ZOO CONFESSIONS

The girls of ZOO No Strings leave their inhibitions at the computer screen and reveal all about their raunchy online dating experiences...

Ellie, 23

"My relationship with my boyfriend had lost its excitement, and I was craving wild, passionate, animal sex. So I finished with him and signed up to ZOO No Strings – and I've never looked back! All the guys on there are hot and looking for casual sex – just what I was after! Now, whenever I'm feeling horny, I just log in and arrange a hook-up!"

Kayleigh, 26

"I'd been in a dating rut for most of 2013, but I didn't want to join some site that promised to find me my 'soulmate' – I just wanted a bit of fun. Last month I saw an advert for ZOO No Strings and decided to check it out. Suddenly, I was getting loads of attention online. I'm already having more sex and more fun than I did in over the rest of the year!"

Emma, 24

"I was browsing ZOO No Strings and noticed a 'new member' in my area. I couldn't believe it – the profile belonged to my mate's brother! I'd always fancied him, but never had the guts to make a move – but online, things felt different. I sent him a cheeky wink and he messaged back. Things quickly got heated and soon, I was on my way round to his house..."
