*For a while we have had a dream of creating a new online magazine that helps bring models, photographers and car enthusiasts together.*

A high quality publication, that features Hot Models & Fast Cars.

We are proud to bring you **Vanquish Automotive - Glamour & Automotive Magazine**. Supported by the Facebook Hot Models & Fast Cars Group, with a team of industry professionals, models, photographers, casting agents.

Join us on Facebook - <http://www.facebook.com/vanquishmagazine> and our FB GROUP - <https://www.facebook.com/groups/hotmodelsfastcars/>

**Vanquish Automotive** is part of the Vanquish Magazine publishing group, and so has the same Open Submission, rules and guidelines as Vanquish Magazine. Making it easy for professional models & photographers to submit photos and showcase their works.
