# VANQUISH

## FROM THE EDITOR

Dear Readers,

In this issue you may notice a major change to the magazine layout. This is as we are formatting all issues of vanquish magazine to be readily available in A4 format for print on demand, right back to issue 1.

Which is very exciting news and opens new doors not only for the magazine, but a physical product for our models & photographers.

What does this mean?

- **128 pages** per issue (which also brings the purchase cost down)
- **Higher quality than ever before**, only the best photos are used.
- The magazine is still **free to download**.
- **Open submissions** to all models, actresses & photographers.
- **Non-exclusive** photos, we are not tight on restrictions.
- We still offer high quality **advertising in the printed version**, email [advertise@vanquishmagazine.com](mailto:advertise@vanquishmagazine.com) for details.

We will continue to push the **Vanquish Kittens** brand more than ever. Along with Kitten of the Month and occasional monthly themes. Featured Kitten Model on the right: Alinka from Issue 15 Wearing the Official Vanquish Kitten Ears & Collar.

This months theme is Fitness, so we have some additional fitness photos included, and next months theme is French Lingerie.

Enjoy! :)
