What are the attributes of a great porn star?

In my opinion, there is only one...balance!

An adult actress has to find the proper balance between seeming vulnerable while at the same time aggressively give herself to her partner.

They have to sell the fantasy to the viewer and Alina Li does that BIG TIME. Her size makes her seem so fragile as she begs to be fucked harder.

Then, when she's satisfied, she squirts her gratification all over her partner.

Perfect!

True Confessions

Co-worker

By Anonymous

Rachel was someone that I worked with. She was about 5'5" blonde with a very attractive face but someone that I had never really paid too much attention to. She a bit on the chunky side, not fat but definitely full-figured. She had nice blue eyes and a pretty decent personality but in the place that I worked there were plenty of more attractive women that just kind of made her seem kind of average.

The one thing that she did have going for her other than her looks was her really large breast, which all the guys seemed to notice just as much as she made them noticeable but like I said she was about middle of the road when it came to the other women in the office who were a bit more fit.

She would have never been on my radar if it weren't for the fact that one day, when I just happened to be wearing a tight fitting shirt, she came to my desk and whispered in my ear "You look really hot today."

After she said it she looked at me like she wanted to do something. The look she gave me after she said it and the fact that she had whispered it in my ear made my parts stand up and take notice...immediately!

Whose wouldn't?

Over the next few days I started asking her if she wanted to go on break together. We talked and got to know each other. I found out that she had a boyfriend that she had been dating for a while. They were planning on moving in together and eventually getting married.

I figured that was that and I took what she had said as just a compliment that wasn't going to go any further than that.

Until one day she asked me to meet her on my break in an empty area of our office building that had been cleared out for remodeling.

Of course all kind of thoughts went through my head as I headed over to meet her. The section of the building was so deserted that it would have been possible for us to have sex right there without anyone noticing.

I was hard enough to spilt diamonds as I walked over to our rendezvous.

I actually had to search for her through the different areas that were under construction until I finally found her leaning in a dark corner far from our work area.

I said, jokingly "What are we doing, playing hide and seek?"

"No, I just wanted to show you something and I

wanted to make sure we were alone.”

This peaked my interest and woke me up down-stairs. As I walked over to her, she pulled up her skirt revealing her lace panties.

We kissed for about thirty seconds until I grabbed her breast. She stopped, pulled her skirt back down and started to walk away like nothing happened which really pissed me off.

“Wait, where are you going?” I said.

She said “Back to work.”

So I sat with a rock hard dick while I watched her work across the room for the rest of the day.

Fucking tease! How the hell had I fell for that? She had already told me that she was with someone and here I am trying to hook up with this average girl that’s trying to play me for a fool.

Over the next few weeks, I really had just forgotten all about it until she came and asked if I wanted to ride with her to pick up some lunch.

It’s lunch time, she’s hungry, I’m hungry so no harm no foul.

We’re riding along when she pulls off on a side street that lead to a wooded area not far from work.

My first thought is “What the hell is this about.”

She pulls into the wooded area, put the car in park, pulls off her shirt then pulls her bra up unleashing those massive tits.

She looks at me and says “Are these big enough for you.”

I don’t even have time to respond before she is unzipping my pants and pulling my erection out, placing it in her mouth before I can really gather myself and realize what’s happening.

I adjust my seat as she’s going to work on me. I’m taking it all in as I begin to play with her tits.

I have a tit in one hand and my other on the back of her head making sure she takes every inch.

She’s got her hands down her pants keeping her motivated. I’m not sure if I should try to get her in the back seat for some in and out or take advantage of what I’m getting. She seems content in whatever she’s doing to pleasure herself so I just sit back and enjoy the ride.

After whatever she was doing seems to lead her to her climax, she goes for the full out assault on my cock, wrapping those huge breast tightly around my cock and working them up and down wildly until I reached my moment.

I came hard into her mouth, holding onto both tits as my back arched.

She continued to suck until I began to go limp, fully satisfied...and still hungry.

We got ourselves together and still had time to pick something up for lunch.

We never got together again. I’m not sure if she ever moved in with her boyfriend or whether or not they got married.

It was just another amazing experience that I enjoyed and a true confession that I have the pleasure of sharing with you.

Naughty News

NATAL, BRAZIL - In the 2014 FIFA World Cup soccer tournament everyone knows what #TeamBJ has in store for for their followers if either the USA, Brazil, England or Germany wins the World Cup, many of the poor soccer players themselves are in for a tough time, sexually speaking, as the playoffs get closer.

"If a player can't go one month or 20 days without having sexual relations, then they are not prepared to be a professional player," said Miguel Herrera, manager of the Mexican team. "Forty days of sexual abstinence isn't going to hurt anybody."

Herrera's philosophy is shared by several other team managers, including those from Spain, Germany and Chile. On the slightly brighter side is Bosnia/Herzegovina team manager Safet Susic, who's also banned his players from having sex during the games, but he's amenable to the players finding "another solution."

"They can even masturbate if they want," Susic said. What a guy!

However, Brazilian team manager Luiz Felipe Scolari has a tougher tightrope to walk, considering that prostitution is legal in Brazil, so how can he expect his team to avoid bed-bouncing altogether? Answer: He can't.

The thing is, though, although coaches have, probably for centuries, warned their athletes to abstain from b.j.s and intercourse for some period before the "big game," turns out there's no scientific evidence to back up the idea that players don't play as well if they fuck before taking the field.

"Coaches over the past four, five or six decades have stated that their players should not engage in sex before athletic events because it will weaken their performance, without any serious research to support that or any base of scientific theory to understand why that's wrong," said Tommy Boone, an exercise physiologist at the College of St. Scholastica in Duluth, MN, and author of *Sex Before Athletic Competition: Myth or Fact*. "There simply isn't anything in the medical literature to support abstinence."

And Boone should know: In a 1995 study, he challenged 11 men to a treadmill test. "Some had sex 12 hours before the test. Some abstained," noted a Discovery News report. "Results, published in the *Journal of Sports Medicine and Physical Fitness*, showed no difference between the groups in how much oxygen their hearts needed or how efficiently their bodies used oxygen."

On the other hand, Brazilian officials have apparently decided to lend those managers a hand with the abstinence approach. Over the past few weeks, police have closed down hotels where prostitutes see clients and nongovernmental organizations have stepped up their outreach to "at-risk" children, many of whom could be seen on the streets of the city offering sexual services to anyone who drives by. In fact, Natal has been known as a hot spot for sexual tourism for a long time.

All you'll have to do is officially follow Sara Jay or Siri on Twitter, go out there and win a trophy, then line up with the rest of their followers for your free b.j.s!
