

NAUGHTY GIRL

A woman with red hair styled in large pink curlers is the central figure. She is wearing a light beige, form-fitting bodysuit with thin straps. She is positioned in a kitchen, leaning against a wooden countertop. In the background, there are wooden cabinets, a white door, and a window with a view of greenery. The overall tone is sensual and domestic.

Porn Star of the Month

Here are the stats...

Name: Jenaveve Jolie

(30 years old)

Place of Birth: San Luis Obispo

Country of Origin: United States

Career Status: Retired

Eye Color: Brown

Hair Color: Brown

Measurements: 34D-24-34

Fake Boobs: Yes

We came across Jenaveve while looking for the material for who we thought would be the porn star of the month.

The lady we had picked was super hot but then we saw Jolie AND she outranked the person that we had selected.

The only problem was the person we picked was active and sadly Jenaveve is retired. It's a good thing porn tape and clips last forever.

The Redbone Experience

By Anonymous

Anyone that has read these articles on a regular basis know that I love the hell out of all things sexy.

That's lead me to have some great experiences in my life and I love sharing them all with you the reader.

However, the one thing that I really can't stomach in that long list of all things sexy is the strip club. I hate going to them for so many reasons I can't possibly list them all but here's the short list.

First, I do not want to pay a woman that gets paid to show me her tits or grind in my lap. It lacks substance! If I buy you a drink and you find you're way to my lap then I'm calling take home and let's make it happen. But if I give you \$20 and you slap me in the face with your tits while grinding on my dick then I feel like you owe me \$10 because I could buy a girl (that isn't WORKING) a couple of drinks and she'll probably do the same thing...and I can actually touch her!

So when my friend asked me to go to a strip club to visit one of his "friends" I was totally against it!

The only way he got me to go was by telling me it was a short stop before we hit the club.

We walk into this club on a very slow night and Sasha walks up. WOW! The best way to describe her was a small light skinned package of sexual dynamite. A lot on the thick side but just absolutely fucking gorgeous.

He lets me know that he wants to hook up with her tonight, meaning we probably aren't going to hit the club. I have to admit that after seeing the target I decided to take one for the team, ignoring my own raging hormones for the night for the greater good.

We sit and watch her dance, he drops \$40 for a couple of private room dances and even spots me \$20 for one of my own.

When Sasha and I hit the private room, I'm still not all that interested. I let her do her thing and make a bee line back to the bar when it's over. This wasn't my target! Even though she was a stripper, I knew my friend had his sight on her and despite my attraction to her, that made her off limits.

When her shift was over, we all headed back to his apartment, which I assumed would be a movie

night for me and crashing on his sofa.

They had a drink and I grabbed a beer and put on a movie before they retired to his room for a little bump and grind.

I thought it was unusual that he left the door open. I just wrote it off to my friends attempt to post the mission accomplished banner. His bedroom was so close to the living room that I could hear everything. There was giggling, followed my moaning and the rhythmic squeaking of the bed springs.

After I few minutes the moaning turned to whispering and laughing. It's not like I had turned the TV down so I could ear hustle every moment but I was so close and I couldn't exactly blast the box...I didn't want to disturb his neighbors.

Plus, I was so buzzed that I was beginning to drift off when I heard him call my name.

WTF? Did he want me to snap a few photos or video tape? The thought made me answer back in an extremely irritated tone. Shit, leave me the fuck alone! I was almost asleep.

I stumbled to the door and saw an outline of him straddling her with his dick in her mouth and his hands pulling her legs back by the ankles.

"There's condoms in the top drawer, get in here."

I shake the sleep off, drop my slacks, get outfitted and join in the festivities.

We were in full ménage à trois mode for a good twenty minutes before my friend loses his load down her throat and retires back into the living room to finish the movie I started.

We move into the cowgirl position and her thick ass begins to make that amazing fop, fop, fop sound that I love so much.

She's so wet I feel like I'm fucking a bucket of water. No, I'm not packing a small pistol but between

the condom and her excitement, I just felt like we were going through the motions. Not to mention, I had major beer dick.

She could have rode me until I fell asleep, with the little bit of light shining in the room creating the perfect outline of her fluorescent skin...yep, I could have kept it up until I drifted off into a deep drunken sleep.

We had to change it up!

I took her from the bedroom into the bathroom where there was more light in search of a tighter hole.

I leaned her over the bathroom sink and began slowly making my way into her forbidden hole with no objection from her.

I couldn't get inside...we needed lube!

I searched the drawers for ANTH ING that would help! No Vaseline, no baby oil...nothing! I finally found some Murray's pomade, greased her up and slid easily into her backdoor.

This was followed by a few dozen Oh Gods and her rubbing her love spot to orgasm. I finally emptied my load and no sooner that I pulled out she sat down on the toilet and took a piss before I could walk out the door.

We both just laughed!

We made it back to living room before the movie ended to find my friend fast asleep on the sofa. I took the chair and she went back to the bedroom.

BBW AVN Performer of the Year 2015: April Flores

Few performers can say they've won an AVN Award in the same category two years in a row. For April Flores, she accomplished just that by winning BBW Performer of the Year for the second consecutive year.

To date, she is the only recipient of the award, instituted last year by AVN to honor porn's most curvaceous performers.

"My immediate reaction ... was a mixture of gratitude and surprise," said Flores about how she felt when she was announced as this year's winner. "I feel supported by the people I respect and by my peers. I feel like I'm a true part of this industry ... independently from Carlos [Batts, her late husband]."

Winning this year feels like I am a part of this whole machine that is pornography."

For 2015, Flores' part in the machine will include launching a website with her friend, performer-director Courtney Trouble.

FatGirlFantasies.com is where her fans may finally see the voluptuous Latina do anal for the first time. "My first anal scene will definitely be

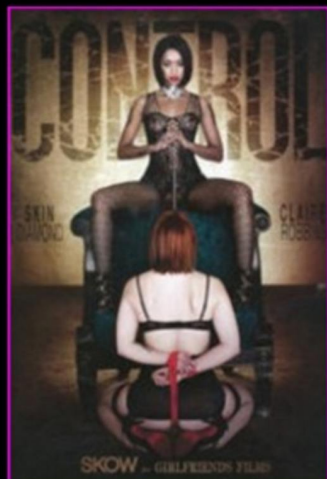

for my website that we're launching in the spring," Flores said. "If I do something that big it's going to be for my company, my website. I think it's going to be cool."

Flores also hopes to use her site to showcase other BBWs, who she says share a special camaraderie with one another.

"The general feeling is that we all want to help each other out ... so I'm really excited to use that momentum to launch my website and to include these women."
