INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys—BARELY LEGAL is 21 years old! We can finally drink! LOL!

But who needs alcohol when BL girls are so intoxicating? Teen Queen Emily is yummier than champagne, and her big, bubbly boobs will make your head spin! One little sip of Ashlynn's cute braces and even cuter butthole equals a six-pack of tall boys, and Keana's hairy pits, pussy, and pooter are more potent than Popov.

There's something for everyone! Adorable Addyson is a girly cock-tail, frosty and fruity, while cum-crazy Coco is a shot or two (or three or four or ten) of tequila. Pretty Kenze is a White Russian, creamy and sweet, and hottie Alana is an extra-spicy Bloody Mary, stinging your drooling tongue.

And naughty Nikki! She goes down as smooth as cognac, but the next thing you know, the sun is coming up and you can't find your panties.*

Anyway, it's time to get this party started! I hope you're coming. :)

PHOTOGRAPHY BY SAGECHICKS.COM

Happy anniversary, everybody!
It's Stacy the intern. Coed cutie
Addyson says college is the time for
"trying things." We're glad posing nude
was one of those things!

**Hey, Addyson! So, did you like posing
nude?**

Yes! I've never done anything like it
before!

What do you think is your best feature?

My ass or face—I get a lot of compli-
ments on both.

Do you always wear panties?

Yes, because I always wear
short skirts.

What turns you on the most?

If you kiss my neck or ear or
lick my nipples.

Do you like oral sex?

It feels good, but actual
sex is better. 

AGE: 18
HEIGHT: 5-3
WEIGHT: 115 POUNDS
MEASUREMENTS: 34C-26-36
HOMETOWN: SALT LAKE CITY, UTAH

Are you a spitter or a swallower?

I haven't tried swallowing...yet.

What's your favorite position?

Cuddle fuck.

What the heck is that?

It's when they hold you really close while they fuck you.

So, you like guys to fuck you slow and gentle?

Well—not too gentle. But not too hard, either.

What's the best way for someone to make you come?

Pretty much just fuck me till I do.

What if it takes an hour?

I hope they won't mind!

Have you ever had sex in public?

One time I had sex in a gas station bathroom stall. Does that count?

Yes. What's the wildest thing you've ever done?

I had a one-night stand.

What's the best way for a guy to get with you?

Just ask me out!

What's your dream date?

Doing something new and adventurous, like scuba diving or kayaking or hiking.

What's your favorite fantasy?

I have sex with my husband in a mansion we just bought.

What are your future goals?

Finding a husband and buying a mansion. J/K! My main goal is to earn my nursing degree. But I might get married when I'm older—after I've tried everything. ;) ★

MAY 2014 PANTY CONTEST WINNERS!

William, we love your plans for Lauren's panties, and Marc, we hope Lexy's undies give you many interesting evenings. Congratulations!

My dear, sweet Lauren Clare,

I am 64, hot and horny, and madly in love with you. If I win your panties I will put them in a sealed envelope along with your lovely pictorial and will it to my three-year-old great-grandson. Here's the catch, though: I will legally stipulate that my great-grandson can never open the envelope, but must will it to his first-born son, who in turn must do the same. This process must continue down through the corridors of time until the year 2114. All of this will be irrefutably spelled out legally so that the chain can never be broken. I will also enclose a copy of this letter along with the legal document that will engineer all of this.

When my first-born great-grandson times six opens the parcel, it will be worth countless millions if not billions of dollars. Your luscious, lovely panties and beautiful pictorial will be alive and well a hundred years from now. When you consider the

current status of social media and what it will have become by then, Lauren Clare will be a worldwide name. The only thing that will remain constant is that your unbelievable beauty will not be eclipsed then or even a thousand years from now.

My first-born great-grandson times six will masturbate scores and scores of times over your panties and pictures—but probably not as much as I have already.

Luv ya,
William Anderson
New Jersey

Hey Lexy,

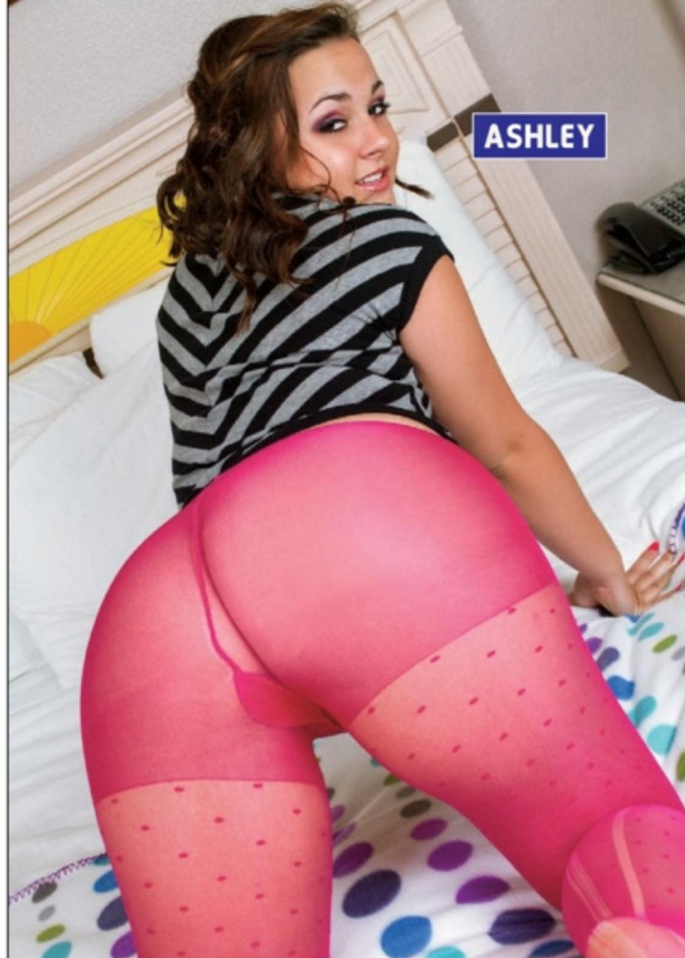

I have to tell you that you got me in trouble, but it was worth it as I got to keep your pictures and am very much hoping to win your panties...

I was going out with a buddy of mine on a Friday night. I got to his house and he was running late. He still needed time to shower and shave. I had 15 minutes to kill while waiting. I know that he gets both *Hustler* and BL delivered to his P.O. box so his wife doesn't find out. She was supposed to be out with the girls that night, or so I thought.

Anyway, I grabbed a copy of BL and sat on the couch. I saw your picture in the front and immediately flipped to page 78. Holy shit. The glasses, the hair, your pussy, your ass...I was frozen, just staring at those pages. I started doing what seemed right at the time. I put my free hand to good use.

Herein lies the problem. His wife was home and walked in on me. She already didn't like me much, but this sealed the deal. I then had to lie to her and tell her it was my magazine. Not sure she believed that one, but I was not going to back down and throw my buddy under the bus. Once he was out of the bathroom, she was happy to tell him what I was doing. In the house he shook his head and told me I was a pervert; in the car he was laughing his ass off and telling me he wished he could have seen his wife's face when she caught me!

So the magazine ended up coming home with me. I finished what I had started earlier that night to your pictures. And I knew that I would have to try to win those panties. If I win I will keep them with your pictures as a reminder of that night.

Thank you, Lexy, for giving me an interesting evening.

Marc Dery
Massachusetts

Dear BARELY LEGAL,

The Lexy Rose pictorial was almost sheer perfection. The pictorial had amazing photography. In general I love lengthy disrobing in a layout. I hate it when the models are naked by the third or fourth photo! The skirts up, shirts up, and panties to the side pics are just what the doctor ordered for me. The only thing missing in the May 2014 issue was Chloe's leotard offered as the prize in the panty giveaway contest. The mailbags would have split at the seams with entries!

The Bone Ranger
Kentucky

First things first: You have the cutest name ever! Second: You're right about Chloe's leotard, but unfortunately she was not willing to part with it. I begged and begged! But at least she let me sniff it. ;)

—Lindsey

Dear Ashley,

I was looking at your photo-shoot pictures in the May issue, and you are hot. I would like to have you as my teddy bear. If you get hungry I got something you can have. I'll give you all the cum you can handle.

Your friend,
Steve
Pennsylvania

Dear Ashley,

I'm hungry, too. I'm ready to eat that asshole out—stick my tongue deep in that ass. I'd suck on that pussy, too. I made a mess on some of your pictures.

Timothy K.
Wisconsin

Dearest Ashley,

Wow! OMG! "More than a mouthful" is truly an understatement. You surely look like loads of hefty FUN that cannot ever be broken from a rough romp. I truly would consider it an extreme HONOR and PRIVILEGE to stick and pork your 18-year-old pussy with this now very rock-hard 44-year-old sausage of mine. Truly there'd be no holes barred! Surely that glorious ass of yours would not be safe from being spanked by me!

Anytime, anywhere,
K.S.
Texas

Bad news, you guys—I went on a diet and got all skinny. :(JUST KIDDING!!! I love to eat more than ever. Steve, I promise to drain you dry, and K.S., your sausage is toast. And Timothy, I hope you left that mess for me to clean up—with my tongue. ;)

ASHLYNN TAYLOR

shine on

Hey, it's Lindsey. The last time we saw porn starlet Ashlynn (December 2012), she refused to smile because of her "stupid shiny teeth." Then a bunch of you guys wrote in to say how incredibly cute you think braces are. Cut to: the new Ashlynn!

Ashlynn, your smile is *adorable*.

Even though the reflection could blind a person?

Oh, stop. I'm glad you changed your mind about your braces.

Hearing from all of those readers helped a lot. It gave me confidence.

Did posing feel different this time?

Yes! I felt so much freer. Like, I didn't have to hide anything.

When do your braces come off?

In a couple months. I can't wait.

What will be the best thing about having no braces?

Definitely giving carefree blowjobs.

You mean a *lot* of blowjobs?

No, I mean deep-throating, getting face-fucked, maybe nibbling a little. I'm so tired of wrapping my lips around my teeth and going super slow!

I'm sure guys don't mind *that* much if you have to suck them slow.

Maybe not—but I want to really show them what I can do! I want to be famous for my BJs.

Do you mean in movies or in real life?

Both. They're almost the same to me. When I'm having sex on camera, I don't even notice it's there.

So, you already had a lot of confidence.

I had a lot of *horniness*. Posing alone in front of a camera is different. It's easy to get shy.

You certainly weren't shy about showing your *butthole*!

That was just to let the readers know about my absolute new favorite thing: a tongue up my booty! Heaven!

I'm sure they'll be happy to hear it—and see it.

It's the least I could do. They got me to smile. Love you guys! ★

"I just want to say thank you for the opportunity to be in BARELY LEGAL magazine," says 18-year-old **Cher Tyme** from San Diego. *She's thanking us?!* Cher was a star athlete in high school, and for fun the tight-bodied hottie enjoys bicycling and riding her skateboard. For *clean* fun, that is—for *dirty* fun she likes "being with girls and guys, preferably together." (But we don't want to share Cher!) This fearless 5-6 sweetie is also a fan of *dangerously* dirty fun: She had sex with one guy on top of a moving train, and with another guy while he was driving 90 miles an hour on a desert road! Cher's main goal in life is to be a professional model, and her dream is "to be naked getting photographed in Times Square." What do you think, guys? Would you like to see Cher in her own spread in BL? Let us know!

MINDY

lessons in lust

PHOTOGRAPHY BY PAULA MARKHAM

I'm no good at sex," reveals newly minted adult Mindy. "Last night, I assumed the Fido position. My boyfriend, Joe, had barely stuck it in. He screamed, 'Mindy! You're too fucking tight!' and shot his wad. Later, I tried a blowjob. I sucked Joe's dick so hard. He moaned like he was in pain. He pulled out and jacked off." Mindy tweaks her pert milk shooters. "I know I could be a good lover. I just need a boy who's patient enough to teach me." ★

COCO ROSE

come and get it

Hello, everyone! It's Abby the intern. Professional glamour model Coco Rose has a mouthwatering fantasy. I hope you guys brought your appetites!

Hey, Coco Rose! Did you enjoy posing for BL?

Yes! I've been wanting to pose for you guys *forever*. I even broke my New Year's resolution for you!

What was that?

To never wear panties!

Wow, thanks! What do you like best about modeling?

It makes my pussy wet.

What do you think is your best feature?

My plump pussy lips and my round booty. They're both completely edible—especially my butt.

How do you get your butt so juicy?

I eat lots of cheesy garlic bread and go hiking every day. -----➔

PHOTOGRAPHY BY HOLLY RANDALL

Are you an outdoorsy person?

Yes. I love being naked outside. And inside. I don't like clothes!

What's your favorite place to get naked outdoors?

The beach. I love roasting my rump in the sun till it's golden brown, like a turkey.

Your butt isn't *actually* edible.

That's what you think! LOL! Of course I know it isn't—but I love fantasizing that it is.

What happens in your fantasy?

A naughty chef oils up my juicy rump roast with melted butter, slaps it till it's tender, then *devours* it. *Grr!*

For real, do you like getting your ass eaten out?

Yes, and my pussy, too. They make for a delicious yet nutritious meal.

Are you all about oral, or do you also like fucking?

I like all three of my holes to be stuffed full of cock. In this order: pussy, ass, mouth.

I probably don't need to ask this, but: Do you swallow?

Yes! I love yummy cum!

What's your favorite sex position?

Spit roast.

What's *that*?

A cock in my mouth and a cock in my ass. *Voilà!* I'm a dripping slice of USDA prime.

Are sex and food all you think about?!

What else is there? :) ★

EMILY

Hey, it's Lindsey. Insanely adorable Emily *turned down* Teen Queen at first because she didn't want her friends to think she was "conceited." That makes her a *true* Teen Queen!

About me: I'm a senior in high school, I just turned 18, and—I don't know! I'm just a regular girl.

Reason for posing: All of the girls in my group at school sent our pictures in to the magazine—kind of as a joke, but not really. But I don't think the others got called. :(

Best physical feature: Not to sound even *more* conceited, but—my boobs. I feel very lucky.

Most embarrassing moment: One time I was in my mom's bathroom using her shower massager, and she walked in on me. I was using the massager *down there*.

Favorite position: Well, I've only had sex with one guy, my ex-boyfriend Jeremiah, and we mostly did it in his car, with him on top. But one time I got on top and it felt really good!

Spit or swallow: Spit it *where*? LOL! I always just swallowed.

Favorite place for a guy to come: Jeremiah came on my boobs, like, every single time. It feels nice.

Best way to make me come: Isn't the guy supposed to tell you?

Anal, yay or nay: I'll say yay because I would like to try it someday. Jeremiah said it was nasty and he couldn't believe I wanted to. :(

Wildest thing I've ever done: Me and one of the girls in my group fooled around a few times. I won't say who 'cause she would kill me!

Main goal in life: All I can think about is graduating next June. LOL! But I guess my main goal is just—to be happy! ★

a **BARELY LEGAL** confession
by alana thompson

PHOTOGRAPHY BY SAGECHICKS.COM

Hello, everyone! It's an honor to be here. As an aspiring journalist, posing and writing for BARELY LEGAL is a great start!

I love school and, not to brag, have been a model student since kindergarten. All A's always! High school was cool—dance team captain, top academic honors—but I was ready to graduate. I'm in college now, learning on a new level. I love it, although nothing will compare to the education I got this summer.

I never really dated in high school (only made out a few times senior year), but I always suspected there was a freak lurking inside of me. I'm a sweet, studious Southern girl, but not exactly a belle. This summer taught me just how straight-up nasty I can be!

My new life kicked off at our graduation party. There must have been at least 80 people there. Beer keg, cigarettes, weed. (I don't do any of those, BTW—my body is a temple!) Folks were getting cray. Pharrell's "Happy" blasted, and I had to dance. I've got moves.

Devin, the star quarterback, was watching. I always thought he was sexy. I felt bold. I gestured for him to join me, but he shook his head. He grinned and wagged his finger. The song ended, and he clapped as I sauntered toward him.

"You are looking fine, girl," Devin said. He was so handsome—tall and lean with caramel skin.

"Thanks," I smiled, out of breath. "Whew. It's stuffy in here." →

"Let's go outside," he said.
It was cool and peaceful. We relaxed in lounge chairs and watched the sky.

Devin's eyes roamed up and down my body. "I always thought you were the hottest thing."

"Why didn't you ask me out?" I said.

"Honor student dance queen didn't seem to have time for guys."

"True," I shrugged. "But high school's over."

Devin kissed me. Our tongues slid against each other. He held my neck and slid his hand down my shoulders, brushing the straps of my tank top onto my arms. I wasn't wearing a bra. My top drifted down. He cupped my breasts and pinched my nips. I shivered. He pulled my top to my waist and buried his head in my cleavage, his tongue slithering from nipple to nipple.

I wrapped my arms around his waist and raked my fingers up his back. His hand slid under my skirt. He stroked my inner thigh. My pussy throbbed. Juice dribbled out of my slit, soaking my panties. I grabbed his crotch. His boner was huge!

"Damn," I gasped, rubbing his thick cock.

He moaned and unzipped his fly. I stroked his dick, feeling the skin slide over the shaft as I pulled up and down. He slipped a finger between my pussy lips and tickled my clit. He dipped the tip into my hole.

"Fuck, you're wet," he whispered, pushing his finger inside of me.

I rocked against his hand and tugged his cock faster. It pulsed in my palm. We toppled onto the ground. I thrust against his hand and jerked him harder. His boner seized up, tightened, and *splooosh!* Thick, hot jizz dripped down my hand.

I was too curious not to taste it. I popped my index finger in my mouth and slurped a mouthful. Salty, a little bitter—an acquired taste, maybe, but I imagined it could become a serious craving.

After my evening with Devin, I started playing with myself a LOT. I got into Internet porn, masturbating while I watched girls give handjobs and BJs, ride dick, and take it from behind. I couldn't stop being horny. I called my friend Nina one night like, WTF is going on with me? She just laughed.

"You were pent up way too long," she said. "Come hang out tonight. We'll watch a Channing Tatum movie and talk about peen."

We lounged on her bed in our PJs and half-watched TV. Channing Tatum is cute and all, but it was some hokey romance from several years ago, and I couldn't concentrate. Not that it mattered—Nina wanted to hear all about Devin's

dong, and to tell me about the blowjob she gave her boss at the law office where she's a receptionist.

"His cock was, like, this long," she enthused, holding her hands a good nine inches apart. "And I took it all the way down my throat."

"You're exaggerating," I said. Nina embellishes everything.

"Am not!"

She jumped up and rummaged through her underwear drawer.

"Check this out," she grinned, wagging a giant dildo at me. "I'll prove it."

She sat cross-legged on the bed, her big blue eyes flashing. She stuck out her tongue, slapped the dong against it, and giggled.

"Guys love that," she said. "You've never sucked dick, have you?"

"I have!" I said, defensive. "Kind of. That time I grubbed with Jake Bailey in the storage closet in biology lab."

"No, you told me about that. You started to lick it, but he had such a hair trigger that he shot his wad against the wall before you could do anything. You need to learn how to *really* give head."

"Know-it-all," I sighed.

Nina licked the dildo base to tip. She flapped it against her lips, flicking the head with her tongue. She opened her mouth wide and wrapped her lips around it, sliding it in until it disappeared down her throat.

"Here, you try," Nina beamed, all proud.

She stuck the dong in my face, slapped my cheeks and chin with it.

"Take it, bitch!" she giggled, pushing it against my lips.

I parted them and stuck out my tongue. She shoved it in. I gagged and she laughed.

"I wasn't ready!" I objected. She was such a jerk.

"Amateur," she said, tugging my pajama pants to my ankles.

"Here, try it in your pussy instead."

Okay, that made me nervous, because let's face it: I was a virgin. At the same time, I was turned on. I wanted it. I took a deep breath and spread my legs. Nina parted my pussy lips with her fingers and rolled the tip of the dildo against my clit. It got all engorged.

"This isn't gay, is it?" I said, pussy dripping.

Nina rolled her eyes. "We're playing with dick. *Duh.*"

I sank back into the pillow. My thighs relaxed. She nudged the tip into my hole, swirled it around, inched in a little more.

"You're super tight, but sooo wet," she said, pushing further.

The very back of my mind was a little scared that it would hurt, but mostly I craved more.

"Here we go." She dipped deeper.

I sighed and rocked my hips. My nipples tingled. I pulled up my shirt and squeezed them.

"Wow," Nina said, nudging deeper still. I could feel my cooch opening, inviting it in.

"I've never seen your tits bare. They are fucking perfect."

"I thought this wasn't gay," I moaned, not really caring.

"Who gives a shit?" She gave me a jab.

Suddenly, the dildo was in as far as it would go. I gasped, shocked for a sec, holding my breath. Then I exhaled, eyes rolling back in my head. She angled the wang so that it wriggled inside me and stroked my clit at the same time.

"Oh my goodness," I panted, mashing my tits together and throwing my head back.

Sweat beaded on my forehead and upper lip. OMG, I was coming. My BFF was screwing me with a big rubber dong, and I was actually having an orgasm!

"*Auuughhh!*" I wailed, thrashing. Total gazz spaz attack.

Nina clamped her hand over my mouth. "What is wrong with you?! You'll wake up my parents!"

"Sorry."

"O. M. G." Nina said. "You are sooo ready for some real live dick."

She was so right. I was hornier than ever now. I considered hitting Devin up. I mean, he's very nice and good-looking. It would make sense. But one night on a whim I hit a club, and everything changed.

I don't know what got into me, but I just felt like going out all by myself. I've never done that. Tonight was just gonna be all mine.

It was downtown, 18 and up 'cause I don't have a fake ID—keeping it legal! I strolled up to the bar and ordered a Sprite with a cherry in it. Am I not wild? LOL!

I took a seat in a booth and watched the dance floor. It was a crazy mix of a crowd: frat boys, hood rats, rich girls, older dudes. Which doesn't make me mad. I admire mature men. Denzel Washington, Daniel Craig—I even have a thing for Edward James Olmos, and he is ancient!

A guy caught my eye. He was wearing a suit, which is a strange choice of wardrobe for a club, but he looked so smart and sophisticated. I was debating whether I should approach him when our eyes met. He walked toward me like he could read my mind. He sat down, totally confident like it was no big deal, and extended his hand.

"I'm Patrick."

He looked kind of like Christian Bale.

"Alana," I said.

We chatted. It was loud in there, so we had to talk close. My skin tingled every time his warm breath hit my ear. He said he worked in D.C. but was in Jackson visiting his sick grandmother. A professional man who also cared for his loved ones—how sexy is that?

"It's crowded in here," he said. "Let's take a drive."

We strolled to the parking lot. He opened the passenger door of his Escalade for me. A gentleman!

"Where should we go?" he said, settling into the driver's seat.

I don't know what came over me.

"Right here." I pulled him toward me and kissed him. I mean, hard. I had dick on the brain. I couldn't help it!

"Let's get in the back," he suggested.

We clambered into the backseat. I pulled off his tie, unbuttoned his shirt. He lifted my dress, ran his fingers up and down my thighs. I popped my tits out of the top and rubbed them in his face. I pushed him onto his back and straddled him, scraping his chest with my fingernails. He moaned and squeezed my ass. His cock was raging in his pants, poking my crotch. I unzipped his fly and wrapped my hand around his dick. I licked it, opened wide, and dove all the way down. What had happened to my gag reflex? It no longer existed!

"Aww, fuck," he moaned as I sucked him.

My panties were soaking wet. I wiggled out of them, slapped his dick against my clit. I was so not acting like a virgin. I mean, Nina popped me with a dildo, so did that mean I wasn't?

Slowly, I sat on his cock, inch by inch. It was hot and throbbing—*waaay* better than a dildo. The pressure in my pussy gradually released the deeper he slid inside of me. We fell into a rhythm. Warmth spread through my body. Every nerve tingled.

"Let me fuck you from behind," he panted.

He gripped my waist and spun me onto my hands and knees. He dug his fingers into my ass cheeks and spread them.

"Yeah," he huffed, his thumb circling my buttock.

He spit on my tooter and popped the tip of his thumb in. His cock bumped against my cooch, then BAM! He was all the way in. It went even deeper from behind. By now his thumb was 100 percent planted in my ass. I'd never felt so full. I thought I would explode, but in the best way ever.

Patrick grabbed my tits, slammed me harder. My teeth rattled in my head.

"Oh God," he groaned. "You're so fucking tight. Can't stop. Oh fuck. Oh *yaaaahhh!*"

He pulled out and splattered my ass with splooge, rubbing it into my cheeks like lotion. He smacked my sticky booty, panting.

"You dirty little bitch."

So nasty! I loved it.

Patrick went back to D.C. He got my number, but I'll probably never hear from him. That's okay, though. Now is not the time for a relationship. Back to focusing on school and studying hard. Well, within reason. I might just major in journalism, and minor in dick. ★

Howdy, gang! It's Stacy the intern. High school hottie Keana almost makes me want to grow my own bush out!

Hey, Keana! How did you like posing for us?

It was super casual and fun. I didn't know I would be allowed to wear my own clothes.

Of course! Did it turn you on to take the clothes off?

Yes, a lot—just knowing people want to see me naked. At least I hope they do!

What do you think is your best physical feature?

My eyes.

KEANA

bushwhacker

How often do you masturbate?

Every single day, morning and night.

Why so much?

Because I'm not getting any *real* sex. The boys in my school don't know I'm alive. :(

How is that possible?

Hmm, let me count the ways: black hair instead of blond, tiny titties instead of giant melons, the rumor that I have a hairy pussy and pits.

You *do* have a hairy pussy and pits.

But I *didn't* at the time the rumor started. So after that I decided, Eff this—if they're going to call me Ape Girl, I'll *be* Ape Girl. But then I liked the way my pussy felt, so I never shaved again.

How does it feel?

Soft and warm. Plus having a bush makes masturbation better.

How?

When I finger myself, I tug on the little hairs. It makes me all tingly and turned on.

Ooh, that actually sounds nice!

It is. And then when I come, my bush gets all sticky. It's fun to play with.

You know, a guy's jizz would make your bush sticky, too.

Duh, I know. But I can't *beg* guys to notice me.

I don't think you'll need to after this! ★

BARELY LEGAL #140

HUSTLER Video. Director: Otto Bauer. Starring: Lia Ezra, Hanna Lay, Alana Rains, Kierstin Koyote, Jenna Leigh, Mark Zane, Cody Sky, Danny Wylde, Aaron Wilcoxxx, and Derrick Pierce.

Back in the early days of the *BARELY LEGAL* video series, all of the scenes used to be narrated by a girl writing to "Dear BARELY LEGAL" for advice—which was a totally cute idea, and I don't know why they stopped doing it. Well, this latest edition has the narration again, which makes it an instant classic IMHO! Of course, it also doesn't hurt that all five girls are completely adorable. First, there's Hanna Lay, who looks like a young Elizabeth Taylor with her black hair and glamorous eyebrows. She's sad about her boobies being too small—they're Bs! She should have *my* mosquito bites!—but luckily her sadness doesn't prevent her from sucking Mark Zane's cock like she's dying of thirst and only hot jizz will quench it. For truly teeny titties, we have Alana Rains's dainty double As—they're smaller than Cody Sky's! Still, she manages to make them bounce like crazy while slamming Cody in reverse cowgirl. Little Lia Ezra has *the* most amazing nipples—they're puffy and pointy at the same time, and they look so chewy-delicious between Derrick Pierce's teeth. (Yes, I am obsessed with the titties in this movie—but wait until you see them!) Of course, I don't want to take away from Lia's luscious, dimpled, doughy derriere that Derrick grips for dear life while Lia rides on top. I won't even mention Jenna Leigh's perfect, petite rack—I want to talk about her insane sex moans. She sounds exactly like a broken baby doll crying far away. It's the weirdest thing ever, but it's also a total turn-on, 'cause you *know* it's her for-real reaction to Aaron Wilcoxxx's dick in her cooch. No one would make a sound like that on purpose! Finally there's the only blonde in the bunch—Kierstin Koyote. She doesn't have breasts. J/K! She has lovely, round, slightly sunburned boobs so plump they look like they're about to burst. It's no wonder Danny Wylde misses her mouth and squirts all over her jugs—they're like magnets for man juice! Okay, enough with titties already—I've gotta tend to my tingling coochie. Thanks, girls!

Hey, it's Lindsey. I'm sure you guys remember model/med student Kenze. She's so hot, she was in BL and Hustler in the same month (March 2014)!

Welcome back, Kenze! How is school?

It's getting harder and harder.

That's what our readers will be saying! Did you get even *more* beautiful?

You're making me blush!

Are you shy all of a sudden?

I've *always* been shy. Modeling is helping me cure my shyness.

How?

It forces me to think less and act more.

This is the second shoot you've done for us that's outdoors.

I love shooting outdoors. It's the ultimate challenge—especially if I know people are watching.

It'll be cold soon, so you might have to stick to indoor shoots for a few months.

Cold weather doesn't bother me—my internal body temperature is higher than normal.

Do you think you'll ever challenge yourself even more—like, by doing porn? ----->

Maybe with another girl.
Not with a guy.

Why is that?

Sex with girls is kind of a fun diversion. Sex with guys is more intimate. I only do it if I'm in a relationship.

Are you in one now?

No. :(I'm dreaming a lot about cock these days.

Do you wake up with a wet pussy?

Every morning! *Steaming* wet. It feels like an oven when I stick my finger in there.

You might have to break your rule about relationships.

No, it's too important to me. I'll find the right guy eventually—and when I do, he's in for a very hot time. ★
