True stories of my sexual adventures

Reunited

By Ron L. Cummings

Names and places have been changed to protect the not so innocent.

Every now and then you run across a woman that is so dead set on being with you that she let's you run all over her.

Now, some guys do this just because they're assholes and then there are those of us who do it because the companionship, conversation and sex is decent...I'm the latter.

When it came to Gabriela, it wasn't that I didn't like her, I just found her extremely irritating in certain situations.

She was a little Mexican honey that was about 5'2" with black hair and somewhat strong Mexican features. She had nice tits and an incredible round ass.

We first met up at a Club Rio, a local bar almost known for the place for interracial dating. I had actually been introduced to her friend by a mutual friend but after talking with her for a few minutes and seeing how she worked the room, I knew I wasn't interested.

Gabriela and I hit it off and hooked up the first night I met her.

We were mostly bar friends if nothing else. We would meet up somewhere and if nothing better

came along and would usually take her home at the end of the night.

She was down for anything I wanted to do!

This is how things went for several months until I decided to move back home.

Despite the fact that she was mainly a booty call or afterhours hook-up, she actually begged me not to go. If I stayed, she offered to take care of me. I'm not sure what she meant by that but I'm not the type of guy who likes to take advantage of women financially so I declined.

After I moved back, I kept in touch with her. I gave her my phone number and the address where I was staying. We would talk, at least once a week and she would send letters and gifts from time to time. She was constantly asking me to come back and there was something inside me that wanted to.

After a few months and several gifts, I finally decided to put an end to the whole charade by asking her to purchase a plane ticket for a friend and I to fly back. My friend would be coming out for a vacation and I would be back to stay. Of course, my thinking was that she really wasn't that serious so there would be no way in the hell she would even consider it.

I was surprised that she even agreed to do but in the back of my mind I just knew there was no way!

A few days later, she called back with the flight information...what the fuck!

I couldn't just pick up and move back!

I put the flight off for a few months and in doing so her phone calls became less and less frequent, until she finally stopped calling altogether.

When I finally made the arrangements to move back, I did so on her dime. I moved in with a friend of mine and on my first night back we decided to head out to Club Rio.

We hadn't been there five minutes before I felt a tap on my shoulder...yep, Gabriela.

Still single, still waiting.

To this day, I still don't understand why.

After the club, she invited me back to her house. She sold it as our "love cottage", the place she had bought for us to settle down in and start our life together. I took her up on her offer, I almost felt as if I had to.

We stopped by my place to pick up a few things before heading back to my "future home".

When we got back to her place, it was really nice.

I have to admit there was something in me that thought for just a moment...I could make this work.

She put on some music and I took out my video camera to film her. The moment she saw the camera, she turned her dance into a strip show. I filmed her as she slowly stripped down to nothing.

She came over and kneeled between my legs. I got out of my shoes, socks, pants and underwear and filmed her sucking my cock before we moved to the bedroom.

I positioned the camera behind us so that it would capture my insertion into her.

We fucked for a while before I decided to try a few different camera positions. One from below while fucking her doggy style, then other angles.

Still seeming to want to make me happy, she really played to camera. She would moan and groan, make the sexy faces and throw in the occasional "fuck me."

After she had climaxed, I straddled her chest and fingered her while I switched between tit fucking her and placing the tip of my cock at the back of her throat.

When I finally reached my moment she jerked me off, still in acting mode as I spilled my load across her face and into her mouth.

In true porn flick style, she sucked up every dropped as she moaned and my cum was the most delicious thing on the planet.

What's weird about this story, is though I spent the night with her that night, I don't remember ever seeing her again.

Last I heard she was dating some guy that had actually moved in with her.

What's even more unusual, is I actually ending up getting together with her friend that I was first introduced to...

But I'll save that story for next time.

Flick of the Month

Company: Bang Productions

DVD Extras: Still Gallery(ies), Trailer(s), Widescreen

Cast: Others, Mike Adriano, Lisa Ann, Tara Lynn Foxx, Xander Corvus, Kota Sky (aka Dakota Skye), A.J. Applegate, Misha Cross

Critical Rating: AAA 1/2

Genre: Anal

This basic backdoor release is a standard mix of POV and conventional gonzo, featuring some big-name anal female talent in one-on-one encounters with sphincter-expanding toys and large male appendages. Despite the predictable nature of the Mr. Anal oeuvre, number 14 comes up with a few surprises, like a camera-mounted dildo that penetrates Lisa Ann's monster ass in a disconcertingly robotic manner—as well as major rectal gaping from Tara Lynn Foxx, messy squirting orgasms from A.J. Applegate, and tiny Dakota Skye stretching her rear orifice using an enormous glass phallus.
