Welcome to the **FINALLY LEGAL** mailroom—home of the deepest, darkest, dirtiest young-girl sex confessions allowed by law!

ASHLYNN
NOV. '08

Dear **FINALLY LEGAL**,

I have a complaint and some honest advice from a long time reader—what was **Ashlynn Brooke** doing on your cover? She's hardly an amateur. Not that she's not a sexy, beautiful slut, but I've seen her in like 50 movies over the past 2 years. It's just that I (and I assume most of this mag's perv readers!) am looking for unknown cuties. I like spotting the up 'n' cummers here first and then seeing all the other mags show them later—after YOU'VE discovered their blossoming bodies! Don't lose your focus—find us the newbie nymphos you guys are famous for, and leave the retread porn veterans to the rest of your competition!

"Amateur" Al
Forrest Park, IL

Hey **Alice**,

You should star in a remake of *Alice in Plunderland*. You could get your tight young twat plundered and pounded. **Ron Jeremy** could be the fat mayor guy with the hat. Your name, innocence, and cute, small, young body would be perfect for a porny, horny remake. Break a leg you cute little cum-eater!

Dear Shyla,

You have got to be one of the hottest young babes I've seen in quite a while, and I see a lot of them in this magazine! I like it when you get all wet—I'd love to cover you in a special cum bath and watch you wash it off your face and tits!

BY ACME ANDERSSON

Some girls are just born to be bad, and director Mark Wood has a way of finding those ladies and letting them display their dirty girl desires for his camera. And these 5 troublemakers are *bad to the boner!*

Madison does a terrible job at work but is able to convince her boss that he should keep her on if only because she'll let him fuck the shit out of her. Katie is a self-proclaimed young rebel who is out of cigarettes but is willing to put something a tad bigger into her mouth to secure her fix. Summer wants new shoes but doesn't want to pay for them the traditional way, paying with gash instead of cash. Chastity sets off the alarm when she gets home from school and finds that she doesn't have her keys, but the alarm company guy is rewarded most kindly. And then there's Ashli, who needs a little help getting oiled up and the pool guy soon finds that's not tanning oil that's making his cock glisten as it goes in and out of her hotspot. Just sit back and enjoy the rides...

STARRING: *Madison Ivy, Ashli Orion, Chastity Lynn, Katie Cummings, Summer Bailey.*

CHASTITY LYNN

Chastity sets off the alarm when she tries to get in the back way and the alarm guy is just her type: a little older, well-built and obviously interested in her skimpy top and suspiciously short skirt—or at least what's beneath.

She offers herself up as a thank you for turning off the alarm he takes the bait. Soon she's gobbling on his greatness, feeling it expand in her mouth before demanding he stuff it into her. She pulls off her panties to reveal an amazing ass, then settles in on his cock, stunned sweetly by his girth and bouncing happily. She rides him cowgirl and then reverse, showing off her big pussy lips and small, suckable titties. When he gets behind her and fucks her hard from behind she screams with pleasure, her hair flying, telling him, "Fuck me like a little slut!" She clearly is and he clearly does.

She's giving her clit a good rub-down as Talon pounds her on the couch. She cums and then asks him to do the same. "You want some cum?" he asks. "Yeah, I do!" she answers without hesitation. "I want you to cum all over my face," she tells him. She lets his cock out of her hole and puts her mug in the line of fire. He blasts her just like she asks and even with her tongue sticking out she manages a big, satisfied smile. She jerks and sucks him a little more until she's absolutely certain there's nothing left. Waste not want more!

ASHLI ORION

If you spent as much time around pools as your neighborhood pool cleaner you'd no doubt see a lot more than leaves floating on the water. Like a lot of clothes leaving bodies.

Mark tries to do his work, but Ashli undressing and fingering herself and begging him to fuck her doesn't make it easy to focus. Finally she tells him that it's part of his job to nail her and she pulls his cock out, leads him to her pool chair, bends over and next thing you know the pool guy's pecker is buried deep inside her young girlhole and her hair starts flying around as she gets pounded. "I love how your cock feels in my tight fucking pussy," she tells him as he dumps oil on her ass. "Fuck me just like that! Omigod, I'm going to fuckin' cum, oh fuck!" She keels over on the chair in ecstasy. Within moments she asks for it again, "My pussy is so wet right now. Give me that big fuckin' cock!" She plays with her nipples until she cums again, so loud that she suggests they go inside so the neighbors won't hear.

Once inside she lets out incredible high-pitched squeaks and squeals as they both build to the climax, Ashli giving way first and Mark following immediately, giving her a remarkable double shot on her face and tongue. "That's nasty," he tells her. "Your cock tastes so fucking good," she whispers. "Thank you so much, pool guy. My parents will give you a check."

MADISON IVY

Madison hasn't been doing so well at work. She shows up late, steals from the company, dresses inappropriately and has a generally bad attitude. But she does have something going for her: She's a hard worker—a hard-on worker.

It's an offer the bossman can't refuse and soon he's fingering her shaved hole, peeling off her panties to take a taste and then lying back on his desk where the tiny starlet somehow manages to get his big dick in her little snatch. She puts her hands on the desk and her body goes up and down as she straddles, apple ass bouncing and the full length of his cock going all the way in and out.

He lifts her up and sets her down on her desk, pushes her legs apart and resumes ramming. "Oh yeah, fuck my pussy!" she cries. "Am I a good fuckin' whore?" She rubs her fingers rapidly on her clit, neck craned to look into his eyes, a slutty stare on her face as she demands him to fuck her hard. Quickly she cums wildly, arching her back and giving him a sly, dirty smirk.

Alan continues to pump her on his desk, her fawnish legs wrapped around him as he drills her deep. She tells him she wants his hot cum. "Do you want me to swallow it?" she asks. He doesn't answer verbally, instead he simply pulls his dick out of her twat and puts it in front of her mouth. She opens wide and catches a few blasts on her tongue, rolls it around for a moment and then lets it all slide down her throat. No waste for this youth!

SUMMER BAILEY

Summer needs some new shoes and rather than go buy them herself she naturally asks a stranger for a few bucks to make her purchase. Predictably, he wants something in return, and she's got plenty give—and she's willing to give it.

She obviously knows the routine by the ravenous way she swallows his sword and devours his balls. She's no dead fish either, taking him for a hard romp, enjoying his finger in her ass as she rides. She holds her own through an intense doggie, smiles wide and tells him, "That fucking cock feels so good in me! Fuck that pussy up! Take my tight little pussy!" He thrusts as hard as a man can, and there's no doubt that she can take it all and then some.

Summer gets spread eagle on the couch as Alex pumps and grunts, and she asks him if he's about to cum. "Put it on my tits," she tells him, anxious to feel the hot splooge on her skin. He says nothing as he continues to ram inside her. But he goes less and less deep and suddenly white stuff starts squeezing out her cooch around his dick. "You're cumming inside me?" she demands. "What are you doing cumming inside of me?!" She jumps off the couch and crouches down, spreading her well-worn gash, pushing out the jizz. It slowly dribbles onto the floor until all of it seems to be out. "That was interesting," she says. "Do I get my shoes now?"

KATIE CUMMINGS

Mark finds Katie smoking in the park and wonders if she's old enough to be puffing. "I'm old enough to do whatever I want," she snaps sassily. "I do bad things." Mark asks for a smoke and she's out, so he offers to buy her a pack. He doesn't mention that they'll need to stop by his pad for his wallet.

Before he can find his money Katie has found something else to smoke—his fleshpole. In it goes, her lips wrapped around it and her throat tickled by its great length. Soon she's showing off her snatch and eagerly stuffing Mark's rod inside so she can ride. She does a little dance around his cock that has him shaking. "Omigod," she says, "I think I'm cumming. I'm cumming! I'm cuuummmmming!" She collapses and says she needs a breather. That's Mark's cue to take charge. He turns her over and rails her doggie, her big tits flopping as he crams, Katie screams through a couple more orgasms, disbelief on her face that anything could ever get her off like this.

"It feels so good," she moans, middle finger spinning around her clit as Mark continues to cram into her lightly-muffed cunt. She tells him she's cumming and as soon as she's done, his cock makes its exit from her pussy and lands in front of her face. In seconds her tongue and chin are covered and she continues to suck him, apparently fulfilling her oral fixation. Who needs a pack when you can have a pecker?

louisa & dixie

Rich girls don't have the same worries that other young girls do. While most 19 year-olds are working a part-time job in the summer saving for college, **Dixie & Louisa** spend their lazy, trust-funded summer days laying by the pool, talking about guys they want to fuck next fall at private school. All the sex talk proves too much for these oily, half-naked Coeds, who break their boredom up by licking each other's tender twats. Yup, money does bring happiness!

Nature girls are sweet and simple. They don't care about make-up and shopping malls—they'd rather be out camping by a lake, skinny-dipping and picnicking by day, and getting fucked hard in their tents at night. Just ask **Janet**. This sexy sweetheart values her privacy, stunning secluded scenery, and her general bonding with nature. "The best part of camping is I can have screaming orgasms and nobody notices," giggles Janet.
