EDITOR'S LETTER

Tahiry

At some point, the media seemed to cram the look of extremely slim shaped women into our face as the ideal beauty.

Beauty varies depending on the product that you are marketing and the audience comes in all shapes, hues and sizes.

The image of unrealistically thin body types actually caused a complex amongst many women, especially of various ethnicities who are genetically curvy.

There are many stars who have lovely full curved bodies and are proud and successful, such as Tracy Ellis Ross and Nicki Minaj.

In this issue we commemorate those women and others who are proud of their curves.

**Finding your elders on
social networks is...**

Awkward.

**How many fake pages are there of
you out there?**

I have seen 3 fake pages on
FB and 2 on twitter.

How do you reply to online haters?

I don't! I continue doing what I'm
doing and then some... That makes
them hate me more HA

If you see a guy's page you like you...

I'm kind of shy with approaching
someone I like, so I probably would
comment on one of his pictures and
see what his response would be.

Derrière

Is there an advantage to having a nice derrière?

Yes, no matter what I wear it's always sexy from the back. There is no hiding. [Laughs].

Disadvantage?

Some people will assume you are a stripper just because you have a nice, large butt. That's crazy! [Laughs].

Would you rather have a great face and no butt or vice versa?

That's a hard one. [Laughs]. I guess I will just say I'm blessed to have both. Thank you, God.

If your butt disappeared, you would...

That would be the day I would consider getting butt shots.

Your feelings on butt shots?

To each their own. If you feel getting them makes you feel good about yourself, then that's your business. As for me, I was born this way.

S.E.X

Favorite body part on your man: I admire a man that has nice abs and is cut up.

Craziest position: I haven't named it yet. [Laughs].

Craziest place: I don't think I have done anything out of the ordinary.

Ultimate Goals

Game Plan: I plan on being a very reputable actress/designer/model. I will continue to network and brand my name until that happens.

I would use my magic to make it reappear.

Your feelings on butt shots?

If you're going to do it, do it right.

Finding your elders on social networks is...

Awkward! My mother tweeted me one day and I wasn't sure how I felt about it, so I panicked and hit the block button.
[Laughs].

How many fake pages are there of you out there?

I've only had that issue twice.

How do you reply to online haters?

Give them love! That's what they're lacking. Envy is dangerous. I don't feed further into the negativity.

If you see a guy's page you like you...

I'm a subtle flirter. I may speak, but before that, I need to see how he acts and how he speaks to other people. If all is good and I'm attracted to him, I'll say "Hello."

Derrière

Is there an advantage to having a nice derrière?

Ha! Well, it makes for a pleasant presentation.

Disadvantage?

You attract a lot of people that you don't want. What can I say? Being pretty with a nice body is a gift and a curse.

Would you rather have a great face and no butt or vice versa?

A great face—with all the butt shots floating around you can just buy one.

If your butt disappeared, you would...

Hit the gym and work on my glutes! If all of that failed, I suppose I could always use my last resort—ass shots! But, only something reasonable. It has to fit my body.

So, you're cool with butt shots?

There's nothing wrong with them at all. People just tend to abuse them and go above and beyond. If your lower body is shaped like the letter "P," then you've gone entirely too far.

S.E.X.

Favorite body part on your man: I love a chiseled face, big, strong arms he can grab me up with, and hard abs. I love a man who takes care of his body.

Craziest place: The Jacuzzi.

Ultimate Goals

I'm passionate about acting. Modeling really just fell in my lap and I ran with it. Other than that, I love anything that portrays character and personality, so I would also enjoy voiceovers for animations. "Family Guy" is my type of comedy.

Game Plan: Well, now it wouldn't quite be entertainment, if you knew what was coming next.

Accomplishment: Being featured in *Black Men* mag is an accomplishment itself. Every gig ultimately leads to another.

Finding your elders on social networks is...

Odd, but funny in a way, because they usually don't know how anything works.

How many fake pages are there of you out there?

There are a good 15 out there.

How do you reply to online haters?

I don't, they're irrelevant.

If you see a guy's page you like you...

I check it regularly to see what he's up to, and flirt with him of course.

[Laughs].

Derrière

Is there an advantage to having a nice derrière?

Personally, yes. Men and women love a nice derrière.

Disadvantage?

None in the real world, but as far as modeling goes, it's harder to step outside the box because names like Chanel and Roberto Cavalli don't make clothes for big booties.

Would you rather have a great face and no butt or vice versa?

I'll take a great face and no butt for one, please.

[Laughs].

If your butt disappeared, you would...

Maybe cry and be very depressed. I'm used to it being here, so if it's gone, I don't know what I would do. [Laughs].

Your feelings on butt shots?

I'm not a fan, but to each their own.

S.E.X.

Favorite body part on your man: I love a man with pretty teeth, skin and also nice arms, because I love to be wrapped up in them.

Craziest position: All positions are crazy, but my favorite would have to be on top. I love that sense of control to see a man submit is the sexiest thing.

Craziest place: A garage—we never made it into the house. [Laughs].

Ultimate Goals

Game Plan: I will keep pushing my modeling venture and finish school. I plan to use my time wisely, and network of course.

Accomplishment: I finished my first year of college early. This is also my fourth magazine feature.

How many fake pages are there of you out there?

I've seen two out there.

How do you reply to online haters?

I try not to pay them any mind, but if I do reply back, it's because it's crazy to me that I can affect people that much.

If you see a guy's page you like you...

I wouldn't do anything. If it's meant to be, I will see him around.

Derrière

Is there an advantage to having a nice derrière?

Most definitely! I hate to admit it, but it's true. It's one of the best parts of being a woman. Definitely helps you in this industry.

Disadvantage?

The disadvantage of it is that you attract what you look like—and sometimes, it makes it harder to attract the right guys that see past all of that.

Would you rather have a great face and no butt or vice versa?

Definitely a great face and no butt. I love big butts, but her face has to be pretty. A woman with both is definitely winning.

If your butt disappeared, you would...

I'd switch it up and get fit and just be petit and fit. There's nothing wrong with changing up your look and body type.

Your feelings on butt shots?

I feel that if you are able to, you should get a fat transfer known as Brazilian butt lift. If not, then at least do your research on it. You should do your research on anything that has to do with changing your body.

S.E.X.

Favorite body part on your man: Well, I don't have a man, but if I did, I would like it to be his heart.

Craziest position: No comment.

Finding your elders on social networks is...

Very important to find them and show them respect. You never know how it may help you later.

How many fake pages are there of you out there?

There are two, which is flattering to me, actually.

How do you reply to online haters?

Haters get no love. I let them motivate me

If you see a guy's page you like you...

I actually never look at guys' pages. I prefer to look at the girls' pages.

Derrière

Is there an advantage to having a nice derrière?

Yes, you can get a lot of what you want.

Disadvantage?

The only disadvantage is sometimes people only focus on the booty instead of your face or intelligence.

Would you rather have a great face and no butt or vice versa?

Great face and no butt, most definitely.

Your butt means nothing without a cute face to me.

If your butt disappeared, you would...

Probably have to go get butt shots.

Your feelings on butt shots?

Pro choice. If that's what makes you happy, then do it—as long as it looks good.

S.E.X.

Favorite body part on your man: His lips, I like nice soft lips.

Craziest position:

Upside down.

Craziest place: The beach.

Ultimate Goals

Game Plan: My goal is to build myself into a brand and turn that into an empire. I hope to transition into hosting and acting. I'm also a college student and I hope to get my degree within the next two years. And, I'm going to start by trying to find good management.

Accomplishments: Getting published in a major magazine (*Straight Stuntin*) before the age of 20. Also, appearing on websites like

DynastySeries.com and Ggurls.com as an exclusive. I have also done several music videos with well-known artists.

Finding your elders on social networks is...

Really hard for me. A lot of my family members don't own any social networks.

How many fake pages are there of you out there?

About seven times a month I find out about fake pages from my followers.

How do you reply to online haters?

You don't reply. Never let them know that they've caught your attention. A way of showing them a response is to keep doing what you're doing and show them how it's supposed to be done.

If you see a guy's page you like you...

I'd like a photo—possibly comment something flirty or use an emoji for that certain picture.

Derrière

Is there an advantage to having a nice derrière?

Yes. It makes your curves pop in dresses and those curves get you anywhere. [Laughs].

Disadvantage?

Can't fit a lot of clothes half the time.

Would you rather have a great face and no butt or vice versa?

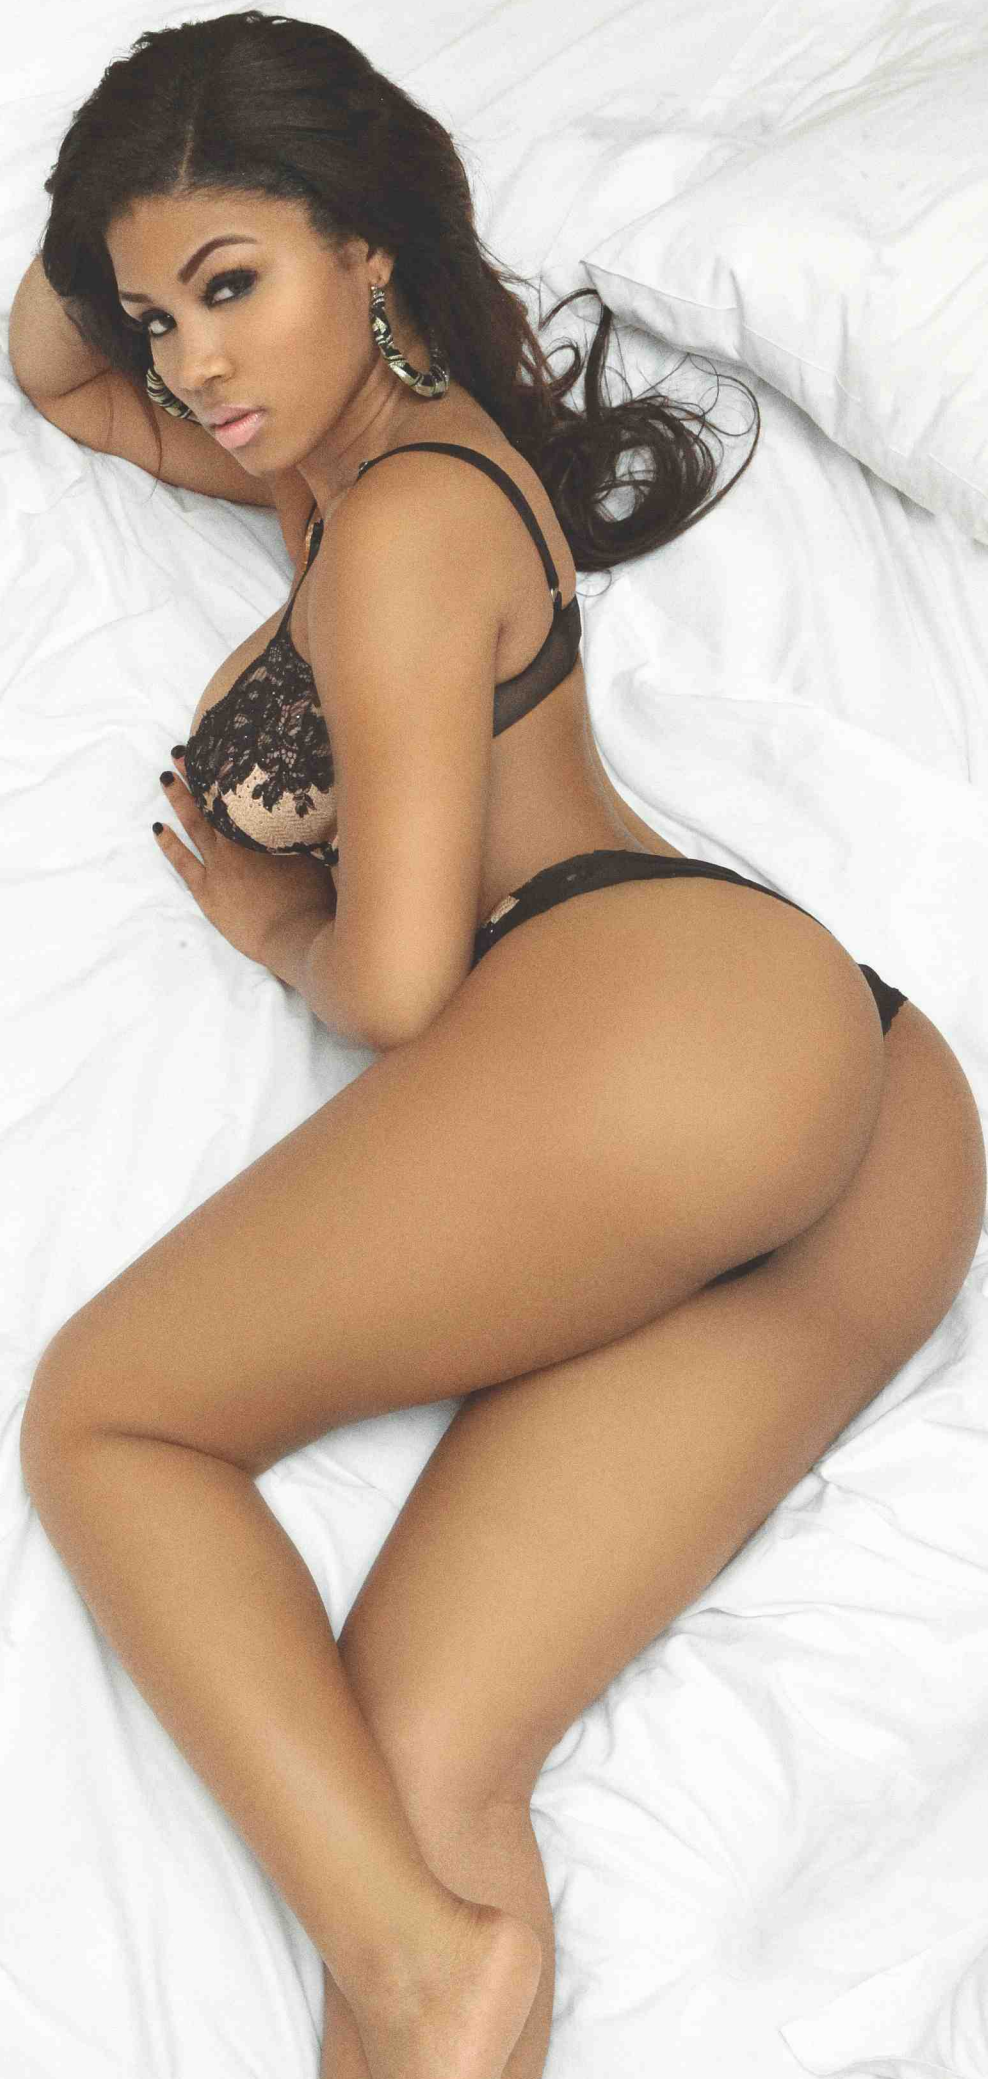

Great face and no butt.

If your butt disappeared, you would...

Still be okay because my chest is huge. [Laughs].

Your feelings on butt shots?

I don't frown upon females with butt shots. I love females with big butts—fake or real. It's still a butt to me.

S.E.X

Favorite body part on your man:

Upper body and abs.

Craziest position: I don't kiss and tell.

Craziest place: Like I said, "I don't kiss and tell."

Ultimate Goals

Game Plan: I want to one day be a role model—not just any model. I want to be a big time designer, and possibly host a TV show. Also, I plan on launching my clothing line "SIN Apparel" for 2013.

Finding your elders on social networks is...

Something that I don't do often, but everyone seems to have one, so it's quite easy to connect on social networks.

How many fake pages are there of you out there?

Too many to count, but I report them as spam and forget about them. It can get out of control sometimes.

I don't.

Is there an advantage to having a nice derrière?

Absolutely.

Disadvantage?

These days not so much—having one is definitely an advantage.

Would you rather have a great face and no butt or vice versa?

Honestly, I'd rather have a great face rather than a nice butt. It's nothing these days to get the butt that you want, but it's not easy trying to buy a beautiful face.

If your butt disappeared, you would...

Consider getting a new one.

Your feelings on butt shots?

If you have a beautiful derrière what's the point of butt shots? Leave it alone.

Finding your elders on social networks is...

Always interesting.

How many fake pages are there of you out there?

Who cares?

How do you reply to online haters?

I don't!

If you see a guy's page you like you...

Keep scrolling. I'm off the market!

Derrière

Is there an advantage to having a nice derrière?

But of course.

Disadvantage?

Buying jeans that fit.

Would you rather have a great face and no butt or vice versa?

Oh, great face no butt for sure.

If your butt disappeared, you would...

Get in the gym and do some squats—maybe eat some corn bread.

Your feelings on butt shots?

To each their own, but none for me.

Thanks!

S.E.X.

Favorite body part on your man: The whole body.

Craziest position: In the air.

Game Plan: Modeling is just a stepping-stone. I'd really like to branch out, broaden my horizons and act.

Maybe even land a big role in a movie or TV show. I plan to market myself in a way that will allow me to be seen in many more lights than just one.

Accomplishment: My greatest accomplishment has been helping raise my younger brother into an amazing young man with a bright future.

How many fake pages are there of you out there?

I stopped counting months ago.

How do you reply to online haters?

I try to take the most negative comment in a constructive way.

If you see a guy's page you like you...

I don't normally have time to look through guys' pages, but every now and then, someone catches my eye.

Derrière

Is there an advantage to having a nice derrière?

Of course there is. It always looks better to have some type of curve.

Disadvantage?

People stereotype you based on your figure.

Would you rather have a great face and no butt or vice versa?

I feel like your face is your introduction, so I'd rather have a great face.

But, a nice body is also a plus.

If your butt disappeared, you would...

Probably go bananas. It's been a part of me all my life, but I feel like I have other attributes I can focus on.

Your feelings on butt shots?

Thankfully, I haven't had to worry about that, but if it makes you happy, then "Go figure."

Bringing That Dominican Heat To Reality TV

Article by Emmanuel Ureña

IMAGES: SULIMAN HASAN FACET STUDIOS, WARDROBE: MARCUS BLASSINGAME, MAKE UP: FACET STUDIOS, HAIR: BLAIR PENA

We all saw Tahiry Jose explode onto the reality TV landscape on the debut of the third season of “Love & Hip-Hop,” the New York City version. The fiery Dominican with the ether-laden comebacks—who we first met on Joe Budden’s video blogs back when the two were an item—has evolved into a savvy businesswoman with ambitious goals in mind. Going from a police academy intern turned bartender, followed up by a career as a video vixen, model and actress, Tahiry has many layers to her—all of which are beginning to unfold on the show. *Black Men* sat down with the curvaceous Ms. Jose to discuss her jaw-dropping physique, her beliefs on butt augmentation and her involvement in the hit reality TV show. We also touched on her days on JoeBuddenTV.com and the library of archived videos that never made it on to the website, which Joey allegedly has stashed away.

Black Men: You're currently part of the latest season of "Love & Hip-Hop." This isn't the first time we've seen parts of your everyday life, though. You and your ex-boyfriend, Joe Budden, used to record videos and post them up online. Is it nerve-racking to know that this time around it's on a larger scale, so to speak?

Tahiry Jose: Absolutely. Not only is it on a larger scale, but also we're not controlling it. Back then, when I did the blog, Joey and I were pretty much in control of what we posted. Although the videos weren't edited because we didn't know how to, they were done in our homes and our comfort zones. We were an item and it felt a lot more comfortable. Today, though, being that VH1 is in control, and we can have as many as eight million viewers, it is kind of scary.

Since you and Joe pretty much controlled what we saw online, I'm curious to know if there were any videos that were too crazy to make the site?

Oh, he has archives. He definitely has videos—not too crazy—but he has some. You know, they were maybe a little too much or a little too intense where maybe it didn't show us in the best light, or maybe I wasn't happy with the way I looked or what we were arguing about.

Does it make you nervous that, maybe not him, but someone around him might leak them?

No, because it's just regular day-to-day relationship situations or us arguing. Even after the break up he put one up where I was crying hysterically, and I was really upset that he did that. We pretty much documented our relationship, though. Nothing makes me nervous about any of the clips that maybe make it out.

When you were first approached by VH1, did you know that he was going to be a part of it?

No. We weren't sure that he was going to be a part of it at the time when they approached me. He hadn't signed a contract.

What went through your mind when you found out that he did sign up?

Oh my God! My day all of a sudden went from sunny to cloudy. [Laughs]. Everything stopped and I was like, "Oh my God! Fuck! Fuck! Fuck!" [Laughs]. And then I said, "Who am I kidding?" Also, this isn't about Joe, this is about me and what I'm going to do. Whether he was on it or not, I was going to do it already.

I know the world knows about you from the video blogs and what Joe has said about you on his songs, but what's something that we don't know about you that we'll discover from watching the show?

I've always been pretty straightforward. What you see is what you get. I [didn't] walk into the show pretending to be somebody else. I've always been a hundred percent Tahiry on those blogs, so now it's being transferred on TV. The difference now is that we're no longer a couple, so you get to see what happened to Tahiry and Joe after the drama unfolded, or where we are today in our lives. Hopefully, you'll get to see me evolve into a businesswoman, and remaining strong and keeping it moving.

Currently what's the relationship with Joe? Is there at least a friendship there?

No. Not right now. That always goes back and forth—depending on the month. There's a month when we speak, there's a month when I don't want to. There's a month when we don't speak at all, there's a month

where he raps about me. Then, there's another month when he apologizes. It's really crazy but as of right now, I have no friendship with the man.

The video blogs may have introduced you to the world, but it was your physique that kept you in the spotlight. How do you maintain your physique?

I workout about three-to-four times a week. I lift heavier weights. I don't desire to ever be thin. I like to keep my thickness, so I lift heavy weights. I do leg repetitions. I eat clean, and I drink a lot of water.

There's obviously an advantage to being thick, but do you think there's a disadvantage in it?

I find the disadvantage in that somebody may not really know you—like, "Oh, she's just booty." Just by interviews and what you see on the covers, you wouldn't even know that I have a college degree. People have this preconceived notion of who you are because of your shape—like, "Oh yeah, you know, the girl with the fat ass." You pretty much have to fight so that people can see that you get some accolade. I think people really fell in love with my personality, my fiery mouth, the fiery Latina, and then they realized, "Oh shit! The girl looks good in a thong also."

There are people who enjoyed watching me, but they also enjoyed my quick comebacks when it came to Joey and my relationship. To me, I have more pros than cons when it comes to that. I just happen to be the cover.

What are your feelings on butt injections?

I have my mixed emotions about that. One: To each her own. Two: You're pretty much cheating. I have to work hard to stay fit—I have to work hard to fight the cellulite and fight gravity. Can you ladies join me at the gym? And three: It could be very hazardous. I wish that these ladies would do the research. They may not see the effects now, but in the long run it might be something that could kill them.

I know we're more than likely going to see Tahiry as Joe's ex-girlfriend on the show, but are we going to see Tahiry as someone's new girlfriend on there as well?

Um... Tune in. That's all I'm going to say. [Laughs]. Tune in and you'll get to see where Tahiry takes it. [Laughs].

Yoncee

Valuable Assets

Article by Mannie Pendexter

IMAGES: SULIMAN HASAN FACET STUDIOS, WARDROBE: MARCUS BLASSINGAME, MAKE UP: FACET STUDIOS, HAIR: BLAIR PENNA

Getting her start almost two years ago as a music video vixen, Yoncee has continued to blaze her trail with appearances in videos for 2 Chainz' "No Lie," Nas' "The Don," and her most notable to date due to a steamy bedroom scene, the lead to Ne-Yo's video for "Lazy Love." The model of Puerto Rican and Jamaican roots has also been featured on numerous websites and has even acquired some magazine cover action. Even though she has her drop-dead gorgeous physique to thank for her success, the at times "mean" but always "fun to be around" gyal says that there's much more to her than her assets. Read on as Yoncee discusses her career, her ample derriere, the possibilities of her appearing in a reality show, and more.

Black Men: How did you get your start in modeling?

Yoncee: I got started almost two years ago. There was a friend of mine who was a promoter. He asked me what I wanted to do, and I said I wanted to model. I started by doing a video and went from there.

Was video modeling what you aimed for or were you thinking of some other type of modeling?

I don't really know—maybe both. [Laughs].

What were some of your favorite projects that you've worked on since you started?

That would have to be the 2 Chainz and Drake video; the Ne-Yo video; my first shoot with *Black Men* and working with *Smooth* on my first cover.

There was a rumor going around last summer that you were going to be part of the latest season of "Love & Hip-Hop." Was it only a rumor or were you really going to be a part of it and then it just didn't happen?

No. That was just a rumor.

Would you be down to be in a reality show?

Maybe. I'm still in the middle. It's different when you have a child and when your family is not really behind

the urban world and the drama that goes on—so it's something that you have to think about.

Reality shows give us an in-depth look at people and their day-to-day lives. What would be something that you think we would learn about Yoncee if she were on a reality show?

[Laughs]. That Yoncee's not just mean. I'm actually funny. I'm fun to be around. I have issues that I go through just like any other person. It would definitely, definitely be worth watching.

What's your ultimate goal in the entertainment biz?

My ultimate goal is to be an actress.

That's cool. Have you taken any acting classes?

I started, but after I started, I got nervous. But, I'm going to start again.

What kind of acting did you have

in mind—film, plays, TV?

I kind of wanted to start by doing plays, and then move on to movies, maybe.

Is there an advantage to having a nice derrière?

It's an advantage and it's a disadvantage at the same time.

How so?

People tend to see more of that than your personality. There's more to females than their assets. I feel that when you have a big butt sometimes they tend to concentrate on that over anything.

Would you rather have a nice face and no butt or vice versa?

I'd rather have both.

What would you do if you woke up one morning and your butt had disappeared?

I don't... I don't know. [Laughs]. I would probably be freaked out. I'd probably pass out.

What are your feelings on butt injections?

There's nothing wrong with it. You can get it done, and not over do it. I've seen girls that have had it done, and they look really nice—they didn't over do it. Then, you have the girls that just go overboard with it, and it looks very disgusting.

Hypothetically speaking—because we know that you don't need it—would you con-

sider doing it if you did need it?

If I needed it, yes, but I wouldn't over do it.

What projects do you have coming up that we should look out for?

I don't really like to talk about my projects too much, but there are some things in-store for 2013. Yoncee is not going anywhere.

To stay up-to-date on Yoncee, follow her on Twitter (@iAmYoncee) and Instagram (@Yoncee).

None that I know of.

How do you reply to haters?

I never do, I found it to be pointless and pleasing to them.

If you see a guy's page you like you...

May like a few photos, maybe follow.

Derrière

Is there an advantage to having a nice derrière?
Of course there is! There's nothing better than a woman with curves in the right places.

Disadvantage?

Not fitting into certain things I like and want to buy.

Would you rather have a great face and no butt or vice versa?

Well, I look at it as it being much easier to replace a butt than to have to fix a face.

If your butt disappeared, you would...

Get a new one!

Your feelings on butt shots?

I'm happy I'm blessed with a natural butt. I don't down the ones who have them, but I'm just happy I don't need them.

Favorite body part on your man: His mouth definitely his tongue and lips.

Craziest position:

Craziest place: I'm a very sexual person, but to be honest, I prefer sex in a classy environment. I would have to say a car, but who hasn't right.

Ultimate Goals

Game Plan: I want to become a well-known model, and business-woman. I will network and stay around the right people. Build a name for myself.

Finding your elders on social networks is...

Really scary—I don't like that.
How many fake pages are there of you out there?

I hope none.

How do you reply to online haters?

[Laughs]. They don't bother me. If I have them, I'm doing something right.

If you see a guy's page you like you...

Derrière

Is there an advantage to having a nice derrière?

It makes me confident.

Disadvantage?

None.

How long did it take to apply your tape?

Depends on the event really.

Did it hurt to remove it?

Yeah, it hurts. [Laughs]

Exercise?

Everyday.

How often during the day?

I try to work out twice a day.

Body part you train the most?

My legs, stomach and butt mostly.

What part of your body is perfect since birth with little to no training?

I guess my ass.

Favorite body part on your man:

Definitely his arms.

Finding your elders on social networks is...

Super weird. I usually just block them, but I haven't really used Facebook lately, so I don't ever see them.

How many fake pages are there of you out there?

I haven't really seen many. I've probably seen about two of me in my life. I should be insulted.

How do you reply to online haters?

[Laughs]. I don't. I let them look pathetic. I have to be doing something right to have haters.

Derrière

Is there an advantage to having a nice derrière?

Having a nice ass gives you confidence in a way. I love it. Thanks, Mom!

Disadvantage?

I don't think there could ever be a disadvantage to it.

How long did it take to apply your tape?

It depends on how intricate the design is. It's taken up to about four hours before.

Did it hurt to remove it?

Taking the tape off is definitely my least favorite part. It sucks. Just gotta rip fast like a band-aid.

Exercise?

I try to exercise as much as I can.

How often?

I stopped going to the gym recently, but I work out at home pretty much every day.

Body part you train the most?

I would say I definitely work out my ass and legs most. It's super important to me.

What part of your body has been perfect since birth and needs little to no training?

I would say I've always had a really toned ass and legs my whole life—even without working out. But, I've always been active. I've done all-star cheerleading my whole life.

Finding your elders on social networks is...
A little strange, but it’s 2013 and everyone has a social media page.
How many fake pages are there of you out there?
None that I’m aware of.
How do you reply to online haters?
I don’t. No matter what you do—good or bad—people will always have something to say. So, I just let it go.
If you see a guy’s page you like you...
I’ll either do nothing, or probably like one of his pictures.

Derrière

Is there an advantage to having a nice derrière?

I think it's more feminine, and it doesn't hurt too much when I fall.

Disadvantage?

Well, you have to do lots of exercise to keep it looking its best.

How long did it take to apply your tape?

About an hour.

Did it hurt to remove it?

Not really.

Exercise?

Yes, a lot.

How often?

Every other day.

Body part you train the most?

Definitely my butt.

What part of your body has been perfect since birth and needs little to no training?

My legs have always been nice with little to no exercise.

S.E.X.

Favorite body part on your man: Arms.

Craziest position: I'll leave it to your imagination.

Craziest place: Anywhere.

Ultimate Goals

Game Plan: My goal is to be the best at whatever I do. I want to give back to my mom and buy her a big house one day. I know that school and hard work will help me get there.

Accomplishment: Well, recently I've gone through the most difficult time in my life, and so far, I'm okay. I'm even a bit wiser and stronger.

Finding your elders on social networks is...

Difficult.

How many fake pages are there of you out there?

Not sure.

How do you reply to online haters?

I ignore their comments.

If you see a guy's page you like you...

I may follow them back.

Derrière

Is there an advantage to having a nice derrière?

Of course—it's one of the most beloved features of a woman.

Disadvantage?

Sure—being physically attracted to the feature instead of trying to know the person for the personality.

How long did it take to apply your tape?

I would say about two to three hours.

Did it hurt to remove it?

Nope.

Exercise?

Yes!

How often?

About five to seven times a week. I belong to a gym—plus I dance as a night job.

Body part you train the most?

My core.

What part of your body has been perfect since birth and needed little to no training?

My derrière.

***How many fake pages are
there of you out there?***

I've had a few. It's actually
flattering.

***How do you reply to online
haters?***

I don't. I believe in kindness.

If I ever would have to
address a "hater" I just reply
"God bless you." Haters are
just envious people that are
insecure with themselves—
they not know what they do.

***If you see a guy's page you
like you...***

I don't have time to like a
guy's page.

Derrière

Is there an advantage to having a nice derrière?

Yes, it makes working out that much more fun.

Disadvantage?

Yes, it can have a disadvantage—finding the right fit in jeans. Also, in today's society you can be perceived the wrong way just by having a nice derrière.

Would you rather have a great face and no butt or vice versa?

Both. There's no in between. You either have it or you don't.

If your butt disappeared, you would...

[Laughs]. Continue to do what I do, but that isn't happening.

Your feelings on butt shots?

To each their own—just be careful.

What are some fitness tips on increasing butt volume?

Squats, lunges, leg presses and more squats with your own body weight to have correct form—then as you get stronger continue to add more weights. The more you add, the bigger your butt muscles grow.

How about diet tips on maintaining a small waist?

Ultimately, eating clean is the only way to keep a small waist. Eating every two to three hours—healthy meals and snacks that will help speed up metabolism and keep you burning fat all day.

What are some ideal waist slimming exercises?

Eating right, interval training and a variety of AB routines. Visit my YouTube page for my AB videos:

www.youtube.com/GETBOD-IEDBYJ.

Ultimate Goals

Game Plan: Having my own private gyms in a couple of different States, and building a team of trainers holding nationwide boot camps and health seminars.

Accomplishment: Being able to stick with my passion as a trainer. I'm now going on eight years. I'm so blessed at how much my business has grown and the exposure I have received from so many across the world. I'm so thankful. This New Year is going to be GETBODIEDBYJ'S year! Thank you all for the continued support!

Finding your elders on social networks is...

Why are they trying to keep up with the youngsters? Act your age and stay away from drama.

How do you reply to online haters?

With a big smile and I wish them to be a little more patient because I have so much more for them to be mad at.

If you see a guy's page you like you...

Look at it and comment on what I like.

Derrière

Is there an advantage to having a nice derrière?

It does help at times to get what I want.

Disadvantage?

Attract the wrong type.

Would you rather have a great face and no butt or vice versa?

Tough one. I would have to say a pretty face because it can be hard to find. A butt can be made either at the gym or under the knife.

If your butt disappeared, you would...

Make it reappear with some squats.

Your feelings on butt shots?

I've seen some amazing ones just like I've seen some disgusting ones. Either way, I wouldn't try it myself. I wouldn't like to be the grandma everybody stares at because my ass is gigantic.

S.E.X.

Favorite body part on your man: Lower stomach/abs.

Craziest position: No comment.

Craziest place: Elevator.

Ultimate Goals

Game Plan: I want to own a successful business and be a role model to others.

Accomplishment: I came to a foreign country without knowing anybody and without speaking English fluently and graduated with a bachelor's degree in marketing and management.

Finding your elders on social networks is...

I think it's funny and I always add them. They should stay current as well.

How many fake pages are there of you out there?

I've only seen one fake page on Twitter. That page was made the same week I made the original, and it's still going strong I see!

How do you reply to online haters?

I'm assuming I have silent haters, but the ones that do speak up are mostly ignored or killed with kindness.

If you see a guy's page you like you...

I'll comment on a pic or two and leave a few 'Likes,' but not follow them. They usually follow me, and a convo starts shortly thereafter.

Is there an advantage to having a nice derrière?

There's absolutely an advantage to a nice derrière as displayed in the media. A woman with a booty tends to get a lot of shine.

Disadvantage?

You're automatically stereotyped as ghetto, a hoe, high-maintenance, uneducated, unprofessional and superficial.

Would you rather have a great face and no butt or vice versa?

I'd take a pretty face over a big butt any day.

If your butt disappeared, you would...

I gain a few pounds and try to reshape my body with different exercises.

Your feelings on butt shots?

I knock no one specifically for having them, however, they're just not for me.

I like the one I have, and never felt the need to add to it.

S.E.X.

Favorite body part on your man: A strong back and broad shoulders gets me going.

Craziest position: On the wall.

Craziest place: In a dressing room.

Ultimate Goals

Game Plan: Expand my modeling career/resume by doing films, commercials, ads, TV, runway, reality, etc. Sign to a credible management team and/or agency. I want to build a "household name" brand. I hope to one day be a successful entrepreneur, as well as a well-known journalist/blogger/writer, and become a respected judge of musical talent. I will utilize any popularity or credibility achieved through modeling to help build awareness of my music blog.

www.IHateNewMusicButUmm.tumblr.com. I also plan on attaining a Masters Degree in Journalism and Broadcasting.

Accomplishment: I have received recognition and interests from different artists, managers, DJs, and labels, in both international and domestic locations about my blog. I graduated from Monroe College with a Bachelor's Degree in Business.

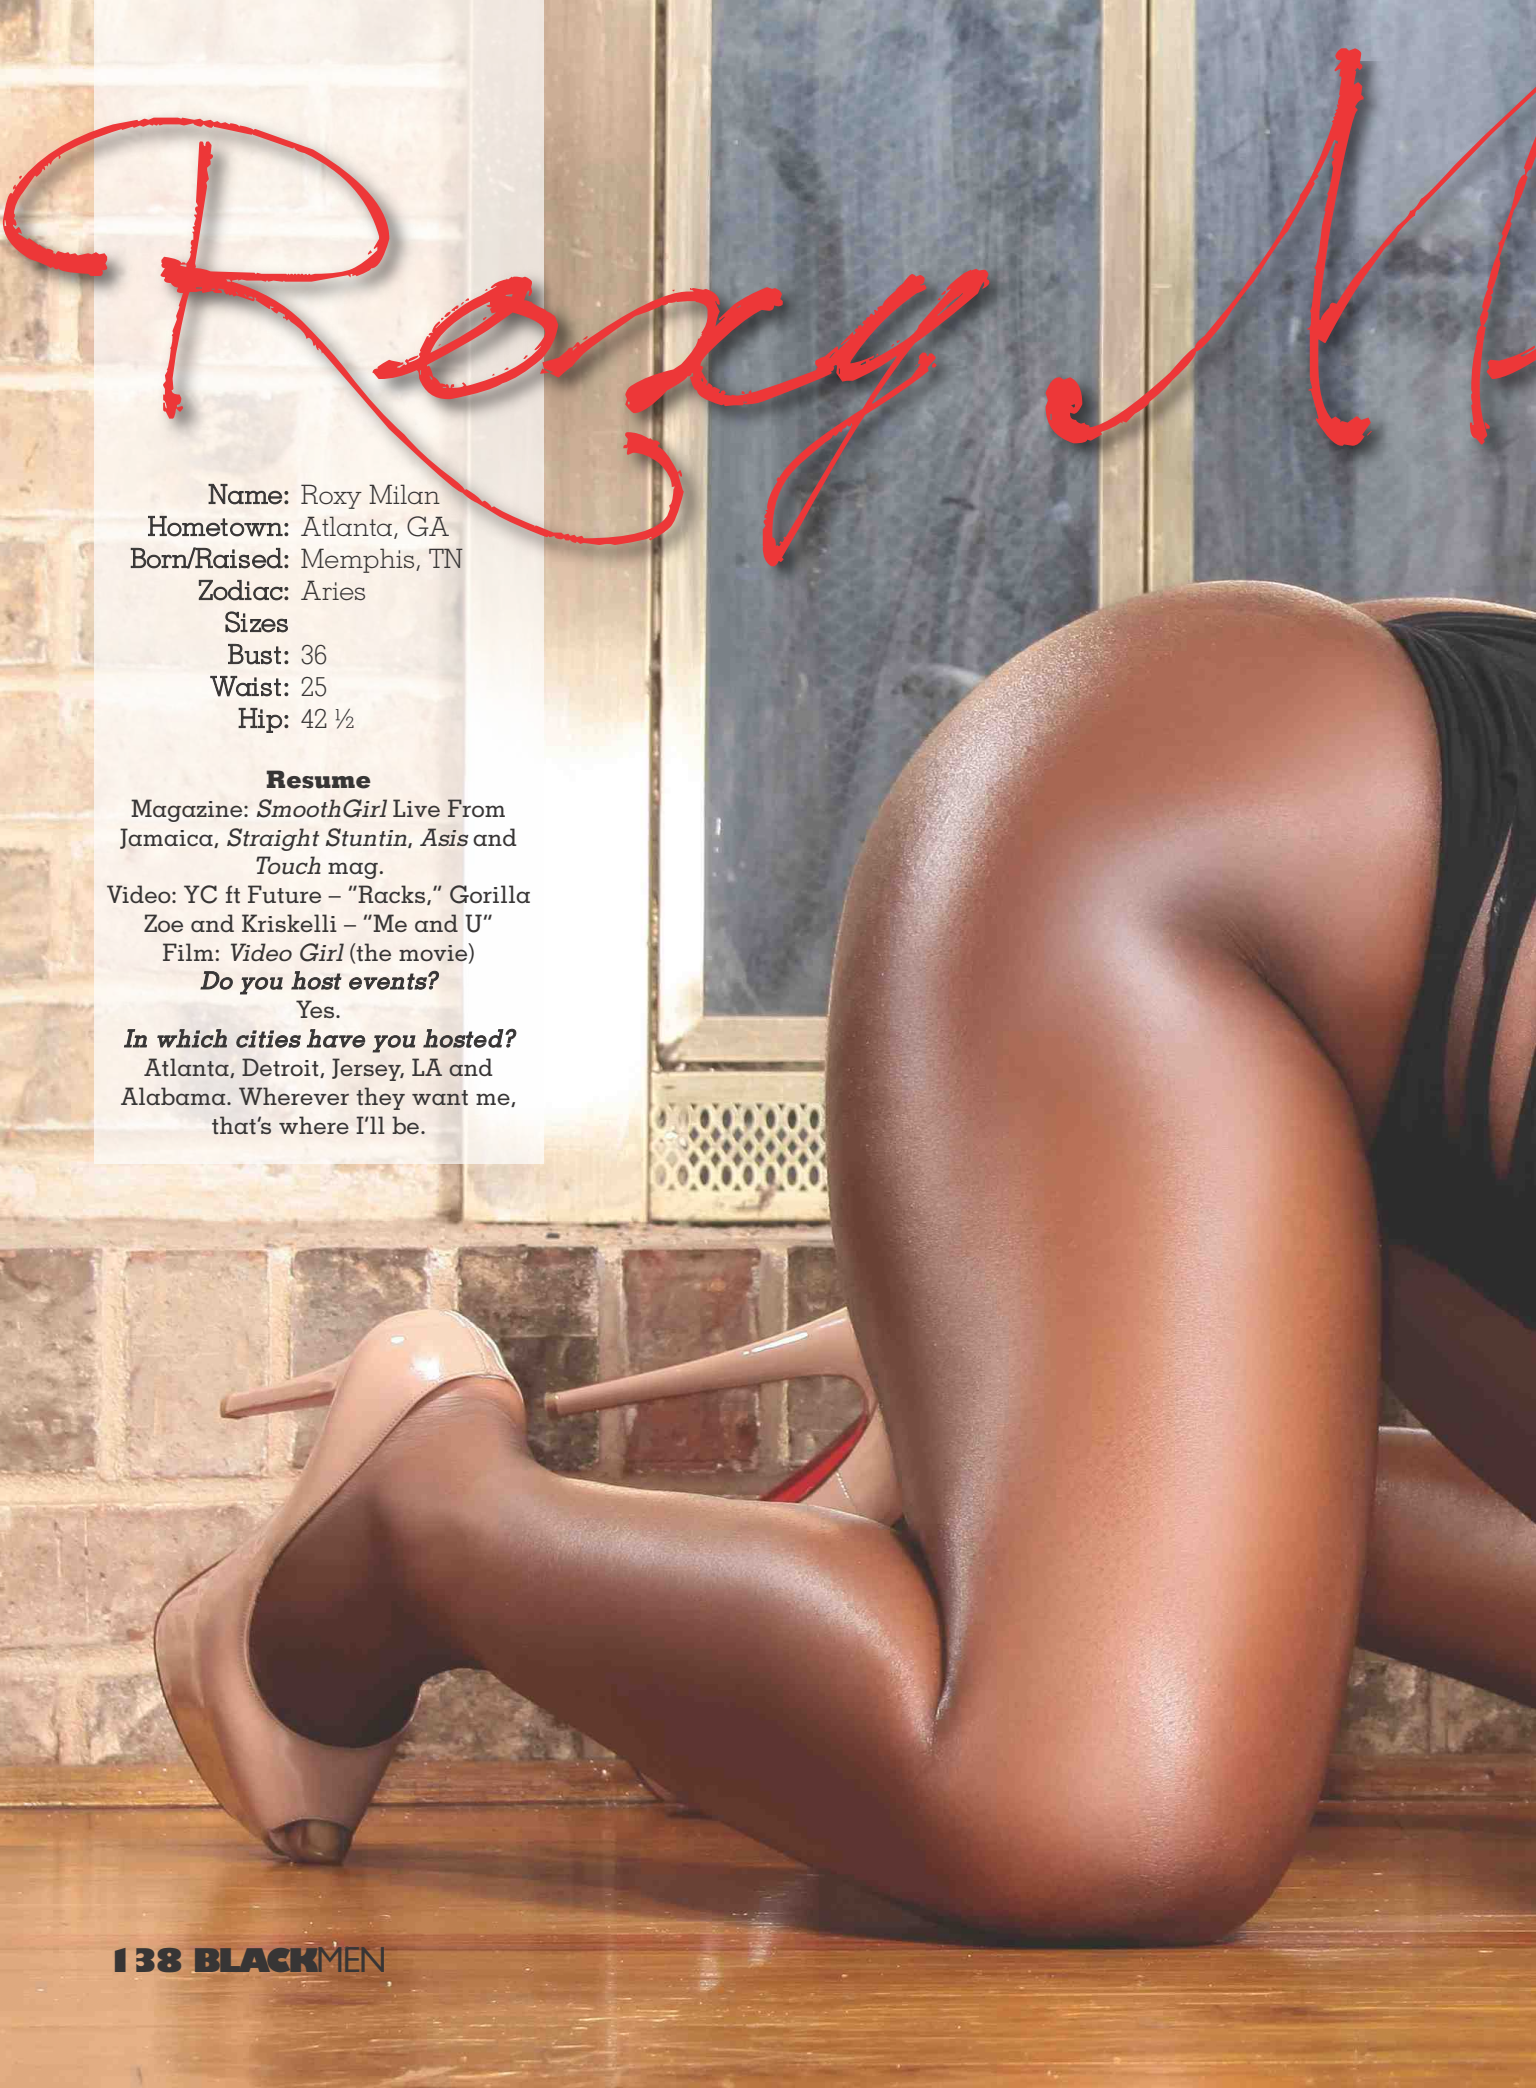

Marketing Tools

Agency: Currently a freelance model.

Yes.

Atlanta, Detroit, Jersey, LA and Alabama. Wherever they want me, that's where I'll be.

How many fake pages are there of you out there?

Several. I just report them to spam and block and have others do it as well to get the page removed.

How do you reply to online haters?

By not replying at all.

If you see a guy's page you like you...

Glance and keep it moving.

Is there an advantage to having a nice derrière?

Having a big butt gets me lots of attention.

Disadvantage?

Getting that much attention because of my butt can get annoying because I know I have a pretty face.

Would you rather have a great face and no butt or vice versa?

Great face and no butt.

If your butt disappeared, you would...

It wouldn't disappear—it's in my genes to have a big butt. However, if it did, I wouldn't be too upset as long as it still looks nice.

Your feelings on butt shots?

I personally think this butt trend has gotten out of hand because girls are getting them too big or too square and it's not matching their legs to thigh to butt ratio—at least make it look real. But, whatever makes someone happy—I can't knock it.

S.E.X

Favorite body part on your man: His chest.

Craziest position: Haven't gotten that far yet.

Craziest place: Haven't done that yet.

Ultimate Goals

Game Plan: I just reinvented myself, so now I'm ready to go extra hard. I want to be in the entertainment Industry whether it's behind the scenes or in front—as long as I'm in it.

Accomplishment: I've been on the cover of *Straight Stuntin* mag with French Montana.
