A woman with long dark hair, seen from the back and side, is posing in a red and black bikini. She is holding a gold pole. The background is a dimly lit club with warm orange and red lighting. There are some blurred signs in the background, one of which says "ball".

KHALIFA

Porn Star of the Month

Here are the stats...

Name: Mia Khalifa

Date of Birth: February 10, 1993

(21 years old)

Place of Birth: Beirut

Country of Origin: Lebanon

Career Status: Active

Eye Color: Brown

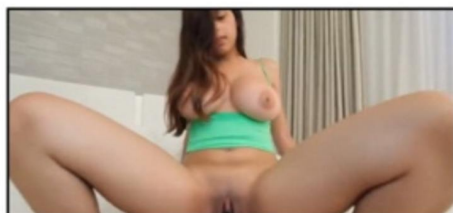

Hair Color: Black

Measurements: 34DDD-26-40

Fake Boobs: Yes

PornHub has her ranked as the numero uno porn star at the moment, which definitely brought her to our attention. She also has a ranking of 143 on Tube8 despite the fact that she only has a couple of video clips on the site and has only been in the biz for roughly four months.

Watching her in action was without question very satisfying. With some of the politics that go on in porn, we like it when starlets take that bold jump to cross the "color barrier" if you know what we mean. At 5'2" inches she is packing a whole lot of goodies! Be on the look for her in future!

Here's her **NGM** report card...

Anyone that reads this article regularly knows that most of my adventures start at work and this one isn't any different.

Megan...was a co-worker. She was about 5'4" with a noticeably large rack. The type of tits that no matter what she wore they still looked large.

I met her during lunch in the break room. She was eating alone and so I asked if she would mind if I joined her. We sat and chopped it up for a little while which was no biggie.

Just a little more info, not only did she have this amazing body, she was almost a dead ringer for

the actress Yasmine Bleeth. That's no bullshit! She had these crystal blue eyes that would make you drop to your knees.

Moving forward...at the time I didn't have a car and I was depending on my roommate for to and from work. The problem was, he wasn't all that dependable. One day during our "lunch date" I just happened to mention that to Megan and she offered to start picking me up in the mornings. I really didn't care what time I got home, I just didn't want to be late in the morning.

So she started picking me up in this really ugly light blue truck...no more being late for work!

After a few weeks, I invited her and her boyfriend (yes she had a boyfriend) to meet me, my roommate and a few friends at a local club after work - half expecting her not to accept. She said she would be there.

When she showed up she was alone. The problem was I had already lined up a "sure thing" for the night. Before she got there, I had already had my tongue down the throat and hand down the pants of this young lady so I wasn't going to fuck that up for a maybe. I was actually surprised when Megan showed up, especially alone. She got a drink and hung around for a few minutes. She asked me to dance a couple of times and I just kept putting her off...I had my hookup locked down for the night.

She eventually came to tell me she was leaving . I barely paid any attention to her, giving her the “okay, thanks for coming” attitude. What’s awful about all of this is my sure thing was a solid six with big tits but Megan was a solid 10. Despite the fact that she had showed up alone, I felt my chances with Megan with running a solid 15% if that.

That Monday morning, there was a knock on the door...it was Megan. She usually just blew the horn or I would meet her in the parking lot. She was early!

I opened the door to a vision that actually made me weak in the knees. I know that people use that expression but I’m here to tell you YES it actually happens.

She was wearing a tight purple dress, slightly low cut show minimal cleavage. It hit her just slightly above mid thigh, showing off her beautiful legs, which I had never seen. She normally didn’t dress that way for work. It only took a moment for me to feel the bulge pressing against my pants.

I invited her in and I could feel the energy happening. She stepped into my apartment for the first time and I noticed that her nipples hardened. My thought was this was where she had planned on ending up that Friday night and now she was here.

The look on her face said it all. I could see the hurt from that Friday night and now she was at my apartment almost an hour early Monday morning. She didn’t have to say anything. Here she was in her prettiest dress with the look of a woman rejected. I could see the “please” and “why” in her eyes.

Had I know, I wouldn’t have treated her that way. I wanted her, I just didn’t think I could have her but now I knew.

I led her by the hand back to my bedroom and apologized for what had happened Friday night. She made an attempt to act as if it wasn’t a big deal but I could see she was hurt.

I kissed her. She leaned into me like it was a moment she had been waiting for. She wanted me to know that I could have her. There was no hesitation.

Before I knew it I found my face buried between her thighs as she made her way out of her dress.

Her love spot smelled and tasted like strawberries.

I touched and tasted ever inch until she shook and quivered.

Then she took off her bra and there they were...beautiful, thick , round , firm, full and every other word that you can use to describe a perfect pair of breast.

I cupped and sucked at them both as I slipped easily inside her.

If “love” has ever been made we made it.

There was something about what had happened that Friday night that had brought us in tune with each other.

It was her felling of rejection and my selfishness and self doubt that had brought us to this incredible experience.

We both gave into our desires.

And we were 40 minutes late for work.

Regan Art to publish Art of the Pimp featuring Dennis Hof

NEW YORK, NY—Regan Arts announced today the acquisition of *The Art of the Pimp* by Dennis Hof, proprietor of the world-famous Moonlite BunnyRanch (which celebrates its 60th anniversary this February) and star of HBO's *Cathouse* series. The book is scheduled to be published on March 17, 2015.

Owner of seven legal brothels and nicknamed "The P.T. Barnum of Booty," Dennis Hof has skillfully worked his way around Nevada's bans on advertising for prostitution to become one of the most innovative and subversive marketers in the country—not to mention arguably the world's most famous pimp. Now, with *The Art of the Pimp*, Hof is offering up his unique brand of advice and insight, and a behind-the-scenes look at his chaotic life as the king of America's sex industry.

Revealing the secrets behind his outrageous marketing stunts (such as the now infamous "Get My Grandpa Laid" contest on the Howard Stern Show) and how his "girls" negotiate the highest prices for sex, Hof teaches the secrets of the business of love and sex and the tricks of turning tricks, all while sharing the scandalous details of his friendships with porn stars, prostitutes, and

politicians.

"I think people will be surprised at how much of my story they can identify with," Hof said. "While the legal prostitution trade may be a world away from their daily lives, my personal struggles with love and challenges in business will ring all too familiar with anyone who has loved and lost, and come out on top on the other side of it. My successes and my setbacks will prove to be equally inspiring for both men and women, young and old alike."
