MORE MARI

Dear Purely 18,

I fell in love with your January 2007 covergirl, Mari Possa. She is such a fox. I remember seeing her on that Seymore Butts show, *Family Business*. She seems so sweet "n" sexy, but capable of much dirtier stuff, too. And she's got such a great body. I'd love to

snuggle up to her in bed, with my rock-hard cock rammed up against the cheeks of that fine ass. I would hope she'd be willing to let me in.

And those boobs seem to be crying out for a little-fuck, as well. I'd love to fuck those beautiful breasts, and have her suck my knob on every downstroke. That would be fabulous. Oh well, just wanted to let you know that I love Miss Mari . . .

Seth
Wichita, KS

Dear Seth,

We love Mari, too. We've met her at conventions and in our offices, and she is a total doll in person. And she's such an amazing hottie. Yeah, we'll be trying to get her back in *Purely 18* soon!

GROUP GROPE

Dear Purely 18,

Dana and Penny, from your January '07 issue, blew me away—literally! Watching them take on those two guys in the locker room was almost too much for me to bear. Almost . . .

Both girls are so adorable, with super-cute faces, just perfect for sucking my cock, and lovely, creamy all-over skin. Their boobs are soft and pliable, just perfect for tit-fucking. Their pussies are so clean and delicious, how can you not want to suck them and fuck the living daylight out of them!

Well, those two guys in the photos

with them are lucky dudes. I hope they appreciate that. Any guy would be fortunate to find himself in that situation. I sure wish it were me . . .

Jim
Providence, RI

Dear Jim,

You know what, it could be you. Lots of guys fantasize about these things, but few try to arrange it so that it can hap-

pen. There are ways of setting yourself up to meet girls who are into these kinds of "parties." There are lots of fun-loving, dick-sucking young babes out there, you just have to figure out how to hook up with them! Good luck!

JUICY JACYNDA

Dear Purely 18,

Of all the chicks I jacked off to in your January '07 mag, Jacynnda was my absolute favorite. Those braided pig-tails really got me, but I've seen her before—it's not just the hair. She's got such a cute face and a stellar body. Hmm, would I love to have a night playing grab-ass with her!

I loved watching Jacynnda lick her own tasty tit. She has gorgeous boobies, and I'd love to suck on those babies myself. Also, seeing her drive that dildo into her fine pussy, using her adorable feet, was wild!

Any time, Jacynnda. Any time, baby. I'd love to be with her!

Larry
Kingman, AZ

Dear Larry,

You've got good taste, my friend.

Jacynnda is juicy all the way through, and we all adore her. We'll try to hook up with this tantalizing redhead so you can trip out over her again soon!

I'd like to do it doggie-style—I hope that's one of her favorite positions, too.

She seemed to really enjoy sticking that gold vibrator up her tasty snatch. I don't blame her one bit. Only I'd like to replace it with my fleshy, real-life rod. I'm sure that'd do the trick for her—I've never had any complaints from the young ladies!

Steve
Plantation, FL

Dear Steve,
How can *Eva* not prefer your throbbing man-power to that cold, steely toy? She'd have to be crazy, indeed!

LEAVE IT TO EVA

Dear Purely 18,

Eva the beaver. That's what I call her. This foxy chick who closed out your January '07 issue sent my sperm flying. And that's what matters most!

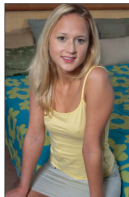

Eva's got such a fine, young body—I'm just dying to plow into her magnificent vagina with all my eight-inch manhood. I hope she'd be okay with that. Her ass is so majestic, of course

When Jerry's mother decides to sell the cabin where most of Jerry's fondest experiences have occurred, what's there to do but spend one last day hanging out, cleaning up, packing her things, and forging one last memory? When you're an 18-year-old who's hot and horny, there's nothing better than a bud-slaking against to care...

CABIN FEVER

After Al had been thrown off the Polaris, I went to see if she was all right. So had Cory, whose parents were renting a cabin across the lake. Cory was 22 and hunky, and when he found out he had been cruising around with two 18-year-old girls, Ally and I could see the bulge in his snow pants. Since Cory was all apologetic and stuff, we decided to make him pay for running Ally off her sled. He didn't know Al had practically run into him—and we weren't gonna tell him!

I popped open the 'fridge and saw what was left. A bottle of spring water and a can of Redi-whip. Probably a leftover from somebody's birthday. We celebrated birthdays up here all the time.

On the other end of the line, Ally was depressing me and getting me wet at the same time, reminding me about our first—and now only—meeting with Cory.

Cory had felt so guilty about the near-accident that he helped us get Ally's sled righted and followed us back to the shed, offering to check Ally for bumps and bruises. We had something else in mind, and Cory wasn't in the least put out when Ally told him that she thought Cory owed her a close-up exam on her pussy. Ally had been pressing it against the vibrating engine cowling, using it to get off while she rode. When Ally plopped her naked ass down on the still-warm seat and pulled her left leg out of her snow pants, Cory dove in, burying his face in her warm pussy. That got her so hot that steam was rising off of her!

I wasn't gonna be left out—after all, it was my Dad's snowmobile that had nearly been wrecked, so I reached into Cory's snow pants and grabbed a hold of his stiffie. Ally was so wet pussy juice started dripping onto the shed floor. She was moaning so loud, I thought she might cause an avalanche. Meanwhile, I was stroking Cory's big dick and getting him as excited as Ally. After she flooded Cory's mouth with cum, he turned and I got to see his hard-on, and it made me gulp. I needed both hands to pull it into my mouth, and I sucked that cock until Cory

was on the verge of blowing his load.

Just when Cory was getting ready to shoot, I pulled him out of my mouth. I thought he was hotter than hell, but I didn't know him, so I wasn't sure about letting him jizz in my mouth the first time out. He gushed all over the back of my sled, his cum melting holes into the snow packed on the rails. Ally wasn't shy, though, she scooped up a handful of jizzy snow and mashed it in her hand. Then she lifted it up over her mouth and started sucking it—calling it a cumsicle...

Allison was telling me good-bye. I wasn't aware of it, but while my right hand held the phone, my left was in my jeans, rubbing my pussy lips through my panties. Cory, Ally and I had wanted to get together and have another fun weekend before winter broke and the snow melted. His parents were big-time skiers, meaning his place was totally empty between sun-up and sunset when the slopes at Hunter Mountain were open. God, this sucked! I was biting my lip, thinking about how

"I can't believe your Mom is selling off the cabin!" said Allison, devastated. I couldn't believe it either. I was standing in the kitchen at the back of the old place, looking out at the snowy field at the back of our property. Two months ago, Allison had come up and we'd taken out the snowmobiles. Allison had never ridden before, and we had one helluva time trying to stay on and not run into each other. Now, I could hear Allison mourning the loss of the cabin. She was probably thinking about Cory, the guy who she'd nearly crashed into, and how we wouldn't be hooking up with him again now. Mom had fought so hard to win the cabin in the divorce...how could she?!

"So what are you doing?" Al asked. I was rooting around in the cabinets, making sure everything was packed up. Now that Allison had reminded me about Cory, I was feeling a little tingly between the legs. Man, that had been some afternoon...

"I didn't care if they all showed up and caught me finger-fucking myself."

much time I had left here, alone. I was starting to think that I should get off at least once one more time, if not as much as I could before Mom came to lock up the place and give the keys to the realtor. If it wasn't for this cabin, I realized, wetness flooding my sweet spot, I would probably still be a virgin! Thinking about Cory and his ski-freak parents reminded me of how I got my cherry popped. Last year, when I was a senior, I had gotten on skis for the first time, and promptly sprained my ankle on the bunny slope while my friends and the local kids got a good laugh out of it. But Serge, the ski patrol guy, had helped me back to the lodge and we got cozy while my cousins were all conquering the bunny slope.

Serge told me that he thought my legs were fine. I told him I had only hurt one, but he put his hands on my thighs and leaned in close and whispered, "Yeah, but your legs are fine."

Serge was about 30, with short, curly hair and the wind-weathered tan most of the instructors and ski-freaks had. Later, I snuck out to meet Serge at his station in the employees-only area at the lodge, and got to see the rest of him. When I started fooling around with Serge, I thought that

maybe I would jack him off, or maybe suck his dick and let him eat my pussy, because that was all I had ever done with a guy before. But Serge got me off so good when he went down on me—I had, like, three orgasms in a row with his tongue up my curvy—that when he pressed the head of his cock against my special place, I spread my legs and really asked him to fuck me.

Serge was awesome. He didn't just pound away at my virgin honeypot, though he did make my insides feel like churned butter by the time he pulled out of me and shot his goo on my belly. After like, the first ten minutes, it felt fucking awesome! Serge probably fucked me for twenty minutes before he told me he had to pull out before it was too late. Then he rubbed his dickhead on my tummy and stroked it fast until he started cumming all over me. When he was done, my tummy was just all messy with his spermies and it was so cool to watch him squirting all over me. Okay, so I never learned to ski, but I think I got better lessons that week from Serge than any of my little cousins got from Ted, the ski instructor. Who cares about learning how to snowplow? Serge was doing all the plowing and I wasn't

"I sucked the whipped cream tube like it was Cory's big dick and squirted a big gob into my mouth. Imagining it was Cory's jizz."

faceplanting into the snow and twisting my ankles.

My fingers were getting slimy with my pussy lube. I was so pissed off at Mom for even thinking about selling the cabin! I didn't care if she showed up with the realtor and they both caught me fingerfucking myself. Then I remembered—earlier, I had packed up a secret sex toy that I smuggled up to the cabin two summers ago and which Ally and I had hidden in a little notch in the cedar closet in my small bedroom. I had almost forgotten about it when I had gone through my room, but I dug it out of my bag now and took the Red-Whip out of the fridge.

"Fuck it," I said, stalking off to my room. I yanked off my jeans and pulled my shirt over my head. I sucked the whipped cream tube like it was Cory's big dick, and squirted a big gob of stuff into my mouth, imagining it was Cory's jizz making my cheeks bulge. I pressed the nozzle to my boobie and sprayed cold, sweet cream onto my nipple. It got hard in a second, and I did the same to the other one. I don't have boobies big enough to press together and suck, but I can reach down with my tongue if I try real hard. I could just about slurp the rapidly-warming

cream into my mouth, though it got messy pretty quick.

On our first trip up to the cabin, when the first snow had fallen, me, Ally and Megan came up and when my parents went out to stock the cabin with supplies for winter, we went outside and made

"She wriggled into a 69 with me and we went after each other's pink spots with our tongues."

faceplanting into the snow and twisting my ankles. Then, Megan dared me to make a topless snow angel, and I kinda hadda accept the dare. I yanked off my sweater and thermal undie, and stuck my titties into the snow and made the angel.

When I got up, you could see the imprint of my boobies in the snow, and Megan, who made the dare, was quite impressed.

"Okay," I told her, pulling my clothes

back on. It wasn't too cold out, but cold enough that my nipples were as hard as thumbtacks. "You top it."

"Top it? How?" asked Megan.

"Do a full one." Megan looked at my topless snow angel. She thought about it for a minute, then pulled off her shirt and thermal in one move, handing them to me. Megan has bigger boobs than me and Ally put together, and they're really firm. Ally's eyes bugged out when she got a look at Megan's chest without her bra on. When Megan pulled off her sweatpants and stood there in her panties for a second, she hesitated. Ally and I figured out why in a heartbeat. Megan's pink undies were dark down there. Real dark. I was wondering if Ally was feeling the way I was right then. Megan had obviously gotten excited seeing me take off my shirt. Now, Megan and her big boobs were doing the same thing to me, and probably Ally as well. When Megan stripped off her panties, she handed them to me and looked me right in the eye. Then, she dove into a flat patch of fresh snow, thrashed around, and then rolled onto her back.

When she was done, she had left two, perfect twin angels in the packed white fluff. The impression she left with her boobs could have been used to pour a mold of her titties that would have been perfect, the dents in the snow were so deep. She was shivering when I handed her panties back and had to put her hand on my shoulder so she could start getting dressed again. Without a word, Ally came up to behind her and pinned Megan between us to warm her up...

I pushed my vibrator against my pussy lips, turning it up to HIGH and then back down to MEDIUM, remembering what it was like to have Megan's boobs pressing into me while Allison pulled Megan's panties up. I couldn't help myself. I put my hands under Megan's big boobs and cupped them, and Megan closed her eyes, shivering. I didn't think it was because of the cold, though. When she put the tip of her tongue into my ear, it made me squeeze her and rub her nipples. Having her tongue teasing my ear made me want things. Mostly, it made me want to see what it felt like to have a girl use her tongue on me the way that Megan was somewhere else.

I ran the vibrator around my pussy the way Megan ran her fingers around my hole when we were back inside the cabin together. Ally was sucking on my titties,

Megan was fingering me, and I was on my back, splitting Megan's shaved vag with my tongue. When I started eating Megan's muff, she wriggled into a 69 with me and we went after each other's pink spots with our tongues. That first time around, Allison kinda got left out, though she did manage to give my ribs and Megan's a good workout when she could get between us. Ally was totally enthralled with Megan's boobs, and obsessed over them with her hands and mouth when it was her turn to get some girl-girl lovin'. When Megan and I had each made each other cum, we both went after her, and trust me, we more than made it up to Ally for having to wait for us to tongue-fuck each other!

Now, I was covered in whipped cream and sweat and my toy was locked on HIGH and buried deep inside my snatch. My whole bed was shaking, and by the time I got off, I was probably gonna have to change the sheets again. It didn't bother me. I pulled my vibrator out almost all the way, then pushed it all the way back up inside me, taking it to the very end every time, using the tip to tease my clitty until I couldn't stand it and had to stuff it all the way inside me again. When the feeling

was too much, I pressed my thighs together and rolled onto my side, feeling a monster orgasm rip through me. I tried not to think about the fact that it might be the last one I had in my favorite place in the whole world.

I was in the bathroom at the back of the cabin, washing my hands. My knees were wobbly after my massive cum. I'd had to turn down the vibrator a notch to LOW, my teeth were chattering so hard while I got off. Even so, I had one more little one before I finally had to pull my wonder toy out of me. When I closed my eyes, I almost felt like it was still inside me. It was so intense, I could almost hear myself still moaning. "Oh yeah, yeah, yeah—fuck me, fuck me so good! Fuck me 'til I cum! Don't take it out! Don't take it out of me for anything!"

I opened my eyes. Waitaminit—I hadn't been screaming that when I came. And, I wasn't screaming them now, either. But it sure sounded like it did when I touched myself down there and made myself cum. It sounded so much like me that I left the water running to cover the noise of opening the bathroom door and sneaking out of my room.

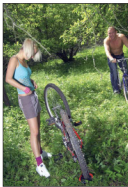

Peeking into the living room, I froze. On the rug in front of the fireplace was my Mom— down on all fours, her ass up in the air, getting fucked from behind by Serge! The way she was digging her nails into the rug and growling, it appeared that Serge was giving it to her but good! Before I could sneak away though, I heard Mom give a sharp cry and drop her head onto her forearm. Serge yanked his big tool out of Mom's pussy and shot a fiery geyser of jizz onto her back. I wasn't a hundred percent sure, but I thought I heard Mom tell Serge, "Fuck the deal...Harry can put it back up for sale next year...or maybe not. He's lost other commissions before. Ohhhhh, god...oh yeah, I can feel your hot cum all over my ass. Put it back in me, baby, put that cock back in and gimme some more!" Over my Mom's cum-splattered backside, Serge winked at me.

I ran back to the bedroom and grabbed my cell phone. I had two calls to make. First, Allison, who would in turn call Megan.

And then...Cory.
Boy was I glad I had left his number on my speed-dial!

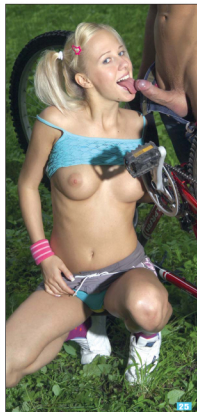

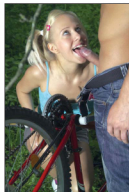

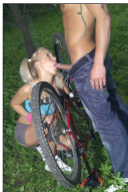

"I pressed my thighs together and rolled onto my side, feeling a monster orgasm rip through me."

The Hottest Teen Blowjobs

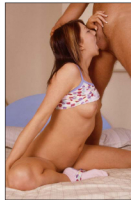

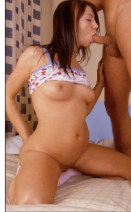

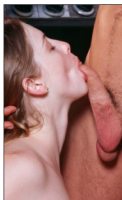

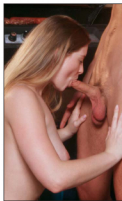

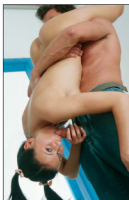

LOLA
MARCH 2006

Every guy loves a good blow job. Each may have his own special way of how he likes it best—with or without hands, deep-throating or concentrating mainly on the tip, sucking balls or leaving the nuts alone. Some guys love a blow job merely as foreplay to a good fuck, while others love a great blow job and could care less about the fuck. We say, to each his own. And now, without further ado, let's enjoy some of Purely 18's juiciest blow jobs of the past 12 months!

TEEN DREAM

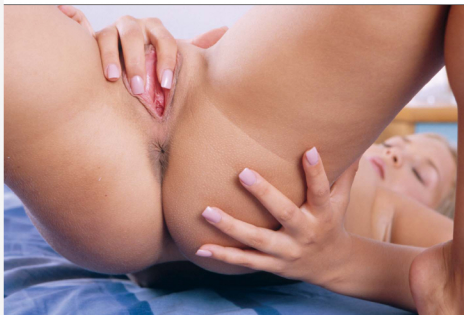

Kyara

Heavenly Honey

This exciting Euro-teen is none other than Kyara. Can you even imagine a more beautiful 18-year-old? Despite her heavenly looks, there's something quite devilish about this month's Teen Dream. She just loves to get off any way she can. "I'm thrilled that guys can't stop kissing me and sucking my boobies, grabbing my ass-cheeks and licking my pussy, but when I'm all alone, I use my trusty sex-toy. It doesn't have a pulse, but otherwise it's okay, I guess." Kyara, we'll be happy to substitute for your sex-toy anytime!

Martina & Jana

Blondes Prefer Blondes

An 18-year-old Jana Cova (before she was known to the world as superstar Jana Cova!)—seen here with the pink thongie in her hair—was introduced to the equally foxy Martina. You could see the sparks of attraction fly between them immediately. And there's no mystery as to why this happened. "When I first met Jana," says Martina, "I knew she was going to be a big star. She's so innocent-looking and pretty, but with so much sexual energy!" Jana adds, "Martina was the perfect plaything for me. And she has such a delicious pussy!" Well guys, we're almost sorry to disturb these two!

Ember

Bubble Gum & Blowjobs

Oh, how quickly cute, freckle-faced Ember has gone from blowing bubbles to blowing guys! Why, it seems like only yesterday that Ember was frolicking nude by the pool. She had just turned 18 then and was having fun showing a vibrator up her pussy and sucking the juices off. It was good practice for sucking a real cock. Of course, what excites Ember about the real thing is how it grows and stiffens to a hard hunk of man-meat in her mouth, throbbing and ready to fill her tight, hairless hole. And even better yet, Ember is thrilled at the warm splash of cum on her plump, curvy ass. Let's see a vibrator do that!

Patricia

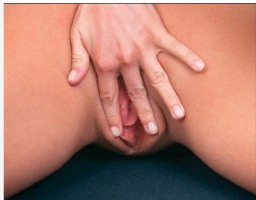

Growing Pleasures

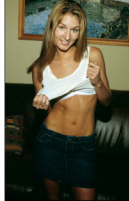

This delicious coed cutie is Patricia. Her sweet smile, her bouncy, 100% all-natural boobs, bitchin' tight ass and darling bangs make her one fine specimen. Pushing 19, Patricia is enjoying being "grown-up." Of course, that's a term that means something different to everybody. To Patricia, it means doing whatever she wants to do, because she's old enough now. There's a difference between being old enough and being grown up too, Patricia, both of which we all gotta learn the hard way...almost like the way you're making our cocks hard right now! Don't grow up too fast, Patricia, enjoy your youth while you can, so we can too!

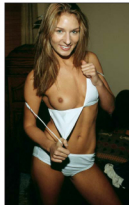

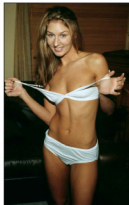

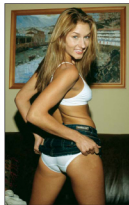

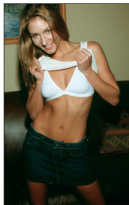

Montanna

Mountains Of Fun

It's a great thing when we find rare, candid shots of porn stars before they become really big and are still on their way to the top. These early photos of Montanna Ray make it seem pretty obvious why a gal like this would quickly become famous throughout the porn world. A prime piece of ass, tits, and pussy like this is sure to make every man's mouth drool and cock rise. We all wanna see Montanna in action, so when she's not too busy stuffing her social private parts, we'll get her back here soon so she can show us how she likes it...

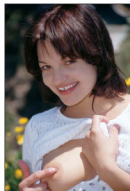

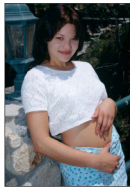

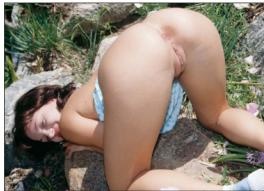

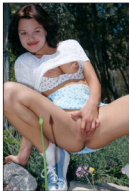

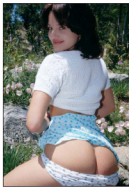

Young Belladonna

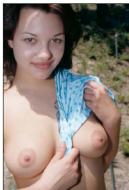

The Lost Nudes

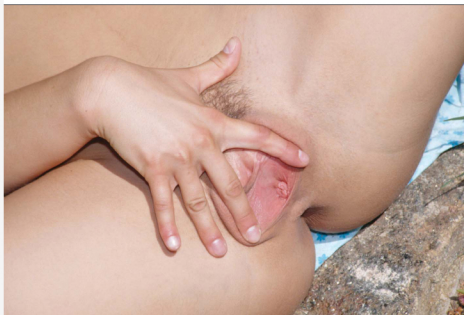

If you've been a fan of porn for the past few years, surely you've heard the name Belladonna. One of the biggest, baddest superstars in the adult industry, she started out just like every other girl, posing solo in pictorials like this one. Naming herself after the pretty-but-deadly plant of the poisonous nightshade variety, Belladonna is noted for her most outrageous sex acts in the history of the jizz biz. Here she is at a scant 18 years of age, long before she skyrocketed her way to the top. Appearing in several hundred ultra-hardcore movies and pictorials, she now also steps behind the camera to direct.
