VANQUISH KITTEN OF THE MONTH

JUNE 2015

RALI IVANOVA

PHOTOGRAPHY BY ADAM KING

Rali was born and raised in Bulgaria. Her extraordinary beauty caught the eye of a cosmetic company and she started modelling at the age of 15. Four years later she made the biggest step in her life and moved to Florida. While having cocktails with friends on the beach, a photographer noticed her and offered her to shoot for a local calendar. She gave it a try and that's how her professional modelling career started. The way she posed and her stunning magnetism proved that she's born to be a glamour model.

Rali got her big break when she landed the cover of the Bulgarian Maxim November issue in 2009. Rali is a 2 time MAXIM Cover Model, Playboy Cover Model and been published in FHM, Sports Illustrated and Esquire, who selected her as the sexiest Bulgarian alive. As featured in this photo, Rali is featured on the cover of the most recent edition of Playboy Bulgaria! Rali is also member of the Golden Girls of Miami which consists of three of the hottest blondes in the modeling industry and owns her own swimwear line.

Rali has a massive social media following that includes 2.2 million on Facebook, 127K on Instagram, and 41K on Twitter where she can be found @raliivanova and www.raliivanova.com. She has the reputation of a consummate professional with exceptional ambition and a warm personality. Over the past week we have booked Rali for the Vegas to LA Four City Tour with Corsa America Rally in November and a major Miami Photography Workshop in August. Rali is an amazing addition to Castro Talent and in high demand with our clients. We eagerly look forward to the amazing things ahead as we work together. A warm welcome to Rali Ivanova!
