# MARY CAREY

From Ballet Dancer, to Exotic Dancer, to one of the sexiest pornstars today... introducing Mary Carey. This sexual eye catching blonde, busty, beauty is short of nothing and hard on everything else.

**Measurements:** 36DD-26-36

**Height:** 5'9" **Weight:** 136lbs

**Website:** [www.clubmarycarey.com](http://www.clubmarycarey.com)

“ I love it. I forget about the cameras and just get into whoever I am with. ”

**SINFUL:** Thank you for the interview, what led you to take a career in the porn industry?

Mary: I have always liked to be centre of attention and was always a performer. I was the star ballet dancer at my high school that had a great arts program, and then I was on my college dance team at FAU where I was also a theatre major. While in college I tried stripping for 3 months to pay bills and they had feature dancers, and I of course wanted to be one of them, so I became a feature and found out to make the big money as a feature, you should become a porn star. So I did that!

**SINFUL:** How did you get your hosting job of "The Mary Carey Happy Hour" on Vivid Radio on SiriusXM Channel 102?

Mary: I have always loved radio. I was on the Howard Stern Show starting in 2001 and have been on over 17 times and co-hosted Mancow in Chicago in 2006 and have done tons of other radio interviews. When I was called to come in and test for Vivid Radio I jumped at the opportunity. Radio is always something I have wanted to branch into and it is a career I would like to do for the next 20 years because you can do it when you are old and have saggy boobies. Working for Vivid is something I have always wanted to do and other than two girl/girl scenes when I first started I did not get to, as I was under contract with two other companies so getting this opportunity to now work for the number 1 company in the adult industry, well, I couldn't be happier. Vivid does everything top notch and Vivid Radio station is no exception.

“

I thought I would

”

**SINFUL:** For fans who haven't tuned in yet to your radio show, what are they missing out on?

Mary: It is super fun and super sexy. Like a real happy hour. I always have a hot girl or girls in studio with me. We do the what are we wearing segment, where I describe what we are wearing at happy hour. I want the listener to feel like they are there with us. I have a topic for every show that people can call in and talk about, and I always take calls during the show. Some topics have been, Strip club stories, what is your secret sex fantasy, what kind of porn gets you off, etc. I always play a game with my guest such as truth or truth or the favorite's game and I end each show with a sexy toast, since it is happy hour after all!

**SINFUL:** Growing up what did you envision you would become?

Mary: I thought I would be a ballerina.

**SINFUL:** Thinking back to your first onscreen sex scene, what was going through your mind?

Mary: It was girl/girl and I was hoping I was doing it right and I was super excited and nervous all at the same time.

**SINFUL:** How do you prepare for a porn scene?

Mary: Douche! That's about it.

**SINFUL:** Give us an insight of what it feels like to fuck onscreen?

Mary: I love it. I forget about the cameras and just get into whoever I am with. I am momentarily in love with whoever I am working with.

**SINFUL:** So what's it like to sit back, turn on a movie and watch yourself fuck?

Mary: I don't usually, I just like to watch my acting parts in movies leading up to the sex. (laughs)

**SINFUL:** Do you really enjoy sex that much or is most of it acting?

Mary: I have honestly enjoyed every scene I have ever done!

**MARY CAREY**

**SINFUL**

**COVER MODEL**

**MARY CAREY**

**SINFUL: Take us behind the scenes, what's it like, what happens, how does the scene start?**

Mary: The director and my co-star and I usually discuss what we are going to do during the scene and what positions and then we get to it. We take the stills before the scene starts. There are usually 2 cameras shooting, 1 shoots hardcore shots and 1 shoots softcore shots. Sometimes we have to stop in between to switch positions if it is an awkward transition and the director will usually call out when we have enough footage in each position. At the end when we have enough, the director will then call for the pop shot and then a good male performer will be ready within a couple of minutes to do just that, and then after he cums we take the stills of that and the scene is over.

**SINFUL: You've had scenes with both men and women, which do you prefer?**

Mary: As much as I love girls, especially blondes with big boobs, I prefer doing boy/girl scenes because I like when the guy takes charge, and it feels more real.

**SINFUL: You've got some great scenes out there, which has been your favorite?**

Mary: Tough question... girl/girl wise I love my scene with Tyler Faith in Mary Carey Gets Carried Away by Legend Video and boy/girl I like my scene with Lee Stone in Mary Carey Rules by Kick Ass Pictures which was my first boy/girl scene ever.

**SINFUL: Any pornstar you'd love to do a scene with?**

Mary: Nikki Benz... hands down! I love her. She is looks wise, my ideal girl! And I love her personality; she is fun and so sweet.

“ I love to be on top, because then I know I can cum for sure! ”

**SINFUL:** What's your favorite sexual position?

Mary: I love to be on top, because then I know I can cum for sure!

**SINFUL:** Do you have any unfulfilled fantasies?

Mary: Hmmmm, listen to my radio show The Mary Carey Happy Hour on Vivid Radio SiriusXM102 to find out, this is my topic quite often.

**SINFUL:** What's something you haven't done on screen yet that you are just dying to do?

Mary: Nikki Benz... (laughs). No I always have never done two guys at one time, or anal, or DP, or three guys, so I have tons of stuff I could do if I got crazy.

**SINFUL:** Describe yourself in one sentence?

Mary: I am fun, loud, crazy, smart and one hell of a good time!

**SINFUL:** What were you like in high school?

Mary: I was the ballerina girl, very happy and cheerful, I didn't start going to parties or having boyfriends till I was 16.

**SINFUL:** So what do you do in your spare time?

Mary: I love to go to the gym and I also love sporting events. Every city I travel to I try to go to a baseball game, basketball game or hockey game in that city. So fun.

**SINFUL:** For people trying to get into the porn industry, what advice would you give them? Mary: Make sure you are ready to be considered a pornstar for the rest of your life. If you do one scene or three hundred you will be a pornstar forever, and it is a life changing decision that will impact your life and future work and the way people view you. You cannot hide it. So just make sure you are willing to make this your life. I knew I wanted to be a famous, well known pornstar. So I signed up for this, but some girls don't think about that when they do this.

Mary: I would love to do a scene with Britney Spears.

**SINFUL:** How about a tip for our female readers, what would you wear to seduce a man?

Mary: I would say wear what makes you feel the sexiest and most confident, whether it be a tiny dress, corset, bra and panties, when you feel confident and sexy it will show and turn the guy on even more.

**SINFUL:** Now a tip for the male readers, how does a guy bring up or convince his girl to do a threesome with another girl?

Mary: I think show a porn with it in first maybe or just be honest and share your fantasy, maybe ask her what her secret sex fantasy is first and then share yours.

**SINFUL:** What do you have a weakness for?

Mary: Blondes with big boobs.

**SINFUL:** Weirdest thing a fan has asked for or you to do?

Mary: To take pictures licking my feet after I got off stage dancing for 20 minutes and I was wearing boots and stockings, so I am pretty sure my feet smelled horrible.

**SINFUL:** What in store for you in future?

Mary: I want to further my radio career and continue feature dancing. I also have two new Cinemax movies airing, The Great Bikini Bowling Bash out in July and Atomic Erotic Hotel out May 3. The move All Babe Network is on Cinemax on Demand.

# THE *Blonde Seduction*

**J**ake wiped the sweat from his brow with the back of his hand as soon as he set down the last box. Moving in the middle of the summer wasn't his favorite thing, but taking a look around his brand new apartment, he knew it was worth it. He finally landed his dream job and had a place to match the awesome new salary that came with it. Before he started the arduous task of unpacking, he decided to relax a bit. He still had a six pack in the fridge after using beer and pizza to convince his buddies to help him move the furniture in the previous day. He grabbed it and headed down to the pool.

Jake figured he'd be the only one down there in the middle of the day, but as he approached the gate he caught sight of a blonde haired woman in the water, her head bobbing up and down as she swam laps.

He twisted open a bottle and stretched out on one of the lounge chairs, getting a better look at the hot blonde from behind his sunglasses.

THE  
*Blonde  
Seduction*

After a few more laps, she pulled herself out of the pool. Her large, natural breasts, glistening with water droplets, were barely covered by her small, red string bikini top. To Jake's surprise, she headed straight toward him and lowered herself onto the chair next to his, stretching out her long, toned legs.'

She smiled at him, flashing straight, white teeth. "You gonna offer me a beer or just stare at my tits all afternoon?"

A wry smile played across Jake's face as he handed her a beer.

"Thanks," she said, taking a long sip. "So, you like what you see?"

Absolutely," Jake answered without hesitation.

"Maybe I should show you some more since you shared your beer. She winked and stood up. With her beer in one hand, she undid her top and bottoms with a few pulls on the right strings.

Straddling him, she took another long drink and when she was done, spilled some of the beer onto her supple breasts.

"Oops!" she giggled.  
"Could you get that for me?"

Jake bolted upright and immediately took one of her perfect pink nipples into his mouth, licking and sucking as she moaned for more. By this time, she was grinding on him and his cock was starting to get nice and hard.

"Fuck me, babe," she moaned in his ear.

Jake stripped down, now hard as a rock, and she climbed back on top of him. Slowly, she lowered herself onto his cock, her tight, juicy pussy taking him in inch by inch until he was balls-deep inside her.

"Oooohh," she moaned as she began to ride Jake faster and faster, her perfect tits bouncing.

He reached behind her and let out a moan as he smacked her ass.

"Ooh baby, I like that! Spank me like the naughty little slut I am!"

THE  
*Blonde  
Seduction*

Jake smacked it again, harder this time. He could feel her wet pussy tightening up as her moans got louder. "Oh yes, I'm gonna cum!" she screamed. And she did, still screaming and grinding hard on him.

"I love that wet pussy," Jake whispered in her ear as her sweet juices ran down his shaft. "Why don't you taste it?"

He stood up as she knelt before him, stroking his hard cock for a few seconds and then taking him into her mouth.

He sighed contentedly as she swirled her tongue around the sensitive, swollen head before taking him deeper and deeper until he could feel the back of her throat tighten up as she fought her gag reflex.

He grabbed a fist full of her hair as she fondled his balls, sucking his dick like a pro.

After just a few minutes of the best head he had ever gotten, he was ready to cum, too.

"I'm gonna cum in that sweet little mouth of yours," Jake announced. She moaned around his cock, sending chills up his spine.

Grabbing her blonde hair tighter, he held her head in place as he fucked her throat. Pre-cum and saliva dripped down her chin and she continued to stare into his eyes.

"Fuck yeah, take it all, baby," he said, thrusting furiously.

He let out a long moan as he continues to face-fuck her, blowing his salty-sweet load straight down her throat. Spurt after spurt of hot cum shooting out.

Finally, he let her go, pulling out of her mouth. She smiled down at her and said, "Baby, I'll share my beer with you anytime."
