DIRTY

Welcome to the **FINALLY LEGAL** mailroom—home of the deepest, darkest, *dirtiest* young-girl sex confessions allowed by law!

BIANCA

NATASHA

My Dearest Bianca,
I know in the heart of my throbbing hard-on that this letter of pure lust probably won't reach your eyes but if there were anyway that the sultans of smut at **Finally Legal** could pass this along, I would be forever in their debt. I've seen plenty of amazing, young, tempting teens throughout the pages of their magazines in the past but I never saw the true beauty of a perfect ass until I came across your layout in the **September Issue**.

Your phenomenal body, along with your long, sultry hair with those little pink ribbons left me no choice when it came to creaming all over the pages of your fine spread. I aimed all my liquid lust just so it would splatter all over your youthful smile. I hope you can read this and imagine my creamy dreaminess!

Arnold

www.finallylegalmag.com

Natasha,
"Do ya' like my big, red puffy nipples?" That was one of your lines in the sizzling **September** issue of **Finally Legal**. Well, you're damn right I like them! I like them so much, my balls are going to explode with frustrated fantasies! I could suck on those puffy play-things for hours and hours on end. The best thing about those ravenous red rubies is that they match the creamy color of the inside of your seductively slippery snatch!

Oh, Natasha, I want to slide my steaming shaft inside that goey gash of yours and once it's soaked with your sex-slime, all lubed-up, I would slide that tube meat in-between those tasty tits, and fuck you like a young girl should be: hard and long!

LORA

CORRIN

Dear **Finally Legal**,

When I was flipping through the spread of Corrin in the **September** issue, I was ecstatic when I saw her doing the two things that turn me on the most. First, there was the thumb-sucking which makes me think of little Miss Innocent rubbing that clammy clit, as I get ready to mount her cherry-ready rump! I mean, this girl is just begging to be broken in and I think I have just the massive member to do it.

Then, of course came the shot of her showing off those beautiful feet of hers. It was the perfect shot because you get a close-up of those toes that I could suck on forever and yet you still see that snatch and teeny-weeny tits that just streams: "I just turned eighteen and I need to be fucked!" I'd love to let my cum drip between those toes, straight into her glory hole! Thank you Corrin, and thank you **Finally Legal**!

Daniel
NM

Finally Legal,

Your girl Lora, from the **September** issue, looks just like my ex-girlfriend. I was having a hard time since she left me a few months ago and then one day, when going through your magazine, I saw Lora. My desperate dick instantly got hard—the first time in months—and I only have you and that lovely Lora to thank.

From that aching asshole to that clean-as-a-kitten cunt, Lora reminded me of what a hot piece of ass means to a man. I rubbed myself raw wondering if Lora's pussy juices tasted and smelled like my ex! I have a feeling that Lora's luscious hole is probably the closest thing to heaven on earth a man can get to.

So the hell with my ex—as long as you guys keep putting out fine foxes like Lora, I'll never spend my late nights feeling lonely again!

LOLI

Little Miss Loli is ready to be popped! She is the epitome of what a bad girl should be. Putting on a phallically-pleasing show for the neighborhood boys is what she does best, poking and prodding every edible inch of her tight teenage body, how could you go wrong? You can't, not with this lickable Loli manning your vaginal vessel! She loves stewing in her orgasmic juices so much, the only thing you have to concern yourself with is the fact that she just might like the taste of her own pussy more than you do. Sounds like a challenge we know all of you would be up to any day!

CHICKS WITH LOTS
OF PUBIC HAIR

MAKE ME
WANNA VOMIT

There, I said it. Ah, it feels good to get it off my chest. What are those loony broads thinking when they grow their pubic patches into jacked-up jungles? Fuck, if I know. Sometimes they blather things like, "It's natural, blah, blah, blah." I tell them to shut their pie-holes and shave it bare.

al is hairless, smooth and slick. A cunt is a gorgeous thing. view with a whole bunch of thick curly cues? Shave it off!

SHAVE IT OFF!

When I get a chick home, preferably a nice 18 or 19-year-old cutie-pie, my fingers are crossed behind my back hoping for a bare patch. If the jeans come off and I see hairs poking out from the sides of her panties I grow despondent and weary. If in fact, I see none, my heart races with adrenaline, and my heart pumps with the anticipation of what I will see when I slip her panties off her tush.

I am a very athletic and young-looking 40-year-old, 100% heterosexual male who only fucks teenage girls. Don't get me wrong, I won't kick an early twenties-type out of my bedroom, it's just that I search for the girls who have just blossomed past their 18th birthday. What is it about these girls that gets my cock so hard? Well, it is obvious in so many ways. First off, their age gives their flesh a tautness that my dick responds to. Secondly, their youthfulness gives them an exuberance that is palpable. Even the smile on a girl of such an age is exciting to me—just the glimpse of a mouthful of their pearly whites gives me wood.

But when their pussies are shaved bare I go absolutely bananas! I prefer a teenage girl whose pussy is lipless—as well as hairless. You know the type that I mean, one who has no extra labia jutting out. I get excited when a girl's pussy looks like a tiny little butt. When there is no hair on one of these holes, and there is a puffiness to it, that is the be-all and end-all. I gaze at it and lick my lips like a cackling hyena, wiping the drool from my stubbly chin like a crazed hobo.

Why are these teenage girls attracted enough to me that they are willing to come to my apartment and slowly spread their milky white thighs? Fuck if I know! I accept their eagerness happily, though, fuck the ever-living hell out of them, and move on to the next one. I was married once, to a shrill, opinionated hag-of-a woman. I don't ever want to be tied down again, at least not by law. It's just not for me. I cruise malls, candy shops (really!), and parks. Any place that there is likely to be 18-year-old girls hanging about, you will find me. One scraggly, pompadoured old coot with a bulge the size of a baseball. My eyes, leering like a pervert, a bit of spittle gathering in the corners of my mouth. I talk a mean game. I keep up with all the things that a teen girl is interested in. It's not that difficult in the age of the Internet to keep abreast of current topics and trends.

If a girl has pubic hair, but it's obvious that she keeps

herself neatly trimmed, I will talk them into going into my bathroom and shaving it all off before we commence the sexual shenanigans. It's a universal truth that girls at a certain age are open to literally just about anything you seductively suggest to them. I have gotten 18-year-old girls to do all sorts of depraved things. I had one take a gigantic dildo up her virginal pussy before taking my massive member, another go down on the superintendent of my apartment building (that was certainly the best tip he got all year!) merely by asking them to. Take it from an old pro like me, never be afraid to bring up the filthiest sex acts you can think of. There's a good chance that prim and proper little miss innocent will do it. And happily, to boot!

Back to the hairless cunt! It's what I've always liked. The look, the feel, just about everything. Another great thing about a pussy with no hair on it is that going down on a girl is much, much more pleasurable. The few hairy pussies that I have had the pleasure of inserting my tongue in and on, have all made me gag. It's a wonder how one curly little hair can make a guy choke like a buzzard on a monkey skull! When a girl spreads her legs to reveal her moist, dewy, tender teenage twat, unencumbered by any hair, my eyes light up like a perverted pinball machine. It's a genuine pleasure to endlessly eat a hairless pussy. I tell the girls to lay back as I prop their butts up on fluffy pillows and commence with the cunnilingus.

I begin right at the bottom of their salty slits, right above their beautiful little puckered assholes. I start to lick straight up, slowly and with a very steady pressure, wiggling whenever I reach their gorgeous pink play-holes. Sometimes, just when I think the time is right, I like to jab my tongue inside it, using a phallic fucking motion with my tongue that makes them melt every time. With no hair down there, I can spend an eternity just eating and licking! If I ever have a heart attack, I really hope it's while I am giving head to a hairless teenage snatch! What a way to go, huh, fellas?! Another big plus is that when there is no hair down there you can see all the great details of a girl's pussy. You can see the clit clear as a bell, and you can watch it get wetter and wetter!

One of the reasons I divorced my ex-wife is that the wicked witch wouldn't get rid of her God-awful pubic hair! Her crotch looked like a ghetto, war-torn town, a Beirut-of-the-boudoir, if you will—as unsexy of a female's nether region if there could be one. The first girl I had after my Devil-wife was a friendly young neighbor. She had just turned the magical age of 18 and with that age she had desperate desires of naughty escapades to which to brag to her friends about. I was more than happy to be a bit player in her dirty fantasy world.

Her name was Carrie and she looked exquisite. She may have passed the birthday that made her legal—but her body hadn't caught up to her leamer's permit! Her chest was just blossoming, she had puffy pink nipples that seemed to defy gravity by poking upwards and outward. With no bra underneath her shirts, every man on the street could see just how delicious those tiny titties were. I slowly undressed her on my marital bed, the filthiness of that act alone made my cock jut up proud and hard. When Carrie was stripped down to just her dainty panties, I didn't see any hair at all protruding from the sides. I was in horn-dog heaven! What a change from my ancient wrinkled-up ex-wifel Here in front of me was a real woman, or girl, I should say.

Carrie's panties were skintight and made of a satin-like material. The color was a soft, pastel baby blue. I can see it in my mind's eye as if it were yesterday! I asked her to lie back on my bed and to slowly open her legs for me. She blushed a violet shade of crimson. Then she did as she was asked as she reveled in the naughtiness of it all! As I gazed upon Carrie's satin-covered crotch I could see the faintest stain of pussy juice darkening the material. I reached over and tugged her panties up in between her meaty slit, creating a superb camel toe. Her panties were now way up between her slit and not a single hair was showing! I stripped her down completely and looked in disbelief at that perfect cunt. Asking her if she shaved off all her pubic hair, she turned crimson again. Why, dear Carrie, I asked, why are you embarrassed? "Because no hair grows down there," she said with a straight face. Oh, my God! I couldn't believe my luck. So soon after the beast of my wife, her bones not even cold in the emotional grave she dug for us, I luck out with an 18-year-old beauty who doesn't even grow pubes! Life can be oh-so-good sometimes.

Carrie's was just what the doctor ordered after my bitter break-up: that is, a real girl who looked that ripe young age of 18, that her vivaciousness was contagious. She was so much fun in bed. That first time we fucked for over an hour, my cock thrusting in and out of her smooth-skinned hole like a piston on overdrive. That high-pitched squeal of a li'l gal's voice sent shivers up my spine every time my ball sack slapped her 'taint. Now, this is what fucking was all about.

Some girls of Carrie's age, have wispy sparse pubic bushes and it's easy as rhubarb pie to bring the shearing into our sex play. I have tons of oils and lotions and creams in my bathroom. Along with a rather large collection of super-sharp razors. I enjoy lathering a teenage girl up with dainty smelling shaving cream and running the cold steel along her inner thighs and most tender of places. They squeal with the excitement of it all as my cock grows turgid in anticipation. Once she is as bald as a beaver. (Never did understand that saying, as every beaver I have ever seen has had a slick, furry pelt!), regardless, once the girl is hairless it's time for us to get busy with the boning. And get busy we do, once again, with me taking my time and really giving the tender almost-virgin a good long working over.

I know that this is a rather benign interest of mine, but my need for not a single hair on a pussy, will stay with me for the rest of my dwindling days. I can just see myself as a perverted old fool, drooling like some cheap Nicholson knock-off from *Cuckoo's Nest*, rolling around in my wheelchair, propositioning any nurse on the floor that'll slow down enough for me to bark at her beaver. Who knows, if things keep going the way they've been, I just might get lucky then, tool

JULY

July likes playing with her toy, her boy-toy James, that is. He tends to be a bit on the lazy side, but the minute our juicy July grabs his attention, by grabbing his massive member and showing him her soaking wet panties, he quickly remembers how lucky he is. She loves working his rigid ramrod into her hotbox, letting him hammer away at her wet spot, although she never lets him get-off the hook until he's buried his face in her pussy for a little taste of her youthful mound. Now, if that's not a taste of the good life, I can't imagine what is!

PETRA

Our petite and perky Petra, after a long day of shopping or hitting the tennis courts, loves to come home and relax by slowly undressing and diving into her saucy slit. She likes to stay fit, so a long session of poon plundering is nothing this pixie haired hottie can't handle. "Once I get my sopping wet panties peeled off, I can fondle my dripping lips all day and all night. There's really never a time when I find myself getting tired of touching myself. Oh, and I just love the way my pussy smells after all that raunchy rubbing!" Well, gentlemen, it sounds like Petra is a real workhorse who can really go the distance. The real question is, can you? We'd love to try!

NICKY & MALENA

When Nicky and Malena decided to have an innocent sleep over, it soon turned into anything but that. "I knew the sexual tension between us wasn't just in my head when I saw Malena look at my pajama-clad body as if she wanted to plunge into my twat like an animal," cooed a not-so-innocent Nicky. Malena confirmed her labia lust when she told us that "the minute I saw Nicky's beautiful body just begging to be devoured, I actually started to drool!" Now we're getting somewhere. She would later go on to say that "I just wanted to suck on those perky teenage tits and lock my moist mouth around her box!" Soon, the clothes were off, with fingers and tongues sticking and licking every heavenly hole they could manage to probe. This sleep over consisted of very little sleep, but there was plenty of late night pussy-play as Nicky and Malena solidified their forbidden friendship with the multiple milking of each other's love liquids! Now these two gushing gal-pals are *really* best friends!

Any time the directive is to go out of the way not to tell a parent something, you know something fun is happening. In this case we have a lot of sexy fun happening.

Yes, it's young girl fun time with our host and director Mark Wood, and what a host he is! The sextet of hot young talent presented by Mr. Wood lines up as follows: Ashley Jensen, Sindee Jennings, Arielle Alexis, Tristan, Jaelyn Fox and Nicole Lima. Not a dud in the bunch. That's just the way Mr. Wood rolls.

on the set

These girls are not just young, they have a tremendous sense of adventure. There's anal, squirting and even a porn virgin's first time ever on-camera fuck. Anything is possible just so long as you **Don't Let Daddy Know!**

Ashley Jensen

Greatest asset: Firm, round ass

Inside info: Her daddy doesn't know that she does porn!

Ashley is sitting at her school desk, tapping her spiked heel on the wood floor. She's bored, she's pissed, she's got a terrible attitude, but she looks great! Sadly, Mr. Wood doesn't agree. Her tartan skirt is too short, her tiny top is, well, too tiny. So he tells her to just take it off, since that's how guys are going to see her anyway. Ashley suddenly turns shy once the clothes start flying, but she'll get over that after teacher bends her over the desk and sinks his flesh ruler into her unprotected pocket.

Yep, it's about one stroke before Ashley is screaming with joy, telling Mr. Wood how "fucking good" it feels, his educational tool ramming its way into her bare twat, her full pussy lips flapping joyfully as her hands grope her ripe teenage melons. But it's when Mr. Wood sits back in his chair and instructs her to sit on top of him that we see her perfectly-shaped ass, with its spectacular, elastic bounce. Even for a young girl this is a rarely seen perfection.

For a final exam, Mr. Wood places his testing stick next to her mouth and lets loose several splurts of professor juice. "What have we learned today?" he asks the cum-covered sweetheart. "That if I want to fuck you I have to wear fewer clothes?" she asks. Turns out she's a quick learner after all.

ASHLEY JENSEN

Sindee Jennings

Greatest asset: Endless enthusiasm

Inside info: Laughs like a horse

Speaking of sweet asses, take a gander at **Sindee's** bumper as she walks through the backyard, on her way to the bed, next to the pool. Her boyfriend is going to come by and one can only imagine what's going to happen. After all, Mom and Dad aren't around, and Sindee, well, she's a spunky one.

Once we find out that her boyfriend is Mr. Pete, there's no question where this is all leading. For a warm-up, there's a little ass licking and throat fucking. Follow that with a crazy reverse cowgirl, where Sindee flaps her legs in and out and she bounces up and down, looking as though she might discover human flight. She squirts on a glass table and laps it up. Stick a dick in this doll and watch her go!

Boyfriend Pete, of course, has no trouble keeping up with this filthy little lass, his priority really just to keep his cock firm, attentive and deep inside her hole. When she says, "Pound it in me! Pound it in me!" Pete just does what she says. Heck, he was already doing that!

When he tells her he's going to cum, she says, "You better!" as she drops to her knees and opens her yap hole. Pete steadies himself and blasts wad after wad all over her disheveled face and into her mouth. She gulps it down and smiles. "I'm only like this when my parents aren't home," she says. "When they're home I can't act like this." The girl sure knows how to take advantage of a situation.

Aarielle Alexis
Greatest asset: Hypersexual
Inside info: 8th scene

Aarielle is a little show off. She's scantily clad as she prances into the bathroom where she takes a toy and rams it up her ass. She complains that she wants something real, something fleshy, something...like...a man! A man with a real cock!

Well, there's always Mr. Wood, and she does take advantage of him. The guy has his hands full with the camera, so Aarielle just sneaks in and starts slobbering all over his nob. Cock, balls, everything disappears into her mouth, while those big brown eyes look up longingly. Somehow Mr. Wood puts a stop to the action and passes her on to Talon for a proper anal ramming.

Talon goes through all the exercises deemed proper when you're courting a girl—kissing, licking, throat-cramming, vagina-pounding—but his eye never strays far from the prize: Aarielle's teenage ass. His focus pays off, and our girl responds by moaning, grinding and calling out for more.

She couldn't possibly open her mouth any wider than when Talon tells her he's about to bust his nut. Not wanting to miss a single drop, the pigtailed princess shoves her face in front of his member and every splurt lands squarely on her tongue. "The way to my heart is through my ass," she says. That's what they all say!

AARIELLE
ALEXIS

Tristan

Greatest asset: Sweet, sweet ass

Inside info: 8th scene

When Daddy's away, the girl will play, but young girls and alcohol don't mix! Mr. Wood knows this as well as anyone, and when he catches **Tristan** sneaking into the booze, he's more than willing to phone her parents. Gosh, how is she going to get out of this jam? Maybe getting into his jam will help!

She puts her hand on his cock and it gets all hard. Then she puts that lad-lolli in her mouth and sucks, and sucks, and sucks. Well, Mr. Wood still holds all the cards, and the Great Liquor Incident of 2007 won't be forgotten until he's good and ready to forget. Next step, setting Tristan down on the bar stool, spreading her thin legs and sinking his scepter into her shaved front hole. She seems to like this arrangement, so she goes one better, turning over on the stool, bending way over and having Mr. Wood fuck her from behind.

In a quest for comfort, they switch rooms and Tristan gets the opportunity to take the long ride. This is where her valuable co-star, and her astoundingly shaped and firm ass, puts on its finest performance.

For his final act, Mr. Wood creams her face with his splooge. Doesn't that taste like a margarita?" he asks her. "No! I didn't want cum, I wanted alcohol!" But she reconsiders for a moment and remembers what got her into this situation in the first place. A desperate look forms on her face as she pleads, "Don't let Daddy know!"

TRISTAN

Jaelyn Fox, Nicole Lima

Jaelyn's greatest asset: Great teacher

Jaelyn inside info: Retired cheerleader

Nicole's greatest asset: Full lips

Nicole inside info: 1st ever scene with a guy

Get two cute, young, barely-dressed ladies together and you know there's bound to be fun. They kiss and fondle each other lightly, then enter Mr. Wood, fully naked. **Jaelyn** is eager to show **Nicole** how to suck dick, and the latter sure is a quick learner. They go back and forth doing the old glug-glug, then Nicole stands up, bends over and takes Wood's wood something good. She's tall and lean with little bouncing titties, a sweet ass and tight snatch.

Next Jaelyn teaches her how to ride cock. She does the ingo boingo while Nicole watches closely, moving her hands over every inch of both of their bodies. She licks Mr. Wood's balls while the groove of Jaelyn's ass surrounds Nicole's face. Down in the doggie style, Nicole plays with Jaelyn's clit while Mr. Wood rams her hard. Nicole gets her turn, too, writhing as Mr. Wood crams his kong into her muffin. Her fawnish legs keep flying high in the air, so Mr. Wood gently pushes them out of the way, making sure viewers get a good view of the girl's first porn dick going into that heavenly hole.

After giving both of their snatches the roundabout, there is but one lesson to learn. Jaelyn takes a big load from Mr. Wood, gulp-gulp, then swallows it and gives Nicole a little kiss. Oh, the things a girl can learn in an afternoon. **Just don't let Daddy know!**

SAM

Sam is one of those fresh-faced flirts who has a little cushion for the pushing and she's the first one to admit that her bounce and pounce baby-fat just adds to her youthful charm. "I know when the boys look at me, they know they are in for quite a wild ride, and they couldn't be more dead-on! I tell them to hold onto my little love handles and see how long they can hold their creamy loads. It never takes long for them to blow it!" Well, Sam, since there's so much of you to go around, maybe we could sink our teeth into your tasty twat!

TANYA

Tanya is our flaming, red-hot eighteen-year-old honey-bun who feels her horny hormones raging 24 hours a day. "The instant I get out of bed, the only thing on my mind is cock, lots of big throbbing dicks," she pervertedly reports with a very enthusiastic moan. "I'm positive that the entire time I'm sleeping it is the same, because when I wake in the morning, my little panties are soaking wet! Sometimes I wonder if that's normal for a girl my age." We can tell you Tanya, you are far from normal—you are fantastic!

RUBY

The rambunctious **Ruby**, this month's healthy harlot, might look as cute as a button, but she's got the curves for cumming and she's simply aching for some spunk! When we caught her busting out of a bikini that was a tad too teeny, she realized that she was about to get exactly what she had been asking for. "Treat me like a bad girl, you big dong-dangler" became her favorite phrase when it came time to tap that baby fat. Just another excellent example of how horny these **Finally Legal** lasses, with their beautiful asses, are!

HIDE & PEEK

GUINEVERE

CONFESSION

Dear Finally Legal,

My name is Jeremiah and I've got a confession that is right up your anal-alley! I do landscaping work full-time, usually catering to the same monthly clients. I like the people I work for but there is one house that I spend every spare minute I can at, this little bungalow on the top of a hill. One day I was trimming the hedges when through one of the back windows I saw daddy's little girl doing a little hand hedging of her own. Knowing she couldn't see me as she plundered away at that eighteen-year old opening was the most exciting thing I'd ever seen.

After this steamy sight, I made my way straight to the tool shed and sharpened my shaft with a few quick strokes, and then, a gigantic gooey gush! The oddest part of the whole stimulating situation is that every time I come over now, she is in her bedroom, teasing that please poke-hole and I end up cumming all over again!

Guinevere

HIDE & PEEK

At the ripe young age of 18, the gorgeous Guinevere already knows a thing or two about what it takes to please and tease a man. "I make sure my pussy is soaking wet by putting on a nice little strip-tease, slowly opening my twat, making the men who watch me very hot," she unabashedly boasts. "I like when a guy thinks that I am completely unaware of how hard he wants to stick it to me!" Guinevere seems to have the poise to handle all us pud-pounders and while we're busy whacking away, she's got her finger on the pulse of her pussy!
