Q&A WITH BEAR

HOW DID YOU GET INVOLVED WITH GLAMOUR MODELING?

It all started with my passion for cars. I was highly intrigued by the car models at all the events I was attending and figured I would give automotive modeling a try. It then prospered into other fields of work such as Glamour Modeling.

WHO INSPIRED YOU IN BECOMING A GLAMOUR MODEL INSTEAD OF A FASHION MODEL?

Nobody really inspired me to become a Glamour Model, it kind of just happened!

HOW DO YOU MANAGE TO MAINTAIN SUCH AN INCREDIBLY SEXY BODY?

With my constant traveling and high energy, I burn food right off. I try to watch what I eat, but at times the temptation of sweets just get to me.

WHAT PART OF THAT SEXY BODY ARE YOU THE MOST PROUD OF?

Would have to be my natural breasts. Good country food blessed me in the right places.

TELL US ONE UNIQUE THING ABOUT YOURSELF THAT OTHERS MAY NOT KNOW.

I am a die-hard car enthusiast. I love the automotive field. From motorcycles, 4x4 trucks, to import cars. My main passion right now is drifting cars. I got started in the sport about a year ago and fell in love with it immediately. The adrenaline rush you get behind the wheel of the car is one of a kind. This year I am striving for more seat time and to be known as a drifter who models, rather than the other way around.

WHAT IS THE MOST ADVENTUROUS THING YOU HAVE DONE?

Traveling to the Bahrain (Middle East) for the 2015 Formula 1 Races.
