**Place of Birth:** California

**Country of Origin:** United States

**Career Status:** Retired

**Eye Color:** Green

How super-duper sexy is Mia McKinley?

Her first professional photo shoot was for Playboy! I'm sorry gentlemen but you can't beat that with a stick the size of planet Earth.

She was also in Playboy's Hot Housewives in the Fall of 2008.

Most recently she was interviewed by D.Dibrell for our sister magazine [Top Floor](#).

Even with the recent interview, there isn't a whole lot of information available on Mia. I mean we know what she likes and doesn't like in men and other things of that nature but we really don't know

What we can tell you is that she feels that she's gotten better at deepthroat, she DOES NOT discuss her personal life and for the most part, outside of her modeling and Clips 4 Sale, she leads what she describes as a pretty boring life. She may lead a boring life but she's brought plenty of excitement to ours.

Here's her **NGM** report card...

## The Offer

By Anonymous

She extended her hand to complete her friends over the top introduction, "Hi, nice to meet you."

"Nice to meet you to," I said to her and then walked away.

As far as I'm concerned there are two ways to respond to something like that. You can be a dick and have some girl who may have had too much to drink sucking your dick in the parking lot or just play it cool, assess the situation and follow up. The first one could get you in trouble and the second could lead to a guilt free piece of tail for the evening.

I have to admit that Morgan was super hot. She was about 5'2" with a gorgeous face and a set of tits that seemed to be trying to escape from her low cut blouse...push up bra be damned!

After I grabbed my beer, I made sure to make my way back to where Morgan and her friend were sitting. I found Morgan sitting alone. Her friend was out on the dance floor performing everything short of sex on some guy who was seemingly more than happy to oblige.

"Hey," Morgan said reaching out to grab me.

"Hey...do you want to dance?" I asked.

She hopped from her stool and we made our way

I hadn't been in the club for five minutes when someone grabbed me by the arm as I made my way to the bar.

I turned and found an lady in her late forties dressed like she was on her way to church clutching my arm with a huge smile.

"Excuse me, what's your name?" she said. I could tell that she wasn't completely drunk but she was definitely feeling pretty good.

"Daryl," I replied as I tried to politely pull my arm away from her death grip.

"Well, Daryl I would like to introduce you to Morgan and she gives the best damn blowjob in all of Texas!"

My attention switched to the blonde sitting on the stool next to her whose shocked look quickly turned to an adorable smile.

to the floor. I could tell that she wasn't nearly as drunk as her friend as we danced to a few songs. Based on our introduction, I would have thought that she would have a least grinded on me a bit but she kept it clean.

We shared a little small talk and as the club closed she asked if I wanted to go home with her.

You're damn right I did!

I let my wingman know and we headed out. I t seemed like we drove forever and I got a little concerned that I might not be able to find my way back home.

When we finally got to her apartment, it was just short of amazing. The space was huge, clean and nice furnished...she just might have had a bit of money to have a place like that.

I took a seat on the couch and before my ass could get settled in the cushion good, Morgan had her blouse and bra off as she dropped to her knees and began to go to work at getting my pants off.

She pulled my pants to my ankles and went straight to work.

She licked and sucked at my balls as she jerked me off to a full erection before implanting my cock deep inside her throat.

Not bragging but I DO NOT have a small dick and this chick was taking every inch like she could swallow a cucumber whole.

She was like a revved up crankshaft working my cock in and out of her throat at such a high speed that it was unthinkable that she hadn't stopped just to inhale.

The ferocious attack on my cock was so extreme, I thought she had either gone insane or she was the resurrection of Linda Lovelace with a clit buried deep inside her throat.

It's embarrassing to admit that it took less than five minutes before she grabbed her tit and jerked my load on to her erect nipple. I came so hard that my back arched and the first shot of ejaculation shot over her shoulder. If I had to guess it may have taken about two or three minutes...she was good!

I just sat there in a daze while she took off the rest of her clothes and went about finding my "wet spot" in her carpet and cleaning it up.

After, she invited me to her bedroom and we fell asleep.

I woke up the next morning in an unfamiliar place with a completely naked beautiful blonde laying next to me.

I took a moment to gathering my bearings before waking her up by sucking on those perfect tits and climbing on top of her.

Her blowjob from the night before was more than worth some sort of retribution so I hooked my arms behind her knees and slowly worked my cock into her tight hole.

Once I was inside her and I could feel the moisture had built up to the point that I was sliding in and out easily...I pounded that pussy like my cock was a jackhammer trying to drill my way to China.

Her screams filled the room until she finally reached her climax. I slowed for a moment, giving her time to enjoy the moment before plunging into her again until I left my load inside her.

To this day it's possible that I may have a child that I don't know about because I definitely filled her with a full load. After our second go around, we got dressed and she took me home.

We exchanged numbers but I didn't call her and she never called me.

Over the years she might not remember me but I will never forget the best blowjob in Texas!

Tawdry Stories Of Lesbian Love

## Flick of the Month

Tawdry stories of lesbian love! Extra naughty lesbians in lingerie! Buxom babes in XXX action!

Since Vol. 5 (2010), this series has averaged only one release per year, and this one is well

worth the wait.

Shot in the style of the years following WW2, including wardrobe, music and themes, these girls-only cheesecake photo and 8mm movie sessions, with everyone in glam full-body lingerie attire, naturally evolve into teasing and seductive lesbian action. With the emphasis being on buxom women, Siri and her huge hooters lead the action and appear in two of the four scenes: opposite Jayden Cole and Jelena Jensen.
