Anytime you are looking at a list of porn stars, the first thing you can't help but notice is a huge set of tits. Especially natural ones!

That's what caught our eye with Lucie...then, as we always do, we went and looked at her body of work. When we first looked at her a few months ago, she had some really lame "school girl" clip complete with letter jacket.

Since then she has stepped her game up. Her gangbang clip is super hot!

Paid for Sex

By Anonymous

There is no way to start this story, so I'll just jump into it! I may leave out a few details but this is the way it actually happened...TRUE STORY!

I was out with a friend at a popular bar/restaurant, it was getting late and there were three ladies sitting at the bar a few seats down from my friend and I.

We were having a good time, having a few drinks and watching the game.

I stepped outside to have a smoke and one of the three ladies seemed to follow me. So were standing outside smoking when she tells me that she had just had a boob job and asked if I wanted to see them.

Of course, I was thinking but before I could respond she was standing there with her tits out. It happened so quickly that I really didn't get to enjoy the moment. I just stood there somewhat in shock that she had just flashed me her tits.

So...after gathering myself, I asked to see them again.

Boom, she does it again and asked me to touch them. Bonus! I squeeze her tits and almost instantly every fucking guy that was out there smoking gather around and start snapping pics with the camera phones. Oh jeezus...so I head back inside as the crowd begins to gather.

A few minutes she comes in and join her friends.

She starts up a conversation with my friend and I, nothing deep, she just basically introduces us to her friends and mentions that her friend Monica had just lost a lot of weight.

What happened next was one of the most unbelievable things in the history of hook ups.

Again...I'm skipping some the details but here's how it went down.

Tina (the tit flashing girl) tells me that she wants me to fuck her friend Monica. She explains that Monica's boyfriend has a small dick and she hasn't had an orgasm in quite a while.

I'm thinking that their all drunk, so I start talking shit. I tell her that I'm willing to take on all three of them.

That's when things got serious.

The third friend asked me in a serious tone "Do you really think you could handle all three of us."

I didn't. so I start to give Monica the once over. She had short blonde hair, nice tits and wide hips. Very attractive, she actually looked a little like Meg Ryan but better built and slightly more attractive.

"I'll give you \$20 toward the hotel room," Tina said.

Oh fuck, they **were** serious.

Next thing I know the three of them were digging in their purses...they came up with \$120.

We had roughly \$70 for the hotel room and \$50 for me to pocket...let's do this.

I had my friend drive me to a store close to the hotel for condoms, then follow Monica to the hotel...just in case they were psychopaths out to kill me.

When we got to the room I suggested to Monica that we take a shower, it seem like the right thing to do. She was having none of that, she was out of her clothes and ready to fuck...period.

I don't know how many of you out there have had the experience of hooking up with girl that you REALLY don't give a damn about but those are the chicks where you can do WHATEVER THE HELL YOU WANT!

I will say that she must have been sexually deprived because she was soaking wet, I mean literally SOAKING WET from the moment that we started.

Her pussy was making that squish, squish, squish sound on the first stroke. It was like my cock was a plunger unstopping her blocked sexual frustration.

Then she came and the squish went away, replaced

by smooth entry into her love canal and genitals soaked in her cum.

To list the number of times that she came would seem like an exaggeration on my part so I will just say that she was capable of multiple orgasms and like Tina had implied...they had began to collect.

After her third orgasm, it became anything goes!

I was going pussy to mouth, grabbing the back of her head and pushing my cock to the back of her throat...cuck, cuck, cuck.

The back to her pussy, she would cum again...then repeat.

There was an attempt at anal but it was working with her tight asshole, a condom and no lube.

I finally pounded out a nut and afterwards she was on the phone with her fiends speaking some type of code which probably let them know I hadn't killed her.

I called for friend to pick me up but while I was waiting she pulled my pants down and started giving me a blowjob.

This girl was really super duper horny. We had just soaked the sheets and here she was sucking my cock before I left.

I tried to get that second nut but the drinks I had earlier just didn't allow it...but fuck, I tried!

This was one of the craziest nights ever...paid for sex!

AHF to L.A. County: Create Porn Permit Fee In 30 Days ... or else!

LOS ANGELES—No one can accuse AIDS Healthcare Foundation (AHF) of sitting on their hands when there's still a Los Angeles-based adult industry to torment. Building on the Ninth Circuit Court of Appeals' refusal to strike down Judge Dean D. Pregerson's decision in Vivid Entertainment, et al v. Fielding (the Measure B case), AHF General Counsel Tom Myers has written a letter to the County's attorney Mark J. Saladino, insisting that the county implement a filming permit plan, even though, thanks to the one part of Measure B that Pregerson struck down, it doesn't yet know how much to charge for it.

"Among the parts of Measure B that were found to be valid are the requirement of condom use during the filming of certain acts, and the development and imposition of a revenue neutral permit fee," Myers wrote. "The District Court's ruling enjoined the imposition of the previously set fee of \$2,000-\$2,500 because there was no evidence presented by the County that it was 'revenue neutral,' meaning that the amount of the fee did no more than cover the anticipated cost of enforcing the Measure, and was not designed to

impose a 'tax' on speech. In so holding, the Court stated '[S]ince there is no evidence that measure [sic] B's [current] fees are revenue neutral, there is no reason to believe the Department's measure B duties cannot be performed without fees—or performed at least until the fees' defect is cured, either by enacting a new, constitutional ordinance or providing this Court with evidence of revenue neutrality." Myers goes on to threaten Saladino that if the permitting scheme is not developed and implemented within 30 days, "there will be no choice but to seek a writ of mandate compelling the performance of this ministerial duty."
