VANQUISH
KITTEN
OF THE MONTH
FEBRUARY 2015

HOLLY
WOLF

We are proud to feature Holly Wolf as
Vanquish Magazine's February 2015 Kitten of the Month.

Featured in her Cosplay bikini version of Ravager,
Deathstroke's daughter from the DC Universe.

We don't think words can express just how awesome Holly is.
Internationally recognised model for playboy and cosplayer
she is that super hot geek girl that guys fantasize about.

Photography by & special thanks to Mark Yaamon
Cosplay costume made by ScifeyeCandy

What attracts you to Ravager & Cosplay?

I can relate to Ravager because she is such a strong badass type.

Love her dual weilding swords.

Cosplay has become such a great passion of mine and I spend all of my downtime trying to create new work for upcoming conventions and photoshoots!

It's an amazing creative outlet for me.

And I just love to dress up! It's one of the reasons I got into modelling in the first place.

Being a different person or character for a day is a great feeling. Its freeing almost.
