ANGELINA VALENTINE

- INTERVIEW -

Porn Star of the Month

Here are the stats...

Name: Angelina Valentine

Date of Birth: September 19, 1986
(29 years old)

Place of Birth: Kentucky

Country of Origin: United States

Career Status: Active

Eye Color: Brown

Hair Color: Brown

Measurements: 34E-24-35

Fake Boobs: Yes

When it comes to porn, we all have our different ideals of what makes for good porn just like we all have different fantasies and different taste in women.

What makes for a great porn star, one that doesn't just get thrown in with the hundreds of others out there, ladies like Vanessa del Rio, Christy Canyon, Nina Hartley, Heather Hunter and Jenna Jameson - to reach that level, you must have a level of authenticity that outshines your competition.

Angelina has that and much more.

She is well on her way to becoming a legend in adult entertainment business.

Check her out at [Angelina](#)

Here's a blast from the past - Our interview with Angelina Valentine.

I have a lot of family in Kentucky, what city are you from?

Lexington

What was it like growing up in the Bluegrass state?

It was the best memories I have of life, I'm a hard core country girl.. I eat my corn bread and my soup beans... and I am a bad mofo on a horse... Living the country life is what I know best... I am proud to say I am from the Bluegrass. I miss the Kentucky derby and all the southern people. That's the one thing I love the most about KY is the hospitality. How often do you get a chance to go back to visit? I go back as often as I can, every break I get from school or work, that's where I go.. Its my comfort zone, and all of my homies are there.

When did you decide it was time to leave Kentucky for the world of adult films?

I knew it was time when I became the most well known dancer in Kentucky...I was sorta famous @ the Spearmint Rhino in Lexington and once I started making the money I knew I had something special.

How did you get your start in porn?

I came out to Cali with 10 dollars in my pocket and a hefty bag of clothes and I had a number of a photographer some feature dancer gave me and I left KY hoping for the best. I had no idea where I was going to stay or if I could even make it... I stayed @ a bunch of hotels and then finally met with an agent and once I got an agent I haven't stopped working, It happened so fast.

My first scene was for Pistol Whip for bare foot maniacs.. It was sooooo much fun! I knew I was going to LOVE this life!

What was it like shooting your first scene?

I was DEF not nervous, I was more excited than anything. I kinda knew what the scene was going consist of... It wasn't like I wasn't sexual active... I've always been a freak, the camera made me even MORE of a freak.. It was like I could fuck in front of the entire world and they could see how much fun I have! Sex to me is an amazing thing... I think everyone should fuck... its HEALTHY! I love being the center of attention, especially when it comes to fucking... I will DESTROY a cock!

A while back a few of our readers sent in questions about the realism of squirting. Can you explain this phenomenon and help put to rest any thoughts that these types of shots involve CGI?

I am for sure a super squirter!!!! I can hit a target 15 feet away... It all has to do with the G spot... the first time I squirted, someone did it for me... I didn't even know I could do that! U have to hit the G

spot so hard that it explodes!!!! Its sooo much fun! Once u get control over your body then u can squirt on command (at least I can) hahaha...

Is there any way to fake squirting?

Um I guess, there's always a way 2 fake everything... I don't think u can fake the actual squirting part, for pictures u can have a douche squirted in your pussy and then push it out for pics... but when it comes to the actual scene then there's really no way u can, unless u piss on the dude, which is gross for the both of us... lol... You can always tell when someone squirts and when someone pees.

Angelina - Brazzers.com

Your website states that you've appeared in over 150 movies. Do you have a favorite film you've appeared in or a favorite scene that you've done and why is it your favorite?

Actually I have appeared in over 400 movies... 150? That's strange... I think I would have to say that my favorite scene was my first anal scene....It was so much fun because I have never done anal on camera before and it was such a turn on to have the entire world watching my booty get railed!!!!

Before shooting a scene, what do you do to prepare?

I like to eat protein, drink lots of water and douche my va jay jay out.. hahahaha no eating fatty foods or heavy foods! bad idea.....

I typically ask this question but everyone seems to have a different answer. Name three things that you think people should know about the porn industry?

We are real people even though we fuck for a living, some woman are mothers and wives and have family, we are just the same people as everyone else, except we don't care who knows we fuck! BTW everyone fucks, they're just to lame and wack to show us!

How does sex in your personal life compare to what you do on film?

I am a lot like the person I am on camera in my home life. I enjoy fucking sexy bitches and dudes with huge cocks. I am a size queen and I don't like small dicks, That's been who I am since before porn... I love to get FUCKED!

I'm not really the type of girl to turn the lights off and get under the covers.. I like the lights on and mirrors everywhere, if people are there to watch then it makes everything so much better... I am such a filthy slut on and off camera.

You state on your website that you can "deep throat any size cock", can you provide any pointers that our readers can share with their significant others?

Yes, I have won best deep throat of 2010, I can deep throat Godzilla's dick! The only advice I can give u guys is to go DEEEP, I don't have an issue with the big huge fat cocks, its the small ones that tickle! Its way better if your cock is so big it makes me have lock jaw... get it nice and wet first and then let it slide right down your throat!

Angelina - JulesJordan.com

Time for the standard questions...

What turns you on?

Big dicks and smelly feet oh yea and gang members.

Turns you off?

Bad teeth, big noses and bird chest on dude, also a cocky arrogant dude.. I cannot stand a dude who thinks his shit doesn't stink!

If you could sleep with any celebrity dead or alive who would it be and why?

Nicki Minaj, Angelina Jolie, Tony Jaa because they're so hot they make my panties creamy!

What is the most outrageous thing that you have ever done?

I was on a high speed car chase from the cops and actually got away.. Hehehe

If you were stranded on a deserted island what three things would you have to have with you?

First of all I would for sure have to have Criss Strokes with me cause his cock is like a horse dick, and some chronic, and most of all some waffle house!

What are three things that you want everyone to know about you?

I am a cool ass chick, but crazy in every way! I love zombies and getting into trouble. I am a bad ass.. I enjoy getting ink and shooting guns.

How can our readers see more of you?

U can find me on twitter, @angelinavalen.....my website is angelinavalentine.com, and sorry I keep getting deleted from Facebook... Lol

Thanks Angelina

Top 10 Legends

&

Playmakers

Part One

Welcome to our Top 10 Legends & Playmakers! Our legends are larger than life figures in the world of porn, the people that we will talk about for years to come. These are the ladies that have made a real impact on the adult industry.

Our playmakers are the ladies that we feel are destined to be legends! Enjoy!

Legends

10 Jenna Jameson

Jenna Jameson is an American entrepreneur, webcam model and former pornographic film actress, who has been called the world's most famous adult-entertainment performer and "The Queen of Porn".

She's still in her transitional phase out of the business but still legendary.

Photo: Club Jenna via Freeones.com

9 Marilyn Chambers

Marilyn Chambers was an American pornographic film actress, exotic dancer, model, actress and vice-presidential candidate. She was best known for her 1972 hardcore film debut *Behind the Green Door* and her 1980 pornographic film *Insatiable*.

There are some that would argue that she was the original "Queen of Porn".

8 Janet Jacme

As far as Ebony legends of the smut scene go, Janet Jacme has the heft, the energy, the credits, and the cock-devouring skills to be a certified chapter in porn history.

In every scene that I have ever watched she looks like she's fucking the biggest dick ever (oh, the screams and moans) and she's enjoying the hell out of it. At every moment she has this amazing look of complete concentration...really intense!

In 2006, she became the third Black female to be inducted to the AVN Hall of Fame.

Photo: PornHub.com

7 Ebony Ayes

Ayes was also one of the original pioneers of black stars entering the world of mainstream adult movies, and was best known for frequent performances with former black male porn legend Ray Victory. She reached the height of her career in the late 1980s and early 1990s.

After her retirement from adult films, Ayes worked as a dominatrix in Atlanta, Georgia.

6 Christy Canyon

Canyon is both in the AVN Hall of Fame and the XRCO Hall of Fame. She's rated by AVN as one of the top twenty starlets of all time.

Currently, she is retired from performing in films, but still has an adult-related career, concentrating on her web site, working as a host for Playboy Radio, and selling merchandise on eBay. In 2003, she published her autobiography: Lights, Camera, Sex.

Some of her scenes with Peter North are true classics. My favorite Canyon scene was her Biker Gangbang.

Photo: Danni.com via Freeones.com

5 Linda Lovelace

Can five hours of film time make you a legend? Absolutely, especially if one of those films is the most popular porn film of all time.

I'm torn on how I actually feel about Lovelace. There's the Christian who went on a anti-porn crusade and then there was the Lovelace who was filmed having sex with dogs...which she lied about participating in, then when the films were discovered, said she was forced. Hmm!

Photo: The Classic Porn via Freeones.com

4 Heather Hunter

Heather Hunter is a living legend in porn who transcends so many genres. She's one of the first Black starlets in porn to truly break into the mainstream.

She has the body and looks of a model.

In fact, that's exactly what I loved about HH - her long black hair, thin body and these absolutely perfect breast with gum drop nipples.

Also, she was so small that when it looked like she was in pain, I really believed she was.

Photo: www.suzeclassics.com

3 Nina Hartley

Hartley won her first AVN award for Best Actress in 1987, she won her latest in 2009.

She's still going strong and she still looks fantastic at the tender age of 56 and after more than thirty years in the business.

Wow

2 Asia Carrera

Hold onto your hats folks...

Asia Carrera was born Jessica Steinhauser, she studied piano as a child and performed at **Carnegie Hall** twice before the age of 15.

At the age of 16, she taught English at Tsuruga College in Tsuruga, Fukui, Japan.

Carrera is a member of Mensa, with an IQ of 156.

Oh, and was the first Asian performer ever to win the AVN Female Performer of the Year Award and she's also in the AVN Hall of Fame.

1 Vanessa del Rio

Vanessa del Rio left a job to becoming a porn actress because "they paid \$150 a day, which was exactly my half of the rent".

For my money, she's one of the best, if NOT THE BEST to ever do it.

The scene from **Viva Vanessa** where she jerks a guy off into her panties, cleans the cum off him and her hands, then puts those same panties back on when she gets dressed...that's good PORN!

Gargirls of Samral

Photos and story by Scott "weenie" Koznar

As the gargirl peacefully soared through the warm and humid air of the immense cave, she could hear the sound of hard and swift flapping approaching her in the distance. She abruptly stopped in mid air and turned full circle to see what was the cause of the noise but heard and saw nothing; the warm tall cliffs of the cavern interfered with her keen night vision that relied heavily on heat, and the lush night adapted vegetation that clung to the cave walls interfered with her hearing.

"Who ees dat?" Tahna asked the darkness in a primitive but strong Eastern European accented growl. "Who ees out dare? Show self!" There was nothing but silence and darkness.

Although Tahna and her sister gargirls lived and dwelled in seclusion in the huge and secret underground Caverns of Samral, she occasionally did have face-to-face contact with the "upper-world" populace or "sheeple" of the city of Liberec of the Czech Republic.

As a result, this ever so minimal contact helped Tahna form the primitive Czech Republic influenced dialect she now spoke.

. Repeated sentences filled with such important words such as "PLEASE! PLEASE! DON'T HURT ME!!!! AHHHHHHHHhhhhhh!!!" or dying fading whimpers of "why?...why are...are...you doing this to me...?" helped with her verbal communication skills greatly and she was grateful.

Sometimes Tahan was even treated with a surprise sentence that contained more words such as "please...pleeeeeease. I have a family... children... they love me and...need me" or "please...I will do anything you want....just don't hurt me any-more...please stop"

Unfortunately though, because of her natural inbred impatience, rarely did Tahan ever hear a "sheeple" speak past such simple phrases.

And why were only these types of sentences spoken to her?

The reason was quite simple; Tahna, a "common" bat wingedgargirl, one of the deadliest hunters known or unknown to man. With her immense strength, speed, razor sharp teeth, and claws, along with her six-foot prehensile demonic spear pointed tail, the strongest, most cunning of any human, was no match for her.

Unlike the vampire, the "sheeple", or people of Liberec, were a primary source of sexual fulfillment, entertainment and most importantly, food.

"Yesssss..." Tahan hissed to herself as she heard the familiar flapping noise swiftly approach her from behind. She closed her eyes and waited. "Yess... finally... finally..."

The bite was painfully quick and deep on the side of Tahnas neck as the four two inch fangs, tore open her carotid artery. As greenish blue blood gushed from the open wound, the mouth, with it's long and rough cat like tongue, vigorously and efficiently sucked and lapped up the pale green skinned, blue colored bat winged creatures liquid life.

In the beginning, as it always did, the bite hurt Tahna.

But, as in the hundreds of times before, an equally pain countering erotic hot rush was triggered that raced through her petite gargirl body.

In fact, the rush was so intoxicating that Tahnas shook violently from head to toe.

And once again, Tahna had to fight with all her might to kept herself aloft. Flap, flap, flap went her wings against the warm air.

Although the mouth that had inflicted the wound sucked furiously at Tahnas escaping blood, not all of it could be ingested. A stream of it that had escaped, flowed down her left breast. Steadily flowing to the end of her now hard and erect nipple, it then dripped off into the darkness far below...

...drip...drip...drip...drip...

Tahna, tried harder and harder to struggle to free herself from her attacker's grip but the long fangs only dug deeper and deeper into her neck to hold her still... as usual. The "hot rush" feeling inside her body intensified. Then it happened...

"Arrgggg!!!" Tahan suddenly screamed out loud.

Her pussy and clit were about to explode in a massive orgasm.

"Yes... YES! ...BITE HARDER!" Tahan continued to scream.

"BITE HARDER!!!!!"

The mouth did as it was told.

Tahan felt the familiar shivering erotic rush between her legs as her pussy and ass-ring began to convulse in an explosive orgasm.

"ARRRRGGGGG!!!!!" the ear-piercing scream rang out.

"AHHHHhhhhhhhhhh...." Then there was silence.

"Ees dat you... Jakaa?" Tahna asked in a soft panted whisper.

"Yes, Tahna... eet es me" the voice replied.

"I've missed you so Jakaa..."
