## AMERICAN ORGY

Hello, sluts and studs! Welcome to the premiere issue of American Orgy, the only magazine in the world where all the orgasms are multiples and lovemaking is considered a group sport. Here, you'll find experienced swingers and first-time orgiasts alike—the only constant is that the horny folks pictured here all get off on group gropes. To them, three is not a crowd, it's just a beginning! So pull up a face and have yourself a seat—the more the merrier!

# CUMMER CAMP

Welcome to Cumer Camp, located in the lush folds of Mount Me. Here, young adults have the opportunity to explore the wonders of nature and each other. Don't forget to participate in some of the fun camp contests: Wad Tossing, Wet-Slit Marshmallow Stuff, and Quim Surfing. We guarantee you'll never experience a hotter summer vacation!

# CUMSHOT CAFÉ

Hungry? Grab a plate and enjoy an all-the-pussy-you-can-eat buffet style lunch, featuring bearded clam chowder, loads of fresh-snapper, and the house special, *crème de la twat* in a spicy clit sauce. Go ahead—stuff your face!

# DOUBLE FEATURE

Nothing sucks more than paying 10 bucks for a crappy movie. Well, maybe Bolivia and Charlene suck more. They're Brad and Mike's dates for the evening, and once the film started going down the toilet, the girls started going down in the guys' laps, bobbing on their meat poles until their faces were blasted with cum. We give this double feature two cocks up!

# KEEP ON FUCKIN'

Running an eighteen-wheeler on a long, cross-country haul is hard work. Fortunately there are truck stops along the way, complete with truck stop hookers. These gallant girls offer drivers a place to park their big rigs for the night—or at least for a couple of hours—and give them a place to drop their loads. That's a big 10-4...or is it 6-9?

# MORAL FUCKERS

It's not easy being the World's Hottest Sex Mag. Ultra-conservative special interest groups are always busting our balls. Here, a group of concerned citizens are reviewing our mag in order to...hey, wait a minute! That's not a concerned citizen, that's Herschel Savage! And that uptight librarian is notorious porn slut Kristi Myst! Something fishy is going on here...at least it smells that way...

# GETTING DRILLED

Everybody hates going to the dentist. But imagine how much better it would be if that hot hygienist who cleans your teeth were to unbutton her blouse and let those big, floppy tits of hers swing in your face. Or if that hot receptionist came into the examining room and started fishing around in your pants. Picture both of those hot chicks playing with your cock and balls while you lay there with a drainage tube in your mouth and a nitrous oxide mask on your face. Now the dentist walks in and it's Ron Jeremy—okay, now you're imagining a little too much...

# GROUPIE GROPE

A girl never forgets her first rock concert. She and a friend hop a bus to the big city and get to the stadium hours before the show starts in order to enjoy the tailgate parties. Then two half-creepy/half-cute guys invite them into their van for a cocktail, and before long the girls' tails are stretched wide with cock and they're chugging cum straight from fleshy man-spouts. Yes, a girl never forgets her first time...
