FAITH
p.104

Ah yes, a park bench—the perfect backdrop for a pretty young girl like **Faith Leon (p. 104)** to *sexpress* herself. Home to many a sexual encounter, the park bench represents an exhibitionist platform for some, and a secluded hide-away for others—yet in both instances, it serves as an erogenous zone of sexual exploration, deviancy, and stimulation! You'll also find cute and cummy **Jen** sucking cock and getting fucked on a park bench (p. 24). Having fun in the sun and getting sleazy when it's breezy, this park bench pussy sure does love the great outdoors—and you'll love it too!

shyla

Give a young, horny girl a hose and a sponge to play with, and you can guarantee no chores are gonna get done. No window washing. No washing the car. Instead, Shyla turns the hose on herself, soaking her tight, young body with water and lathering up that round ass so her hiney's nice and shiny! Then Shyla spreads her sparkling clean rump, revealing her juicy twat folds—ah yeah, who cares about chores anyway?

Devon's not homeless, she just shacks up with guys—all the time. She's used to living on sleeping bags and couches and "roughing it." Devon's also used to fucking guys in strange places. It kinda gets her off. And she kinda gets us off too when this nomadic slut fingers her fuzz-hole. You can stay as long as you like Devon!

on the set

BY ACME ANDERSSON

When you look and feel like Ashlynn Brooke, it's easy to make friends. She's so beautiful on the outside and feels so good on the inside, what's not to love?

She has a pretty good batch of friends, too: Ruby Ryder, Alexis Texas, Layla Monroe and Christine Alexis all consider themselves among Ashlynn's dearest pals, and Ash likes to treat her friends well, which includes making sure they are sexually satisfied. That's where she brings in some guy pals like Michael Stefano, Ian Scott, Ramon Nomar and Mark Ashley to make sure everyone is happy.

Yes, Ashlynn is quite a girl. And don't think she doesn't allow herself the same kind of satisfaction that her gorgeous friends indulge in. Ashlynn gets nailed real nice just like the rest of them. It's the kind of girl she is.

STARRING: *Ashlynn Brooke, Alexis Texas, Ruby Ryder, Layla Monroe and Christine Alexis.*

ASHLYNN BROOKE

The cover and contract star struts down the stairs wearing nothing but panties and a shirt that's a couple sizes too small. No problem, she pulls it high and unleashes her massive mams, making everyone just a little bit happier. By the time she's at the bottom of the stairs, Ian is there and he's anxious to get a taste of her delicious snatch. He licks and fingers until she demands his cock in her suckhole. Of course, once it's in her mouth there's no sense in stopping there, so she gets off those pesky panties, lies on the couch and lets him go to town, ramming her as he holds her legs

apart to make room for his ramming.

They move into a doggie style and that hits Ashlynn's magic spot, her visibly wet pussy cumming on his cock as she moans loudly about how good his cock feels inside her pussy. It's the first of many, but she's not a selfish girl and she's just working her way up to his big shot. That comes when she gets on top of him and rides him in a certain way that she just knows will get him off. It does, and she lands on her knees and lets him blast it in her mouth, dribbling a little on her nipples and rubbing it around.

ALL MODELS ARE 18 YEARS OF AGE OR OLDER

LAYLA MONROE

When Layla bends over on the stairs and shows off the white panties that would otherwise be hidden beneath her tiny brown skirt, one can't help but anticipate what's next. First, top one comes off. Then top two gets pulled up and the bra pulled down, exposing a truly ripe pair. Next the panties go to the side and her fingers do the walking.

Michael sees all this and soon enough her clothes are coming off and his cock is getting hard. She sucks him gleefully before maneuvering next to him so he can cram that cock in her tight twat. "Si, si, si!" cries our señorita, "Fuck me, por favor!" She lies on her back and he does her missionary. She moans her words of sexual wisdom, mostly in Spanish, something that only turns on Michael more. He throws it to her good and there seems to be little question that she is cumming when her body shakes and her head flies back and even her Spanish sounds like another language altogether.

She lets him get his off, too, riding his cock to completion as she makes way for a classic Stefano blast.

ALL MODELS ARE 18 YEARS OF AGE OR OLDER

RUBY RYDER

Ruby has her eye on poolboy Ramon, and why shouldn't she—out there with his big stick, not wearing a shirt. She eyes him for a couple minutes before motioning him into the house and practically ripping his jeans off. She sucks him off and then quickly takes off her own clothes (except her small skirt and white stockings) and hops right on top of lucky Ramon. If the cock fits, fuck it, and it fits.

Ruby rides him hard, one hand turning wild circles on her shaved-clean twat as she moans enthusiastically. He turns her around and Ruby pulls back her legs and lets Ramon ramrod her from below. Still keeping one hand on her cooze, she squeals her way through an orgasm, announcing loudly that she's cumming.

He holds her up for a kind of standing reverse cowgirl, her legs spread wide and his cock crammed in solid, her expansive pussy lips wrapped kindly around his cock. He cums inside her twat, pulls out, allowing some of it to seep out, then lies her on the bed and fucks her a little more, making sure some of his jizz stays deep inside her, a little something to remember him by.

ALEXIS TEXAS

Alexis cleans up real nice in the bathtub, but, oopsy-doopsy, she forgot to take off her panties. This sounds like a job for Michael Stefano.

With a big, round, luscious ass like the backside of Alexis, there's no question that she will be fully explored—and fully satisfied. He walks in, whips it out and lets Alexis conduct her oral authority as he reaches over and feels as she shakes her bumper. Next, he bends her over and fucks her doggie style. This allows him to, one, ram his cock inside her and, two, get a grip on that ass and watch it majestic jiggle. She seems to enjoy it, too, yelling, "Yeah, fuck my pussy like that, I'm going to cum on your cock, don't stop!"

He plows her through a variety of positions, but it's the classic missionary that eventually gets his rocks off and the load lands splat on her face. For a girl like Alexis, that's dessert.

ALL MODELS ARE 18 YEARS OF AGE OR OLDER

CHRISTINE ALEXIS

Christine is as enthusiastic about the way she handles his cock as Mark is about worshipping her more than worthy body. He licks, she sucks, and they fuck. It's missionary to begin with, slow because Christine's pretty pussy is so tight. But she's horny and wet and soon her snatch opens up, her legs spread and it's smooth nailing from there on out.

With Christine on top, they alternate between her riding and him jackhammering. She finally finds a rhythm and rides him hard until she cums as his dick disappears deep into her young snatch, her hands tweaking her pierced nipples.

After taking her through the ringer, Mark finally unloads a massive load on the blonde's pretty face. Mug covered in cum there is only one thing left for her to do: caress his member with her full lips. Oh, and maybe send a thank you card to her friend Ashlynn.
