MONICA SANTHIAGO

Porn Star of the Month

Here are the stats...

Name: Monica Santiago

Aliases:

Date of Birth: April 1, 1975

(38 years old)

Place of Birth: Brazil

Country of Origin: United States

Career Status: Retired

Eye Color: Brown

Hair Color: Black

Measurements: 33B-25-39

Fake Boobs: No

I have a weak spot for Latinas!

The very first time that I saw Monica Santiago in action I just thought she was astonishing.

In the scene that I watched she was down on her knees, taking a huge cock to the back of her throat.

She was skilled, with a nice round ass!

It wasn't until the couple went inside for a little riding action that I knew she was just way too much! The way she rides dick would make any bull rider jealous.

Her tits are mega small but for what she lacks in chest, she makes up for in ass and hips.

Believe it or not, before Monica made her debut in porn she was actually a kindergarten teacher for eight years. After losing her teaching job she worked as a call girl before being approached by porn actor *Don Picone* to enter the adult business. She shot her first scene in 2006 at 31 years old. She retired in 2010.

Here's her **NGM** report card...

When I went to pick Dena up for our first date, there was already a party going on.

She was hanging out, having a drink with her brothers and their friends in a their three bedroom apartment that was almost twice the size of the studio apartment that I had across town.

The music was low and they were all sitting at a table, playing cards and drinking when I came in and I hadn't been in the place for two minutes before one her brothers offered me a beer.

I sipped on a Budweiser while Dena finished her drink and went back to the back to finish getting ready.

It was our first date. I met her at a club where both of us were regulars, truth be told we were pretty good weekend friends. She was a friend of a close friend and we al had shared a few drinks and good times for weeks before I decided to ask her out.

True Confessions

Apache

By Anonymous

↔ She was a gorgeous full blooded Apache princess with an intoxicating personality and amazing body. She was about 5'4" with beautiful brown skin, the product of the Arizona sun and long black hair.

I was attracted to her the first time I saw her but since she was a part of my inner circle of friends I didn't want to take the chance on any type of relationship. We all know how that would go if things were to end badly...one of us would be out and since I was the outsider I was certain that it would be me.

When Dena finally returned, she was absolutely stunning. She was dressed in a pair of form fitting white jeans with a colorful blouse that seemed to be an advertisement for her native American heritage.

As we walked to the door we were stopped by her oldest brother..."Hey, don't fuck my sister."

The group busted out into laughter!

Dena just looked at me as if she was waiting for me to say something. I could feel my skin turning red as I nervously turned to him and said "Okay."

More laughter!

That was all I could come up with. I mean how often does anyone have to respond to something like that?

On our ride to the restaurant we talked about our friends and some of the things that had happened during our times at our hangout. We generally just got to know each other better. I learned that she was a teachers assistant at a high school in Tempe and that she was still working on getting her bachelors degree at ASU.

She had ended a relationship with her high school sweetheart a little more than a year earlier and this was the first date that she had been on since her break up.

We had dinner at one of my favorite Mexican restaurants and after a few margaritas Dena suggested that we go back to my apartment for a night cap and movie before I took her home.

We stopped at drive thru to pick up a couple of six packs before we made our way back to my apartment.

When we got to my apartment, she immediately made herself at home, opening a beer from her six pack and heading right to my stereo to put on some tunes.

I opened a beer and relaxed on the couch while she went though a few of my CD's before selecting a song...**Freak me** by Another Level.

I sat and watched as she guzzled her beer and danced around the room. When she finished her beer, she put the bottle down and started to strip.

She stepped out of her heels, then unbuttoned her shirt and slid out of her jeans until she was dancing in nothing but her bra and panties.

When the song was over she asked if she could use my restroom. When she came back from her trip to the facilities she danced back into the room to the next song.

I just sat there, drinking my beer and enjoying the show.

When the song changed to **Monica's** For you, I will...Dena slipped out of her panties and walked over to me.

Our first kiss was deep and passionate.

She stood up and pressed the fine hair of her slit against my face and I lapped at her moist pussy like a parched dog at his water bowl in the middle of summer.

As she began to reach her climax, I grabbed her ass and forced my tongue inside her as she stiffened and scratched at the wall. She crouched over me and kissed me again, licking away her juices from my tongue as I undid my belt and pulled slipped out of my jeans.

I held my throbbing cock in position as she slowly inserted the tip inside of her soaking slit. She rubbed her clit as I removed my hold and allowed her to ease every inch in.

She grabbed my shoulders and slowly moved her hips up and down, riding me until she reached a second orgasm while I sucked on the nipples of her ample tanned breast.

Her vaginal began to tighten around my cock with every upstroke as she rode me to the point where I yelled "Shit, I'm cumming...I'm cumming!"

She pulled me from inside her and positioned herself to take my ejaculation in her mouth faster than a Nascar pit crew changes a tire.

The first shot settled into her hair as she managed to get the remaining pulsating shots into her mouth, allowing it to flow from her mouth and back onto my cock before sucking me clean and washing it down with what was left on my beer.

We went to bed and as I drifted off, I thought of what her brother had said about not fucking his sister, he hadn't said anything about his sister fucking me.

ARIZONA—Proposed legislation that would make it a class 5 felony to share a nude photo of someone without their written consent has been approved unanimously by the Arizona House Judiciary Committee, despite concerns by some members of the committee that HB 2515 is vague and may still contain some First Amendment problems. According to the Phoenix New Times, one specific question is "who exactly would be charged with a crime for sharing

The bill's sponsor, GOP Representative J.D. Mesnard, said he is willing to tweak the language to mollify concerns, saying, "I am a strong supporter of the First Amendment; I don't think this is what our founding fathers had in mind when they put the First Amendment together—obviously they didn't conceive of smartphones, among many other things.
