## *Porn Star of the Month*

Here are the stats...

**Name:** Tila Nguyen

**Date of Birth:** October 24, 1981

(32 years old)

**Place of Birth:** ?

**Country of Origin:** Singapore

**Career Status:** Active

**Eye Color:** Brown

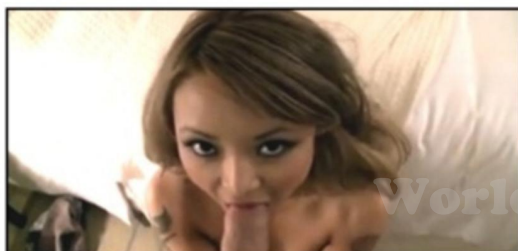

**Hair Color:** Brown

**Measurements:** 34B-24-36

**Fake Boobs:** Yes

The *MySpace* sensation is still a phenomenon that I can't wrap my mind around. It's not because she isn't sexy, though if you follow her Facebook post, she is a little strange. It's the fact that she has somehow managed to stay relevant via a career in porn without becoming an actual porn star.

If you search for nude images of her you'll find a mix of celeb photos, nip slips, upskirts, nudes and the **occasional** porn photo. In comparison, if you search *Sunny Leone* nude - BOOM- hardcore photos. It's amazing to me how the very thing that is keeping her in the public eye seems to be a small blip in her public profile.

Here's her **NGM** report card...

## Ride of my life

---

By Anonymous

I know that normally I writing about some new girl that I met, some great adventure that I've had or an incredible one night stand but this time it's about a person that I had been dating for couple of years.

Someone that I actually lived with.

Her name was Reyna and for the purpose of you getting a visual...She was a Latina about 5'3" tall with some of the widest hips and one of the largest backsides that I have ever seen on a woman her size.

That was one of the things that had initially attracted me to her. The first time I saw her, she was wearing a really tight fitting dress and I looked at her ass and my first thought was...that couldn't be real.

Of course, this was way before women could get the instant "fix a flat" for their backside so I just thought there had to be some padding or something that was making her ass look so perfectly round.

I learned the first time that we were intimate that it was VERY real. I really didn't get a good chance to look at it during the act the first time we had sex but when we took a shower after, I had the chance to get a good look at what, I will again say, was

the largest, most perfectly round asses I have ever seen.

So it goes without saying that Reyna was a woman that I wanted to keep a hold of. Truth be told, I'm really a breast man. Reyna didn't have huge breast but she was sporting a very ample C-cup so she was very close to being the perfect package.

So on with the story...

I usually got home from work about 45 minute before she did and I usually left before she got dressed for work.

On this particular day she came in wearing this very sharp skirt outfit that I hadn't seen before. I was sitting on the couch watching television and when she walked in I told her that she looked really nice, very sharp.

That must have made her day!

She kicked off her heels, got out of her pantyhose then looked at me and smiled and she pulled off her panties and dropped them right there at the front door.

She came over, pulled her skirt up and straddled me. Just a side note - I'm not sure if you are familiar with the smell of a woman that has just put in a hard days work but it's a lot different from a woman that has sat at home on her ass all day.

Super sexy!

So we start to go at it, some of the regular stuff...nothing fancy.

After you have been with someone for a while, sex almost becomes a rerun. You know what gets them off and they know how to get you off so you just replay the last encounter and go away happy.

I go down on her because I know that how she gets off AGAIN the smell of a woman that has worked all day is such an aphrodisiac!

She reaches her orgasm and then tells me to take off my clothes and lay down on the floor.

Ahh, something new!

If you're in a relationship, you know that if you're lady suggest something new then some real nasty shit is about to happen.

I did as I was told and got undressed and laid in the middle of the living room floor. Reyna took everything off and eased me slowly inside her reverse cowgirl.

She had the whole vaginal muscle thing down to a science. She could ease down and then tighten like a vice grip on her upstroke...the only thing I can compare it to was it was like she was using her hand. She could tighten and release her vaginal walls on command.

Luckily, I was used to that so as she slowly moved me in and out of her, tightening and releasing, I was able to hold it together.

Then she hit me with something completely new!

She got on her fit and did something that I really to this day can't explain but I will try my best so that you can get a visual.

She changed it up.

She would tighten as she went down, then loose up. It was like she was jacking me off only she was using her pussy to do it.

It was the most amazing sensation that I have ever felt.

She started off slowly and then just kept building up speed until her ass was just flopping up and down like a jack hammer.

I came so hard that I think I might have lost a lung!!!

I actually started laughing because it was just so fucking incredible.

She knew what she was doing because she started laughing too.

"I just fucked the shit out of you," she said.

And all I could say was "Yes you did."

Even though I'm sharing this story, I can't really explain or should I say put into words, the actual feeling of that experience.

There are a lot of women out there that are talented in the bedroom but I'm willing to bet my left foot that even with all their twerking skills they can't touch what I experience that day.

**Hustler** first hit the presses 40 years ago this month, the first building block in the empire known as Larry Flynt Productions.

**Amateurs.** One of Larry Flynt Productions' enduring contributions to porn was Beaver Hunt, a feature in Hustler showcasing nude photos of amateurs that became a stand-alone magazine in 1974. Though longer in print, the search goes on at BeaverHunt.com.

**Bars & Clubs.** In early 1965, Flynt bought his mother's bar in Dayton, Ohio. He was soon making \$1,000 a week and used the profits to buy two other bars. In 1968, Flynt opened his first Hustler Club in Dayton and built a chain of clubs in Ohio. By the early 1970s, he had eight clubs before he switched to publishing. Then, in the early 2000s, LFP began to license the Hustler Club name. There are Hustler Clubs in several states—California, Illinois, Louisiana, Maryland, Missouri, New York, Nevada, Ohio, Michigan—as well as three foreign countries: France, the United Kingdom and Australia.

**Cams.** In late 2010, Hustler announced the launch of HustlerCams.com, offering live shows.

**Distribution.** Flynt created Larry Flynt Publications in 1976, a privately held company that published magazines and also controlled distribution. After 1986, LFP also distributed mainstream titles. In 1996, LFP sold the distribution business.

**Electoral Politics:** In 2003, Flynt ran in California's gubernatorial recall election, scoring seventh place—though it was hardly the only time he had attempted to influence politics (see below: "Quest for Liars").

**Falwell, Flynt and Free Speech.** Jerry Falwell sued Flynt over a 1983 cartoon, alleging libel and intentional infliction of emotional distress. The Supreme Court eventually ruled in Flynt's favor, strengthening free speech rights in parodies of public figures.

**Lingerie & Apparel.** Hustler-branded merch is another major component of the LFP empire—take, for example, the attention gained when rap superstar Jay-Z was photographed wearing Hustler gear in issues of The Source, Rolling Stone and US Weekly. In 2008, Electric Eel became the licensee for Hustler Lingerie; the next year it gained exclusive, global rights to manufacture, market and distribute the brand. In September 2012, Electric Eel became the global licensee for Hustler Novelties as well.

**Membership Sites.** In 1995, the company launched Hustler.com. Currently, LFP Internet Group operates more than 60 adult sites, including Hustler.com, HustlerMagazine.com and HustlerHollywood.com—as well as the affiliate program HustlerCash.com.

**New Frontier.** In 2012, LFP Broadcasting acquired Colorado-based New Frontier Media for approximately \$33 million, beating out two other suitors: Longkloof Limited, headed by a disgruntled former New Frontier shareholder, and adult powerhouse Manwin. LFP President Michael H. Klein commented at the time, "The acquisition of New Frontier Media fits perfectly with our strategic plan for the growth of our company. The addition of these assets to our portfolio strengthens us significantly moving forward."
