A full-page photograph of Michelle, a woman with long dark hair, posing in a patterned bikini on a beach. She is standing in shallow water, with her hands raised behind her head. The background shows a blue sky and a distant shoreline.

## ABOUT MICHELLE

*Michelle comes to us from Maracay, Venezuela. She left her country in 2009 to work as a model and has lived in Italy, Spain, Sweden and Miami. Michelle loves to travel, but chose to settle herself in Miami, a city that she loves so much! "I still consider Venezuela as my first home and the gym will always be my second. Right now I have mostly done things in front of photo cameras, but I believe my future is in front of those video cameras. I'm pretty confident that a talk-show host would be my thing."*

### **MICHELLE, HOW DID YOU GET INVOLVED WITH GLAMOUR MODELING ?**

At a beach party in Isla de Margarita, Venezuela 2009 a photographer insisted in taking some test shots. That shoot resulted in a cover of a big glamour magazine in Venezuela and I liked the result. For some reason I have kept on modeling in the same style, as I think it has been suitable for my look.

### **WHO INSPIRED YOU IN BECOMING A GLAMOUR MODEL ?**

Actually no one. It just happend. And even today, I have no role model in the glamour modelling, my idols are in the fitness area.

### **HOW WAS YOUR EXPERIENCE WITH PLAYBOY VENEZUELA?**

It was really great. They have been trying to get me to pose for a couple of years. But I wanted to feel proud of the result, to be able to show my family and friends and not to be asamed when people are talking about it. Therefor, I wanted to choose the photographer, the location, the make-up and bikini. I can tell you that now I have no problem leaving the mag on the kitchen table. My life changed slightly, I thought it would be only in Venezuela but things turned quite crazy even here in Miami. So, all plus, all very positive.

### **HOW DO YOU MANAGE TO MAINTAIN SUCH AN INCREDIBLE PHYSIQUE?**

It's hard. It has taken me about three years to getting used to the life style. But now I'm obsessed more or less, and it's all worth it. Food every third hour and gym twice per day five days/week. One of my goles is to compete. It will be awesome!

### **WHAT PART OF THAT SEXY BODY ARE YOU THE MOST FOND OF?**

My legs. They just rock. I still find it amusing that people stop me on the street just to take photos of them.

YOU'LL TURN 50 AND  
NOBODY WILL LOOK AT  
YOU, YOU'LL MISS THIS**

## A LITTLE ABOUT ANNA

### ANNA, HOW DID YOU GET INVOLVED WITH MODELING ?

I've started modeling at the age 18, but very soon I understood that I can't be a standard, classic model..I hated castings,I didn't want to do that other people told me to do. So I finished it,but when I was 20 I understood that I want to shoot again but with my rules and my ideas. So I started to try different images, do experiments, work with different photographers. Then I've started to get business offers and work with different companies and I do want to go further!

### WE HEARD YOU ARE A TALENTED ILLUSTRATOR IS THIS TRUE?

It's true that i'm an illustrator, but I'm too modest to say that I'm talented. But yes, I work as professional illustrator for more than 2 years now.

### WHO INSPIRED YOU IN BECOMING A GLAM-OUR MODEL ?

I can tell about many girls that inspire me in this way,t hey not only glamour models,but also alternative and gothic. First of all - Miss Mosh, she is fantastic! I also like Audrey Kitching, she is very cool and creative. Heather Moss, Masumi Max and lot of girls from Suicide Girls and many others.

### HOW WAS YOUR EXPERIENCE WITH MAXIM?

Oh it was a lot of fun! It was the October issue, Halloween, so they needed a sexy girl with Gothic image but without tattoos, piercing and other stuff and they found me, but I can't say that I was a good candidate) They wanted me posing in lacy little shorts, but that's too much for me, so I agreed for black short dress.

### WHAT PART OF THAT SEXY BODY ARE YOU THE MOST PROUD OF?

I love whole my body,I think I'm very lucky with that.I like that I don't correspond with standarts,I have curves and I'm absolutely natural and real.

## GIRL NEXT DOOR

Jody Lynn Kovac is a 26 year old full time model from the desert area of California. "I love the outdoors, especially camping, off-roading and dirtbikes. It so happens that I am a totally laid back person who just goes with the flow and just loves to hangout and get to know people. I love to smile as my nickname is gum-ball cheeks because I smile all the time and my mom said that is why my cheeks are so big."

### HOW DID YOU GET INVOLVED WITH GLAMOUR MODELING ?

I was 5'9 by the 6th grade and I was like models are tall, why don't i try it . My first casting call sucked so bad and I was so nervous but after a while I quit doing casting calls and went out on my own and rocked it! I have been glamour modeling now for 7 years and enjoy every minute of it!

### WHO INSPIRED YOU IN BECOMING A GLAMOUR MODEL ?

Models of all sorts. I just love the ideas they put together and grew up just wanting to try ideas and putting them into photos.

### HOW DO YOU MANAGE TO MAINTAIN SUCH A SEXY BODY?

I try to watch what I eat and try to do some type of exercise.

### WHAT PART OF THAT SEXY BODY ARE YOU THE MOST PROUD OF?

Every body seems too love my butt and my eyes, I like them too, so butt and eyes it is!
