A fantastic crossover star, meaning she does cock and cooch equally well.

What attracted us to Missy was her extremely well done boob job and her sexually intensity - the latter being a must to make NGM Porn Star of the Month, we don't feature pretty faces who just lay there and get fucked. Plus she's FLEXIBLE!!!

The Mexican, German, Greek and Hopi Indian mixed beauty is an award winner for *AVN's* Best All Girl Group Sex Scene.

Here's her **NGM** report card...

## Booty

By Anonymous

Another hook up story for you readers to enjoy.

I was in the habit of hanging out with a friend of mine at his apartment every Friday night. I would usually show up after work and we would drink and listen to music, trying to decide whether or not we would hit the club or not.

On the nights that we didn't go out he would sometimes invite a lady friend over and ask her to bring a friend. There were times when I hit off with the hook up and there were times when I didn't but my batting average was pretty decent. He had an extra room, so he would retire with his lady friend and I would get things done with my new acquaintance in his extra room.

There was the rare occasion that I would take them back to my place but I'm not going to lie, when it comes to getting the booty it's usually a good idea not to change locations. It gives the lady too much time to think and/or sober up and there's something about knowing that their friend is in another room being fucked while they sit there having "conversation" with some good dick sitting right in front of them that plays with their psyche. It's not hard to get a female out of her panties when their in earshot of their friend screaming and moaning in the other room.

Back to my story...

On this particular night a lady named Keisha just

dropped by. Apparently, my friend had called her earlier and mentioned that I would be there along with another friend of ours and she came by hoping to catch our other friend there.

As it turns out, he was supposed to be there but never showed up so the three of us just sat around chatting and having a few drinks.

After a couple of hours, I went to my friend and asked if Keisha was actually seeing aka fucking our other friend and her assured me that it hadn't gone that far so I started to make my moves on her.

Let me describe Keisha for you...

She had a nice dark complexion, about 5'4" with a C cup, maybe a small D cup, a small waist and one of the BIGGEST booties that I've ever seen in real life. That's no bullshit!

For those of you that watch porn, you know that you can find a big ass at the touch of a button but realistically it's rare to actually see a woman in real life, that isn't overweight, with a huge ass. She might have a really nice ass or what have you but to actually see a woman with a small waist and a big booty in real life is like the equivalent of finding a 5 dollar bill laying on the ground - it's not like it's can't happen but it rarely ever happens.

To run into a short attractive woman with booty and tits is...well, it just doesn't fucking happen!

So...we're talking, when Keisha comes over and sits that big ass right on my lap. Whiskey-Tango-Foxtrot!

I asked her about our other friend and she's says simply that he missed out. Oh, ohhhhh...that's the Fuck Signal and I can see it shining brightly in her eyes.

The music is playing and Keisha is giving me a lap dance while she sips on her drink. My friend is drunk and just about ready to retire when she mentions that she's hungry. I tell her there's a chicken place that we can stop at on the way back to my place and we bid my friend farewell and head out.

We stop to get chicken and (get this) I was sooo hoping that she would eat in the car so that when we got back to my place we could get right to it...but she didn't.

We get back to my place and she starts eating...10 minutes, 15 minutes, 20 minutes. So I start to make my moves, reaching in her shirt and grabbing her tits but she's not having it. She actually says to me "Can I finish eating please?"

So I leave her alone and let her finish.

It's 45 minutes later, dick rock hard and balls a nice light blue before when actually naked in bed and going at it.

We start off missionary and I could swear that her ass was so big that her pussy was actually a half foot off the bed. I didn't have to lay on top of her, I was on my knees and it was like she had a couple of pillows under her backside.

When she finally gets her nut I decide to flip her over - lights dim - and get a really good look at that ass doggystyle.

It did not disappoint!

I was so round, so perfect and with every thrust...

Wait, do you know how a nice big set of tits wave back and forth when you have a woman on their back? Well her ass was doing the same thing!

I could actually see the fat of her ass bouncing back a forth like booty tits, it was crazy!

So I'm slapping, grabbing and banging!

She gets on top and starts flopping up and down on me reverse cowgirl and I lose it! I could feel every ounce of ejaculation shooting deep inside her. YES, there was a condom but the condom was on my dick and my dick was inside her.

We rolled and went to sleep while I was still inside her. I woke up that morning and shrinkage had left me sticky and half inside the condom, the other end still in her.

I slowly pulled it out, took one look at that juicy booty, put on another condom and woke her up via insertion.

I got her back into doggystyle, this time I was pounding that ass without any consideration. It didn't matter to me if she came or not, I wanted to see that ass wiggle and get another nut before I took her home.

Fortunately, she got off just a minute or two before I busted another load.

We got in the car, no breakfast and I dropped her off the next morning. I don't remember if I even asked for her number but I'm sure I did though I never called or saw her again.

MEDINA COUNTY, Ohio—An ugly piece of political hackery appears to be rearing its head in Medina County, Ohio, where charges of inappropriate porn viewing in 2008 have been levied against the Democrat incumbent, Micakel Kovack, who is running to keep his 21-year-long position as county auditor. His challenger this November is Medina's finance director, Republican Keith Dirham.

According to The Medina Gazette, "A computer disc containing files from Medina County Auditor Michael Kovack's county-owned computer, which was handed over to investigators, contained pornography, according to a former employee in the auditor's office. Anne Murphy, who worked for Kovack from October 2012 to March 2013, said she gave the disc to Medina County Commissioner Pat Geissman in July, who passed it on to the Ohio Ethics Commission."

Murphy says she had received the porn from another employee. "Murphy, who now works for county Treasurer John Burke, said she got the disc from Annette Ehrlich, the information technology manager of the auditor's office," reports the Gazette. "Murphy said Ehrlich found the pornography on Kovack's laptop in 2008 after he brought it to her for maintenance."

Kovack has denied that the porn was his, and his lawyer is claiming that the sudden revelation so many years after the fact, on the eve of a tight

election are too much of a coincidence to be believed, and asserts instead that they are "part of 'a political conspiracy' between the commissioners and the county treasurer 'to smear' the auditor's reputation," all of whom are Republicans.

In a prepared statement, Kovack's lawyer, Steve Bailey, claimed, "It is no secret that Commissioner Geissman and her fellow commissioners as well as Medina County Treasurer John Burke are political opponents of our Medina County auditor. It should be noted that Commissioner Geissman did not involve herself in this matter until the Sheriff Department's investigation, in conjunction with the special prosecutor, failed to turn up any wrongdoing.

Today, fellow Medina County Dems had Kovack's back. According to the Gazette, "In response to allegations from a former employee that Kovack had pornography and personal files related to his rental properties on his county computer, county Democratic Party Chair John Welker said the party is standing behind Kovack. He called the allegations against Kovack politically motivated."

Needless to say, the Republican Party Chair, Nancy Abbott, has denied those claims, saying yesterday, "The Republican Party has nothing to do with it."
