Call me blind because I can NOT see. We have had Lela Star in our content file for who knows how long and not once did I make the connection with the outstanding photos that we've shared within these very pages and the fact that she was a porn star.

I always thought that she was just an amazingly sensual model with a great ass.

It wasn't until a VERY random search that I noticed a clip with a very sexy woman, I click on it...of course, and there is Lela Star - still no connection! I look through her photos and find one that we've featured and as the saying goes...if it was a snake it would have bit me!

This Cuban American made her debut in a Barely Legal film at the narrowly lawful age of 18 and has appeared in over 100 scenes.

Here's her **NGM** report card...

## Kinky Lesson

By Anonymous

One night during dinner, my girlfriend asked “You want to do something kinky tonight?” I said “Sure, what did you have in mind.” “I picked up a few things today and I was hoping to use them, if you’re game,” she said. Excited I replied “I’m in!”

Talia was a 5’5” Puerto Rican woman with one of the roundest asses that I have ever seen in outside of a porno. We had been dating for a little over a year. The first time I saw her she was wearing a tight leopard print dress and her hips were so wide, with such an incredible ass that I actually thought it was fake.

We moved in together about six months into our relationship and despite having a very healthy sex life, she had never proposed anything like this.

After dinner, we rushed to the shower.

“I want you to give me a golden shower,” she said. “What the hell is a golden shower?” I asked, completely lost in the moment as my mind ran through a dozen things that she could have been referring to. Talia looked at me and rolled her eyes as if it should have been obvious. “I want you to piss on me.”

She turned her gorgeous round ass to me and smacked her right cheek as an indication of just where she wanted me to relieve myself.

I played along and delivered a steady stream of urine across her ass as she slowly massaged it into her flawless skin.

When the stream stopped, she slowly sank to her knees and placed my limp cock into her mouth. She sucked until it was fully erect, then abruptly stopped, spit on it, jerked me off for a few seconds and then looked at me with an almost devious smirk before washing the urine from her ass and hopping out of the shower.

When I got out of the shower and made my way to our bedroom, I found the door was locked.

“Just a minute,” Talia said.

After what had just happened, it seemed like a lifetime before I heard the lock of the door click and Talia saying “Okay, you can come it.”

I opened the door to find Talia standing there with handcuffs in one hand, a blindfold in the other. She was wearing a pair of black sheer crotchless panty hose and a pair of her black heels.

Our camera was mounted on the tri-pod next to the bed, every single lamp in the room was on, the candles next to the bed were lit and there was a black suede flogger, a tube of lube and a pink battery operated dildo on the bed...she **had** picked up a few things.

She handed me the handcuffs and blindfold and walked to the bed. I checked the camera and it was already recording, set up perfectly to capture everything that was about to happen in our bed.

Without saying a word she laid on the bed and rest both of her wrist against the iron headboard. I hand cuffed both of her wrist and fixed the blindfold over her eyes.

She twisted and turned to get comfortable before instructing me to drip the candle wax on her nipples. I did as I was told and dribbled the hot wax along her nipples and breast while she quivered.

“Okay..okay, stop,” she said after her breast were nearly covered in dried candle wax. I took the dildo, set it to it’s lowest setting and placed it on her clit as I slowly thrust my tongue in and out of her moist slit. Her moans and groans, the sweet smell and taste of her juices made my cock throb, pulsating with every heartbeat.

I changed the setting on the dildo to its highest setting, the hum of the device was so strong that it made my hand tingle. I slowly slid it inside her while licking her clit and within minutes her entire body began to shiver as she reached her orgasm, leaving the dildo soaked in a creamy white liquid.

Gasping for air she asked me to turn her over.

She positioned herself and again placed her wrist on the headboard for me to handcuff again. I fasted her to the headboard, she raised her ass in the air and said...“Whip me.”

I took the flogger and slapped it lightly against her backside.

She jerked her wrist back, yanking the headboard so violently that it shook the entire bed, “What the fuck is wrong with you?” she screamed. “Fucking hit me!”

With that, I flogged her like I was punishing her for breaking the law in a third world country.

Her yellow ass turned bright red and she began to gyrate as if she was having another orgasm before she dropped flat on her stomach and I stopped.

Her body was covered in sweat, she looked as if she had just ran a marathon. She was completely flushed and yet the look on her face was one of a woman who had just been fucked for the first time.

Smiling, she said “Now fuck my ass.”

The almost vicious beating had left me completely limp. “I don’t think I can,” I replied.

“Let me loose,” she said.

I took the handcuffs off, noticing that he wrist were glowing almost as brightly as her ass. She rubbed them, like a criminal that had just been set free on some cop show.

She went to work on my cock with her full lips, bringing it back to life before grabbing the lube and working it over every inch until I was rock hard and oiled. She moved back into her face down ass up position and I forced myself slowly into her pink rosebud entryway.

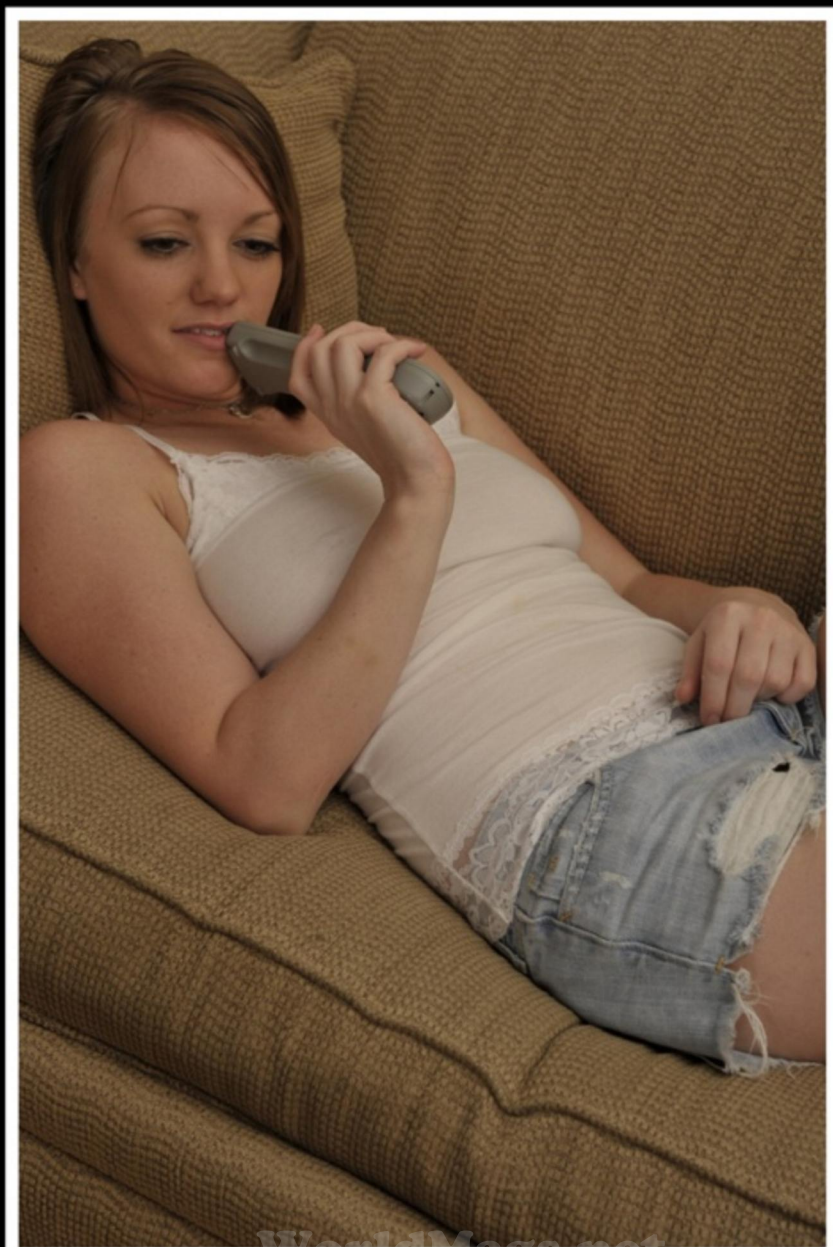

It was so tight, it was almost painful. Her asshole was gripping my cock like a fleshy vice grip. It was a lot tighter than her pussy and I experienced both pleasure and pain as my cock thrust back and forth inside her.

She rubbed her clit and fingered herself as I plunged deep inside her other hole.

As she reached orgasm her asshole tightened, clutching my cock to the point of ejaculation. I pulled out and the first shot out had enough velocity to actually skip across her back and settle into her curly black hair. I continued to spray cum across her ass and fingers...I have never came that hard, it was amazing. We were together for another five years and though there were glimpses of that night it never got that kinky again. As for the tape, I watched it once and deleted it.

CANOGA PARK, CA — Elegant Angel has released Best New Starlets 2014, the newest volume in its signature series featuring some of the year's hottest newcomers. Directed by award-winning performer and director Asa Akira, the showcase stars Kennedy Leigh, Teal Conrad, Presley Hart, Cindy Starfall, and Casey Calvert. "These girls are my personal choices for the Best New Starlets of 2014," said Akira.

"They're obviously beautiful, with exceptional sexual charisma. In addition to that, I chose them for their lovable personalities and intelligence, which I made sure to capture in the movie's in-depth interviews. It was important to me to give fans the complete package. It makes for a much hotter movie!"

## Flick of the Month

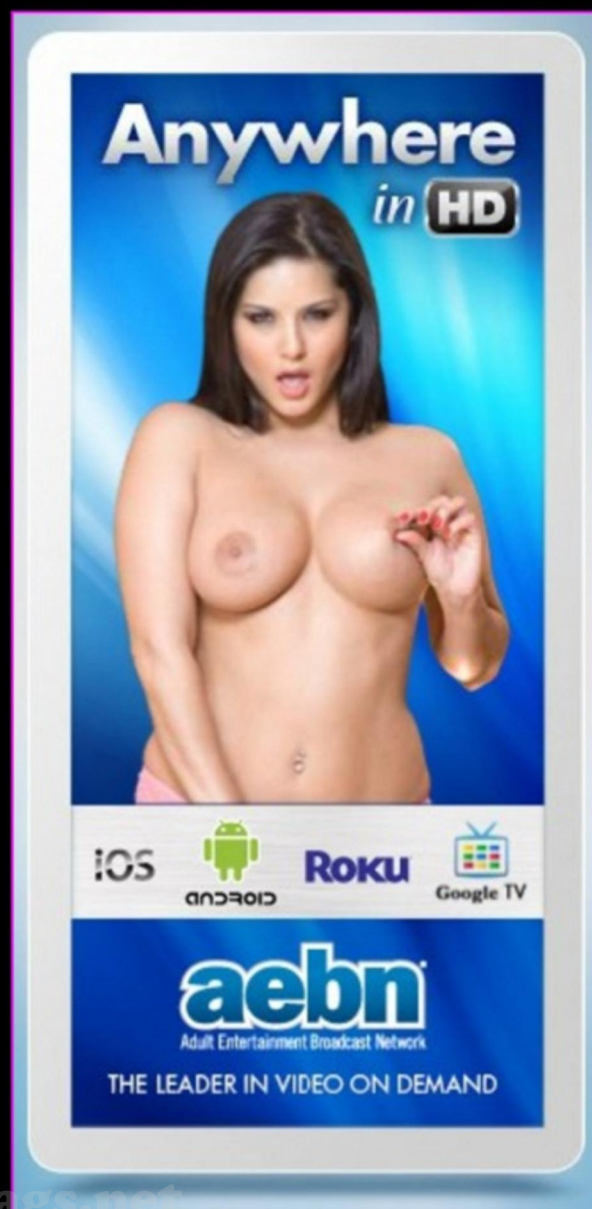

These young tarts are learning how to please the pussy from older, experienced muff-loving women. Watch the teaching process and see these older/younger lesbians pleasure each other to no end!

Asa Akira helms this sensual but very erotic four-scene lesbian jerker that shows Akira's talents in front of and behind the camera.

Taking over the Teach Me series from former Elegant Angel director Mason, Akira's style is much more free rein, as she completely lets the talent go off into their own sexual zone while she merely follows them.

The results in her second directorial effort are nut-busting to say the least.
