UK Gangbang Party

It caught my eye because it was more like a foursome than a gangbang party but that's how they do it in the UK - ok, ok, I liked the plump brunette!

Anal Threesome

I have no idea what he shoved in her ass in the beginning but it worked!

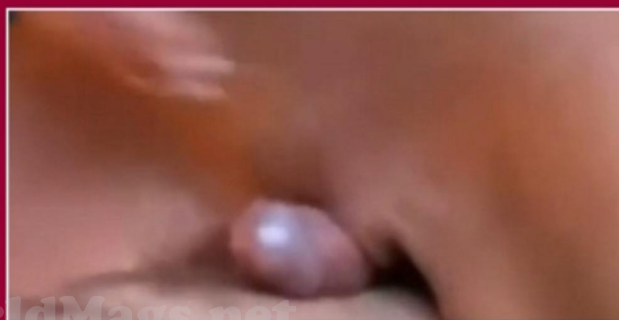

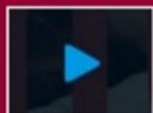

Oral Overdose

The only problem I had was you sort of have to pick and choose where you go in order to get a good clip but they have plenty to choose from. The other problem was each clip comes with an advertisement and most have a pop up added to that, unlike the other tube sites that hit you in the beginning and then leave you alone.

Here are the stats...

Name: Rikki Six

 (24 years old)
Place of Birth: Riverside, CA
Country of Origin: United States
Career Status: Active
Eye Color: Blue
Hair Color: Blonde
Measurements: 34DD-24-33
Fake Boobs: Yes

I don't typically go for the blue eyes with blonde hair gal - I had dream when I was a kid, don't ask - but this lady has skills!

Unless, I'm slipping the only frustrating thing about Rikki was the COMPLETE lack of information. There wasn't a website for me to refer to and even Boobpedia only listed her movies.

So, I guess that we'll just have to enjoy her scenes.

Check her out at ?

Fuck Life

True stories of my sexual adventures

Red Head

By Ron L. Cummings

Names and places have been changed to protect the not so innocent.

Sometimes it's all about being in the right place at the right time.

I was standing in line at a convenient store when I ran into Tammy or I should say, she ran into me.

There were two lines and I was in one line paying for my nightly refreshments and she in the other paying for gas. As she went to leave she stepped around another customer and brushed me.

When she walked in I noticed how attractive she was and I think I might have starred...just a little bit. She was about 5'9", wearing a Green Day t-shirt and black yoga pants. There were two things noticeable about her attire - she wasn't wearing a bra or panties.

I made my purchase as she slowly made her way to the door and we somehow met at the door. She went through first and held the door for me for a little longer than what would be courteous but not long enough to be obvious.

As she walked away, I noticed that she had a really nice thick ass. The yoga pants were accentuating every inch of her thick ass and hips. I just stood there for a moment and watched her walk to her car to pump her gas.

I tried to write off the bump and the door thing and just go home but again sometimes it's all about being in the right place at the right time and as a part time photographer, I felt I couldn't let this one get away.

I drove up next to her car, just to make sure there wasn't some guy with her. I got out and introduced myself and handed her one of my cards. I told her that I lived in the area and if she was ever interested in a photo shoot she should give me a call sometime. She wrote her number on the back of one of my cards and that was that.

I thought I would call her in about a week or so and try to set something up.

I tried to remain professional for the most part but it had been months since my break up with Susan - a strong wind would have made me horny. I could feel the tingling in my basketball shorts during my brief conversation with Tammy.

"Stay focused," I kept thinking. There's nothing worse than a perv, especially one that tries to pick a girl up at a convenient store.

I drove away while I watched Tammy finish pumping her gas.

I was stopped at a light when I heard a horn blowing behind me.

Who the fuck would be blowing at a red light!

When I looked in the review mirror I could see that Tammy was behind me, blowing and waving her arms to get my attention. I leaned out of the window to hear her yell "What are you doing now?"

"Nothing," I yelled back.

So she followed me back to my place.

Stay focused! There is something intriguing about a woman that you met at a store following home. I had known her for about 15 minutes tops and here she was in my apartment.

She asked if she could take a shower, which I really appreciated! There's nothing like a model with a dirty ass sitting on your furniture. So I gave her the necessities and some oil to rub on after she was dry. I let her pick from a few outfits I had on hand and off she went while I got set up.

She came out fresh, clean and oiled in a black dress that she had picked out. The fit was a little tight around her breast but just high enough to show the bottom of her...uh, bottom.

I took a few shots of her with props against a white background when she suggested that we move to the bedroom for some more comfy cozy shots.

There was that tingle in my shorts again - shit, it had been so long! Stay focused!

When we got to the bedroom she went total porn star, teasing with open legs and eventually coming out of the dress for a few nude shots.

Normally, this is just par for the course and my main muscle under control but abstinence was getting the best of me and I was noticeably at half mass.

I tried moving around so she wouldn't notice.

When I finally got things back under control I

jumped up on the bed for some overhead shots and got into a pose that brought my rod right back to life. Just then the battery in the camera went dead and I thought to myself "Thank God".

I reach into my pocket for my spare battery, still standing on the bed and totally focused on the camera, hoping that the blood would quickly rush from my obvious erection when I felt her hand under my shorts and take hold of my cock.

With one hand she pushed my shorts up and my boxers to the side and released my erection. She teasingly licked the tip before sucking at the head...I had to make her stop. At that rate, I would have lasted about another minute.

As I went to set the camera down, she grabbed me by the hips, laid back and guided my back inside her mouth. Her breast enveloped my full erection as she moved her head back and forth with me inside.

She pressed her soft supple breast tighter together and the motion of her mouth along with the soft tight grip got the best of me and I spent months of sexual repression into her mouth and across her tits.

She moaned and wiggled as if the taste and sensation of my juices covering her breast was satisfying.

Of course it wasn't!

She rode my face long enough to leave an imprint before she screamed and cursed to her climax, got dressed and left. What a day!

Senior places an ad for Female Nude maid and get almost a dozen responses in a week

UK - A pensioner and self-confessed 'voyeur' placed an advert in his local newsagents for a £20 -an-hour naked cleaner - and received 11 applications in the first week.

The 69-year-old, who only wants to be known as John, has placed an advert in a newsagents as he seeks his fourth 'employee' in as many years. His demands are simple: wash the dishes, a bit of dusting and general tidying - all in the buff.

The former land surveyor, whose closest pals are unaware of his adventurous housekeeping, said there was 'nothing sexual' about the scenario.

John, who divorced his wife 24 years ago, said he enjoyed getting to know the women and slammed 'left-wing feminists with nothing else to say' who criticized his adverts.

John said: "It's a bit like a teenage lad buying a condom for the first time.

"But I'm not doing anything illegal. I'm not harming anyone. I'm a voyeur, in the truest sense of the word.

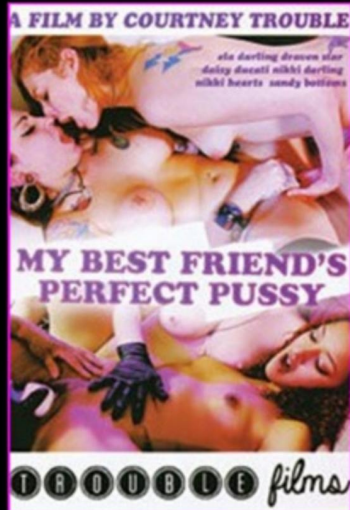

"If I was a pervert, I would use an escort agency. If I wanted sex, I would go to a red light district.

"Demeaning to women? I don't think it is. I think that is pathetic actually. No-one says that about the statue of Diana. Women are the moving force of naturism."

John described his everyday life as 'ordinary' - he likes a drink in the pub, he is part of a quiz team, and he volunteers at a charity twice a week. And after his cleaner had finished work, he likes to sit down and share a glass of wine with them - but nothing more.
