Hello Sille

Let's start with the basics, how old are you?

19

where in the world are you living now? Denmark

Where are you originally from ? Denmark

How Did you begin to start in the model indutrien ?

I created a profile on Model portal, just to try it, an then Robin Funder Con-
tacted me and asked if we should make some pictures.

How did you manage to maintain such a great and beautiful body ?

I ride a lot, and to get to and from the horses , and I ride my bikecycle.

What do you like best about your beautiful body ?

My eyes , my stomach , my butt, my natural dark hair.

tell us something about yourself that people do not know about you yet.

There is a small chef saved me.

What is the most adventurous journey you've taken ? When I was in Rhodes
in the summer of 2012. We stayed at a hotel right next to the mountains ,
and the mood and nature was absolutely fantastic.

the

What are your future goals and dreams in the-Model Industry?

I take those experiences to come. I put no specific goals, but accept the
exciting experiences that now follow.

Single or taken ? I'm Single !

Now we all have a kind of dream partner, but how do you see your dream
partner ? You are welcome to set priorities.

Dark haired , muscular, like with any tattoos because I think it's a great way
to decorate the body. He has to be taller than me , loving, fun also he must
be mature and be in control of his life

what do you do most in your free time?

There I spend time on my horses, family and friends , also there is of course a
night out once in a while on the Weekends.

Who do you think is the sexiest woman in the world (idol) ?

the Actress Mila Kunis . She is a great actress and she has some big brown
eyes that are incredibly beautiful

On a night out with the girls how does it happen ?

That goes for the game itself . There will be dancing all night and of course
end up probably with some nasty hangover the next day. Generally plenty of
fun and laughter

if we were to offer you a drink in the city what would it be? I'm very happy
for an ordinary vodka orange juice. But a strawberry daiquiri I say never no
thanks to

Hello Emilie

Let's start with the basics, how old are you?

Im 18 years old.

where in the world are you living now?

I was born and raised in Denmark , I live with my boyfriend in Copenhagen

.

Where are you originally from ? Denmark

How Did you begin to start in the model indutrien ?

I started being contacted by photographers when I was 13 years old , and I started to have pictures taken .

How did you manage to maintain such a great and beautiful body ?

It's not that I do anything special to keep me slim , i like food alot , but I eat mostly very healthy and exercise a few times a week.

What do you like best about your beautiful body ?

My eyes and my sexy butt

What is the most adventurous journey you've done ? I had a year where I traveled six times, it was a cool year and I got to see much - Thailand and Vietnam were two incredibly exciting countries.

What are your future goals and dreams in the-Model Industry?

I take those experiences to come. I put no specific goals, but accept the exciting experiences that now follow.

Single or taken ? Taken

Now we all have a kind of dream partner, but how do you see your dream partner ? You are welcome to set priorities.

Well it's hard , so now I have a great Boyfriend who I am very pleased with - but overall I think girls are hopeless romantics , we have a fantasy and everything such as a nuclear family , wedding , surprises , etc. But if I were to name a great men so I think Ryan Gosling is an incredibly nice man, Bradly Cooper is also addressed.

what do you do most in your free time?

I spend my free time at my boyfriend , his children, friends , and family. In everyday life I study and work at the cafe Dan Turell ..

if we were to offer you a drink in the city what would it be? If you met me should you offer me .. hmm .. of course a honey smash - fresh and sweet drink!
