SEX TIPS

With Kaylee
Brookshire

1 Take your time

A woman's body is like an engine. It takes a little time to warm up. Perhaps start with a massage and make out session.

2 Eat her ass and pussy

This step is very important! Performing oral will help get the blood pumping in all the right places and will ensure that the engine becomes well lubricated for the piston.

3 Don't be afraid to take control

Once you have her body tuned and ready go ahead and slide it in. Once it's in that warm wet pussy remember that you are not in a race. This is more of a joy ride. Go ahead and start out slow and do a warm up lap. Then as things began in really heat up, that is when you can pick up speed. Pay attention to her moaning and body language to read what she is feeling. Remember don't be afraid to take control and drive her wild!

and at Work

Chloe Amour takes it sideways as she enjoys the moment in Girls of Summer.

SINFUL: Thank you for the interview, how did you get your start in the porn world?

Nikita: Thank you so much for having me! I got my start in the porn world by becoming an exotic dancer. I was always interested in that profession.

SINFUL: What was it about the porn industry that attracted you?

Nikita: The most attractive quality about the porn industry is that I get to have sex all the time, with both boys and girls. I also like how confident the talent is on camera, and I really admire how they express their sexuality.

“*I got my start in the porn world by becoming an exotic dancer.*”

SINFUL: What were you doing prior to entering the porn industry?

Nikita: I was actually dancing in L.A. and Las Vegas.

SINFUL: You're about to shoot your first girl/boy scene, what's going through your head?

Nikita: Have fun, and enjoy it!

SINFUL: Do you ever sit back and watch one of your sex scenes, if so is it weird when you sit back and watch one of your scenes?

Nikita: I do watch them sometimes. I'm pretty critical when I do watch them back, what should I improve on, those types of thoughts. Sometimes, I see my videos in hotels when I travel, so it's not weird at all. I see it all the time!

SINFUL: Which has been your favorite scene you've done?

Nikita: I always like three ways. The latest will be a scene with Summer Brielle and Seth Gambler for Naughty America.

SINFUL: Describe yourself in one sentence?

Nikita: Anything I do, I love it (smiles).

SINFUL: What were you like in high school?

Nikita: I had so much fun in high school. I had lots of friends and we were very troubled teens.

SINFUL: What's something you haven't done on screen yet that you are just dying to do?

Nikita: An orgy, because it just seems like a lot of fun!

SINFUL: One-thing fans don't know about you?

Nikita: I'm a health freak and I love to study. I do my homework everywhere, even on set.

SINFUL: Best thing about being a porn star?

Nikita: The best thing is that you are able to be open and free with your sexuality, and of course you get to do what you like.

SINFUL: Worst thing about being porn star?

Nikita: Privacy.

SINFUL

SINFUL: How does it feel to have men and women all around the world fantasize over you?

Nikita: It feels pretty damn good.

SINFUL: What's the best sexual experience you have ever had outside of the film world?

Nikita: It would have to be my first threesome when I was 21, and I had just got to the states about a month before. The girl was hot (later I found out that she was from the porn industry), so she handled everything amazingly. I think she made me look at girls differently, like she mesmerized me in a way that I wanted to be her.

SINFUL: How do you prepare for an onscreen sex scene?

Nikita: I take a shower, shave, and apply all of that smelly good stuff like lotions, body mists, etc.

SINFUL: Do you like to dominate in the bedroom or rather be submissive?

Nikita: In the bedroom, I like to be dominated. I like that big sexy boy to just take charge. On film, I do all the work as the dominant person, so it's kind of nice to have the opposite in my personal life.

UK BANS SPANKING SQUIRTING FISTING FACESITTING & more

BDSM fans in the UK have been given the bad news of a ban on producing some erotic stuff in porn.

Ban includes:

- *Spanking*
- *Aggressive Whipping*
- *Squirting*
- *Strangulation*
- *Facesitting*
- *Fisting*
- *Physical or Verbal Abuse*

and other wonderful things.

It's not all tears though, the internet still provides all that erotic stuff that makes you smile, just as long as it is not produced in the UK.

So I'm sure you will get over it.

Teen Mom Farrah Abraham to appear at the AVN Show

Reality show personality and infamous sex tape star Farrah Abraham will make her first appearance at the 2015 AVN Adult Entertainment Expo (AEE) at Las Vegas' Hard Rock Hotel and Casino.

Abraham is set to greet her fans at the AVN booth Thursday the 22nd and Friday the 23rd from noon to 3:00pm to sign and pose for photos, and Abraham will be available for interviews and media opportunities at the Expo's Media Room.

"We are overjoyed to have Farrah here at the AVN show," said Lynda Mort, Topco's Marketing Director for Private Brands. "She is a controversial figure in pop culture, but the adult industry loves her. People are fascinated by her, and the Farrah Abraham business is very good business. She sells very well."

The "Teen Mom" star, who became an instant sex symbol in 2013 after the release of Vivid Entertainment's popular "Farrah Superstar: Backdoor Teen Mom" and this year's sequel, will also be on hand to promote her exclusive line of specially-molded sex toys from Topco Sales. Three of Abraham's lifelike masturbators will be on display at Topco's exhibitor booth.

"We've been trying to get her to come out in the past, and this year we were lucky to get her," said Topco Sales Brand Manager Gerardo Ramos. "This is Farrah's best year yet, and as popular as she is, the best for her is yet to come."

A full-page photograph of Iggy Azalea performing on stage. She is wearing a dark, form-fitting, sequined dress and fishnet stockings. She has long, wavy blonde hair and is holding a microphone to her mouth. The background features a large screen displaying a close-up of her face. The text 'IGGY AZALEA SEX TAPE?' is overlaid on the left side of the image in a large, red, distressed font.

IGGY AZALEA SEX TAPE?

Is it possible that we get to see her amazing thighs, beautiful big booty, and sexy face in a sex video that most guys can only dream about.

Iggy's team at first denied the rumors and then a couple days later said it could possibly be her but would have been a minor at the time and filmed without her consent.

Vivid Entertainment Vivid founder/co-chairman Steven Hirsch "I believe there would be a huge demand for her sex tape," Mr. Hirsch said. "Iggy has proved that she's an amazing talent. If there is any tape out there that can rival that of Kim Kardashian, this one is it! We are conducting our due diligence and if we are satisfied with our review, we will definitely try to make a deal to distribute the tape," he added.

"Iggy is definitely the hottest female rapper today," says Mr. Hirsch. His company has pioneered in the release of celebrity sex tapes featuring high-profile stars. He said he has been shown a "teaser" of images of a woman who appears to be the 24-year-old, Australian-born Ms. Azalea, whose real name is Amethyst Amelia Kelly.

If there is a sex video of Iggy Azalea, I'm definitely buying it... and I'm sure a lot of other people would also too. So please let it be true.

SINFUL: How did you get started in the porn industry?

Brooklyn: I was looking for a new job and I thought, maybe I could try something totally out of left field. I've always been promiscuous, so I figured I could use that to my advantage!

SINFUL: So what was it about the industry that attracted you?

Brooklyn: Having sex for a living was a good start! I was also intrigued with the flexibility of the schedule. I'd always worked corporate jobs and never had much free time!

SINFUL: Give us an insight of what it feels like to have sex while cameras are rolling?

Brooklyn: Sex on camera is still sex, so it's still a fun and enjoyable experience. The difference is that while you're enjoying yourself, you have to be conscious of the camera and what it can see. You have to twist your body in ways, or do positions you wouldn't do in private. After a while though, it becomes habit and you find yourself pointing your toes, and twisting in your own bedroom!

SINFUL: How do you prepare for a movie scene?

Brooklyn: I always try to get a good amount of sleep the night before. Makeup can't hide tired! I will also usually eat very lightly that morning, so I can look my best in front of the cameras.

SINFUL: Best thing about being Brooklyn Chase?

Brooklyn: Waking up every morning to tweets from fans. It really makes my day to see how many people think of me first thing in the morning.

“ *Having sex for a living was a good start.* ”

SINFUL: Worst thing about being Brooklyn Chase?

Brooklyn: Having to always think about diet and exercise! I just want to eat fast food and candy!

SINFUL: You're about to shoot your sex scene, what's going through your mind?

Brooklyn: I always think about what I can do to give the best performance I can. I like to know what the director is looking for, since every company has a fan base with certain preferences. I also get excited because I know that it's finally time for the good stuff!

SINFUL: Your very first girl experience was onscreen, what was that like?

Brooklyn: Having my first girl experience was scary to begin with. The fact that it was on camera made it terrifying! Luckily, I was working with someone who was very sweet and worked with me, because I was so nervous!

SINFUL: Do you ever sit back and watch one of your sex scenes?

Brooklyn: I don't watch my scenes very often, but if I do, it's one that has had really great feedback from fans. I usually spend that time complaining about the noises or faces I make, though! It's odd to watch yourself on-screen and it makes me a little uncomfortable!

SINFUL

FEATURE MODEL

SINFUL: Which has been your favorite scene you've done onscreen?

Brooklyn: I had a ton of fun shooting "Odd Jobs" for Wicked. It was my first starring role in a feature and I had a really fun time attempting to act.

SINFUL: What's your favorite sexual position?

Brooklyn: My favorite position is doggy. I've always thought it feels the best and I can feel the guy deeper, which I love.

SINFUL: Craziest place you've ever had sex outside the film world?

Brooklyn: I once had sex on the roof of an outdoor parking garage. It was near a movie theater and the lot was busy with people walking to their cars. We didn't get caught, though!

SINFUL: Do you have any unfulfilled fantasies?

Brooklyn: I think it would be really hot to have sex in a clothing store dressing room. I wouldn't want to get caught, but I'd want to know there were unsuspecting people right outside the door while we were going at it!

SINFUL: Describe yourself in one sentence?

Brooklyn: I'm a nice person who does and says some really weird stuff, because the most important thing to me is being happy.

“My favorite position is doggy.”

“ I was always
a “sex on

kind of girl.”

SINFUL: What's something you haven't done on screen yet that you are just dying to do?

Brooklyn: I want to do a strap-on scene with a girl. I feel like it would be the best of both worlds. I get to have sex, and play with boobs at the same time!

SINFUL: What were you like in high school?

Brooklyn: I was painfully shy and very self-conscious. I had lots of friends, but I was always worried that people didn't actually like me.

SINFUL: Do you like to dominate in the bedroom or rather be submissive?

Brooklyn: I'm definitely a submissive person. I like to take control of things in my day-to-day life, so in the bedroom, I want to be told what to do.

SINFUL: Who is one celebrity that you'd love to do a scene in an adult film with?

Brooklyn: Justin Timberlake has been my dream since I was 12! I would also jump at the chance to work with Usher. They are both unbelievably sexy.

SINFUL: You've got a gorgeous face and sensational curvy figure, but what's your favorite body part?

Brooklyn: I love my boobs. I play with them all the time. Often, when I'm thinking about something or trying to figure something out, I'll realize I'm rubbing them. It helps me ponder!

SINFUL: What are your turn-ons?

Brooklyn: I like to have fun, so someone that can make me laugh is key. I also like when someone is kind to strangers. It tells you something about their personality.

SINFUL: What are your turn-offs?

Brooklyn: Smoking and rude people!

SINFUL: Have you ever made the first move on a guy?

Brooklyn: I was always a "sex on the first date" kind of girl. I would usually wait for that light touch that you pretend is an accident, then I would feel good about moving in for a kiss first.

“Blue eyes get me going every time!”

SINFUL: How about a tip for our female readers, what would you wear to seduce a man?

Brooklyn: I always feel like leaving something to the imagination is sexiest. You can look sexy and confident without being naked.

SINFUL: Now a tip for the male readers, how does a guy bring up or convince his girl to do a threesome with another girl?

Brooklyn: His girl has to be 100% confident in their relationship first. Then he could tell her how sexy he thinks she is, and how hot it would be to see her with another girl. Getting comfortable with the idea and talking about it as a fantasy first will make it easier to try and execute later.

SINFUL: What do you have a weakness for?

Brooklyn: Blue eyes get me going every time! Also, a guy that is strong enough to pick me up with ease and carry me around, but still knows how to be gentle is the best.

SINFUL: So what does Brooklyn Chase do in her spare time?

Brooklyn: In my spare time I do a lot of crafts and projects around the house. It's therapeutic for me to spend hours at a table with my glue gun.

SINFUL

SINFUL: What 3 things can't you live without?

Brooklyn: I can't live without coffee, my cell phone, and my Hitachi.

SINFUL: What is the weirdest thing that ever happened to you on set?

Brooklyn: I was doing a boy/girl/girl scene and had just finished my turn with the guy. I was climbing on to sit on the girl's face and I queefed right as I was lowering down. I was so embarrassed!

SINFUL: Weirdest thing a fan has asked for you to do?

Brooklyn: I get requests from fans to do custom scat videos. I get that some people are into that, but I like to leave what happens in the bathroom, IN the bathroom!

SINFUL: What's in store for you in future?

Brooklyn: I'm hoping that I can finish out this year strong and have some nominations at the upcoming XBIZ and AVN award shows!

SINFUL: What's the best way for fans to contact you?

Setting The Right Condition

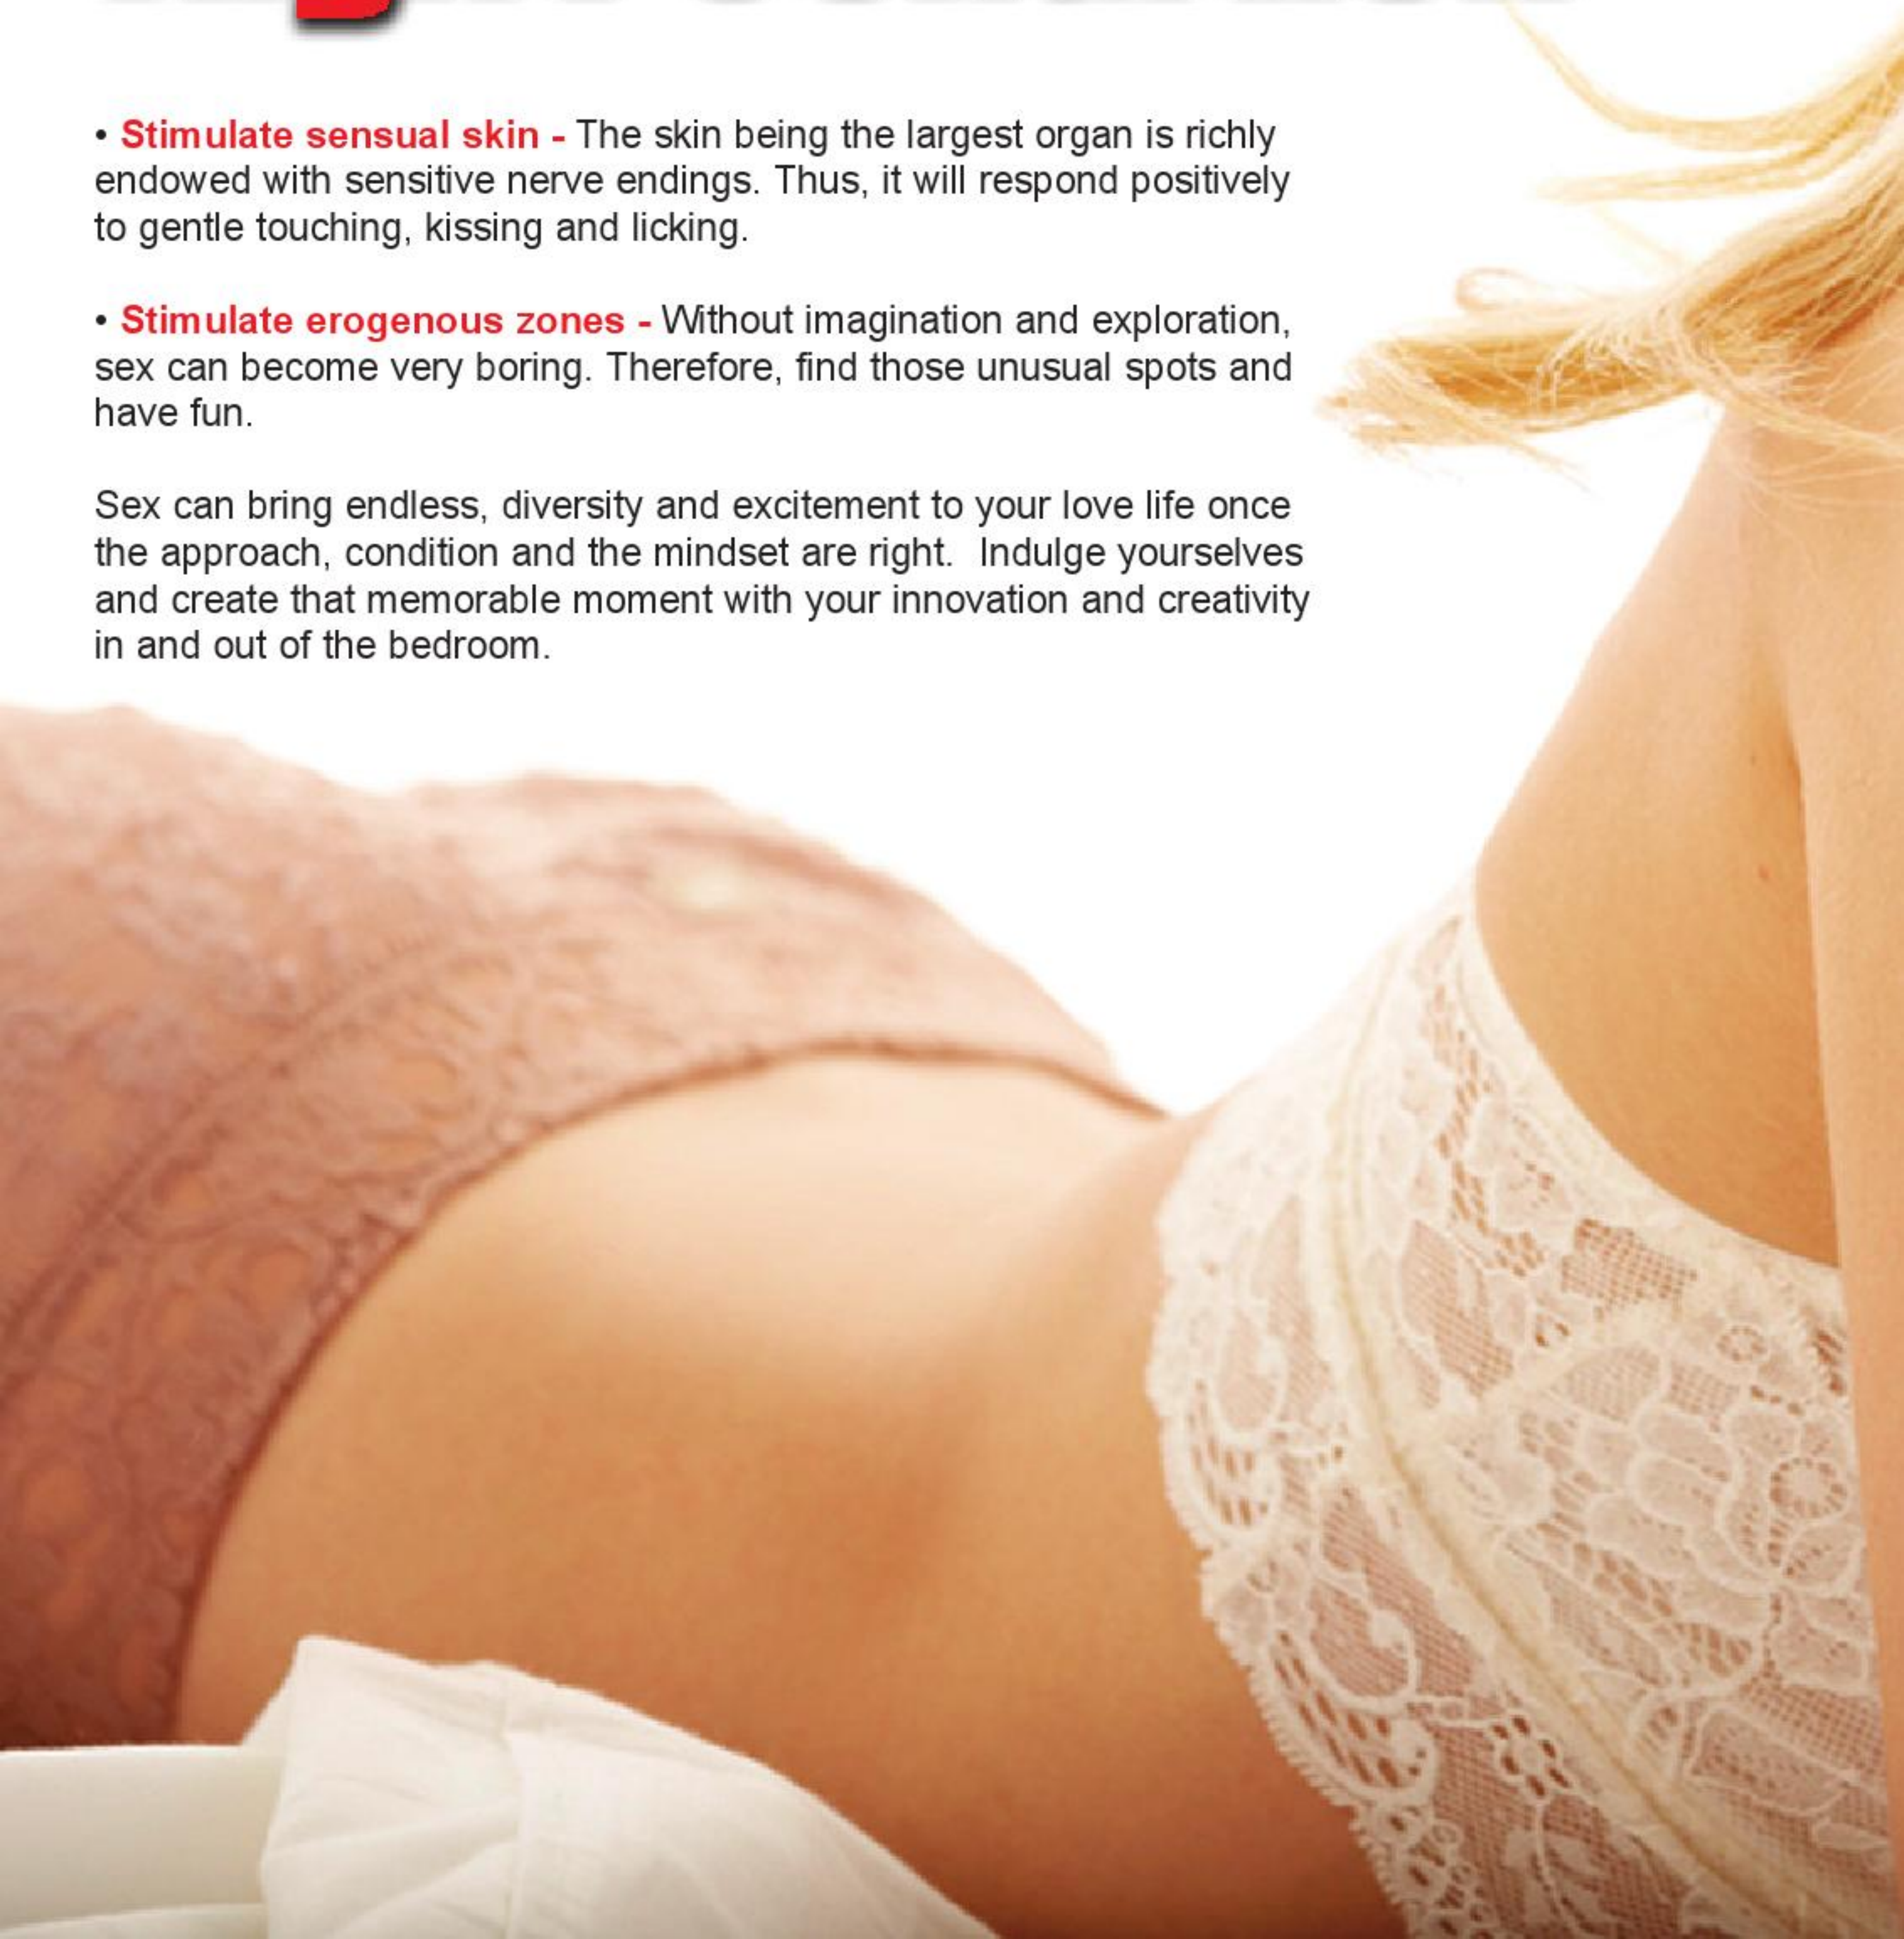

Just imagine you were expecting a special visitor over for dinner, be it a business partner, former classmate or a family member, you would have made every effort to receive such person. The house would be super clean, special menu prepared and wares that were put away for extraordinary occasions would be now on display. Sex is no different. For sex to be well received, explored and enjoyed, the conditions have to be right! So then, how does one set the correct tone for an unforgettable sexual moment? Here are some tips that if embraced, can ignite the sparks for the love and the love at heart.

- **Know your partner** - It is always important to understand and know your partner's likes and dislikes. It makes sex more interesting, enjoyable and fulfilling.
- **Prepare your body** - Personal hygiene is everything in a relationship. It can make or break your sex life. Hence, let your spouse smell the freshness of your body, by so doing you can captivate his/her interest and stimulate him/her sexually.
- **Create the mood** - Careful preparation of the scene can do wonders for the individuals. The place is clean, scented with exotic seductive scent, awesome background music, fresh fragrant flowers being displayed, skimpy outfit and the use of soft, gentle flickering glow of lit candles, and above all, the oils and lotions being used to massage each other's skin for a more seductive foreplay.

Setting The Right Condition

- **Stimulate sensual skin** - The skin being the largest organ is richly endowed with sensitive nerve endings. Thus, it will respond positively to gentle touching, kissing and licking.
- **Stimulate erogenous zones** - Without imagination and exploration, sex can become very boring. Therefore, find those unusual spots and have fun.

Sex can bring endless, diversity and excitement to your love life once the approach, condition and the mindset are right. Indulge yourselves and create that memorable moment with your innovation and creativity in and out of the bedroom.

Secrets Revealed

"Nick? Is that you?"

Nick turned away from the bar to see a tall blonde in a tight black miniskirt and a form fitting red top. She was smiling broadly as she came in for a hug.

"Hey Katie," he said, wrapping his arms around her. He could smell her sweet, flowery perfume, the same one she wore in college. The scent brought back a thousand memories. Crazy nights and lazy days, back when they were a foursome. Nick was dating Katie's best friend and Katie dated his roommate.

Nick's girlfriend at the time was cool enough, but he'd always been secretly far more attracted to Katie. His roommate had spotted her first, however, and was head over heels in love. Nick could never come between them. His roomie was a cool guy and Nick believed in the unspoken rule of friendship. You don't go after your buddy's girl.

After graduation they all went their separate ways like so many groups of friends do, and Nick ended up taking a job on the other side of the country.

"What are you doing here?" Katie asked, excitement shining in her deep chocolate colored eyes.

"Just back in town for my sister's wedding," he explained. "It's really good to see you again."

She flashed her winning, white smile and sat down next to him.

He bought a few rounds of drinks and they chatted about their new lives. After a couple of hours they were both feeling pretty tipsy.

That's when Katie leaned over and whispered in Nick's ear, "You know, I kinda always had a thing for you in college," she giggled.

"Really?" he was surprised.

"Yeah," she confessed. "But you and Holly were together and I was with Tyler. I mean, I liked him well enough, but there was always just something about you," Katie explained, running her hand through his hair.

Nick felt that familiar tingle in his groin as the blood started flowing in that direction.

He leaned in and they kissed passionately, a hundred moments of sexual tension and years of missed opportunities fuelling their desire.

Nick threw some cash on the bar to cover their tab and hand-in-hand they ran to his car.

As he put the key in the ignition, Katie gave him a mischievous look and unzipped his jeans. She pulled out his thick, throbbing cock and wrapped her soft lips around it as he drove out of the parking lot.

Nick had never received road head before, but Katie seemed to be a pro at it. She was even able to deepthroat his long, hard dick as she gently played with his balls.

When they got to Nick's hotel the parking lot was deserted.

"You know," she said, "I've always wanted to be bent over the hood of a car and fucked hard."

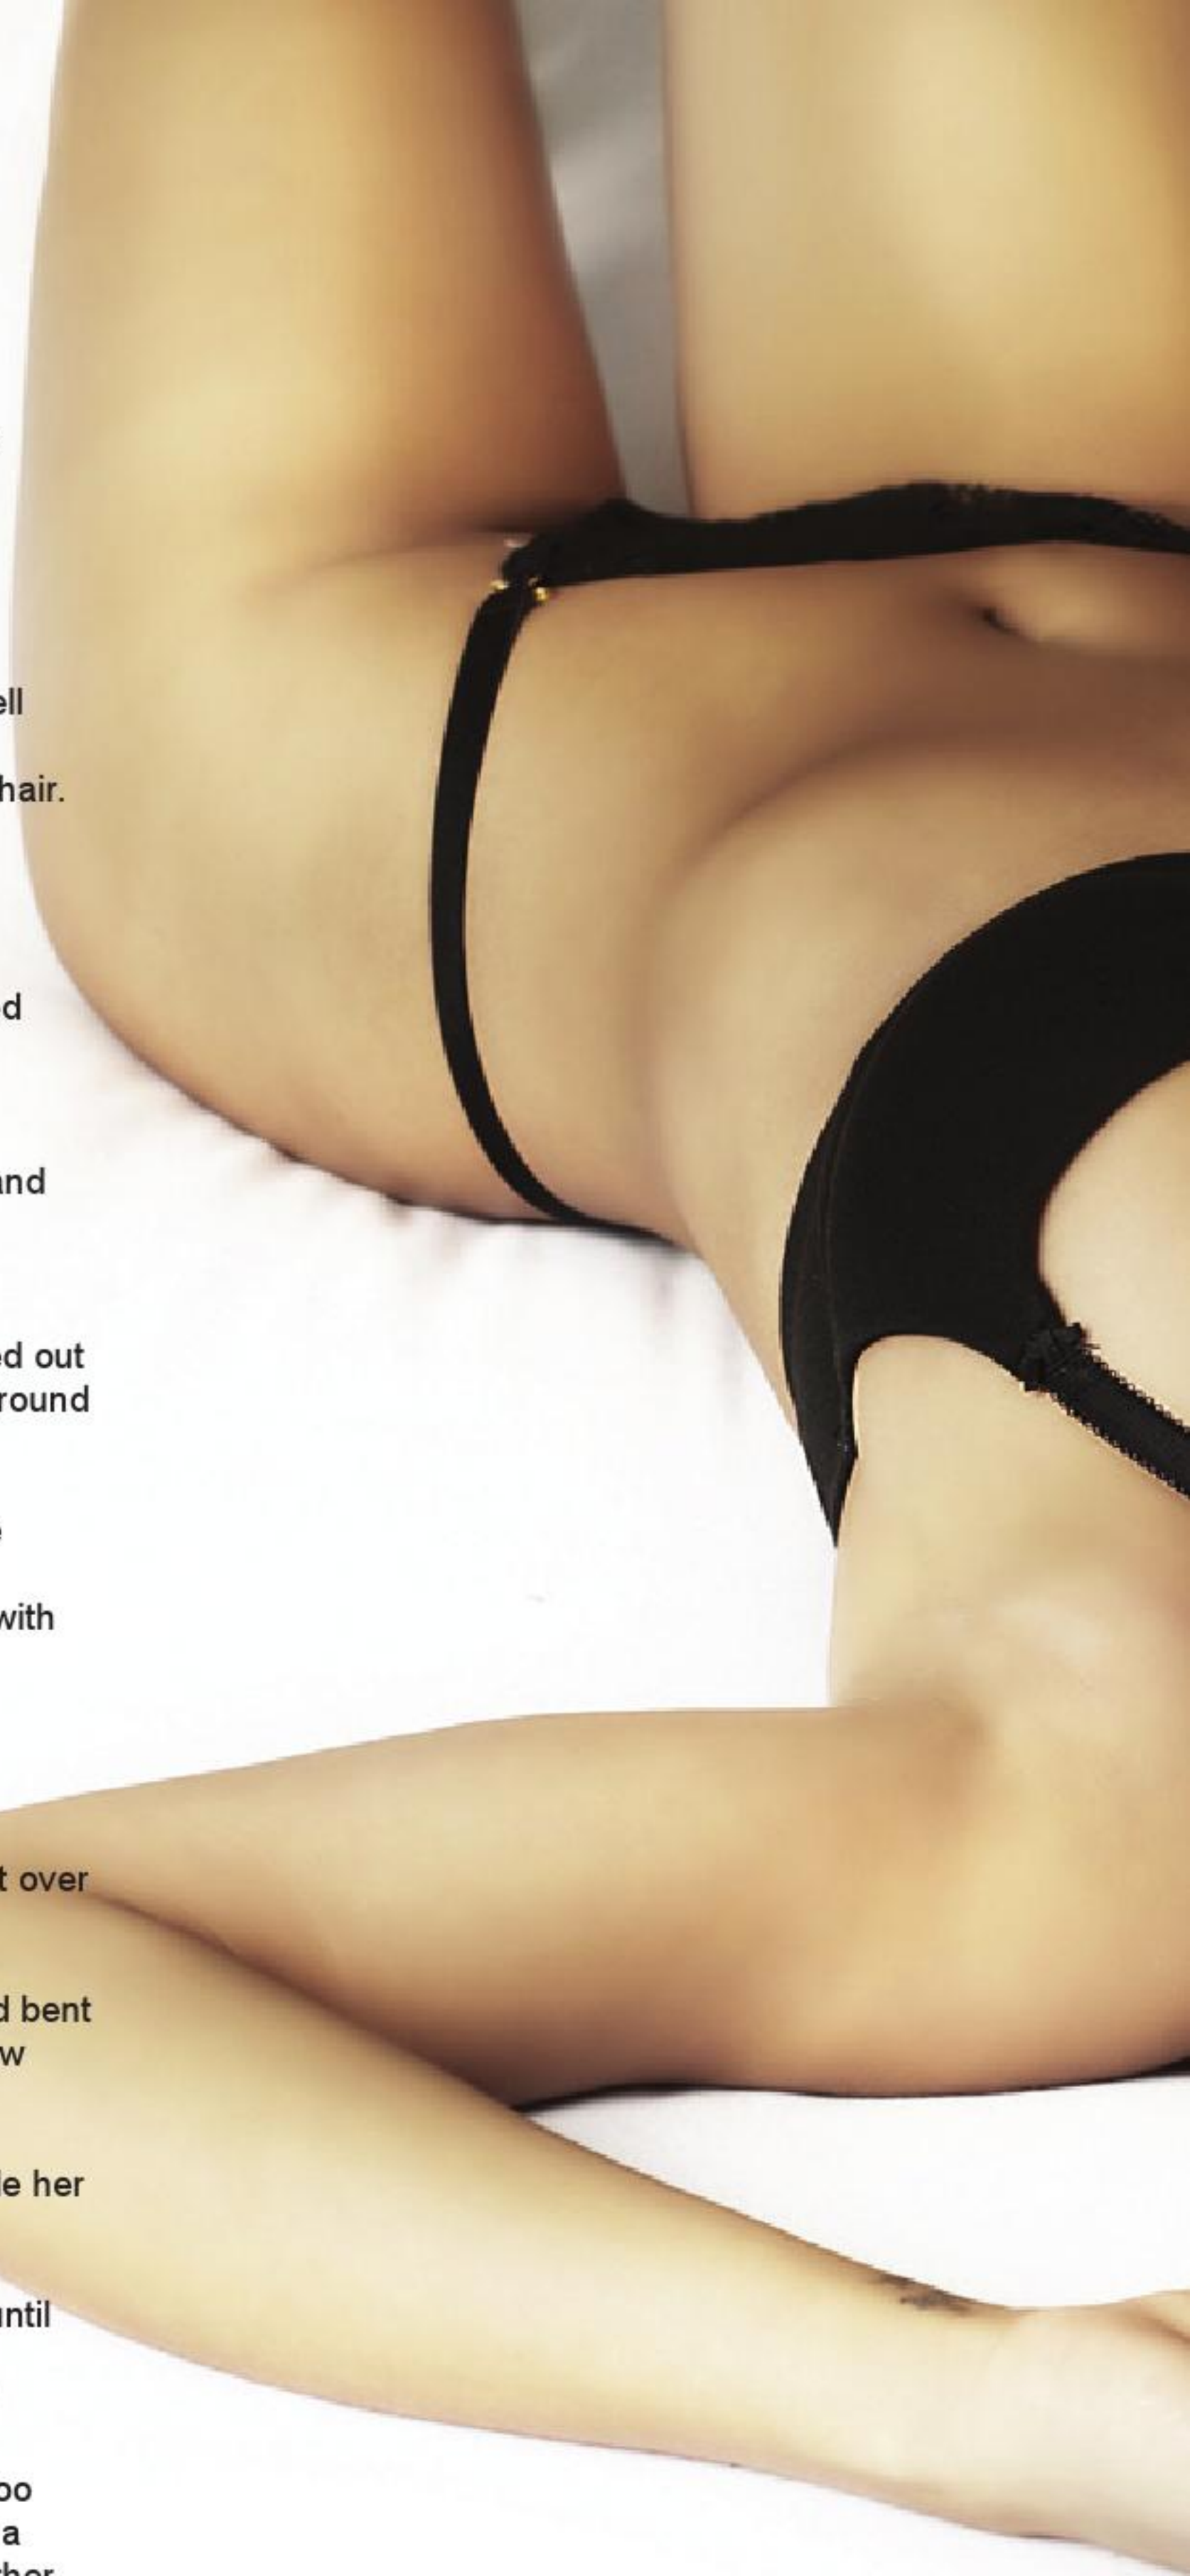

Nick wasted no time. He grabbed her shoulders and bent her over the hood. He hiked up her miniskirt and saw that she wasn't wearing any panties.

He couldn't wait any longer. He thrust his cock inside her warm, wet pussy and they both moaned loudly.

He grabbed her blonde ponytail as he rammed her until she was screaming in ecstasy. Her pussy muscled tightened up and she shouted "Ohh! I'm cumming!"

Her sexy voice combined with everything else was too much for Nick to handle and he gave her sweet ass a smack as he came hard. As their juices mixed together and ran down Katie's thighs, she smiled dreamily.

"I'm not done with you yet. Let's go up to your room."
