local scene, she doesn't have to do much to keep the votes streaming in – a little pout here, a bit of a hip sashay there, and there you go, remembering that scene with her from *Lord of War* all over again. Time for a cold shower...

60 »

MERMAID MUSA MUSA CHAUKE

RE-ENTRY

Fans of the underwater world might like to learn that Musa is a keen scuba diver, a fact that conjures up all kinds of mermaidesque fantasies where we might not totally mind being lost at sea, if it includes the prospect of her appearing to save us. Appearing on this list in 2010, Musa Chauke is one fine specimen...

ROMANIAN ROYALTY MADALINA GHENEA

NEW ENTRY

Leonardo DiCaprio's Romanian-born (and current) model girlfriend was asked to switch to another high school when she was sixteen after her teachers saw a racy photoshoot of her in lingerie. Eight years later, and she's one of the freshest faces on the Italian fashion scene, using her effortless beauty – *amazing* lips, perfect bone structure, dazzling smile – to not just sell underwear, but do a bit of acting in Italian too.

58 »

FAIREST IN THE LAND KRISTEN STEWART

LAST YEAR: 76

Pale-skinned waif K-Stew is not just that babe from *Twilight* anymore. She kicked armoured ass in *Snow White and the Huntsman* and is steaming up the screen as Marylou in a new film based on the classic Kerouac book, *On The Road*. She reckons honesty is romantic, but also thinks acting is "professional lying". Factor in that she's dating an actor. Hmm?

NICK BOULTON, SEPP HOCHFELLNER GREATSTOCK/TRUNKARCHIVE.COM/MATTHIAS VRIENS GALLO/GETTY

**FHM 100 SEXIEST WOMEN
IN THE WORLD 2012**

57

WINTER WARMER
**CHARLOTTE
DE KOCK**

NEW ENTRY

While it's generally wrong to wish time away, we can't help but look forward to the end of July, because it gives us the opportunity to ogle *FHM* calendar babe Charlotte for a full 31 days uninterrupted, as she adorns the month of August in *FHM*'s 2012 calendar!

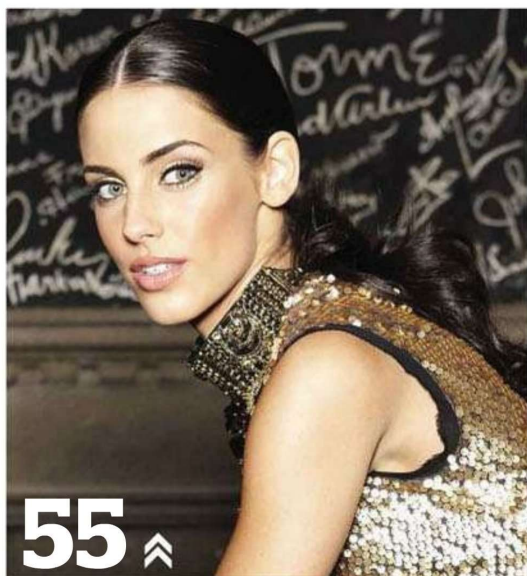

56

LOOK! IT'S KELLY BROOK!

KELLY BROOK

LAST YEAR: 62

Something about starting your modelling career at the age of 16 and still being in demand on the catwalks of fashion, in movies and on our 100 Sexiest list 16 years later makes us believe in the power of great genes. You've kept Kelly in here pretty much every year for a decade now, and for that the men of *FHM* salute you! (Look out for her in the forthcoming Brit comedy flick *Keith Lemon: The Movie*. And here again next year.)

55 ▲

SWEET-SOUNDING SIREN JESSICA LOWNDES

NEW ENTRY

The buxom star of the small-screen (further proof that TV series *90210* wasn't a totally crap idea), certainly has a way of catching the eye that has warranted her debut appearance on the big list of women around the world we'd definitely never say no to. Not content with being just a TV star, Canadian-born Miz Lowndes (rhymes with 'rounds') has returned to her first love, singing, and is busy completing her debut album.

54 ▼

BEACH BABE CECELIA DOHRIKA

LAST YEAR: 95

A sweetheart straight from the digital pages of *FHM* ModelBook via hometown Durban, actress Cecelia D debuted in the *FHM* 100 Sexiest last year and we pride our readers on their excellent taste — she returns this year to grace these pages while making Durbs look a whole lot more inviting!

52 ▲

TOP TEN AND BACK AGAIN CHARNE JADE SLEE

LAST YEAR: 7

Loyal readers will no doubt join us in cheer to welcome the return of *FHM* perennial favourite Charne Jade! Fans of her lithe form will have tracked her meteoric rise to fame since being voted top *FHM* Model in 2010, then claiming her position at seventh spot in the *FHM* 100 Sexiest poll last year and of course, her appearance in the *FHM* calendar of 2011 too! Ms. Slee is setting the City of Gold aflame with her presence at the kind of top-notch events that make you want to be a 36-year-old CEO.

53 »

ALL HAIL HALLE BERRY

RE-ENTRY

No stranger to the *FHM* 100 Sexiest Women In The World lists of almost any country where *FHM* is sold, babelicious Halle Berry keeps bringing sexy (and not to mention smoking-hot!) back into our lives and our Top 100 lists (she was top of the list in the American, UK, Romanian and South African editions back in 2003). And at the age of 46, she's carrying her womanly mojo like some kind of timeless immortal.

51

TINGLES OUR SPIDEY SENSES EMMA STONE

NEWENTRY

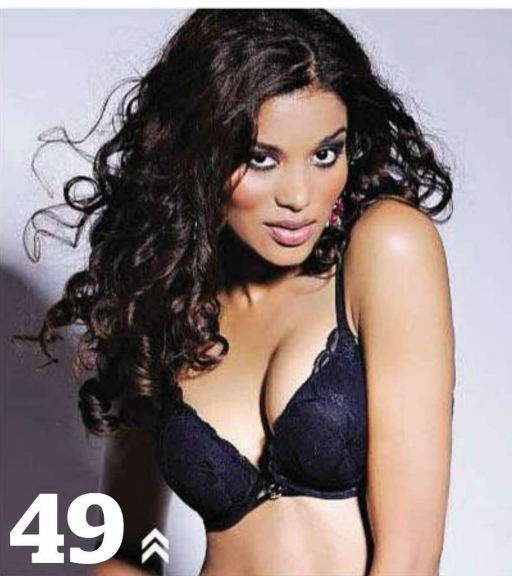

The lovely-eyed Emma makes her debut among the 100 Sexiest Women in the World and we understand perfectly how Spider-Man might fall for her as his tangled love interest in the smashing new *Amazing Spider-Man* film. If we could spin giant sticky webs from our wrists, we'd aim them in her direction too. We loved everything about the *Zombieland* flick too, but most especially her, and she was superhot in *Superbad*.

50

BIG-BANG BELTER KALEY CUOCO

NEWENTRY

You tell yourself you watch *The Big Bang Theory* because that Sheldon guy is just so witty. Because "getting" all that science-humour makes you clever. But actually, you watch it for the same reason you watched *8 Simple Rules* back in the day: because Kaley is insanely, maddeningly hot. Okay, Sheldon's awesome too...

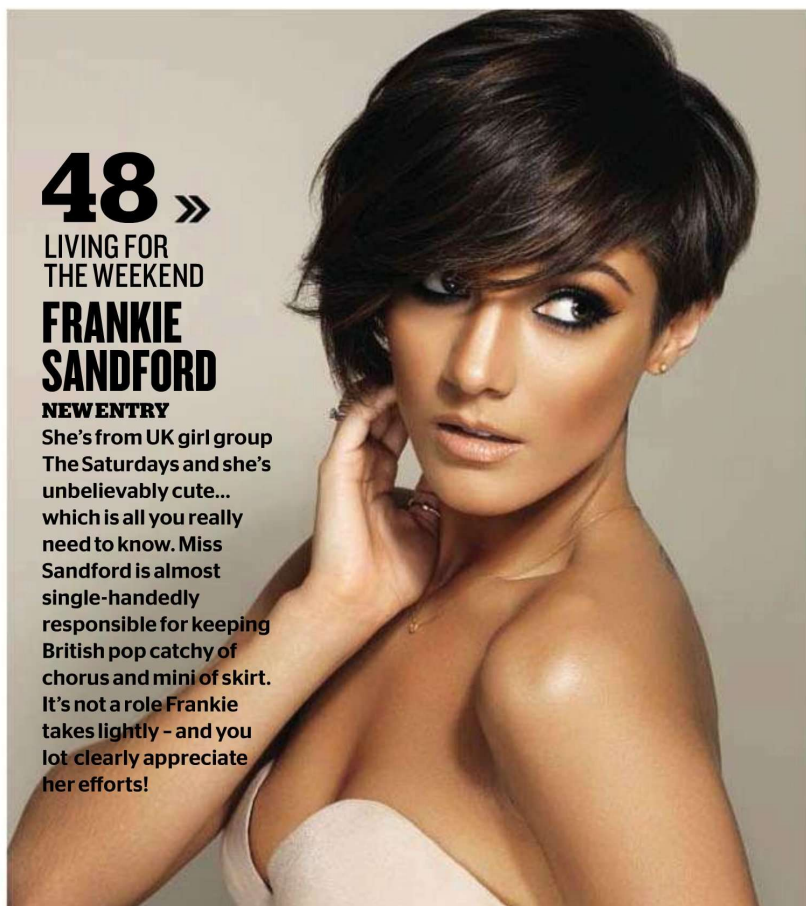

49

MAY THE RECORD REFLECT OUR APPEAL RIZELLE APPLGREEN

NEWENTRY

The beautiful Durban lass with the best surname on this list, who is also a law student, makes her debut appearance and we agree that it is a motion not to be denied. We would even consider breaking all types of laws in the hope that she would represent us in. Because, as they say, everything that happens between a lawyer and her client is strictly privileged. Jurors who don't agree may be excused...

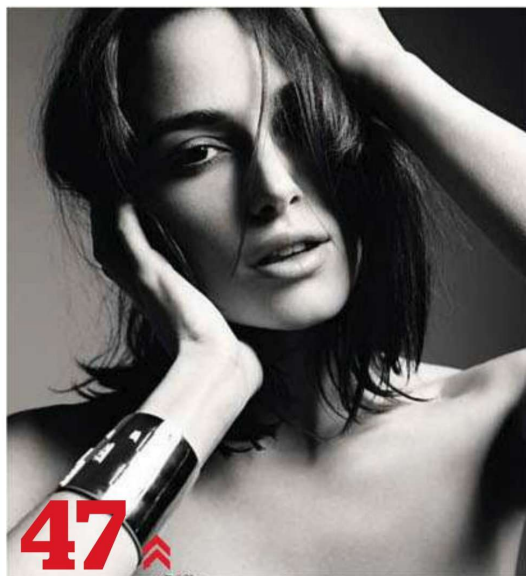

48

LIVING FOR
THE WEEKEND

FRANKIE SANDFORD

NEWENTRY

She's from UK girl group The Saturdays and she's unbelievably cute... which is all you really need to know. Miss Sandford is almost single-handedly responsible for keeping British pop catchy of chorus and mini of skirt. It's not a role Frankie takes lightly - and you lot clearly appreciate her efforts!

47

LONDON'S LOVELIEST LASS KEIRA KNIGHTLEY

LAST YEAR: 30

We know that we would go to the world's end to cross cutlasses with Keira, in those leather pants she wears with her pirate's outfit. We'd also likely show no pride or prejudice when it came to begging her to give us some love actually. In the ten years since she first burned onto our eyeballs, Keira Knightley has remained one of the UK's most thrilling screen actors, playing warrior wonderbabes as convincingly as vulnerable damsels.

46

ENGLISH ROSE

ROSIE HUNTINGTON- WHITELEY

LAST YEAR: 56

The quintessential delicate dame, Rosie comes from some serious British stock. Her granddad was a major politician on the small island. Interestingly, Rosie reckons that she was gangly and awkward in school and got teased for having such big lips. Whoops, bet you're overjoyed you weren't one of the nasty boys who did that. Boys must be kicking themselves, hard.

45

BIKINI BLAZE

REEVA STEENKAMP

LAST YEAR: 40

She's from PE, she's one of our esteemed covergirls and we're head over heels in love with her. That's all you really need to know about Reeva. The rest you can learn from looking at this magnificent picture. Yes, there *will* be a test. Back to your studies, men. Immediately!

44 ▲

IF CURVES KILLED NICKI MINAJ

LAST YEAR: 93

This is the second visit to the list for sexual powerhouse Nicki Minaj. Everything about her is sexy. Like her half-time performance at the Super Bowl. Like her *Super Bass* video. Like... well, pretty much everything she's done. As if she was sent to us from the future on a sexy starship to teach us what's hot and what's not!

43 ▲

ISLAND HOTTIE ROXY LOUW

LAST YEAR: 13

Surfer babes are proven to be the sexiest things in the universe. Okay, we made that up, but they are completely gorgeous. And our Roxy is their queen! A pro boarder, health food endorser and of course, *FHM* 100 Sexiest winner, she's hotter than the sun that keeps her blonde and bronzed!

42 ⬆

**ANGEL ALERT!
ALESSANDRA AMBROSIO**

LAST YEAR: 37

The only reason we are ever likely to sit through an entire episode of *How I Met Your Mother* would be to try and catch a glimpse of awesomely angelic Alessandra A in her role as... well, we're not sure what her role is because we find ourselves staring at the screen blankly every time she's on because our brains have to divert blood to other parts of our anatomy that seem to need it more at the time. We also loved her in *Entourage*!

41 ⬇

**BY THE BOOK
BASIA
TYRKALSKA**

NEW ENTRY

Glorious Basia — with her unpronounceable surname and super sexy vibe of seduction — blasted onto *FHM* Modelbook, and damn near took all of our minds with her. She's of Polish descent, she's gorgeous and you can see a lot more of her over at fhm.co.za. Wait! Come back!

40 ⬆

**SORCERESS OF SEX
CORALIE ROBINSON**

LAST YEAR: 20

FHM's hugely-loved expert on all things sex-related has been a regular feature on our annual list since she started penning answers to all your bedroom difficulties. It's not hard to understand — she has those enormous brown eyes, the full mouth and the curves that'll drive a sane man moggy! And if he's still sane after seeing her, this liberated lady of loving has the sort of bedroom tricks that will make his eyes spin in his head.

39 »

**SEXY STUDENT
CINDY COMLEY**

NEW ENTRY

While comely Cindy makes bikinis, underwear and tropical beaches look extremely gorgeous, most days she can be found hitting the books and being otherwise hard at work completing myriad assignments for her PRISA Public Relations Certificate studies that she will have no doubt aced by the end of this year.

NICK BOULTON, SEPPI HOCHFELLNER PRESS FEATURES KEVIN MARK PASS

38

OOH-LA-LALLA!

LALLA HIRAYAMA

LAST YEAR: 41

Good grief, she's gorgeous, isn't she? Technically, the Japanese-born, SA-raised bombshell is a TV presenter, dancer, model, actress and former gymnast/horse-riding champion. We prefer to file her entire resumé under "babe of note" for the sake of simplicity. The 24-year-old is no stranger to the pages of *FHM* either. Keep an eye on this one, men. As if you have a choice...

37

WHITE-HOT RUSSIAN
IRINA SHAYK

NEW ENTRY

Look at this woman. Just.

Flippin'. *Look!* Kind of hurts (but in a *good* way) doesn't it? Look at her!

Wait! We're forgetting something? Oh yes: she's

Russian, 26 years old, and has been on a gajillion magazine covers, including *FHM*.

And, if you didn't hate Cristiano Ronaldo already, how about now

that you know that he's her on-off man? Makes it *even* easier, admit it!

36 ▲

POLE POSITION JOANNA KRUPA

LAST YEAR: 10

If you don't know Joanna Krupa... well, now's a good time to welcome you to *FHM*. We make monthly mags covering all the things men love. Chief among them: blazingly hot women. Which is why Polish-born, American supermodel Joanna Krupa has graced no less than four of our covers and our best poster so far. She's also really sweet and fun to hang out with, which is why we fly her out so much. Welcome to the good life, friend.

35 ▼

TWO OF A KIND MAXZELL LERM

LAST YEAR: 25

Not only is the 2008 *FHM* Homegrown Honeys winner an absolute stunner, and proof that Bloemfontein is still the nation's bread basket of beauty, she's also a writer, artist and — get this — there are two of her! Mirell Ventura is her 14-minutes-older identical twin. Bonus!

34 ▲

VAMPY VIXEN ASHLEY GREEN

NEW ENTRY

Tired of *Twilight* re-runs, we can't wait to see drop-dead gorgeous Ashley Green playing the role of a fashion designer daughter of some rich guy that owns a fashion empire in the US TV series *Americana*. Come to think of it, we're not sure if we prefer it to when she's reading minds and predicting the future while being chased by a werewolf. But we can agree, whatever she's doing she's looking amazing doing it!

33 »

HER ROYAL HIGHNESS LEE-ANN LIEBENBERG

LAST YEAR: 15

In this, now her tenth uninterrupted appearance in the *FHM* 100 Sexiest pages, there is nothing to say about Lee-Ann that we haven't already said. She's proof that anyone who argues against SA-babe hotness is, categorically, *wrong*. The five-time *FHM* covergirl, and 2005 *FHM* 100 Sexiest Winner is now married, with a baby. And still hot enough to melt the sun. Our queen, we salute you. Again!

32

IT'S TOTALLY ALLOWED EMMA WATSON

NEW ENTRY

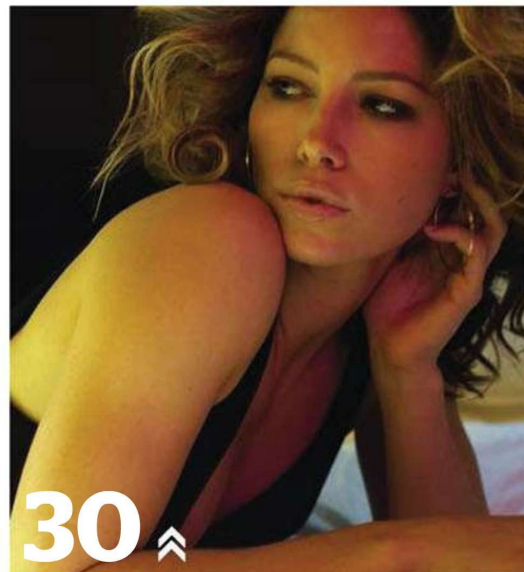

How the *heck* did that happen? When the world first caught sight of Emma Watson, she was barely ten and had landed the role of tatty-haired Hermione Granger in the first *Harry Potter* movie. Eleven years and seven *Potter* flicks later, she's... hot! Properly! Now a model, student and (crucially) completely legal for you to stare at lustfully, she's truly blossomed. And it's completely okay to think so!

31

BOSS OF THE BOOK ELLEN MAHLANGU

LAST YEAR: 28

Currently standing atop the *FHM* Modelbook podium is vivacious cutie Ellen. She's sexy, and one hell of a gracious champion. And she's stepping it up even further with another stellar performance in *FHM* 100 Sexiest Women in the World. Keep watching this space...

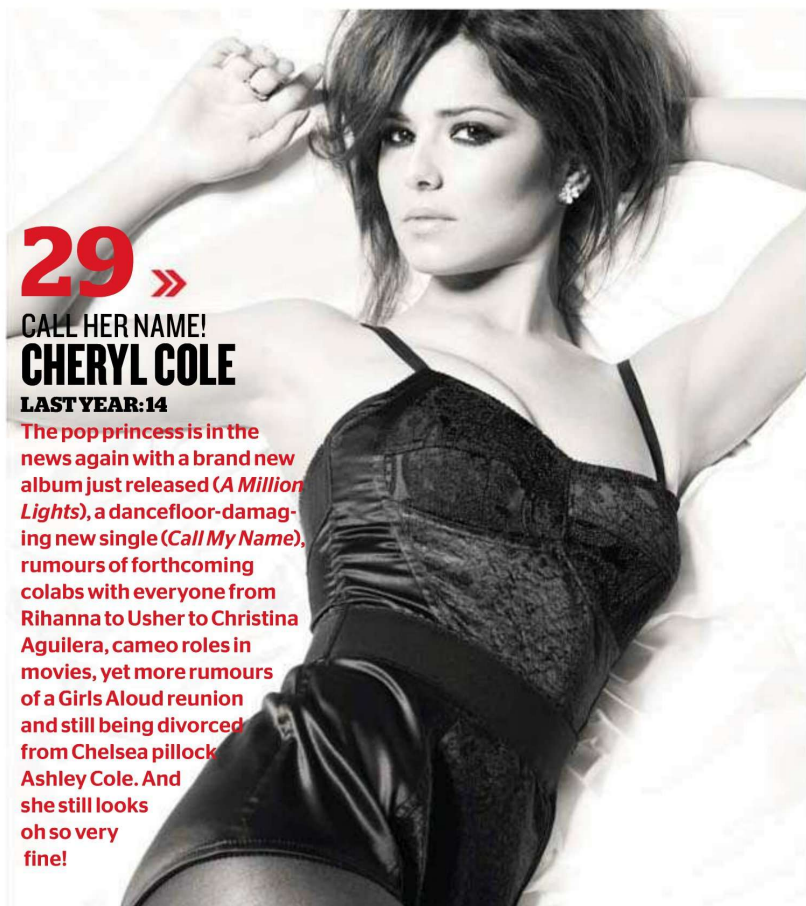

30

ETERNAL CRUSH JESSICA BIEL

RE-ENTRY

It feels like we've been appreciatively admiring Jessica Biel's hotness for a very long time. Which is weird, considering she's only 30. The star of blockbusters like *Blade: Trinity*, *The A-Team* and the upcoming remake of *Total Recall*, Biel stays as hot as the smelters at the Rand Refinery! And as prized! Which is why Justin Timberlake claimed her back in 2007. Damn him for being cooler than us. Damn him, we say!

29

CALL HER NAME! CHERYL COLE

LAST YEAR: 14

The pop princess is in the news again with a brand new album just released (*A Million Lights*), a dancefloor-damaging new single (*Call My Name*), rumours of forthcoming colabs with everyone from Rihanna to Usher to Christina Aguilera, cameo roles in movies, yet more rumours of a Girls Aloud reunion and still being divorced from Chelsea Pillock Ashley Cole. And she still looks oh so very fine!

28

LIFE'S RICH PAGEANT NICOLE FLINT

NEW ENTRY

Since winning 2009 Miss South Africa, gorgeous Pretoria-native Nicole — now 24 — placed in the top 10 and top 25 at the 2010 Miss Universe and Miss world pageants. She's also a professional speaker, TV presenter and PR person. Hotties with smarts and skills: we ask for nothing else from this otherwise cruel life.

27

ACTING ALL SEXY LEE-ANNE SUMMERS

NEW ENTRY

You might have seen her on the big screen in movies like *Prey* and *Big Fellas*. You might have seen her on stage, or in local TV productions *Rhythm City* or *Binnelanders*. Perhaps you're seeing her for the first time right here. Now, the correct response to seeing Lee-Anne should always be, "damn!".

26

SUPERSTAR SASHI
**SHASHI
NAIDOO**

LAST YEAR: 1

Revered local businesswoman, last year's *FHM* 100 Sexiest winner and, erm, a qualified chiropractor... not bad going if you're trying to overachieve and make everyone else look a little useless.

Aside from her blazing, ludicrous hotness, the best thing about Sashi is that she's a total, utter sweetheart. Ma'am, you can *totally* stay!

25 ⬆

WORLD'S SEXIEST BELIEBER SELENA GOMEZ

LAST YEAR: 90

There are many reasons to want to drop a piano on Justin Bieber, but chief among them has got to be his relationship with Selena Gomez. This talented young Texan is a pop star, actress, fashion designer and philanthropist... which we're sure is what you'll be remembering when she steams up a hot tub in her new movie *Spring Breakers*.

24 ⬇

WILD AT HEART HAYLEY OWEN

NEW ENTRY

Tragically there weren't a hell of a lot of reasons to watch *The Wild* in the early days. But not so anymore, for they have now acquired the talents of the stupendously sexy Hayley. To celebrate her gorgeous new TV-screen debut *FHM* got her into a studio and shot some blazing pics, 'cause that's just how we roll.

23 ⬆

POPSICLE PRINCESS KATY PERRY

LAST YEAR: 55

We're presuming that Katy is as much fun as she appears to be on her music videos. Because judging by those she's a whirl of laughs. These days she's also one of the planet's hottest singles having recently split from pompous Brit comic Russel Brand.

22 »

ETERNALLY HOT KATE BECKINSALE

RE-ENTRY

The gorgeous 38-year-old has been toying with the immortal undead throughout her movie career, starring in the first (and latest) *Underworld* movies, and 2004's *Van Helsing*. Which may explain why she doesn't seem to age. Look out for her in the upcoming remake of *Total Recall*.

21

THE GIFT OF GABY
**GABRIELLA
DEMETRIADES**

LAST YEAR: 39

She's been the highlight of *FHM* covers, TV screens and cricket stadiums. With good reason. A perennial local favourite, the model, actress and businesswoman has also made a name for herself in Bollywood, and as an IPL cricket babe for the Deccan Chargers. Hell, if you're gonna be big, India's a pretty good market to do it in!

20

OUR FINEST EXPORT

CANDICE SWANEPOEL

LAST YEAR: 12

We'd like to take some credit for the rise of this bonafide, homegrown international supermodel. Sure, the 23-year-old KZN native makes those magical little Victoria's Secret get-ups scream for mercy all by herself. And she's been earning top dollar on catwalks and magazine covers since she was just 16, but *FHM's* been noticing (and telling you about it) all along. It's been our pleasure...

MATERIAL GIRL CARISHMA BASDAY

NEWENTRY

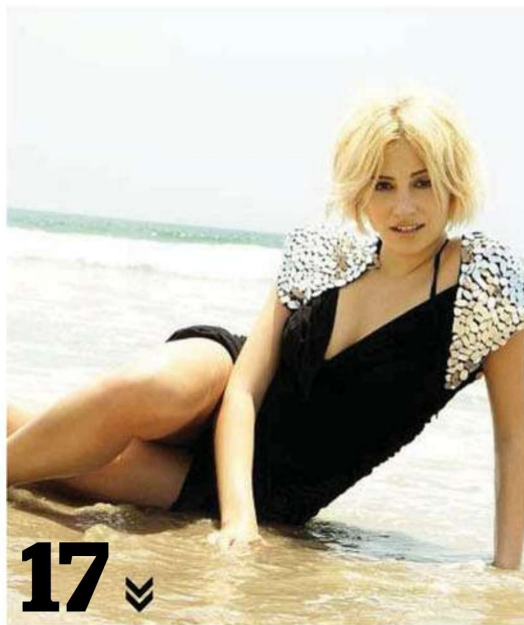

This stunning young actress originally hails from Port Shepstone in KZN and she was a massive hit while playing Riaad Moosa's love interest in hit South African movie *Material*. *FHM* featured her in April this year and were well and truly blown away by her infectious energy. While she was an exchange student in the USA, she helped out at various charities including those for Hurricane Katrina victims. What a woman.

18

SEXY'S ANSWER YO-LANDI VISSER

NEWENTRY

Yep, Die Antwoord's lady appears to be a total nut, but she also happens to be really sexy. Those videos where she writhes around in her tiny whities — sometimes with rats — are both incredibly hot and a little unnerving. But there's no denying, underneath the weird hairdo is a major babe.

WHAT A LOTT I GOT! PIXIE LOTT

NEWENTRY

This great British singer, songwriter, actress and all-round babe exploded onto the global stage with the release of her album *Turn It Up* in 2010. Since then, Ms Lott's become a regular feature on the world's hottest lists, so it's no surprise that the 21-year-old talent makes her debut this year on the hottest list of them all.

« 16 MEDIA MAGICIAN BONANG MATHEBA

LAST YEAR: 4

Her name is quite prophetic. It means "look at" in Tswana — and yes, a lot of people have been looking at South Africa's TV, radio and social media queen whose boundless energy, to-the-point manner and perfect body keep her firmly plastered to a TV screen or magazine cover near you.

GOLDEN GIRL

TRACY MCGREGOR

LAST YEAR: 49

What more can be said of this luscious McGregor sister that hasn't already been lovingly revealed in this magazine's very pages? Suffice it to say that any *FHM* 100 Sexiest list that didn't feature this local bombshell just wouldn't be right!

13

YOU CAN CALL HER MA'AM
**MELINDA
BAM**

LAST YEAR: 73

Proving the extreme pedigree a young lady must possess in order to crack the esteemed list of 100 Sexiest Women in The World (as voted for by the knowledgeable readers of *FHM*), we present the ruling Miss South Africa crown-wearer, no less! Ms. Bam presents a fine argument for all forms of monarchy (in case she has any sisters).

12

FOXILICIOUS!
**MEGAN
FOX**

LAST YEAR: 48

One can't help but vividly remember her performance in *Transformers*. That pout, those eyes, the hair, the skin, her unbelievable torso sticking out under the hood of that unbelievably fortunate car. It was one hell of a thing. Then the world found out that she was dating that Brian Austin Green chap from *Beverly Hills 90210*, and you know what, the world still loved her. That says a hell of a lot.

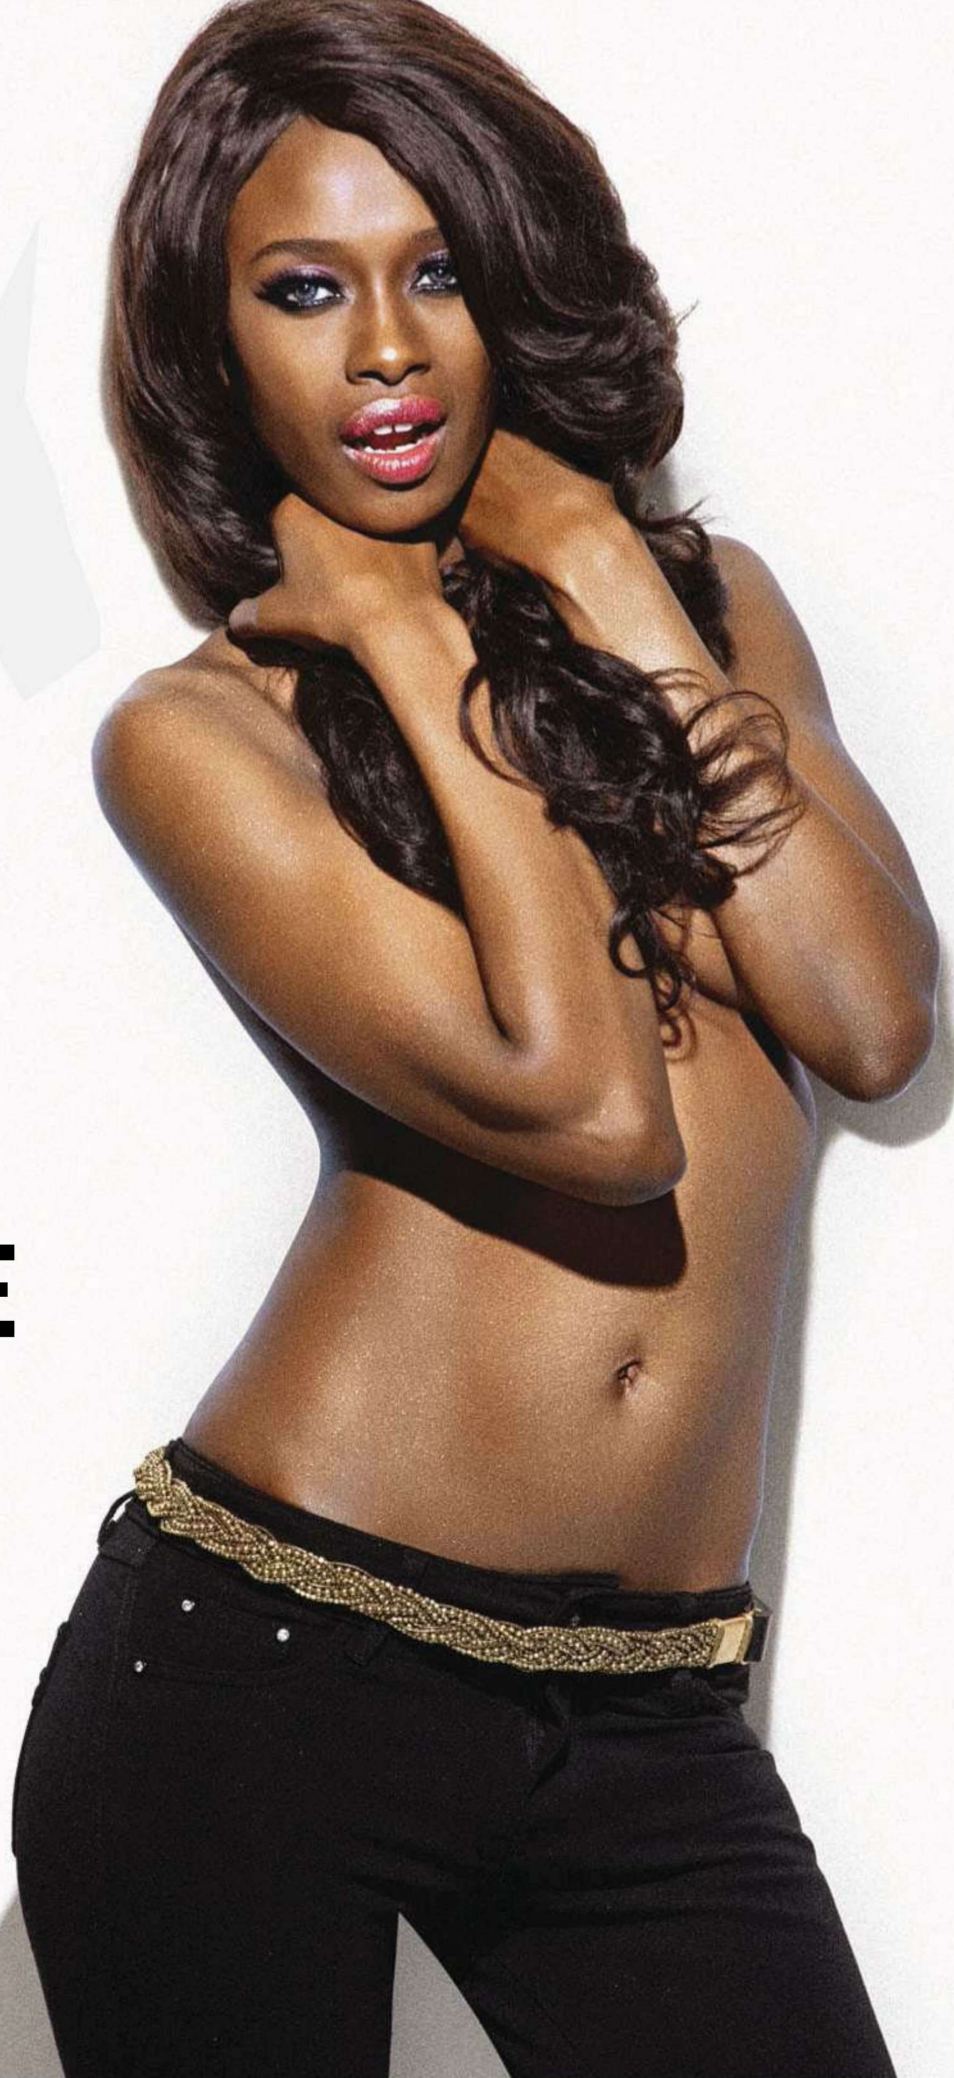

11

COOL CONGOLESE

JOËLLE KAYEMBE

RE-ENTRY

Political instability is not always a bad thing. Legend has it that in 1994, Joelle Kayembe and her family left their home in the Democratic Republic of Congo for a holiday down south and things being not so irie back home, the Kayembes stayed here and thus we inherited some long-legged loveliness in the form of Joëlle. Thanks, warring guerilla factions!

PRETORIA POPPIE
**LARIZA

NEW ENTRY

She was first introduced to *FHM* in our *FHM* 2012 Calendar, which we shot in Zambia, and where this blonde bombshell was regularly the life of the party. Then we got her into a hotel room for our March issue — that was one seriously smoking shoot and, judging by the traction it got on the Internet, the rest of the planet thought so too.

09

LOOK LIVELY, NOW
**BLAKE
LIVELY**

NEW ENTRY

A quick poll reveals that no one at *FHM* has ever actually watched *Gossip Girl*. Which is regrettable, because we only noticed gorgeous Blake Lively (and her perfect chest) years later when she was in *The Town*, alongside Jeremy Renner and Ben Affleck. Now 24, she's young and heading up the Hollywood A-list. We're off to rent season one of *Gossip Girl*. "Research" and all that... be right back.

08

SAMBA FLAVOUR
**ADRIANA
LIMA**

LAST YEAR: 78

She's made *Forbes* lists for being one of the highest earning people in the entertainment industry, has been featured in countless magazines and ad campaigns, and the day we first saw her in those famous Victoria's Secret angel wings we almost passed out from sheer awe. These days she's a mom, seriously, but she remains one of the absolute sexiest.

07

ROLLING IN THE DEEP

ADELE SEGAL

LAST YEAR: 27

Buxom, bubbly and big hearted. The bodacious blonde has made a habit of appearing on these here pages, and judging by the way her vote-counter was clicking over during the *FHM* 100 Sexiest Women In The World search, a great many of you guys are fans. Born and raised in Centurion, Adele chooses to make a difference while her mates are off watching AB de Villiers klapping sixes. Yet another scorcher with a social conscience, you boys have done well.

06

SILVERSCREEN SUPERSTAR

JESSICA ALBA

RE-ENTRY

No human alive will ever forget watching *Sin City* — Jessica Alba was pretty much scorched into our brains straight through our retinas and the image will forever remain. She's bloody nice, very friendly and always has a smile. That, and she's one of the sexiest women you or any other human will ever see. Love her, you have to.

P-SIZZLE

JENNIFER PIETERSEN

LAST YEAR: 2

The breathtakingly beautiful Jen makes the upper echelons of our list once more. Obviously. We've been in the same room as this woman before, and we're not lying when we say that it actually becomes hard to breathe. She has that kind of presence. We won't even venture into the things that happened to our thermostats when we got her into a bikini for *FHM* Calendar 2011.

OPERA DIVA DIVINE
**EMMY
ROSSUM**

NEW ENTRY

Chances are you didn't see the *Phantom of the Opera* movie, so you have no idea that wild child Fiona, the hottie from the US version of *Shameless* has a perfect soprano voice. Her big year was 2004, when she survived the elements in *The Day After Tomorrow* and played Christine in *Phantom*. For all of that, it's taken far too long to get her onto this list, where she completely belongs! Time to brush up on our Verdi...

03

SULTRY SERB

ANA TRUJIC

LAST YEAR: 21

The Serbian-born, Jo'burg stunner has ambitions to become an all-conquering actress. And there's no reason she can't. She's infectious energetic, surprisingly intelligent, eye-poppingly beautiful, a huge animal lover and a kung-fu expert. Seriously, she's like all the *Kill Bill* babes rolled into one. Be warned though, she probably doesn't take any crap.

NEWENTRY

She gets called the quintessential American girl next door, but let's be honest, there is absolutely no chance that your next-door neighbour will look like this, ever! In fact that's the equivalent of calling a Lambo an entry-level car. Kate has exploded all over the planet, done some of the sexiest shoots we've ever seen and YouTube has a collection of video-outtakes and commercials featuring Kate that nearly caused the *FHM* offices to spontaneously combust. GENEVIEVE MORTON

FHM'S SEXIEST WOMAN IN THE WORLD 2012!

WORDS: JON MONSOON PHOTOGRAPHS: STEVE TACHEL

You voted for her because you've long known something that the rest of the world is catching up on – that Genevieve Morton is scaldingly hot. She's also one of the few South African beauties making the steep transition to global success, and it's not hard to imagine why. Having heard she'd won, she jetted from New York to Cape Town for a few days just to have these dreamy snaps taken. So with endless *FHM* gratitude, and by very popular demand, here she is: the *FHM* Sexiest Woman in the World 2012. ➤

***“GUYS: BE SWEET
TO GIRLS”***

So, Gen! How does it feel to be named the *FHM* Sexiest Woman in the World?

I was completely blown away when I heard the news! But it feels great, especially considering how many beautiful and sexy women there are in the world!

Have you actually bought your own drink in a bar since you were 18?

Ha, ha! Yes, I do buy my own drinks sometimes. Guys think that if they buy you a drink, you owe them something. It should be a kind gesture, not a transaction.

Tell us about the last time a time a guy did something for you that kept you thinking about him for days afterwards.

The other day a friend of mine sang me a song over the phone to cheer me up. Needless to say I'm still thinking about it.

Has a guy crashed and burned badly while trying to catch your attention? What did he do?

I haven't really had too many guys failing badly because most get too shy to try, but you get guys who try to be mean just to get my attention, which has the opposite effect. Guys: be sweet to girls!

What always makes you feel sexiest?

A couple of glasses of wine do the trick — just kidding! I always feel sexiest when I'm wearing a pretty dress and heels. I also recently got a cool leather jacket that makes me feel sexy.

What have you been up to work-wise?

I do a lot of swimwear and catalogue shoots, but I recently shot a music video with US singer/songwriter Gavin DeGraw called *Sweeter*. It was a new experience for me, but I enjoyed it very much.

How has New York been treating you?

I love the Big Apple. It's so fun and exciting and there is always something to do. But I do miss home when I'm travelling.

Are you an old hand at flagging down Yellow Cabs? Can you whistle for one like a true New Yorker?

Well, I can only whistle very softly, so I stick out a leg with my arm in the air; it seems to do the trick every time!

Is the plan to base yourself out there full-time?

I'd like to, as most of my clients are US-based and also because I really enjoy living in such a big, vibrant city.

What's the toughest thing about getting established overseas?

The hardest part is learning how different other countries are from South Africa, and how business works in other places.

Broadly-speaking, the industry is much the same, but it's the small differences that are important.

Do you find that people are drawn to you because of where you're from, and your accent?

I think if people are drawn to me it's because I'm wearing something sexy! Then they find out I'm from South Africa and then they love the accent. People abroad are generally very interested in our country and the dynamics of the "new South Africa". I always just tell them to go visit and experience our wonderful and diverse country for themselves.

Please tell us that American dudes suck and that you're still into South African men...

Of course South African dudes are the best! You have the best sense of humour and aren't afraid to be manly.

On that note, we hear you're dating a celebrity? Please tell us it isn't Leo DiCaprio!

Not saying anything, but no, it's not Leo!

Been to any epic New York parties that the entire world should know about?

Back in February I went to a pretty special launch event, which was actually a few days of awesome parties. We even took a private jet to Las Vegas. Aside from that, there are pretty cool events happening just about every night in New York. I really enjoyed the Blossom Ball this year, it was for a good cause and a great reason to dress up.

And have you checked out the Yankees yet?

I've only managed to go to one baseball game so far, to watch the Mets. But I really enjoy watching the New York Rangers. Hockey is a fun sport to watch live. I also went to a few Knicks games but I'm still trying to get the hang of watching basketball. I try go to as many sports games as I can. It's a good way to start your evening in New York.

You clearly work out! What's your training routine?

I work out three times a week doing resistance-type training. I have the best trainer ever. He has his own special workouts that are tough but don't leave you unable to walk. I also started running again now that my ankle is rehabilitated. Running is my workout go-to.

You met and worked briefly with the Lonely Island guys. Was it fun?

It was so much fun! It worked with them on a Christmas-themed shoot where >

**"OF COURSE
SOUTH
AFRICAN
DUDES ARE
THE BEST!"**

I almost expected them to start singing funny songs to me but much to my disappointment, they didn't.

Do you get much chill time these days? What kinds of things would we catch you doing on an "off day"?

Lately I haven't had much chill time at all, what with all my travelling and university work. But when I do get some free time, I like to have a glass of wine and play a few rounds of cards with friends. Or if I'm alone, I like to find a good coffee spot and read. My Kindle was one of the best things I ever bought myself.

What was the last great movie you saw?

I went to a screening of the documentary *Bully* recently and it really hit home for me, because I was bullied at school. I felt for the kids in that film. It's a must-see. Awareness will help solve the problem.

So, the Boks are taking on New Zealand, Australia and Argentina in the Rugby Championship one of these days...we trust you'll be watching?

I'm definitely going to be watching! When I am in New York a bunch of South Africans like to get together and find a place showing the games. There's a good New Zealand bar downtown that we go to, to watch rugby. You'll find me sitting there in my Bok jersey.

Top tune on your iPod right now?

I have been listening to Gavin DeGraw's song *Sweeter*, but that's because I'm in the video, ha, ha! I also love Lana Del Rey's *Video Games* track.

If you were a guy, would you be a boob guy or a bum guy?

I love boobs and I am not even a guy!

What's your favourite restaurant or take-away order?

I love Asian food, so things like sweet 'n sour pork or Peking duck. But I actually prefer to do the cooking; I love making seafood most.

High heels or takkies? High heels

Coca-Cola or mineral water? Diet Coke

Twitter or Facebook? Twitter

Showers or baths? Baths

Cous-cous or potato chips? Potato chips

Rom-com or action flick? Rom-com. My absolute fave is slap-stick comedy, Ron Burgundy style. ★

A blonde woman with long, wavy hair is lying on a white, wrinkled sheet. She is wearing a white strapless tube top. She is looking towards the camera with a slight smile, her right hand near her face. Her left arm is extended downwards. The background is a plain white surface.
