# MODEL PSYCHOLOGY

SAVING YOUR MONEY

BY PETE VALENTINO

When it comes to modeling in general, there will always be the issue of saving your earnings. The issue is that while you will start making money, it is far too easy to burn it instantly.

Psychologically speaking this is due to the fact of the way this money is being made. Modeling for many is a form of pass time, but for a highly driven and serious glamour model, it becomes all business.

Having the knowledge and more importantly the discipline in saving your earnings as a glamour model is very hard. For one, the nature of the industry, which revolves around beauty and glamour, models tend to always want to spend on items that could enhance their look and increase their earning potential.

The problem with this industry is, you are here today gone tomorrow. It is such a competitive field that you need to be logical about what ever you earn and put it aside for a rainy day. Some other model could easily show up in the scene and take over your spot. Now, if this were to happen and you unfortunately never saved a dime, what does that do for you in the end.

As a glamour model, you have an expiry date. Yes, that is correct. In this business, you are as good as how well you take care of your body and yourself. Age becomes only a factor if you look older than your actual age due to a reckless lifestyle. Knowing this, your job is to make a nice living out of glamour modeling while you can, which means being responsible and disciplined.

Furthermore, certain glamour models have the physical attributes to work as beauty models also. If this is you, than you can easily double your earnings. Great eyes, great skin, and a beautiful face will all garner potential to be successful as beauty model. In any case, you still need to take care of yourself! I can't stress that enough! So as of right now think twice about what you do with your earnings as a glamour model and make the right decisions. Also, keep in mind that you can't really expect to be successful and live a reckless carefree lifestyle. Your career won't last long that way!

BORN IN MELITOPOL, UKRAINE. ELENA  
MOVED TO RUSSIA WHEN SHE WAS 14. THE  
GREAT THING IS ELENA HAS AN IDENTICAL  
TWIN SISTER! WE LIKE THE SOUND OF THAT!

PHOTOGRAPHY: MIKE PRADO AND MOISES URIARTE

I HATE MEN THAT ARE COCKY  
AND ARROGANT. THE BIGGEST  
TURN IF IS A MAN WHO THINKS  
HE CAN BUY ME!

## ELENA CHURIKOVA

### **ELENA, HOW DID YOU GET INVOLVED WITH MODELING ?**

I never wanted to become a model. In Russia when I was 16 a friend of mine which was a photographer asked me to do a gothic style photo shoot. The pictures turned out pretty bad because I was really shy in front of the camera. When I was 21 a photographer friend told me I should model and took pictures of me on the beach and opened a model mayhem profile for me. That's how it all started

### **HOW DO YOU MANAGE TO MAINTAIN SUCH AN INCREDIBLY SEXY BODY?**

I do aerial tissue as a workout. For those who don't know, think Cirque du Soleil. I perform with my school almost every month which is amazing since I've always wanted to do something like that.

### **WHAT PART OF THAT SEXY BODY ARE YOU THE MOST FOND OF?**

I'm most proud of my legs, they're very toned and strong. My legs are long so when I photograph I seem taller than 5'4".

### **TELL US ONE UNUSUAL OR UNIQUE THING ABOUT YOURSELF THAT OTHERS MAY NOT KNOW.**

Not many people know this about me but I'm a natural blonde. I know... shocking, right? Probably not so much if you don't know me, but for most of the people in my life, picturing me with blonde hair is extremely difficult. This is probably because I started dying my hair black when I was in high school – and once I started, I never went back to my natural color.

### **WHAT IS THE MOST ADVENTUROUS THING YOU HAVE DONE?**

Coming to America when I was 19 with only \$700 in my pocket and not knowing anybody.

### **WHAT OTHER GOALS ARE YOU SEEKING IN THE GLAMOUR INDUSTRY?**

I would love to get published internationally and maybe become the face of a clothing line.

WHEN WE TALK ABOUT MODEL POTENTIAL, CHRISSY DEFINITELY COMES TO MIND WITH HER INCREDIBLE SEX APPEAL!

PHOTOGRAPHY: RICK TROTTIER  
[www.rjt-images.net](http://www.rjt-images.net)

*"My name is Chrissy and I'm a 21-year-old student at Keene State College in New Hampshire. I'm finally a senior, so I'm definitely working hard but I play pretty hard too so it all works out. I'm all about enjoying life to the fullest, and modeling has definitely been a huge part of that! The studio is one of my favorite escapes from the daily grind, it's where I get in touch with my creative side!"*

### **HOW DID YOU GET INVOLVED WITH GLAMOUR MODELING ?**

I got involved with glamour modeling when I was about 17 years old. I was working at my job at the time, which was at a panini shop in my home town, when a previous teacher of mine and customer at the shop approached me with a letter. He and his colleagues wanted me to do some promotional modeling for their TV broadcast group. I promptly agreed and absolutely loved the shoot, and its all history from there!

### **WHO INSPIRED YOU IN BECOMING A GLAMOUR MODELING ?**

The person that has been the most inspiring to me was the man that approached me for my first shoot: Rick Trottier. Ever since that first collaboration he has constantly supported me in my pursuits in the glamour modeling industry. We've been working together for 4 years now, and not only is Rick my photographer, promoter, and assistant but he is also my best friend!

### **HOW DO YOU MANAGE TO MAINTAIN SUCH AN INCREDIBLY SEXY BODY?**

Maintaining this physique is NOT easy when you like food as much as I do! I grew up in an Italian household; needless to say we absolutely love to eat. I've discovered the best trick for me is- and I know it sounds crazy- not dieting. Moderation is the key; During the week I eat balanced, healthy meals and cut out all junk food and processed food. Weekends are my time to go out to the bars with friends and allow myself to eat all those fatty foods I love! And one of the most important things for me is

### **WHAT PART OF THAT SEXY BODY ARE YOU THE MOST PROUD OF?**

I'm definitely most proud of my abs. There's nothing sexier than a defined tummy!

### **TELL US ONE UNUSUAL OR UNIQUE THING ABOUT YOURSELF THAT OTHERS MAY NOT KNOW.**

I can lick my elbow. I know it's supposed to be impossible, but I guess I'm an exception!

### **WHAT IS THE MOST ADVENTUROUS THING YOU HAVE DONE?**

The most adventurous thing I've done was definitely this past summer when my best friend and I drove from New Hampshire to Oregon! It was such a long drive but we made it so much fun, and our country is so beautiful. It was amazing to see all of that land in so little time!

**WHAT OTHER ACHIEVEMENTS AND GOALS ARE YOU SEEKING IN THE GLAMOUR INDUSTRY?**

My biggest goals in glamour modeling are to get more print opportunities and to one day be on TV, that would just be so cool.
