“Do you want to come over and get high with me?”

My first thought was, what kind of question is that? Rachel and I had been friends for several months though I would never have considered it a close friendship, certainly not close enough for her to invite me over to do drugs.

Granted, she was the reason that I had the apartment only several yards from hers in the first place. She had lived in the complex for a little over a year and when I was looking for a place, she was able to talk the apartment manager into overlooking my questionable credit.

Still the only things that I knew about her is that she was Italian, she had just lost about 40 lbs. and that she loved Bon Jovi.

Honestly, if there was an attraction, it was when she was a bit thicker. I love a woman with meat on her bones. I was sure that she wasn't attracted to me as well because I looked NOTHING like Bon Jovi!

True Confessions

Let's get high

By Anonymous

Besides that I was sure that she knew that I already had a girlfriend. In fact, I had several. I'm pretty sure that I had somewhat of a reputation for sleeping with several of the women in the office. Not immediate co-workers, that's a no-no but women from other departments and temps...oh, how I loved temps.

So when Rachel invited me out of the blue over to her apartment, I really was wondering what she was up to.

I accepted!

As it turns out, on the night in question, my “main” girlfriend was working. She didn’t get out of work until 10pm and I told Rachel that I would come by at about 7.

At seven I took the short walk from my apartment to hers and when she answered the door she was wearing a sheer beige teddy. I could clearly see her small perky pink nipples and her white lace panties underneath.

At the time, I was so naïve that my immediate reaction was that it was late and she was wearing her pajamas. Yes, I was that naïve!

Knowing what I know now, when a woman answers the door wearing next to nothing, you can skip the pleasantries and go straight to the bedroom.

Inside of her apartment was impressive, it looked very lived in. My apartment was still under construction so to speak.

We sat down and she began to roll up a joint for us. Again being as naïve as I was, I took exception to the fact that she was in this teddy while rolling the joint with her legs spread wide enough to show her panties and now I was sitting close enough to see the neatly cropped blonde hair underneath the lace.

She got it rolled, lit it up, laid back on the couch and put her legs across my lap...naiveté be damned, this was a clear signal.

She took a couple of drags and then passed it to me. I took a look drag and held it in. I wasn't big on smoking marijuana, I had only tried it once so I was feeling it within a few minutes. She took a few more drags and I took another before my head was spinning like I had downed a six pack in about 20 minutes.

She finished off the joint, then sat up, kissed me and began rubbing my cock until it was erect. She laid back, threw her legs in the air and pulled her panties off.

I pulled my pants down to my ankles and she climbed on top of me. She began to grind against me while holding me by the throat and kissing me before she reached down and easily placed me inside of her.

It was almost as if she hadn't had sex in years!

She bounced up and down, screaming and moaning in such an animalistic way, jamming me inside her so hard that I felt like I was hitting her tailbone on every thrust.

She reached her first orgasm, screaming "Fuck...fuck...fuck!" I was sure that the neighbors, or maybe the entire neighborhood could hear her.

After her first orgasm, she calmed down a bit and started moving her hips back and forth for a few

minutes until she reached her second climax.

It seemed like a hour but I'm sure it wasn't, until she climaxed for a third time. I was so numb from the marijuana that though I was still erect, it was so wet and loose inside her that I was just going through the motions.

I would occasionally smack her on the ass, grab her hair or what have you but **I WAS SO HIGH!**

She must have noticed because after she came for the third time, she decided to ask me if anything was wrong. She looked as if she had just ran a few miles, she was drenched in sweat and there I was just laying back and letting her go to work.

I told her nothing was wrong which I can only assume she took as a lie because she gave me a look that was an indication that she was about to break out her secret weapon.

She got down on her knees and literally sucked the life out of cock!

Her phenomenal fellatio started slowly and then built up to her seemingly bouncing her head up and down like a basketball being dribbled on a court in perfect rhythm...bounce, bounce, bounce!

She didn't let up until I released my full load. I had to grab her head to make her stop and even then she only slowed down until every drop was gone. Then she rolled another joint and sat on the couch with her legs spread, watching television until I got my head right and told her I had to leave. I made it home ten minutes before my girlfriend showed up.

CHATSWORTH, Calif.—With changing times come changes in the norms and standards that prevail in both business and leisure. That statement is certainly true in adult entertainment, for which times have indisputably changed so far as the prevailing manner by which it is distributed and enjoyed.

In an effort to better reflect the landscape of today's adult entertainment marketplace, AVN Media Network has decided for the 2015 AVN Awards to expand its longstanding eligibility requirements for adult movies seeking consideration to include ones distributed solely via video-on-demand, in accordance with the following guidelines:

- A title must have been made available during the eligibility period for VOD download and/or streaming through at least two (2) major for-pay VOD providers, defined as ones carrying movies from at least 100 active labels/studios.
- The title must have clearly marked post dates falling within the eligibility period across all qualifying VOD platforms carrying it.
- Companies wishing to submit VOD-only titles to AVN for consideration in the 2015 AVN Awards must provide links showing that said titles meet the above requirements.

The eligibility period for the 2015 AVN Awards is Oct. 8, 2013-Sept. 30, 2014. To be considered, a title must have been released within these dates, either via VOD as outlined above or on DVD in accordance with the traditional distribution requirements of being stocked with five wholesale distributors and/or 100 retail outlets.

With the implementation of these new criteria, the allowance of the past several years for a delayed release deadline on DVD provided a title was released via VOD by the standard deadline will be discontinued. All titles must be released via one of the above methods by Sept. 30.

"The time to make this amendment has come," AVN senior editor Peter Warren said. "Stepping back and taking a good, hard look at the reality of how the industry has changed made it clear that we could delay it no longer.

"We took a lot of care in formulating these new guidelines so as to make their impact as minimal as possible on studios and producers," Warren continued.

"Those who have planned their release schedules for specific productions to meet our customary eligibility requirements should not be affected; our hope is simply that this will open the door for some who have eschewed the DVD format, and serve as a pivotal step in the evolution of the AVN Awards."

The darker side of Porn Fidelity. The complex cerebral basis for human sexual behavior has always been a controversial mystery. For those of us whose perversions dwell from deep within the darkest corners of our minds, there tends to be a bit more controversy ... and

a bit more fun.
