A self described "Good Girl with bad habits,...who gets into trouble every now and then". Chyna is the type of girl you won't leave idle once you get it started; her mind never stops racing.

First of all, can you tell us a little about yourself?

Originally I'm from the Philippines...currently in Greensboro NC.

What inspired you to take pics/model?

I have modeled since the age of 8...I graduated from 2 professional & notable modeling schools & I have always been posing in every picture taken of me since I was young...everyone would tell my mom I was photogenic so she encouraged me to take a shot at it & I couldn't get enough...my first publishing I was 8 or 9 for a magazine where an artist drew me in life like for a health magazine for the cover...and once I was in front of a camera & saw the results I could produce I was convinced it was my calling... and here I am today years later.

Do you feel like your style/body type or look has changed the game or added to it?

I feel like it has changed what people are normally used to seeing...you know fake butt, fake boobs fake everything!
I am 100% natural & I am proud of that...I don't want to alter my image for the industry I want to

Technique

LADY SAGE

STATS: 5'3" 34-26-36 | SWAG LEVEL:10 | SEX DRIVE:10

PHOTOGRAPHER: Lane Studios MUA: Danielle Vasquez STYLIST: Party Gurl Fetish

First of all, can you tell us a little about yourself?

Hello, my name is Jeanne “LadySage” and I am an Air Personality & Director of Operations for Tvepn - The Slam Show. TVEPN stands for “THE VIRTUAL ENTERTAINMENT PROGRAMMING NETWORK” is a web cast & podcast dedicated to the “renaissance mindset, male & female”. Covering all aspects of current pop culture, sports, music and more! On a weekly basis I am on assignment and I interact with artists, recording artists, dj’s, photographers, models, makeup artists, and more on a friendly, organized and professional level. I’m highly experienced in fashion shows, spokes model, promotional modeling / brand ambassador/ print modeling, ring card modeling, event hosting, and import scene. My first modeling experience was with Cosplay “Costume Play” and jump started from there. Besides modeling I am also active in the MMA scene as Ring Card Girl on assignment for MMA, Boxing and Muay Thai Fights and Events and cameos on music video shoots. I am from San Francisco - Bay Area, CA. My ethnicity background is Pacific Islander

/ Filipino.

What inspired you to become a Model?

I have been actively modeling for 2 years and a published model.

My mother inspired me to be a model. She has taken such a big role in my life. She would always say I can be one of the girls in “Seventeen Magazine” and other magazine subscriptions she would purchase at the age of 15. So, she entered me pageants. It taught me confidence and learned to walk in heels. But in later life looking at Victoria Secret Catalogs inspired me. I wanted to have their body and become a lingerie/bikini model.

Do you feel like your style/ body type or look has changed the game or added to it?

I believe my style or body type has added to the game. Usually my body type is only sought after in the import scene. I consider myself curvy even though I am petite, therefore I can morph, evolve and fit into any category of modeling.

What else do you do for fun?

What I do for fun is to take

boxing & kickboxing class. It also doubles as a workout!! One of my aspirations is to be an MMA amateur fighter instead of just being the ring girl for the events.

Do you like sports? If so who is your favorite sports figure?

I do like sports, Football is what I like. During the football season I play “Fantasy Football” with the big boys. I don’t care joining an all women league, its not as challenging. I am a football fan, therefore I don’t have a specific favorite player.... So many of them.

What do you look for in a guy?

What I look for in a guy is an intellectual mind, a combination of street smarts and book smart. Health and fitness aspects, able to listen and take constructive criticism. Must be organized. I cannot leave things in disarray. Hygiene is important! That is just my short list... I can go on and on but I would like to keep it at a minimal list.

What do people say is your best feature?

My best feature are my legs. I am petite but boy.... I have been told I have legs for days.

What do you say is your best feature?

My best feature are my lips. I think my lips are sultry.

What’s the crazy pick up line you’ve heard from guys trying to get your attention?

The craziest pick up line I’ve ever heard from a guy to get my attention was: “If someone was to write a story about my life, the climax would be when I met you!”

What turns you on?

Intellectual mind

What superhero or villain do you identify with the most?

Super Hero that I can identify with the most is Storm (marvel, X-men)
Villain that I can identify with the most is Loki

Models have their own style and inspiration when it comes to pulling off a hot photoshoot; How do you get into “character” for a photoshoot?

I get into character for my photoshoot by having the right mood. Music, multiple set ups, outfits, and it’s important to have a healthy meal prior to

arrival.

What's the best thing about modeling?

Best thing about modeling is that it keeps me physically fit.

What would be your ultimate fantasy?

My ultimate fantasy is to be part of the Legends Football League - Women of the Gridiron. Playing Defense. Legends Football League was formerly known/named as Lingerie Football League.

Fill in the
blank:

I used to not be athletic but now I just completed a marathon.

Sex is better with the person you love mixed with a lil' alcohol.

Most of the times people think I'm in my mid 20's but really I'm older than that ;).

I Love my family more than anything in the world.

Life is best with balance (family, exercise, eating healthy, blissfully in love, frozen yogurt).

What goes up must come down. But when it goes down it should be age (because age is nothing but a number).

Is there anything you want to let the people know, any parting words? Any shout outs in closing?

My favorite quote Ever.... "Live As If You Were To Die Tomorrow, Learn As If You Were To Live Forever" ... Life is too short, cherish it... Follow your passion in life.

I want to give a Special Shout Out to my hubby Slammin' Sam who is my partner in life, in business & the biggest supporter of my career.

My Family, The Slam Show Crew, My Fans who has seen me blossomed in the past 2 years. I couldn't do it without my Glam team starting with my photographer Lane of Lane Studios... We do amazing work together, Along with my Make Up Artist Danielle and Stylist Latrice of Party Gurl Fetish. Everyone in my team contributes to my vision and the results are always phenomenal. Last but not least, thank you Cred Magazine for having me featured. I want to continue to work with you in the future and hoping to be in front cover.
