BLACKMEN HOT 100

welcome to the Blackmen Hot 100, the definitive collection of today's hottest models. Instead of ranking from 1 to 100, we took the unique approach of splitting the models into ten distinctive categories, giving you the top 10 vixens in each of the following categories:

- 1. Lovely Latinas
- 2. Pearls
- 3. Asian Beauties
- 4. Mixed Chicks
- 5. Rising Stars

- 6. East Coast Hotties
- 7. West Coast Cuties
- 8. Model Icons
- 9. Exotic Dancers
- 10. Reality Stars

The most exciting part about putting together this issue has been just about EVERYTHING! In particular, highlighting new talent in Rising Stars, to paying tribute to those who paved the way with Model Icons. Ethnicity has always been an important characteristic of models and video vixens, so we are happy to be able to recognize Latinas, Asians, multi-racial and White models. Regional differences have always been a significant point of contention; so categorizing East Coast models separately from West Coast models was a very important detail in putting together this list. While Exotic Dancers have always been an important part of the foundation of our industry, the natural evolution has been to see many of these fine ladies become Reality Stars. Together we feel our list is complete and representative of everyone.

This has been a rewarding challenge to say the least, although not the easiest one to complete. We stand by our Hot 100 choices 100%, but understand that not everyone will be pleased with some of the omissions. We encourage you to provide us with feedback regarding which models would or wouldn't have made your Hot 100. We certainly have our favorites! Tell us who are yours!!
