HOLIDAY

THE GIFT ISSUE!

BY **MARCUS BLASSINGAME**

Not only are we giving you the hottest gifts on high heels for the Holidays, we are also bringing you the scoop on the latest drama. After bringing you such celebrities as Nicki Minaj, LisaRaye and Vivica Fox, we felt it apropos to bring back an all Urban Model feature with some of the thickest, most beautiful new and popular faces in the game.

With the curvaceous model craze has come a desire to be as voluptuous as some of our cover talent. Without focusing on this subject, I want to briefly comment about the surgical enhancement procedures that are being used to increase the size of women's butts. My suggestion is to do it through diet and exercise. If you really desire to do it medically, please research and have it done by a certified specialist in a qualified medical facility, for the "bootleg, basement butt shot clinics" are the cause of death and permanent complications.

I can honestly say that this issue was "butt shot" free, and all of the women are certifiably in shape through great genes and hard work. Page after page you will enjoy amazing faces and bodies of gorgeous women who have dedicated their lifestyles to looking great FOR YOU!

Now for Montana Fishburne. In addition to our sexy photo shoot of her in this issue, please check out my video interview with Montana, and behind-the-scenes of

Ultimate Goal

Ultimately, I'd like to become a triple threat: a business guru, model, and actress. "If you can't afford to fail, you won't"

Why do you think you should be a *Black Men* model?

I'm about to break the mold! *Black Men* is not a one-dimensional type of magazine, and I don't consider myself a one-dimensional type of girl. The focus isn't just on beauty but appealing to the masses. You will find, as my pages unfold, that I will give people the eye candy they want and the mental intrigue that they need.

The Lingerie Football League (www.lflus.com) is the real deal and these girls hit heavy. "I go hard!" Tanyka says, "We play full-tackle, professional 7-on-7 football which is aired on MTV2 every Friday night". After she lost her mother Tanyka was motivated and inspired, to not only stay healthy and in shape, but also pursue medicine in the natural form. She is a Ayuverdic Practitioner and Certified Holistic Nutritional Counselor "I teach people how to live a better life through fitness, healthier habits and nutrition" she says.

Tanyka's dedication to better health also gave the idea to become a sex counselor who specializes in sexercise. In this routine she trains women in strengthening their kegel muscles with the appropriate exercises. The strengthening of the Kegel muscles results in better, tighter sex.

When asked what type of man she feels is the best "workout" partner, Tanyka replies: "I love a man that can take control, a man that is not afraid to be a man. A man that is willing to do what he has to do and when he can't I'm there to do it for him. I'm very ambitious and I work hard so I expect my man to be the same". ■

Black Men Magazine's own Model/Journalist Draya "Face" Michele (who formerly dated Chris Brown) shares some spicy questions with Drake's ex-beau Malia Michel. What happens when rappers ex's come together in "Basketball Wives" fashion and spills the beans on their former superstar lovers.

DM So we all know you were in a relationship with Drake, do you think dating him boosted your career?

MM Of course it did. A lot of people didn't (even) know who I was until they saw me with Drake.

DM Do you think dating you added some street cache to his image being that he is from Canada and was on the TV show *Degrassi*?

MM I Never thought about it. It probably does add cache to his urban swag. Hopefully, because that would make me smile though he has his own amazing cache.

DM Were u attracted to him alone, or did the money and the fame help?

MM Money and fame doesn't mean anything to me when it comes to my heart. Drake came correct (in his approach to dating me). He treated me like a lady and was always attentive and respectful. He is not the first to try to holler (engage in conversation) but he has been the only one who was able to keep my attention as far as the industry goes.

DM Did he live up to the expectations of your preference in men, physical as well as mental?

MM (Definitely). Aubrey (Drakes Government Name) is an old soul (she laughs). I usually date older men because they know how to treat a woman. His maturity level is up there for his age. I guess he can't help it. He is in the position where he has to take care of business and has no time for games. Physically? Well... I have no complaints. That's all I will say (smiles).

DM Can you ever go back to dating normal non-rich/famous dudes?

MM It has not been easy, to date actually it's pretty hard to compete with him, I guess my expectations have to come down a notch or 2 or 3

DM Would you ever date someone else in the industry?

MM I don't think so. I don't like my business to be public, do you feel me? That can be tacky. The industry is small and I wouldn't want to date anyone he knows. We are still friends so I feel that may be disrespectful.

Yours Truly

Malia Michel

DM Do you think it's "ratched" if another model dated more than one celebrity?

MM Hey, I don't judge, to each is own. If that's what you want to do who is anyone to say what is what. We have all been "ratched" at one time or another.

DM What is expected of you when dating a celebrity? I mean, we kind of allow them to have their cake and eat it too. Do they expect us to be loyal when it is obvious they aren't?

MM You know they do and it's not just celebrity men it's all men around the world. They can't take the heat but they always do their thing at some point. "It is what it is," as long as they keep it out of my face, and do what they are supposed to do for me, I'm good. I won't trip' if I catch a man cheating because all that means is that it's "Pay Day" aka "Time to shop". He will be more careful once his pockets get hit a couple of good times.

DM Does it seem rappers are using Urban Models and strippers to re-connect with the hood?

MM Honestly I think it's more of a schedule thing. It would seem hard for a rapper to date a woman with a 9-5. She would only be available on the weekends and if she misses too much work she might lose her job. But a woman like me, I'm my own boss; I can come and go as I choose, and he is usually going to look out for you if you are missing work, so it just fits.

DM How would you feel if your EX dated another model like yourself?

MM He is my EX, I can't control what he does. I probably would not like it too much, but it wouldn't be a big issue.

DM Your body is very fit and still thick at the same time, do you think the amount of sex a girl has can alter the shape of thier body? If so, how much sex do you have?

MM I don't get it too often. Right now I'm not getting any at all. I can't just have sex with anyone, I have to care about you and trust you. I'm not the type to use my pussy for mind control. I catch feelings, and there is no need to lie about that. Im a "woman shit." As far as sex changing the body, I don't know. I guess as long as a woman is doing her kegels, then she should be good. But sex can wear you out energy wise, so she might be lazy, I don't know.

DM What advice can you give other models who might come across a celebrity who wants to date them?

MM Just have fun, chill and enjoy. Oh and be camera ready (laughs).

DM If you were to fantasize about any man, describe him and what would the fantasy be about?

MM Lately I have been having nothing but fantasy (laughs). He is always chocolate, fit and tall with great teeth. The fantasy always starts with a lot of kissing and touching. Foreplay is the hottest part about sex to me. Then of course some great head (oral) will get this cookie nice, wet and swollen, (yes, it swells). That's how I know I'm ready (giggles).

Am I getting too graphic? Oh well. I like the man to insert himself inside of me nice and slow, tease me with it and make me beg for the #@%k (penis). Start slow, build your way up to a more aggressive pace and tell me how good I feel. Then, turn me around and wear it out from the back. "Yep that should do it".

DM What is the best gift you could give your man for Christmas?

MM Some good head and a home girl (a threesome) (giggles)

Montana Fishburne Interview

By Chequetta Jones

Laurence Fishburne is one of the most respected actors in Hollywood and he probably would have loved for his daughter, Montana Fishburne, to carry on his legacy. Montana definitely has her sights on making a name for herself in Hollywood but not in the way her father would approve. On August 10th, Montana Fishburne released her very first sex-tape with Vivid Entertainment, "Montana Fishburne: An A-List Daughter Makes Her XXX Debut". The upcoming porn star has been making more noise than she anticipated but if that means more people will go out and buy her sex-tape then she's all for it!!

CJ: Montana Fishburne, You are stirring up a lot of mess and pissing off your father Laurence Fishburne... What's going on with you girl?

Montana: What's going on? My sex-tape Montana Fishburne: A-List Daughter Makes Her XXX debut came out on August 10th. It's doing great but people are asking, "Why you did this?" You know... I guess that's the controversy. [Laughs]

CJ: You and your father [Laurence Fishburne] are currently not on speaking terms but word on the street is that he's paying your attorney fees in the lawsuit against Brian Pumper. Is this correct?

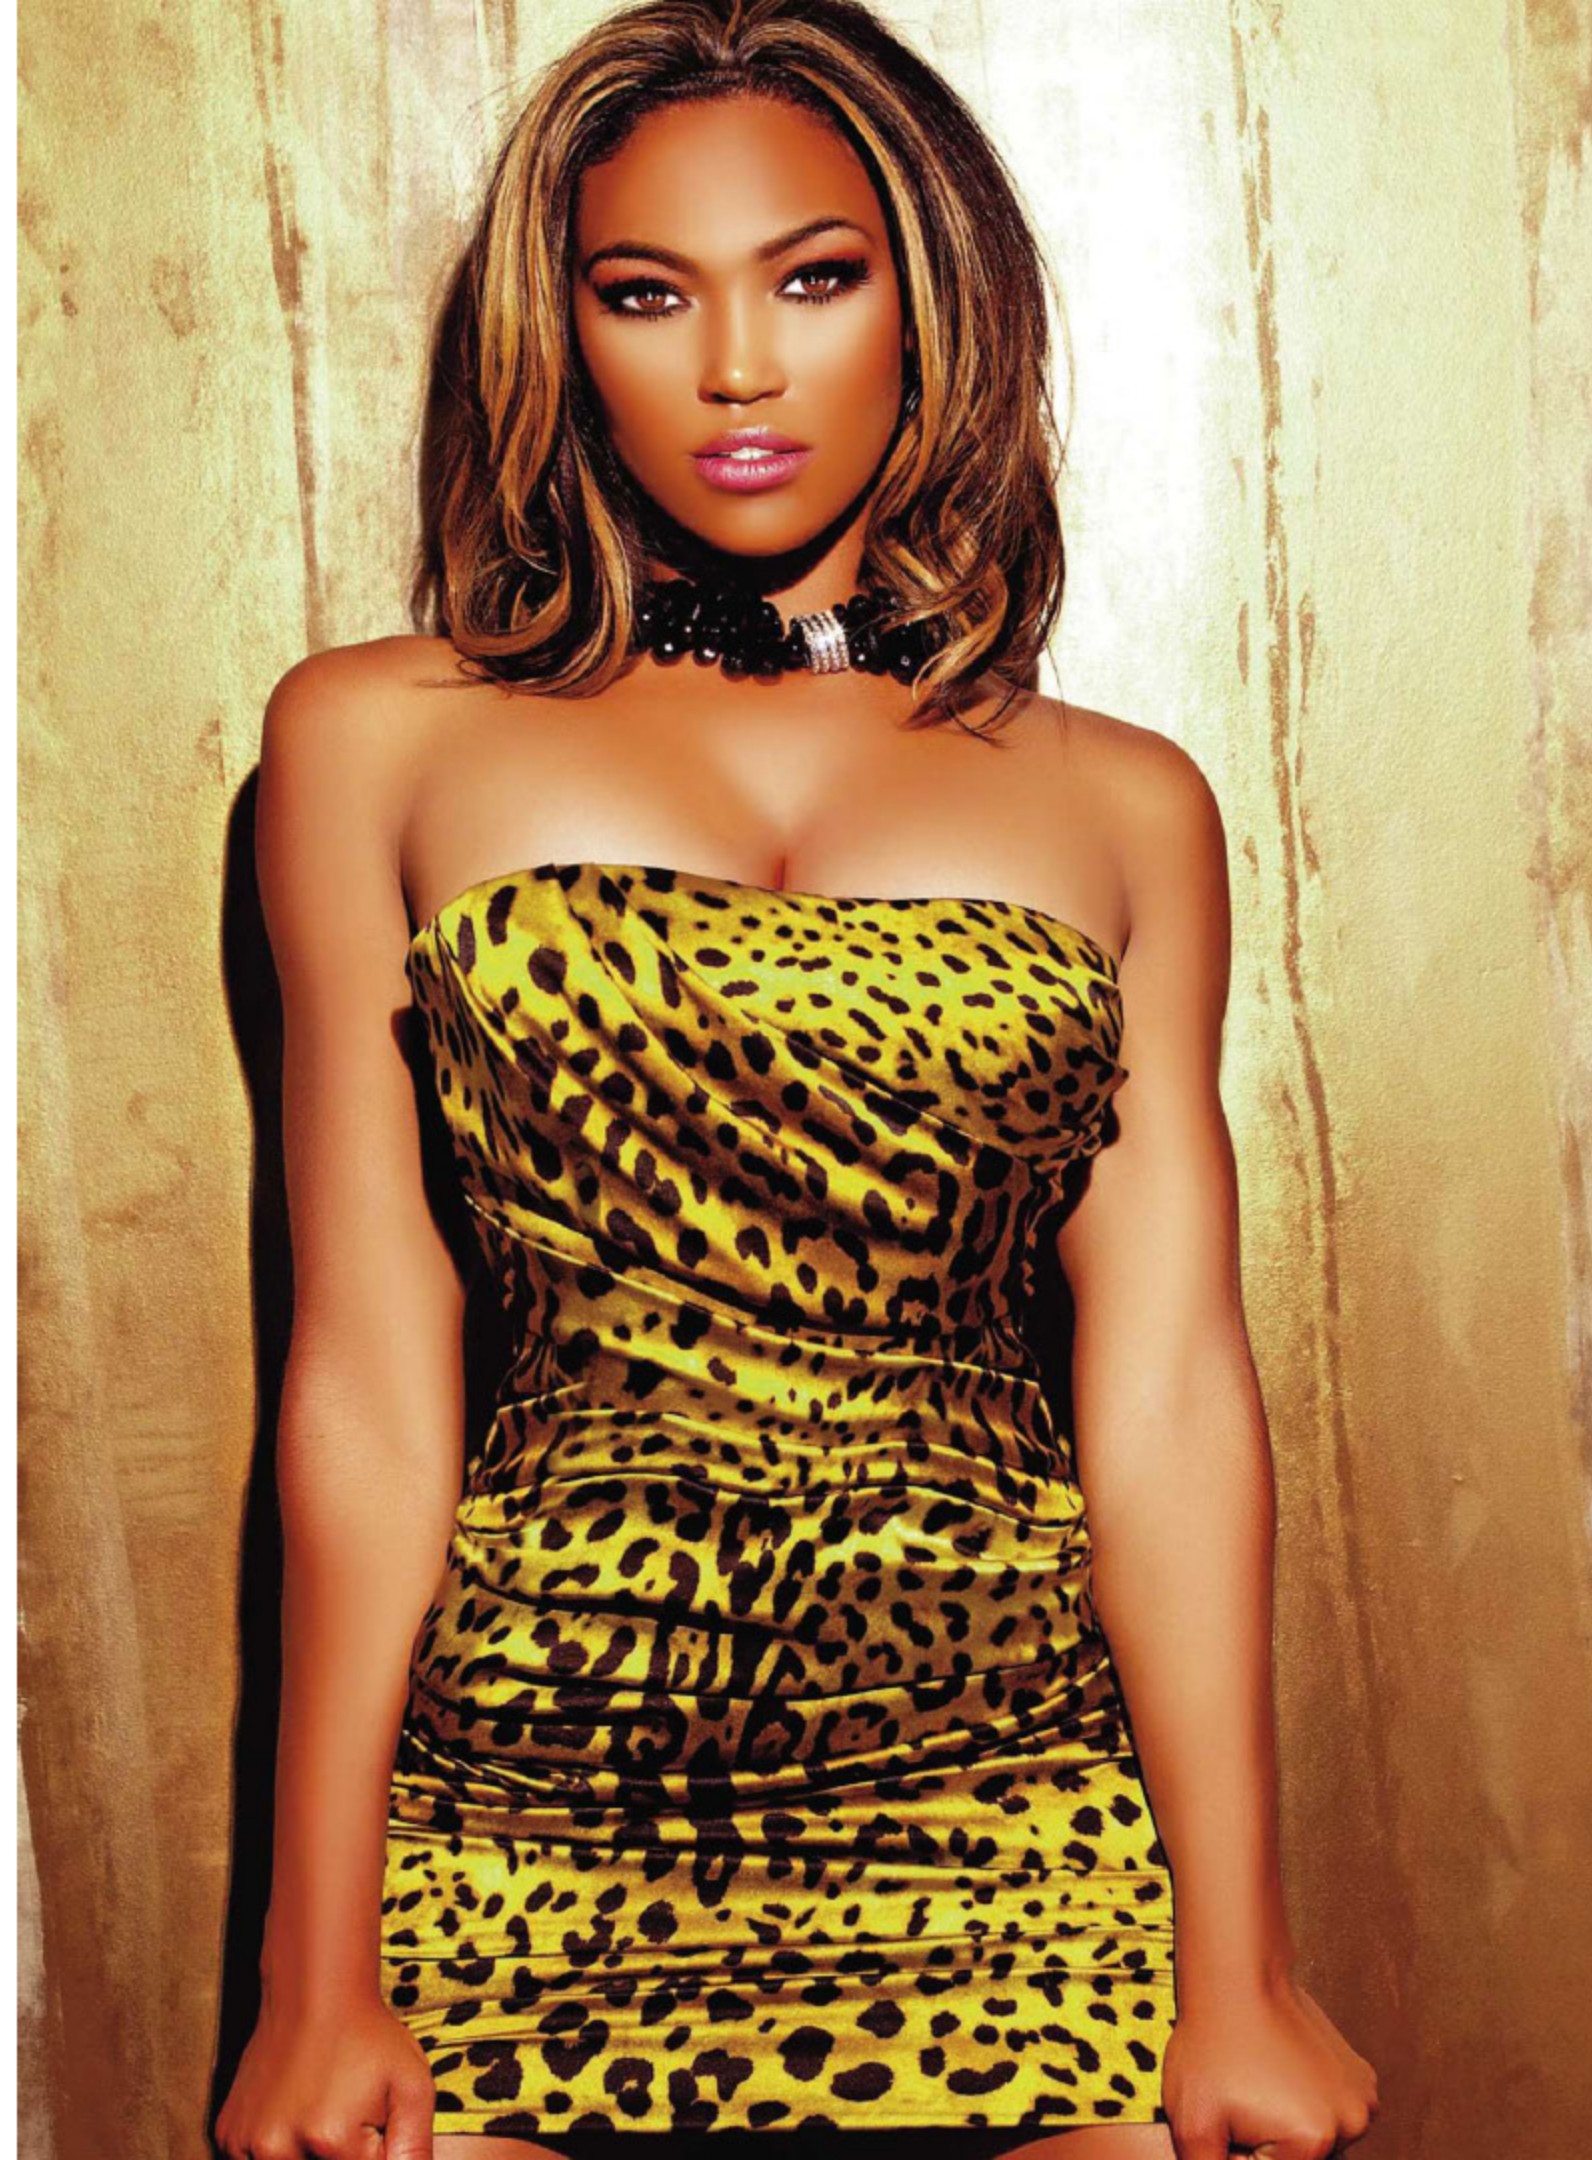

Montana: No. I have a pending case but I can't talk about it and ummm... That's it! [Laughs]

CJ: So, does that mean your father is paying for it?

Montana: I can't really say. I'm not supposed to talk about it but let's just say it's taken care of.

CJ: How old are you again?

Montana: I just turned 19 on September 7th.

CJ: I ask that because you are so young, when did you decide you wanted to be a porn star? Was it really when you saw Kim Kardashian getting it in with Ray-J?

Montana: No. I thought about it when I was 16 after I lost my virginity. I got into the... I guess my sexual awakening. 18, I recorded myself, loved it, love the visual and like just what I saw. I wanted to share it with the world, so I went to Vivid and made one.

CJ: Have you run into Kim Kardashian yet?

Montana: No. [Laughs]

CJ: Someone asked her if she heard about you and her response was "No." I guess we're all wondering, why you chose this path to stardom? No one understands.

Montana: The only real parallel I draw to Kim Kardashian is [that] she had a sex-tape come out and the difference between her and me is she wasn't proud, she was ashamed and it wasn't supposed to happen. Mine, this is something I'm proud of. This is something that I want to do and the main similarity that I see, the reason why I admire her so much is because she had that come out and is still able to do all these great things and everybody knows all her goods. [Laughs] She's still successful and a positive role model and because I want to do mainstream work as well, besides this, you know, porn, I have a lot of positive things I can do and inspire other people to do.

CJ: With all that being said, what is your ultimate goal that you want to achieve in life?

Montana: To be successful and to make people feel good about themselves, honestly. I feel like with the adult entertainment industry,

even though people say it's degrading and exploitative, it really is showing the body in the form and it's nothing to be ashamed of and that's really what I want to show. It's like, love yourself... It's not anything bad. If you want to do something... Do It!! Don't hold back your dreams because of what people are going to say or any kind of sh*t they are going to talk about you.

CJ: There are other ways to showcase that you love yourself.

Montana: There are definitely others ways to showcase that you love yourself but that's just the way that I like. That's something that I'm passionate about, that's something that I'm interested in. That's a real love of mine is the adult entertainment world, the fantasy and the naughty side and all the crazy stuff that comes with it.

CJ: How often do you have people come up to you on the street making derogatory comments about the path you have chosen?

Montana: Some people are like "Oh my God, I can't believe you're doing this? " and I'll stop and talk to them. They get to know me and they see like it's not a big deal. And even though it's not a big deal, it is a big deal. A lot of people think, "You're doing this to your father" and like it's so bad but it has nothing to do with him. I love him to death. It really doesn't bother me, the negativity, because I know what the truth is and once I can explain it to them and make them understand then it's like... All right, next go to something new. Just be happy for me like, hello! Go buy the movie; you're going to like it!

CJ: Your sex-tape was released on August 10th so, now what's the next move for Montana Fishburne... The A-List Daughter doing it XXX for the screen?

Montana: Next right now, I'm just working on photo shoots, modeling and probably some acting work.

CJ: Did you ever expect your porn debut to create so much noise and controversy?

Montana: I really didn't. I thought it would stir-up a little bit but not as big as it has been. I guess it's good then that it's getting a lot of attention because I want to start my career and get the people use to seeing my face and getting my name out there.

CJ: Even though you're 19, you're still daddy's little girl. What would you say to a little girl that comes up to you and says "I want to do what you do!"?

Montana: I would say, "That's nice but you should really think about it. You should really think about your decision. You should go to school, see if there are other careers that you want to pursue and really find out what your true passion is before you pursue it because it might not turn out for you how it turned out for me.

CJ: Enough of all that stuff, tell us a little about you on a regular day. What do you like to do on a chill day?

Montana: I like to go the beach and hang out with my friends. I like to go shopping, like to workout. I really love animals so I'm with my dog a lot. Oh, I like to take drives. I like to take really long drives, like getaway for the weekend. Like stay somewhere in a hotel and have spa treatments, order room service and relax.

CJ: So, you think you've done enough to get you to the point that you know that you want to do porn?

Montana: Yeah, this [porn] is something that I really want try and do. The entertainment industry is something that I have been interested in but I never wanted to be an actress when I was younger. It was something I wanted to get into when I was older and because I was into sexy things and I knew... a 15 year old can't do that. [Laughs] So, I waited to get into the industry the way I wanted to get into it not how everybody else wanted me to.

CJ: What was your very first job? Pre -Porn [laughs].

Montana: My first job, I was a referee. I was a referee for soccer for little kids. I played soccer since I was in Kindergarten, so when I got old enough, I think I was like 13, became a ref, got my license. I worked at a gym. I worked at a restaurant as a hostess, at Abercrombie & Fitch and in an office. I've done a lot of things.

CJ: So, you think you've done enough to get you to the point that you know that you want to do porn?

Montana: Yeah, this [porn] is something that I really want try and do. The entertainment industry is something that I have been interested in but I never wanted to be an actress when I was younger. It was something I wanted to get into when I was older and because I was into sexy things and I knew... a 15 year old can't do that. [Laughs] So, I waited to get into the industry the way I wanted to get into it not how everybody else wanted me to.

Do you see yourself being apart of the adult entertainment industry for a long time?

Montana: I honestly don't know because I definitely want to do more film but I also want to get behind the camera and maybe produce. I do really want to have a porn company or something like that. I'm interested in the industry so, I don't want to jump out completely. So, I honestly don't know.

CJ: Marriage and Children... Is that something that you want to have in the future?

Montana: Yeah, I want to get married, have a family and have a fabulous life. [Laughs] As long as the guy that I'm with is comfortable with what I do... That's all that matters.

CJ: What are your mother's thoughts on her daughter doing porn? It had to be the shocker of the year when she first heard about it.

Montana: Ummmm, she was shocked at first and then she just wants me to be positive, safe and healthy. She talks to me. She doesn't necessarily like that I'm in adult entertainment but she's like "Ok." She's supportive of me living and having my career.

CJ: What measures do the adult entertainment industry do to ensure that you all are safe and healthy?

Montana: Before filming you get tested. Literally, like right before, like you show it, like "We're both good!" And then we do the scene. Some people have condom polides, some don't. Birth control and everything so, it's really calculated to make sure that you are safe. Of course there are slip-ups but that's why I don't want to get so involved and do tons and tons of movies because I want to protect my safety.

CJ: Do you prefer condoms or no condoms?

Montana: I mean, I definitely prefer condoms but there are no condoms in my movie. I'm just saying I like condoms in everyday life because I'm not trying to have a baby.

Note: In the video Interview with Editor In Chief Marcus Blassingame, Montana did express cleaning up her act and pursuing more mainstream work. She did not exactly want to abandon the porn industry, but like Kim Kardashian she feels that she can achieve respect from the mainstream market despite her appearance in Porn.

Role Model to Gold Bottles

During the release of this issue (*The Holiday Gift Issue*) we will be holding a major event in Houston TX with one on their premier event planners Keith Nelson aka Lil' Keith called *The Gold Party*. Along with Ace Of Spades, Black Men Magazine will host one of Texas' biggest extravaganzas as well celebrating Lil Keith's birthday weekend. What would a Black Men Party be without a casting? Models bring your materials.

Email

blackmendigital@gmail.com and nextlevelkeith@gmail.com for more information and go to: www.blackmendigital.com for dates This will be a national blowout event in December 2010 so get ready to get your tickets to fly in and party your ass off.

BMM-When did you first start promoting?

LK-I started promoting event almost ten years ago. When I was in high school I used to throw parties after our football games. It was something I started doing to give everyone something to do but it soon turned into a lucrative side job that I actually enjoyed.

BMM-Where was your first party?

LK-It was at Stadium Bowl in Houston, TX. It was an old bowling alley that's no longer in business. It was a hot spot for teens on the weekends while it was open.

BMM-How did you get started?

LK-I got started by linking up with the right people. The relationships that I was able to build from my smaller events gave people confidence that I knew what I was doing and made people want to work with me.

BMM-What's the largest capacity you have filled?

LK-Houston All Star weekend 2006 with Young Jeezy and T.I. in concert over 5k people. I teamed up with world known promoters Alex Gidewon & Deandre Byrd. It was a huge success, something that people are still talking about today.

BMM-How did you build such a following?

LK-My following developed based on the type of acts that I am able to book draw large crowds. Once I was able to prove to the city that I could bring and do the unexpected, my following came.

BMM-I noticed you did quite a few parties with Amber Rose and Rosa Acosta, what inspired you to book them and how successful were their parties?

LK-At the time these models were on the covers of several magazines & the world was paying attention to them. I thought it would be unexpected to have them come to Houston to host an event because it was something that wasn't being done at the time. I wanted to do the unexpected and at the time these ladies were just that.

Keith Nelson

Nickname: Lil' Keith

Hometown: Houston, TX

Born: New Orleans, LA

Raised: Houston, TX

Twitter: www.twitter.com/lilkeith

Facebook: www.facebook.com/lilkeith

Web Site: www.lilkeith.com coming soon

BMM-Rumor has it that you are now managing a model?

LK-Yes, I'm managing a friend of mines from Ft. Worth, TX. Kristal Solis. I knew her for a while and I knew she had the look and the dedication. She has what it takes to make it so I immediately began working with her. She will bring the unexpected to the modeling scene and I will be behind her 100 percent. Kristal reminds me of myself as a grinder.

BMM-What do you look for in booking models to host events?—Notoriety, professionalism and the current market. I look for what's hot, and what other people don't see.

BMM-Which models do you have your mind on for the upcoming events?

LK-Suelyn, Draya Michele, Halie, Sharri Jones, Angel Davis, Camille Washington

BMM-Tell us about the Gold Parties... How are you affiliated with Ace of Spades?

LK-The market of the brand is expanding and they were looking for someone to promote in the Houston market. My events and reputation led them to me and the rest is history!

BMM-What Celebrities have you done events with?

LK-P. Sean "P-Diddy" Combs, Morris Chestnut, Vivica A. Fox, T.I., Rick Ross, Vince Young, and the list continue. If they are doing the unexpected, I've booked them or I am looking to book them.

BMM-Which celebrities frequent your events?

LK-I get celebrities like Shaquille O'neal, Bun B, Lil Wayne and many others to attend. You never know whom you will see at a Next Level event!

BMM-I heard you had to endure the loss of a close and dear family member during one of your biggest events?

LK-Yes, the passing of my sister during my Birthday weekend last year. She was my rock and constant inspiration. It hasn't been the same since but I know she would want me to continue on with our dream and everyday I think of her and how proud I am to have been blessed with her motivation and left with her spirit.

BMM-What did you learn from some of the drama you have been through?

LK-I learned to never give up. Through whatever, I will never go back to my past. I've been shot when I was a little kid, broke, in the trenches but I've always risen above my situation. So, the drama has only made me stronger and wiser.

BMM-Do you have any plans to own a Venue(s)?

LK-I'm a partial owner of a new club in Houston called *The Mansion of Houston* now.

BMM-How do you envision your dream. How will it unfold?

LK-I would like to be more than a promoter. I want to build my brand and be amongst the likes of Al Hayman, Sean P-Diddy Combs and "J" Prince Sr. I'm currently managing a hot artist named *Propain* out of Houston. So, I plan on doing more, a lot more.

BMM-Ultimate Goals Game Plan Accomplishment:

LK-To be one of the biggest entrepreneurs in the world. ■

THE STORY OF **TULENEX™** **HOLLYWOOD** **SEX TAPE SECRET** **UNCOVERED!**

WELL-ENDOWED ROCK 'N ROLL BAD BOY USED **TULENEX™**
IN FAMOUS VIDEO WITH BLONDE BOMBSHELL WIFE

Hey There,
My name is John Paul Stinson and I'll get straight to the point. Two decades ago (sometime in the late '80's) my wife left me for another man. She said the sex with the "other guy" was amazing. It got back to me that she described his male endowment as "unlike anything she'd ever seen before." A few years after she cheated on me, I saw this guy working out in my gym. He had no idea who I was but I knew him. I knew the inevitable shower encounter would happen at some point. Would I look? Would I see for myself exactly why my ex-wife left me? Well, here's the deal: it's hard NOT to look when you see an image swinging next to you in the shower that looks like the arm of a bodybuilder, but in reality it's the "male endowment" of your ex-wife's new husband. I waited for him to dry his face with a towel and then I looked closely to see the thickest, widest, fattest piece of flesh I've ever seen. It actually looked like he worked it out...the way we would work our arms and legs out. And don't tell me you wouldn't have looked too!

At the time this happened I was a senior vice president of research and development for a marketing development company and was about to be transferred to our European division. My new boss had already challenged me to come up with a fresh idea that would change lives. So when I arrived in Europe, the first thing I did was take my entire department budget and give it to 5 different scientists and researchers to find a formula that would make the word "BIG" take on a whole new meaning. What they found surprised me- an ingredient and unique delivery system that would eventually shock the world! Our secret product

became an "underground sensation." Soon people everywhere were trying to order this amazing product in bulk. The results were incredible!

Sometime in the mid-'90's a rumor started circulating that made its way back to our corporate headquarters. Sources told us that a very famous rock star from the United States had heard about our groundbreaking product and had been using it for a few years. He had QUITE the reputation with the ladies. It was all but confirmed by those in his closest circle that he had achieved OUTSTANDING RESULTS...the kind of results that had people gossiping...the kind of results that had women all over the world in awe! You remember seeing that video, right? When his video came out 12 years ago, the world confirmed what we already knew:

OUR PRODUCT WORKS!

TSTS - TISSUE STIMULATION TRANSPORT SYSTEM - the Next Generation in Oral Delivery Rapid release liquid capsules with extended release Effervescent Micro Bead technology in one Multi-Phase Capsule.
