BREAK TABOO

A full-page photograph of a woman in a shower. She is wearing a wet, translucent white t-shirt. Her right arm is covered in numerous black and orange butterfly tattoos. She has a nose ring, a lip ring, and a belly button ring. Her eyes are closed, and she has a serene expression. Water is spraying over her from above. The background is a wall of light-colored square tiles.

H: All "pick up lines are bad. Just don't do it.

Most embarrassing moment?

My most embarrassing moment was on my first day of 7th grade. I was wearing those chunky platform Converse Jack Purcells and totally tripped over a curb in the school hall and fell flat on my face in front of my whole first period class. It was a great way to start off the new school year!
