# SHAWNA LENEE

*Porn Star of the Month*

Here are the stats...

**Name:** Shawna Lenee

**Date of Birth:** April 12, 1987

**(28 years old)**

**Place of Birth:** Ohio

**Country of Origin:** United States

**Career Status:** Active

**Eye Color:** Blue

**Hair Color:** Blonde

**Measurements:** 32D-24-36

**Fake Boobs:** Yes

There is something really special about Shawna.

She has an amazing girl next door look!

If you passed her in a mall, you would glance, think that she cute and keep walking - that's what makes her so incredible...you just don't see her coming.

She also has a great heart! Back in August she donated 20% of her sales at Exxxotica to The Genesis House Shelter in Lorain, OH. Fans can donate @ [www.geneshouseshelter.org/donate-to-genesis-house](http://www.geneshouseshelter.org/donate-to-genesis-house)

Lastly, it doesn't hurt that she was also born and raised in my home state.

**Check her out at [Shawna](#)**

Here's our interview with the sensational Shawna Lenee!

**You started out young in the business - how was it starting at such a young age?**

I started in the adult industry at the age of 18 and 4 days old. I really have no idea what I was thinking at the time. I jumped on a plane as soon as I turned 18, trusting a bunch of people I didn't know. I had just finished going through modeling and acting school and just wanted to live out this crazy dream I had. I really had no idea it would turn into something. I didn't know it would change my life so much. Looking back, I am glad I took that risk because at this moment, I am completely happy and content with every way my life has turned out.

# NGM

**What was it like shooting your first scene?**

My first scene was a little strange. I did feel completely safe and it wasn't difficult for me to complete at all. I remember my first scene so perfectly. I just paid attention to my male talent and forgot the camera was even there.

**You're actually from my home state of Ohio, are you a Browns fan?**

I am a serious Browns fan. They have my heart and I can't help but wish for the best each game. Loving the Browns is definitely a part of who I am.

**I know what it was like growing up in this state, what was it like growing up in Cleveland?**

I grew up right outside of Cleveland, in a rural/suburban border town. It is a pretty small place here where everyone knows everything you do. I also grew up on a small farm so my childhood held many responsibilities. The county fair week was the most important week of the year. Sometimes I still miss showing my cows and winning trophies in 4H. :)

**How often are you able to come back to visit?**

I actually now live in Cleveland and have made this my home base. I love it here so much and I never want to leave. After living in LA for 5 years, I realized there was no place like home- so I moved back in 2010.

**I have to ask, are you a Buckeye Fan?**

Yes, I do love my Buckeyes as well but don't get to see them play as often as I would like!

**Runner up as Penthouse Pet of the Year, very impressive. What was that experience like?**

The experience of winning Pet of the Year Runner Up was pretty magical. It was one of the best experiences in my life. Penthouse has given me so

many opportunities and I couldn't be more thankful.

**What advice would you give to anyone who is trying to break into the business?**

The advice I would give to anyone who is trying to break into the business is to try to find the right team of people that will help you be successful. Definitely do your research because someone else may have first hand experience with a bad deal you're about to sign. Also, I recommend all girls find a legit agent before taking bookings so they can assure they won't be taken advantage of. I am very thankful to have Derek of Direct Models as my trusted agent.

**You left the industry for a while. Why did you leave and what made you come back?**

I left the industry in 2010 for 4 and a half years. I spent all of my time between the ages of 18 and 23 in the adult industry and I wanted to focus on some personal development. I took 3 years of classes for Small Business Management, opened a couple small businesses from home, and spent a lot of time with family. This 4 years flew by. I came back to the industry because I really want to apply the skills I learned in school to the industry. I want to see how far the things I am learning will take me.

**All adult stars have their own specialty, what's yours?**

I think my specialty is just being myself. I am honest and outspoken about my ideas and beliefs. I believe I can be sexy without being roughed up. And I also put out a great scene, every single time.

**Of the scenes that you've shot what was your most pleasurable and why?**

The most pleasurable scene I shot was a recent scene from PureMature.com with Johnny Castle. He just looks so amazing and he makes my jaw drop.

**What's the wildest thing that you've ever experienced on set?**

Usually things are pretty easy going on set. It's not really wild. There's a routine we follow and I haven't really ever seen anything "wild". It is a pretty professional environment.

**What are three tips that our readers can use to hook up with you?**

Well, I don't hook up with people in my personal life. Basically, my entire sex life is only for camera. However, I am attracted to people with good hygiene, natural looks, and polite behavior.

**What are three things that would definitely not work?**

Three things that turn me off from having any interaction with someone include: cockiness/self-righteousness, hypocritical behavior, or obsessiveness.

**If you could have sex with anyone (living or dead) who would it be? Why?**

There's no one I would really have sex with but I would enjoy meeting people and getting to know them on a person level. People like Jesse McCartney and Clarke Duke.

**What are three things that you wish everyone knew about you?**

I wish everyone knew how focused and determined I am right now in life. I also wish some fans who were very upset because I took a 4 year break from the industry to know that it was the best decision I ever made. And last, I wish the general public could live with me for a week so they could see that I am just a normal Cleveland girl.

**What are some of your upcoming projects? When do they come out and how can your fans get their hands on them?**

I have a lot of short video clips that I have been filming at home. I took about two months off traveling to enjoy the end of Summer and started shooting sexy videos in my spare time. I will be adding all of these views to my fansite:

**What's the best way for your fans to connect with you?**

The best way for my fans to connect with me is by my blog, email, and social media accounts. I am almost always online.

Lust*

Though she is in the MILF category, Kendra has a booty, that despite her hip size is very cupable and will create a nice bounce...if you're in to that sort of thing.

**Best Large**

Kelly  
Divine

Let's just say what it is, Kelly's ass is so round, so developed and sculpted that it actually looks unreal. It's so huge and perfectly round...OMG!

**Best Over 40 Club**

Isis  
Taylor

This was the only tough call for us. Though Luscious Lopez and Isis Taylor are similar in size, Luscious seems to lose her ass in certain positions where Isis is constantly round and full.

## True stories of my sexual adventures

### Ride of my Life

By Ron L. Cummings

*Names and places have been changed to protect the not so innocent.*

Okay, I don't know if I've ever shared this story before.

I know that there was another experience with this young woman that I shared so for the sake of not being repetitious I will call her Dina.

Here's a little background...

I had been dating Dina for a while and we had moved in together. She was a Puerto Rican with an ass and hips that were unbelievable.

When I say unbelievable, I really mean unbelievable.

The first time I saw her in a tight fitting dress, I literally thought that there was no way that could be real.

Of course, this was way before Kim Kardashian or Nicki Minaj, so I tried to wrap my mind around how she could be so little with such wickedly wide hips and round ass.

I had been with her for months and every time we fucked it was definitely porn flick worthy.

She had a great body with this huge Puerto Rican ass, good looking with long black hair and I was in

pretty great shape myself - we could have started our own webcam show and made millions!

It was so porn worthy that for whatever reason, I would typically pull out and cum on her ass, her face or tits - I'm not really sure why, it may have been because I really thought that was the proper way to end our porn-like sex sessions.

Now, back to my story...

Imagine that you had been knocking off some great pussy for months and all of a sudden she hits with you that's not completely new but something with a little twist.

To give you a little background, Dina had this Special talent, if you want to call it that.

Her pussy was nice and loose going in, especially if she was nice and wet but she would tighten her vaginal muscles when I pulled out...talent!

It was like she was jerking me off with her pussy and she was really good at it.

So back to the day in question...

We had taken a shower and gone at it mid-day for whatever reason. It wasn't something that was completely out of the ordinary, she could smell good, smile a certain way or where a particular outfit and we would just go at it.

So, we are going at it and for she is so wet that I'm really having a hard time reaching my climax.

I don't know if I had something on my mind or that we had just been together for so long that everything that we doing had become stale.

We tried a few new things...

I pulled out a couple of times and she sucked my cock, licked my balls...the whole nine.

Nothing!

I oiled her up and we even tried a little anal and still nothing.

After about 15 or 20 minutes of this, she seemed a little frustrated and told me to get on the floor - which I thought was VERY unusual.

It's not like we hadn't done it on the floor, HELL WE HAD FUCKED IN EVERY SQUARE INCH OF THAT APARTMENT INCLUDING THE SPARE BEDROOM JUST FOR KICKS but normally if we were in our bedroom we stayed in the bed.

Nevertheless I did what I was told and laid on my back, on the floor next the to bed.

She mounted me in the reverse cowgirl position.

She started out with my cock so deep inside her that I could feel her tailbone or whatever it is that feels like bone when you're in that deep - most of you that aren't as blessed may not know what that feels like.

She started moving her hips back and forth, giving me a full visual of her wide Puerto Rican ass slowly grinding and moving back and forth.

Then she hit me with a little up and down motion.

Not enough for me to notice, the difference other than the visual of bottom her vaginal lips rising

above the base of my cock.

Then she slowly took it all the way to the tip...still nice and slow.

Then all of a sudden, as if the DJ had slowly increased the tempo of her favorite song, she began to rhythmically bounce up and down on my cock.

Harder and harder...

Flop...

Flop...

Flop...

Her nice round ass, clapped against me as she repeatedly slammed me inside her.

The sounds, the look of that huge yellow ass bouncing up and down...I came so hard, I was surprised that it didn't shoot out of her eyes, nose and mouth!

SHE DIDN'T STOP!

She kept going as if she was trying to pound me into the ground until she got off again and then kept going until I began to go limp.

Then she just laughed as if she was amazed as I was at what she had just done and said, "I really put it on you that time, didn't I?"

"Damn, yes you did...you certainly did."

The logo consists of the letters "NGM" in a large, bold, white serif font, centered within a solid dark red rectangular background.

## Airerose Announces Return of 'Buttslammers' Series

VAN NUYS, Calif.—Airerose Entertainment announced the reboot of Bruce Seven's legendary all-girl series Buttslammers. Featuring the classic set-up of anal-loving sluts locked in a room with a lubed up tarp, loads of oil, and a myriad selection of dildos, strap-ons, and butt plugs galore, Buttslammers is back to bring more jaws to the floor with a DVD street date of Oct. 15.

"This movie is definitely the most hardcore on the Airerose catalog," said director Derek Dozer. "Every scene is a raw girl-girl anal action free-for-all. The original Buttslammers blew people's minds, and our version brings the series to the present with 9 of the top-performers in the business. Pure hardcore gonzo magic."

"As soon as we started teasing photos on social media, the response was immediate," said Airerose Entertainment Vice President Adam H. "Beautiful girls covered in oil sliding around on a tarp and slamming various objects into each other's butts to the point of orgasm seems like a no-brainer, but Buttslammers is a tall order, and Airerose is here to fill it. We can't wait for fans to see it."

Buttslammers is the first volume of the Airerose reboot of Bruce Seven's extravagant all-girl series now starring Abella Danger, Carter Cruise, Phoenix Marie, Adriana Chechik, Bonnie Rotten, Kleio Valentien, AJ Applegate, Madelyn Monroe and Sarah Shevon.

Pure Play Media is the exclusive distributor for Airerose Entertainment. Retailers and distributors interested in ordering Airerose titles should contact Adam H. at [adam@pureplaymedia.com](mailto:adam@pureplaymedia.com) or at (800) 999-2483, ext. 1228.
