SIRI

SINFUL: Thank you for the interview, How did you get started into the porn world?

Siri: I knew that I wanted to be an adult film actress when I was 19, in my first semester of college. I stayed in school until I finished, but the desire to move to LA and be in adult films never left me, so as soon as I could, I moved out here. Getting in is the easy part - porn studios are always looking for fresh faces. The hard part is building a career and sticking around when the average length of time a girl lasts in porn is six-months-to-one-year. It definitely helps that from day one, I've looked at this as my career; I've always treated it as such and made decisions according to what I think is best for my career and my longevity in this industry.

“ I love performing and I love sex. ”

SINFUL: Why porn?

Siri: I love performing and I love sex. I was a theater nerd growing up. I always acted in plays and jumped at any opportunity to perform. I would play songs I wrote at open mic nights at local coffeehouses when I was in high school. But I was a late bloomer - I had my first kiss at 16 and had sex for the first time at 18. I knew I was very sexual, but I didn't feel comfortable expressing my sexuality. I always wanted to be able to live a free and sexually open lifestyle. So at 19 when I had the idea of combining my sexual openness with performing, it made perfect sense to pursue a career in adult films.

SIRI

SINFUL: What were you doing prior to entering the porn industry?

Siri: I was in college, and working odd jobs to get through it. I still have a mountain of student loan debt, but I'm glad I pursued higher education, despite the fact that I don't "need" a college education to do what I do.

SINFUL: What's your favorite sex position?

Siri: Doggy! It allows for the deepest penetration. Enough said.

SINFUL: Do you ever sit back and watch one of your sex scenes, if so is it weird when you sit back and watch one of your scenes or does it turn you on?

Siri: I always watch the trailers for my scenes. Sometimes my husband and I will watch a whole scene together, which really turns both of us on because it's naughty! It is slightly weird to watch myself, mostly just because I might wonder why I made a certain face or noise or something, (laughs). I totally lose myself in the moment when I'm fucking, so when I see the video I sometimes think "Do I REALLY do that during sex? What the hell?" It's funny.

SINFUL: How do you prepare for a movie scene?

Siri: Physically, I do basically the same stuff any girl would to prepare for a date: make sure I'm fresh and squeaky clean. Put on deodorant, duh. I don't wear perfume though because some people are very sensitive to that, and it is uncomfortable to have strong scents under the hot lights. I always ask my co-star for their likes and dislikes before a scene and do some basic "get-to-know-you" chatting with him or her.

SINFUL: What's something you haven't done on screen yet that you are just dying to do?

Siri: A gang bang. I've had three in my personal life and I love them. I just love cock, and the more the merrier. I can't wait to get a bunch of dudes all to myself on film!

SINFUL: Who is one celebrity that you'd love to do a porn scene in an adult film with?

Siri: Jennifer Lawrence. She's amazing, so naturally beautiful and sexy, and I am absolutely sure that she's a beast in the bedroom. And a wonderful kisser.

“ I totally lose myself in the moment when I'm fucking ”

SINFUL: Best thing about being Siri?

Siri: I get to show off my boobs all of the time. Other people seem to like that, too. (smiles).

SINFUL: Yes we do, and what's the worst thing about being Siri?

Siri: The never ending iPhone jokes. And every person acts like they're the first one to make a Siri joke to me. I get that it's tempting to make the jokes, but I don't get why so many people think I named myself after the iPhone Siri! It's an actual female name, just like Katie or Sarah are real names. Google the name Siri or Sigrid. Or just search any social media site. There are a LOT of women with that name, and many of them were born way before smart phones even existed.

SINFUL: You got incredible assets, but what's your favorite body part?

Siri: My face. I feel blessed to have a face that I'm completely happy with. I'd never do anything to change it, and I love going makeup free.

“...built to withstand extreme cold, hence the huge tits, to insulate my heart. And the wide hips, to insulate my precious pussy.”

SINFUL: So where do all those curves come from, what nationality are you?

Siri: I'm Scandinavian. Mostly Swedish, some Norwegian and Danish too. I'm a Viking... built to withstand extreme cold, hence the huge tits, to insulate my heart. And the wide hips, to insulate my precious pussy. (laughs).

SINFUL: What do you have a weakness for?

Siri: Frozen yogurt. It could be worse.

SINFUL: How about a tip for our female readers, what would you wear to seduce a man?

Siri: Something I feel sexy and confident in. It doesn't really matter what it is. If I feel amazing and hot in it, then the type of guy I'd want to attract will probably think I'm amazing and hot in it.

SINFUL: Now a tip for the male readers, how does a guy bring up or convince his girl to do threesome with another girl?

Siri: If you want to explore sexual non-monogamy with your significant other, then you need to have very open communication in your relationship. Discuss every possible detail of the threesome; discuss your boundaries and your fantasies very openly. And let her pick the girl. Always let your girlfriend pick the girl, because the chemistry between the women will make or break the experience.

Siri: I get weird requests and emails constantly. My favorite, though: Some anonymous guy from Pennsylvania sent me a (completely serious) email asking to fly there at my own expense and meet him at his house, which he described as being across from an elementary school and next to a 7-11. Siri: I look forward to continuing to shoot amazing scenes for my membership website, SIRIpornstar.com. I'd love to perform in more adult feature films and parodies, too. It would be amazing to receive an AVN Awards nomination eventually for Best Actress. Down the road I also plan to do more work behind the camera, directing my own films. I already do it for my own site, but I'd love doing it on a larger scale with a distribution deal.

Adult Superstar Tasha Reign Graduates from UCLA

Adult entertainment superstar Tasha Reign will be graduated from UCLA, with a degree in Gender Studies. The often cited and interviewed media personality, who has also had her blogs and articles featured on numerous highly trafficked mainstream websites, is now set to take the next step in combining her studies and her work in the adult entertainment industry.

"Studying at UCLA and cultivating my humanist viewpoint, particularly in the field of feminism, has allowed my adult performance work to shine with a very personal touch," said Tasha. "I'm looking forward to now concentrating on producing, directing, and performance work, as well as continuing to use the education I received at UCLA to share my experiences and perspective with the public. I'm proud to be a Bruin and even more proud to be a part of the feminist porn movement!"

Tasha's popularity and celebrity status has allowed her to speak out about sexual empowerment and feminism for a variety of media outlets, where her fans are drawn to her sexual nature, actions, and mind. Tasha participated on a recent panel at UCLA, titled "Porn, Prostitution, and Censorship: The Politics of Empowerment."

"Heartfelt congratulations to Tasha, a thoughtful and

inquisitive student who brought a unique perspective to the classroom as an adult actress and filmmaker," says Jen Moorman, Ph.D., Lecturer in Gender Studies and Cinema and Media Studies at UCLA. "She is already an outspoken advocate for the adult video industry, and I have no doubt that she will bring the insights she has gained as a student at UCLA to her work in new and interesting ways."

UCLA's Gender Studies department provides a quality education that emphasizes analytic and writing skills, qualitative research methods, and a historical and transnational understanding of social inequalities. Its faculty integrates feminist pedagogical approaches and their own research into their teaching. The department's core courses address the concepts of gender and the body, gender and power, and gender and knowledge through a range of topics such as freedom and liberty, social movements, masculinities, work and leisure, politics of social justice, colonial and sexual violence, and visual culture and citizenship – topics Tasha works to incorporate into her editorials, interviews, and analysis on the adult film industry.

Penthouse Pet Tasha Reign tours the country in addition to her on-screen directing and performing, where she continues to be one of the biggest draws at premier gentlemen's clubs all around the country.

SEXUAL

It is very inevitable that at some point in a person's life, he or she may be faced with the reality of not being able to satisfy his or her spouse sexually, due to a lack of desire or physical capability. This inability to exercise one's manhood or womanhood sexually is defined as sexual dysfunction. The lack of motivation is quite noticeable when the individuals are in the act of normal sexual activities; such as foreplay, arousal or orgasm. Failure to achieve sexual satisfaction can be heart shattering for all parties involved. Several studies conducted have shown that sexual powerlessness may be due to a multiplicity of factors such as:

- Anxiety
- Aging
- Drug use and abuse
- Stress
- Infidelity
- Sexual incompatibility
- Decreased libido
- Personal hygiene
- Menopause
- Nutrition
- Taking each party for granted after being in the relationship for an extended period of time

The abovementioned list will eventually result in the following if not managed carefully:

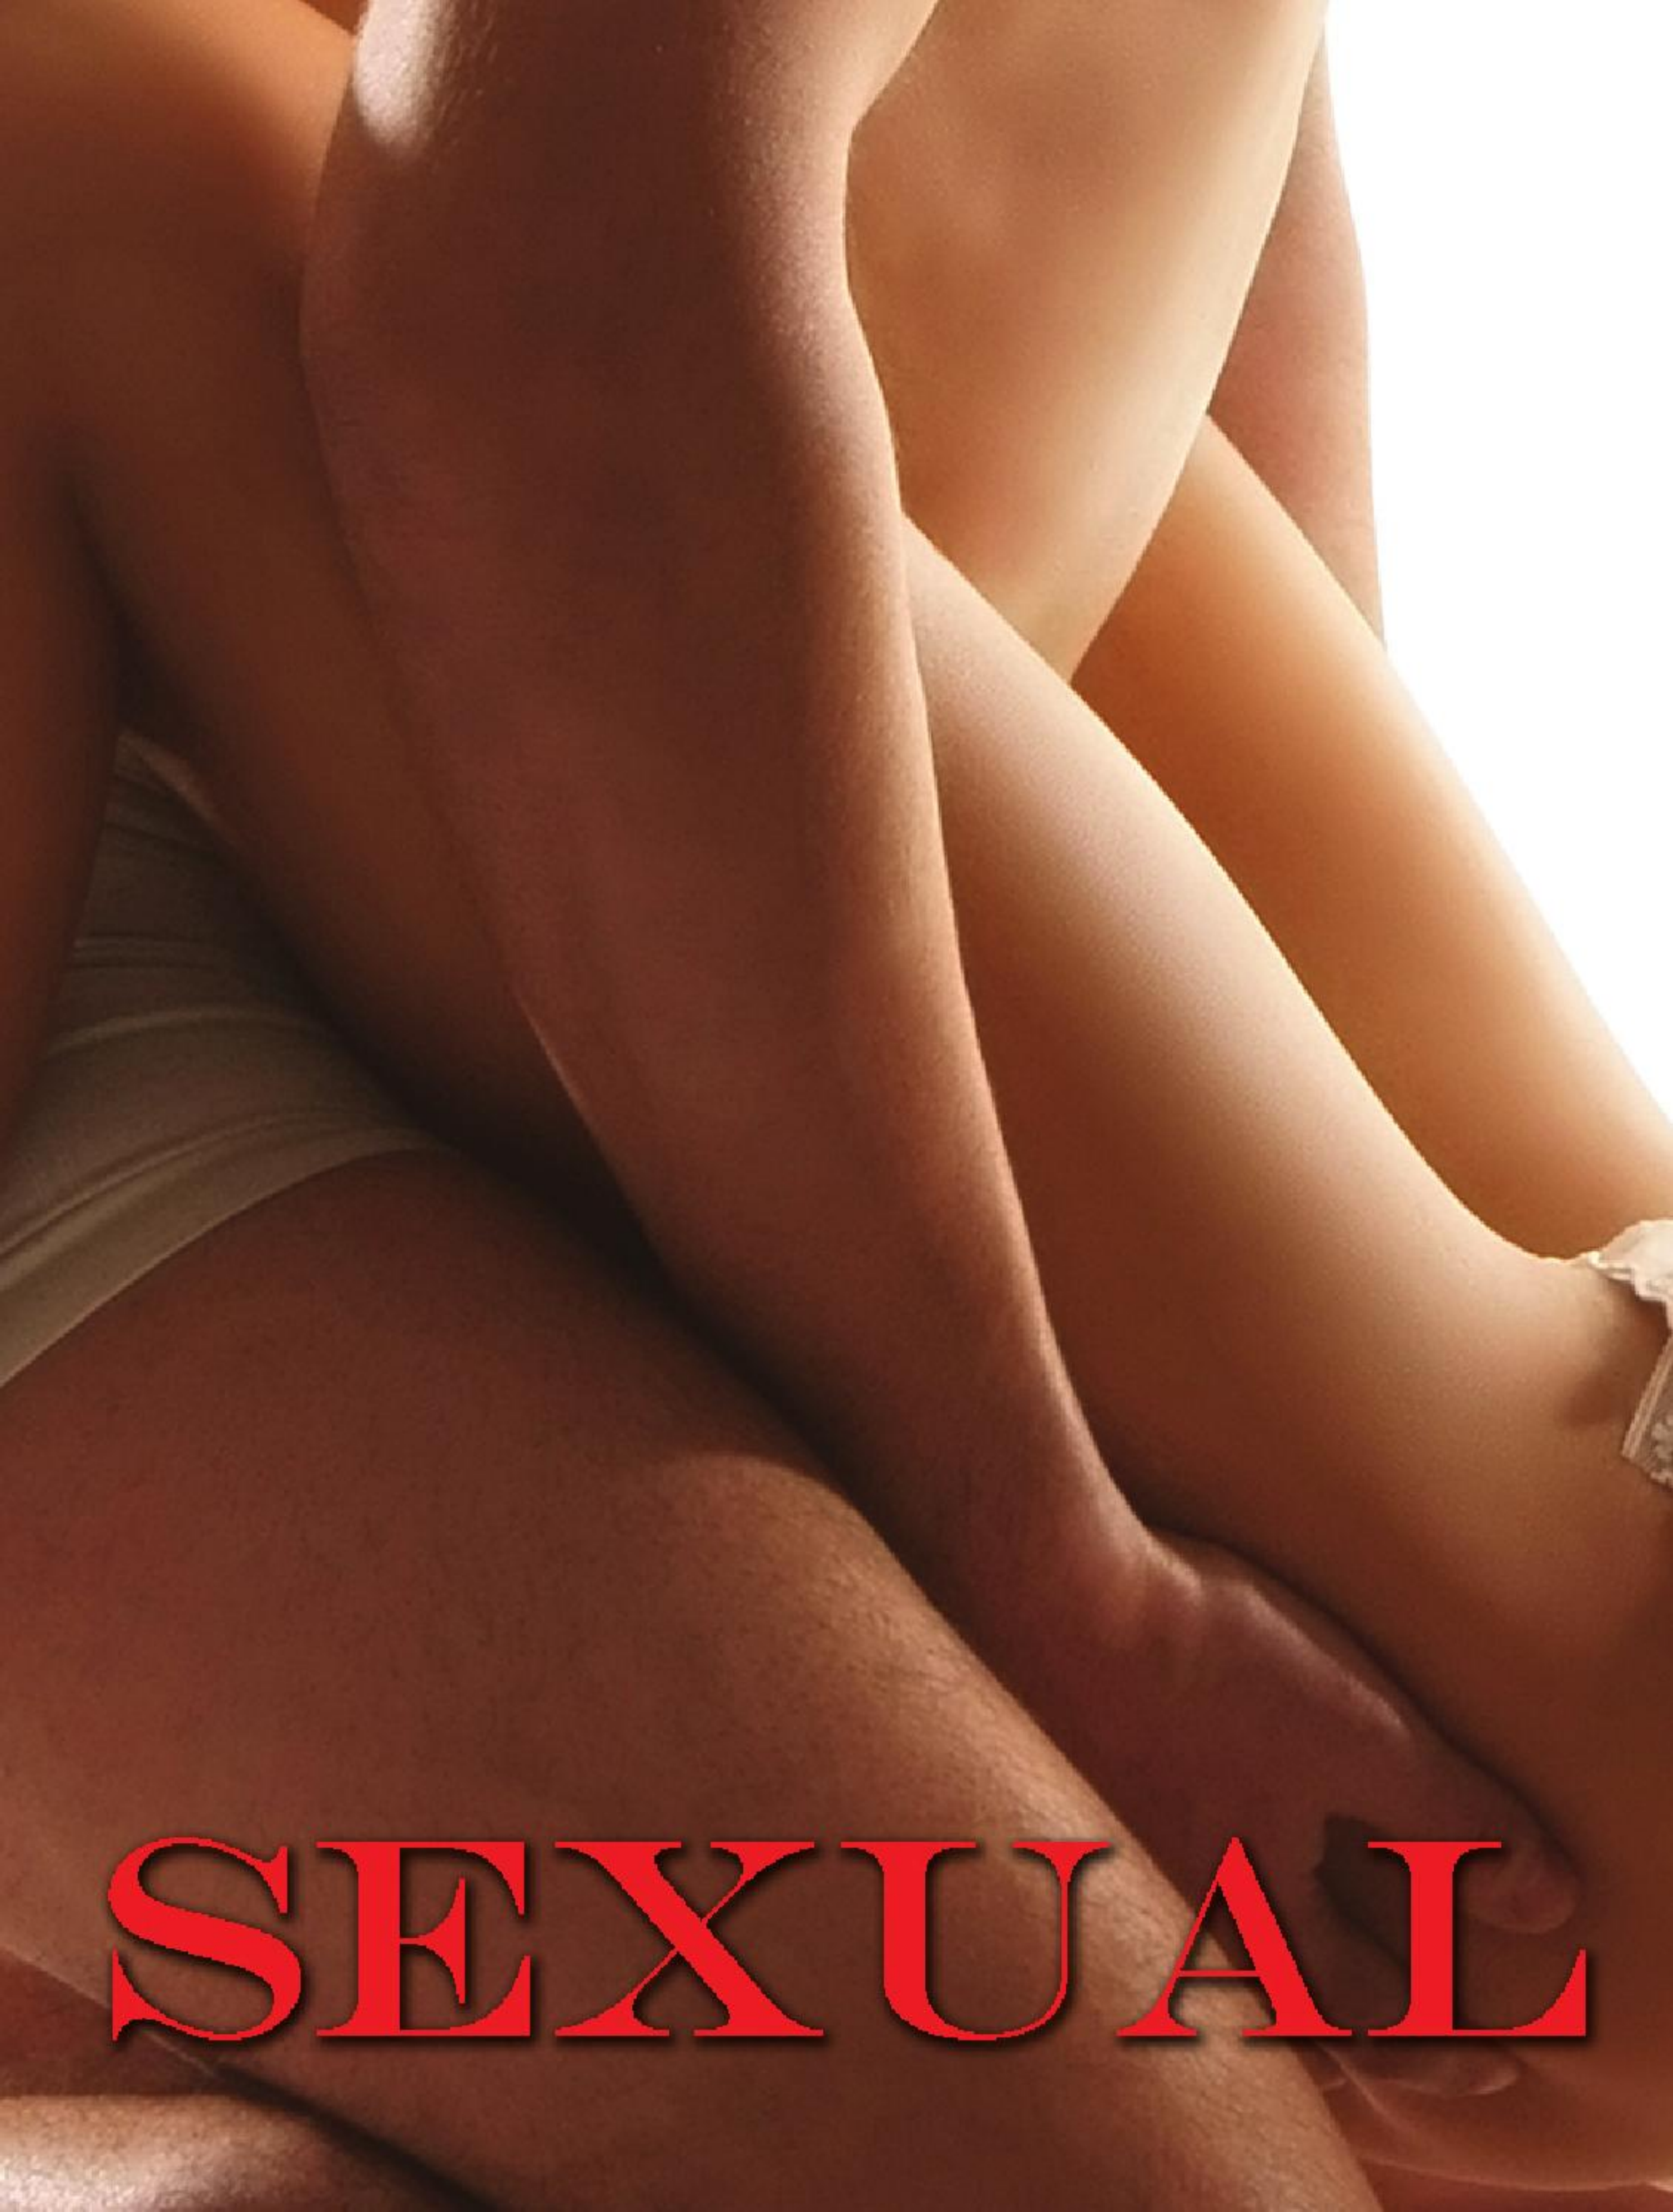

- Premature ejaculation
- Orgasm disorders
- Sexual pain disorder (common in women)
- Erectile dysfunction
- Sexual arousal disorders
- Sexual desire disorders

Sexual dysfunction may be temporary or permanent. However, with advancement in technology and medicine some of human's sexual incapability can be remedied and they are able to live normal and fulfilling lives. For example, identifying stressors and effectively and efficiently manage them in order to avert a crisis, have fun, exercise, relax, meditate and practice eating healthy; are some of the many ways of forestalling sexual dysfunction in your life.

Sexual Disorders! What are they and how a person struggling with such defects can be helped?

Sexual dysfunctions inhibit confidence and decimate self esteem regardless of age, colour, gender and class. Therefore, it is of paramount importance that individuals that are affected by sexual limitations should endeavor to seek help; rather than suffer in silence. In fact, most sexual disorders while may not be curable, they are treatable. Whether you are experiencing premature ejaculation, orgasm disorder, sexual pain disorder, erectile dysfunction, sexual arousal disorder or sexual desire disorders; the answer rests with you. Taking control is by identifying that there is a problem and seeking help.

Dysfunctions

SEXUAL

Premature Ejaculation

Premature ejaculation occur when the male experiences and expels semen before or 30 seconds to 4 minutes into the act (sexual penetration). This can cause a tremendous amount of distress, a feeling of incompetence and not being able to satisfy the other party. However this can be addressed by doing the following:

- Start - stop and squeeze technique
- Have the female lie on top
- Masturbate a few hours before sex
- Have frequent sex
- Use very thick condoms
- Think about other things other than sex
- Longer foreplay
- Talk to your doctor

Orgasm disorders

One of the most intriguing aspects of being involved in a sexual act is to achieve orgasm. Failure to reach an orgasm during sexual stimulation can cause psychological and emotional discomfort. However, this too can be treated. For example,

- Have a positive and healthy attitude toward sex
- Educate your self on the subject
- Communicate your need
- Fondle the clitoris
- Participate in sex therapy

Sexual pain disorder (common in women)

Any difficulty experienced by an individual (very common for females) during normal sexual activity such as physical pleasure, arousal or orgasm is classified as sexual pain disorder. This can occur as a result of having partners that are too aggressive and impatient, decreased levels of the female hormones or premature lovemaking after childbirth or surgery. Nonetheless, like other sexual disorders this too can be remedied. Some of the ways to correct such discomfort are:

- Practice gentleness and exercise patience more so after a surgery or childbirth
- Seek medical advice
- Use lubricants
- Do sex therapy if the disorder is psychologically related
- Do sitz baths, they can provide some soothing
- Avoid alcohol

Sex, for many couples, either bonds their relationship or creates a wedge that gradually drives them apart. Thus, the key to preventing or averting such rift is to take responsibility. It is important that you acknowledge that there is a problem and change ones life style, view sex as something that is as healthy as play, food and sleep.

With a booty to die for and a face to drop jaws, this stunning star knows exactly what all us guys want in a girl. Lola Foxx not only turns heads with her looks, but satisfies men and woman all around the world with her mesmerizing on screen acting.

SINFUL: Thank you for the interview, what's your nationality background?

Lola: I'm Italian/Sicilian.

SINFUL: How did you get started into the porn industry?

Lola: I was a stripper at Spearmint Rhino in Van Nuys, CA before porn. There was a girl who worked with me named Audrianna Angel who used to do porn and told me all about the industry. It sounded so exciting and I really wanted to give it a go.

SINFUL: So why choose the porn industry and not something else?

Lola: As a former gogo dancer and exotic dancer, I've always loved performing and entertaining. I love being in the spot light. There's something about it that's so magical to me. I knew having sex on camera would give me the same kind of excitement.

SINFUL: How does your family and friends feel about your choice of career?

Lola: My family and friends are very supportive of what I do.

“ I love being the filthy little whore you wish your girlfriend was. ”

SINFUL: Give us an insight of what it feels like to have sex onscreen?

Lola: I love being watched. It really turns me on knowing the scene I'm performing at that very moment will be watched and enjoyed by so many people. I love living out all of my craziest sexual fantasies, and yours, on camera.

SINFUL: How do you prepare for a movie scene?

Lola: When I get on set, I definitely like to sit and get to know the performer I'm working with if I don't already know them. I want to know what they're into and what makes them cum, so we can produce the best scene possible. I love pleasing others. There's nothing that turns me on more than the satisfaction of knowing I just made that person climax with my own sexual skills.

SINFUL: You're about to shoot your sex scene, what's going through your mind?

Lola: Everyone knows me as this sweet, bubbly girl. As soon as the cameras turn on, I'm a dirty talking machine. I love being (excuse my language) the filthy little whore you wish your girlfriend was. All that's going through my mind is spankings, dirty talk and spit - LOTS of spit.

SINFUL: What were you doing prior to entering the porn industry?

Lola: I was working as a stripper at Spearmint Rhino Gentleman's Club in Van Nuys, CA for 2 years before porn. I started dancing as soon as I turned 18. It was something I wanted to do since high school and getting hired at that club was a dream come true.

SINFUL: Do you ever sit back and watch one of your sex scenes, if so what goes through your head?

Lola: I feel a little silly watching my own scenes, but I do it anyway. I'm always watching to see how I can improve as a performer. It's like a football player going over their own games to become better players.

SINFUL: Which has been your favorite scene you've done onscreen?

Lola: I've done so many scenes that I had a ton of fun in. The one that's coming to mind right now is my Brazzers scene with Cameron Dee, Bailey Blue and Chad Alva. It was a BGGG scene and I looove girls, so it was heaven for me to be able to fuck these two hot girls and share a cock with them.

SINFUL: What's your favorite sexual position?

Lola: I really love to 69. I get so wet sucking cock or eating another pussy while my pussy is being tongue fucked. It's the perfect way to get into sex.

SINFUL: Craziest place you've ever had sex outside the film world?

Lola: Before porn I had sex in many public places like the movie theater, the park, in cars, bathrooms, etc. It's so exciting knowing you could get caught and be in trouble.

SINFUL: Do you have any unfulfilled fantasies?

Lola: There is one sexual fantasy I have yet to live out. I really want to dress up as a sexy Roman slave in ancient times and be sent to service my master who's dressed as a sexy yet domineering Roman nobleman. I want him to throw me around the room and fuck me like he owns me.

SINFUL: Best thing about being Lola Foxx?

Lola: The best thing about being Lola Foxx is being able to do what I love to do, have sex on camera and model for great photographers.

SINFUL: Worst thing about being Lola Foxx?

Lola: I honestly love everything about myself and my job. There are no cons here.

SINFUL: What's something you haven't done on screen yet that you are just dying to do?

Lola: I would really love for a company to make a movie all about me going around the country to different cities fucking hot civilian girls.

SINFUL: Do you like to dominate in the bedroom or rather be submissive?

Lola: I love to be both dominant and submissive; it just depends on my mood. Normally when I'm feeling dominant I want sex with a woman, and when I'm feeling submissive I want sex with a man.

SINFUL: What were you like in high school?

Lola: In high school I was a theater nerd. I was in drama class and acted in all the school plays. I was also in choir and loved performing at our concerts. I've always loved performing and entertaining.

Lola: I would love to do a porn scene with Miley Cyrus, because she's so wild and free. I think she would be great in a porn scene.

SINFUL: You've got a gorgeous face and sensational figure, but what's your favorite body part?

Lola: I've got to say my favorite body part (and probably yours, too) is my ass. I've always had a bubble butt and I love to shake it and show it off. I got it from my mama (laughs).

SINFUL: Now a tip for the male readers, how does a guy bring up or convince his girl to do anal?

Lola: Try licking or gently rubbing your girlfriend's asshole to see if she even likes the sensation there. If she does, ask her if you can insert a finger. From there, you can get her used to fingers in her ass, over time then eventually try with your dick. Very slowly, of course (smiles).

Lola: Good sex, lip balm and my dogs.

SINFUL: What is the weirdest thing that ever happened to you on set?

Lola: I've never really had anything "weird" happen. Porn has been pretty normal to me (laughs).

SINFUL: Weirdest thing a fan has asked for or you to do?

Lola: Fans have asked me to do all kinds of crazy things, from publicly humiliating their small penis to meeting them in person for sex. Some fans just don't get it. Most of my fans are awesome though.

SINFUL: What in store for you in future?

Lola: I really want to be an agent when I'm done performing. It's something I'm really passionate about doing and something I'm very good at, because I was my own agent for about a year.

SINFUL: What's the best way for fans to contact you?

Lola: Through twitter! I always talk to my fans (smiles) @Lola_Foxx.

classic for Vivid SuperXXXHeroes.

The all-star cast includes Allie Haze as Rogue, Tommy Gunn as Wolverine, Skin Diamond as Storm, Andy San Dimas as Phoenix, Chanel Preston as Polaris, Jeannie Marie as Emma Frost, J. Jay as Cyclops, Mike Moz as Professor X, Tom Byron as Magneto and the late Billy Glide in his final role as Colossus. Can you even ask for a more sexier cast, they had me at Skin Diamond, then added Allie Haze and Chanel Preston, I'm sold on this one.

The movie features an incredible ensemble of marvelously erotic mutants, awesome costumes, and mainstream-quality visual FX, along of course with Braun's legendary attention to detail.

"I'm really proud of this one," says Braun. "When you have so many great characters all in one movie, it's not easy to construct a parody that doesn't feel preposterous, but I think that we really managed to craft a solid storyline that is as exciting as it is arousing. Allie Haze is outstanding as Rogue, a character that Bryan Singer notoriously omitted in the otherwise highly entertaining

DOFP, and Tommy Gunn is funny as hell as the short, gruff Wolverine, a portrayal totally more faithful to the comic book than the one made famous by Hugh Jackman!"

Thumbs up on this one for Vivid Entertainment, the costumes are spot on, the cast is hot and the scenes are even hotter.

Sexy Mutants Go To War In Braun's Latest Super Hero Big Budget Spoof... X-MEN XXX.

It was just a matter of time until the comic world's most famous mutants got the porn parody treatment, courtesy of adult movie powerhouse Vivid and legendary director Axel Braun, and let me tell you some-

thing... it didn't disappoint.

With a fucking wild cast... Wolverine, Rogue, Cyclops, Jean Grey, Storm, Colossus, Kitty Pryde and Polaris all join forces with Professor X to defeat the villains lead by Magneto in yet another Braun masterpiece bound to become an instant adult parody

A Good Long

HARBI

Welcome

Jason hears a soft knock on the door. Automatically, a big smile spreads across his face. He hasn't seen Kelly in over a year. Not since she took that job in New York. Even now, she's only home for business, but he's excited that she wants to see him while she's here. They used to be so close.

Jason opens the door and there she stands, looking gorgeous as ever. The brilliant golden-orange light from the setting sun makes her soft red hair stand out even more than usual.

"Hey you," he says, holding out his arms for a hug.

She steps into his embrace. "It's so good to see you," she says, pulling him closer.

He can smell her now. Her perfume is light and flowery without being overpowering. He could hold her forever but after a few more seconds he reluctantly lets go.

"Have a seat," he offers, and she does.
"You want a beer?"

"That would be great. It's been a long day," she replies, kicking off her black heels to reveal perfectly pedicured toes with bright red nail polish.

He brings her a beer and opens one for himself.

A Good Long **HARD** Welcome

She slips off her jacket, now only wearing a blank tank top and her knee-length pencil skirt. It's business-like and sexy at the same time, hugging her luscious curves in all the right places.

She stretches out on the couch, swinging her legs up on to Jason's lap, sipping her beer.

He sets his drink down and begins to massage her soft feet.

"Oh man, I forgot how awesome you are," she says, giggling.

"Well, I guess I'll just have to remind you, then," he answers as he moves his hands up to her toned calves, kneading her sore muscles.

She finishes the last of her beer. "That feels amazing, but I can think of an even better way to relieve some tension." She stands, unzipping her tight skirt and letting it fall to the floor. She's wearing a sexy black g-string.

A Good Long

HARD

Welcome

Jason grins as she climbs on top of him, planting soft kisses on his neck. Her lips trail up his neck and she nibbles on his earlobe for a few seconds and whispers softly, "I missed you."

"I missed you, too" he tells her, grabbing a handful of her hair and kissing her hard.

"Let's go to the bedroom," she suggests, stripping off her tank top to reveal large, supple breasts underneath.

Jason takes off his clothes as well before climbing into bed on top of her.

He kisses her again, passionately, as he moves her panties to the side. He can feel the wetness between her thighs already.

"Ohh," she moans. "God, it's been so long, baby. I want you inside me."

He kisses her again as he teases her, running the swollen head of his cock against her clit. "What do you say?" he asks.

She moans again and answers, "Please, baby. Please fuck me."

He slowly slides his hard cock inside her. She feels amazing, so tight and wet.

She moves her hips along with his rhythm, faster and faster, their hearts pounding, their skin beginning to glow with sweat.

He's fucking her hard now, and she screams, begging for

more. She digs her nails into his back. "Oh my God, Jason. I'm gonna cum!" she lets out a long moan as she does, and he can feel her sweet pussy tighten around him. It's too much. He's waited so long to be with her again.

"Fuck yeah, baby. Cum all over me," he says, just before he loses all control, pounding her even harder as he shoots his load deep inside her.

"That was so fucking hot, babe," she tells him breathlessly as he rolls off of her.

They're both grinning like teenagers when she says, "I'll be here for a week. A week full of meetings with annoying clients and demanding bosses. I'm going to need a lot of stress relief." She winks at him, laying her head on his chest.

"I can help you with that," he says, drifting off to sleep with her warm body wrapped around him.

“

...it's been so long, baby.
I want you inside me.

THE BIRDS AND THE BEES

A mother is in the kitchen making dinner for her family when her daughter walks in.

"Mother, where do babies come from?"

The mother thinks for a few seconds and says, "Well dear, Mommy and Daddy fall in love and get married. One night they go into their bedroom, they kiss and hug, and have sex."

The daughter looks puzzled so the mother continues, "That means the daddy puts his penis in the mommy's vagina. That's how you get a baby, honey."

The child seems to comprehend. "Oh, I see, but the other night when I came into your room you had daddy's penis in your mouth. What do you get when you do that?"

"Jewelry, my dear. Jewelry."

SHE LIKES IT HARD

An old couple is ready to go to sleep. The old man lies on the bed but the old woman lies down on the floor.

The old man asks, "Why are you going to sleep on the floor?"

The old woman says, "Because I want to feel something hard for a change."

EXPLANATION

A man and woman had been married for 30 years, and in those 30 years, they always left the lights off when having sex.

He was embarrassed and scared that he couldn't please

her, so he always used a big dildo on her.

All these years she had no clue.

One day, she decided to reach over and flip the light switch on

and saw that he was using a dildo.

She said "I knew it, asshole, explain the dildo!"

He said, "Explain the kids!"

THE SEX CODE

A boy says to a girl, "So, sex at my place?"

"Yeah!" "Okay, but I sleep in a bunk bed with my younger brother, and he thinks we're making sandwiches, so we have to have a code. Cheese means faster and tomato means harder, okay?"

Later on the girl is yelling, "Cheese cheese, tomato tomato!"

The younger brother says, "Stop making sandwiches! You're getting mayo all over my bed!"
